Notwithstanding the foregoing, LICENSEE shall have the obligation to immediately begin the process of removing any or all of the Project Improvements within the License Area upon termination, in whole or in part, of the RLA.

13.2. In the event LICENSEE fails to remove the Project Improvements and COUNTY or CITY finds it necessary to remove the Project Improvements in accordance with the foregoing, then the total expense incurred by CITY in removing the Project Improvements and the administrative costs associated therewith shall be considered a special assessment and lien upon the Property. LICENSEE shall have thirty (30) days from the date of the statement of the total expenses incurred by CITY and the administrative costs associated therewith within which to pay to CITY the full amount due. Failure to timely pay the amount due or serve upon the CITY Manager a written letter contesting the statement of assessed expenses and administrative costs will result in the matter being scheduled before the CITY Commission for consideration of and adoption of a Resolution assessing against the Property the expenses and administrative costs associated with CITY's removal of the Project Improvements. The Resolution may also impose a special assessment lien against the Property for the expenses and costs so assessed. A Notice of the Special Assessment assessed by the CITY Commission for the unpaid expenses and costs as stated above shall be recorded with the CITY Clerk and in the Public Records of Broward County, Florida.
