Importance: High

Hi Safeea, hope you are doing well, dropped by to see you today but you were out. We are entering into another phase of redevelopment and we need a letter of support from the Mayor for our applications to HUD. I have attached a sample letter for our Sunnyreach Acres Project. This letter can be updated and/or modified. Please let us know if you require additional information or what we need to do to expedite the process.

Look forward to hearing from you.
