Recognition of Community Members' Participation in the Virtual Teen Town Hall Forum - City of Fort Lauderdale Teen Recreation Intramural Passport/Bridge Builders Program in Collaboration with the Central Broward Teen Alliance Coalition

City of Fort Lauderdale Teen Recreation Intramural Passport/Bridge Builders (Teen Bridge TRIP) Program (Program) Members Desenia Barcenas, NyYanni Jones, Kayla Quinn and Erica Robinson recognized and thanked community members who participated in the Virtual Teen Town Hall Forum, a collaboration of the City of Fort Lauderdale Teen Bridge TRIP Program and the Central Broward Teen Alliance Coalition. Ms. Barcenas, Ms. Jones, Ms. Quinn and Ms. Robinson commented on their scholastic and sports backgrounds and participation in the Program.

Jon Quinton, Parks and Recreation Department Recreation Program Manager, expounded on achievements and attributes of Program participants.

PRESENTED**CONSENT AGENDA PUBLIC COMMENT**

Mayor Trantalis explained procedures and details regarding how members of the public can speak on Consent Agenda items.

The following items were pulled by Commission Members for separate discussion:

Commissioner Moraitis: CP-4

Vice Mayor Glassman: CM-1, CM-2, CR-2, CP-1, CP-2 and CP-4

CONSENT AGENDA**CM-1 [21-0070](#)**

Motion Approving an Event Agreement and Related Road Closures for the 33rd Annual Las Olas Art Fair - (Commission District 4)

Vice Mayor Glassman commented on community input regarding the Las Olas Art Fair Event (Event) and COVID safety protocols. Mayor Trantalis noted that Las Olas Art Fair organizers had indicated there would be

adherence to COVID safety protocols.

City Manager Lagerbloom noted this Event was previously approved by the Commission. This item is before the Commission due to a date change request to January 9 and 10, 2021. Event organizers submitted a safety plan to Broward County.

City Manager Lagerbloom confirmed there would be appropriate enforcement of required safety protocols. Further comment and discussion ensued on improving those efforts.

Vice Mayor Glassman made a motion to approve this item and was seconded by Commissioner Sorensen.

APPROVED

Aye: 5 - Vice Mayor Glassman, Commissioner McKinzie, Commissioner Sorensen, Commissioner Moraitis and Mayor Trantalis

CM-2 [21-0055](#)

Motion Approving Recommendations from the Walk of Fame Committee for 2019 Walk of Fame Inductees - (Commission Districts 1, 2, 3 and 4)

In response to Vice Mayor Glassman's inquiry regarding recognition of the *2020 Walk of Fame Inductees* and *2019 Walk of Fame Inductees*, City Manager Lagerbloom explained the *Walk of Fame Committee* only addressed the *2019 Walk of Fame Inductees*. There has been no action by the *Walk of Fame Committee* regarding nominees for the *2020 Walk of Fame* due to COVID.

City Manager Lagerbloom noted the *Walk of Fame* is included within the ongoing Beach Community Redevelopment Area (Beach CRA) redevelopment project (Project). *The Walk of Fame* will change locations and *2019 Walk of Fame Inductee* names will be incorporated at that time. Comment and discussion ensued on damage to the existing *Walk of Fame* due to utility work. Vice Mayor Glassman discussed his perspective on this topic and relocating the *Walk of Fame* to another area in coordination with the Beach CRA Project. City Manager Lagerbloom said the utility vendor addressed and remedied damage.

Commissioner Moraitis recommended implementing a *Wall of Fame* in lieu of a *Walk of Fame* at the new Beach CRA area park.

Vice Mayor Glassman made a motion to approve this item and was seconded by Commissioner Sorensen.

CR-2 [21-0060](#)

Resolution Amending Lease Agreement with the Florida Department of Transportation to Extend the Lease Terms for the Use of Various Right of Ways along A1A from SE 5th Street to Sunrise Blvd for the Purposes of Sidewalk Cafes - (Commission District 2)

Vice Mayor Glassman commented on language removed by the Florida Department of Transportation (FDOT) and other details. He noted resident concerns regarding pedestrian pathways.

In response to Vice Mayor Glassman's questions regarding adequate pedestrian pathways following streetscape work, City Manager Lagerbloom said he anticipates no additional concerns. Pedestrian sidewalk areas would remain the same. Two (2) aspects impacting pedestrian sidewalk accessibility include café compliance with existing distance requirements for tables and sandwich board placement on sidewalks. Vice Mayor Glassman noted the delicate balance involved to ensure restaurant business success and adequate pedestrian sidewalk accessibility. Further comment and discussion ensued.

Vice Mayor Glassman introduced this Resolution which was read by title only.

ADOPTED

Aye: 5 - Vice Mayor Glassman, Commissioner McKinzie, Commissioner Sorensen, Commissioner Moraitis and Mayor Trantalis

Discussion on Consent Agenda Item CR-4

Mayor Trantalis commented on the allocation of \$5,000,000 for LauderTrail, explaining his understanding, perspective and the need to identify how this funding would be spent. Vice Mayor Glassman recalled that the Commission previously approved this funding. City Manager Lagerbloom confirmed, stating it would be part of a Parks Bond project. Further comment and discussion ensued.

Commissioner Moraitis provided an overview of community input and support for LauderTrail and the planned connections to Old Dillard Trail and Mockingbird Tail. She commented on possible additional future funding sources to connect downtown areas. The \$5,000,000 would go towards initial steps, a feasibility study for coordination with a multi-modal transportation master plan that would be done prior to

presenting a phased project to the Commission. Commissioner Moraitis discussed possible options to create a multimodal City and expounded on related details and possibilities. She confirmed community support of pursuing connections throughout the City.

Commissioner Sorensen explained this funding would act as a line of credit that could be drawn upon for a feasibility study, a master plan for multi-modal transportation throughout the City and engagement and guidance with the PATH Foundation, a non-profit experienced with similar projects. Funding these three items would not be excessive. Any significant draws on this funding would be presented to the Commission for approval.

In response to Mayor Trantalis' question, Commission Sorensen confirmed the funding would be set aside. City Manager Lagerbloom explained the initial funding necessary for items discussed is approximately \$300,000. The thought process was to allocate funding in one lump sum versus piecemeal. The balance of the \$5,000,000 in funding would remain unallocated until a plan is completed.

Mayor Trantalis concurred with input from Commissioners Moraitis, Commissioner Sorensen and City Manager Lagerbloom, thanking them for the overview.

In response to Commissioner Moraitis, City Manager Lagerbloom confirmed the \$300,000 expenditure was for the PATH Foundation to complete a feasibility study.

CP-1 [21-0011](#)

Motion Approving Agreements for Annual Traffic and Transportation Engineering and Planning Services- Various Contractors - \$5,100,000.00 - (Commission Districts 1, 2, 3 and 4)

In response to Vice Mayor Glassman's questions about further details regarding consultants associated with this item, City Manager Lagerbloom explained the intent is to competitively solicit from a list of on-call consultants as needs arise. Jodi Hart, Procurement and Contract Manager, commented that specific projects are allocated to specific consulting projects firms. Vice Mayor Glassman commented on his understanding.

Ms. Hart explained details in accordance with the Procurement Ordinance. There is a list of qualified vendor pools contracted on a rotating basis. Due to contractor and project schedules, assignments cannot be made until projects are ready to start.

In response to Vice Mayor Glassman's question, Ms. Hart confirmed this

item adds contractors to the contractor pool.

Vice Mayor Glassman made a motion to approve this item and was seconded by Commissioner Moraitis.

CP-2 21-0012

Motion Approving Final Ranking, Negotiated Fee Schedule and Agreement for Construction Manager at Risk Phase I Preconstruction Services for a New Police Headquarters - Moss & Associates, LLC. - \$205,408 - (Commission District 2)

In response to Vice Mayor Glassman's question, City Manager Lagerbloom said the anticipated timeline for Commission presentation of initial project designs for the new Police Station Headquarters is forty five (45) to seventy (75) days. Current efforts are focused on continued use of Police Station Headquarters during construction.

Vice Mayor Glassman commented on his perspective regarding the historic nature of the existing Police Station Headquarters and its architect, William Bigoney. He proposed paying homage to this building and noted its location in the Sailboat Bend Historic District. City Lagerbloom confirmed.

Vice Mayor Glassman made a motion to approve this item and was seconded by Commissioner Sorensen.

Aye: 5 - Vice Mayor Glassman, Commissioner McKinzie, Commissioner Sorensen, Commissioner Moraitis and Mayor Trantalis

CP-4 [21-0045](#)

Motion Approving Purchase of Parking Meter Technology with Maintenance and Support - IPS Group, Inc., - \$2,596,940 (estimated four-year total) - (Commission Districts 1, 2, 3 and 4)

In response to Commissioner Moraitis' questions, Ben Rogers, Transportation and Mobility (TAM) Department Director, explained resident information for reduced parking rates are contained in the *Pay-by-Phone* application and would remain. The technology associated with this item is for credit card payments and is separate. Negotiations are ongoing to extend the *Pay-by-Phone* contract.

In response to Commissioner Moraitis' question, Jodi Hart, Procurement and Contract Manager, confirmed all proposals listed with this Agenda item met procurement rules and should not be disqualified. Ms. Hart

confirmed her extensive review of submitted proposals.

In response to Mayor Trantalis' question, Ms. Hart commented on details of the debate between two (2) vendors. The solicitation process adhered to the Procurement Ordinance. Staff completed an extensive review of submitted proposals and equipment. Ms. Hart explained details regarding those efforts and the perspective of the objecting vendor. Further comment and discussion ensued. Ms. Hart confirmed there was no valid basis for the bid protest.

Mr. Rogers explained aspects of parking meter technology. Staff analyzed equipment and determined service, maintenance, and programming requirements. Vendor selection was based upon several factors other than cost, i.e., performance and equipment life. The vendor equipment solicitations were essentially the same.

Vice Mayor Glassman noted his review of all vendor information submitted and explained his perspective that all entities had good references and operated in numerous municipalities. He commented on concerns related to conflicting information received, expounded on details and cited examples. Vice Mayor Glassman inquired about the urgency associated with this item and a possible deferment.

City Attorney Boileau said there was no timely, valid protest filed and cautioned on the need to adhere to the procurement process. He commented on details related to this topic. Vice Mayor Glassman acknowledged the bid protest was not filed in a timely manner. Further comment and discussion ensued. Mr. Rogers commented on the approval timeline.

Mayor Trantalis said a deferment would not impact a Commission decision because the protest was not filed within the required timeframe. He recognized former Florida State Congressman Ron Klein, Esq., Holland & Knight, on behalf of IPS Group, Inc. Mr. Klein spoke in support of the Staff recommendation, commenting on the process and other details.

In response to Vice Mayor Glassman's question regarding calculations of single parking space meters having additional transaction fees per transaction, Mr. Klein confirmed that IPS had worked extensively with Staff to ensure all information presented is one hundred percent (100%) accurate. Vice Mayor Glassman noted the need for the City to obtain the best product and the best price. Further comment ensued.

Mayor Trantalis recognized Seth Platt, on behalf of Cale America, Inc.

dba Flowbird Group. Mr. Platt confirmed he sent the Commission correspondence and additional documentation regarding this Agenda item and requested it is made part of the record. He spoke in opposition to this item, explaining the perspective of Flowbird Group.

In response to Mayor Trantalis' questions, Mr. Rogers confirmed Transportation and Mobility (TAM) Staff did an extensive review with Information Technology Services (IT) Staff when evaluating vendor technical requirements. There were security concerns with Flowbird's processing of credit card information (PCI) done outside the United States. The Procurement Department vendor selection was based upon evaluating all bid submission factors, which included cost, equipment life, and warranty period. All bid proposals had built-in user fees.

Vice Mayor Glassman reiterated his perspective and concerns, confirming he would vote in opposition to approving this item.

Commissioner Moraitis made a motion to approve this item and was seconded by Commissioner Sorensen.

Resolution Dissolving the Complete Count Advisory Committee 2020 Decennial Census - (Commission Districts 1, 2, 3 and 4)

Vice Mayor Glassman thanked Chair David Brown and Complete Count Advisory Committee (CCAC) Members for their 2020 Decennial Census (Census) efforts.

In response to Mayor Trantalis' question regarding the final participation rate of the City, Hal Barnes, Neighbor Support Manager, confirmed a final rate has yet to be determined, expounding on details. Mr. Brown said the last participation rate count was fifty-seven point three percent (57.3%), not including door-to-door canvassing. He explained details regarding court decisions impacting census information gathering and related details.

In response to Vice Mayor Glassman's question regarding an analysis of census efforts to improve participation rates, Chair Brown requested incorporation of the October 27, 2020 CCAC Final Meeting Minutes (Minutes) into this record. It contains numerous recommendations and identifications of Census concerns. Chair Brown expounded on those concerns that included Sunshine Law CCAC communication restrictions and funding.

Mayor Trantalis commented on his perspective and the impact of COVID on the CCAC process. He thanked Chair Brown and CCAC members for their work. Mr. Brown commented on the census track in Galt Ocean Mile, expounding on timing related details.

Vice Mayor Glassman suggested City Manager Lagerbloom inquire about *Best Practices* of area municipalities that had high Census count

participation.

In response to Commissioner Sorensen's question regarding implementing the next CCAC in the same manner as the Las Olas Mobility Working Group to ensure adequate member communication, City Attorney Boileau commented on his perspective that the CCAC is an Advisory Committee to the Commission. He confirmed he would look into this subject. Chair Brown confirmed that was one of the CCAC's recommendations. Commissioner Sorensen thanked Chair Brown.

Vice Mayor Glassman introduced this Resolution which was read by title only.
