

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#22-0220

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Chris Lagerbloom, ICMA-CM, City Manager

DATE: April 5, 2022

TITLE: Motion Approving FY 2022 Beach Business Improvement District (BBID)
Grant Participation Agreement with Broward Navy Days, Inc. - \$15,000 -
(Commission District 2)

Recommendation

Staff recommends the City Commission approve the FY 2022 BBID Grant Participation Agreement with Broward Navy Days, Inc., to produce the Fleet Week Port Everglades in the amount of \$15,000.

Background

At the February 14, 2022, BBID Advisory Committee regular meeting, Broward Navy Days, Inc., requested the BBID to sponsor parts of the Fleet Week Port Everglades that will be held on Fort Lauderdale beach in the amount of \$15,000. The BBID Advisory Committee unanimously recommended the approval. (Exhibit 1).

The Fleet Week Port Everglades event is primarily located at Port Everglades and other venues in Broward County, and this is the first time some of the official events will be hosted on Fort Lauderdale Beach. The event takes place the week of May 1 - May 8, 2022, with the Fort Lauderdale Beach events taking place on Sunday May 1 and Saturday May 7. On May 1 the Official Welcoming Reception will be hosted at a local beach hotel, followed by an All-Hands-on Deck Welcoming Ceremony with live music at the Las Olas Oceanside Park (the LOOP). On Saturday morning May 7, teams from the visiting ships, Sea Cadets, and community organizations will participate in the Beach Olympics on the beach near the Hub and the LOOP. Later that evening the Navy Band Southeast will provide a free public concert at the LOOP.

Funds from the BBID will be used for food and beverage, sound system, food vouchers to sailors to be used at local restaurants, event production expenses, permits, signage and supplies.

The Beach Business Improvement Assessment is a non-ad valorem assessment for the cost of providing beach business improvement services, facilities and programs that have a special benefit to business property located within the beach area. This proposal is

consistent with the legislative determinations of special benefit found in C-06-34, Section 1.04(A)(2), Fort Lauderdale Code of Ordinances, by increasing the number of visitors to the BBID.

Approval of the funding complies with the purpose of the BBID, as it provides for another major event that will enhance the brand of the beach as a world-class destination for both residents and tourists.

Reimbursement of the funds will be contingent on approval of an executed FY 2022 Grant Participation Agreement with the City. Invoices for reimbursement shall be submitted after event completion documenting the purchase and services before a payment is made (Exhibit 3).

Resource Impact

There will be a \$15,000 Fiscal Year 2022 impact to the City in the account listed below.
