

October 17, 2013

Honorable Mayor, Commissioner's and City Manager:

The Flagler Village Improvement Association had its regular monthly meeting today. The following resolution was unanimously passed:

The Flagler Village Improvement Association recognizes a unique and positive relationship as partners in the CRA redevelopment efforts with our neighbors, and in the spirit of neighborly respect and acknowledgement of an important historic civic leader, we would request, that Flagler Village Civic Association would implement its own street naming program within the neighborhood boundaries and as a first order of business that NE 6th Street be co-named with E. Sistrunk Blvd.

Sincerely,

Flagler Village Improvement Association Board of Directors

Jim Ellis  
Alan Hooper  
Ron Feldman  
Doug McCraw  
Mark Mattern
