WHEREAS, the Development Review Committee has made the required reports and has also recommended the vacation of the easement;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA:

SECTION 1. The City Commission finds that the application for vacation of easement meets the criteria of Section 47-24.7 of the ULDR as enunciated and memorialized in the minutes of its meeting of April 7, 2026, a portion of those findings expressly listed as follows:

1. The easement is no longer needed for public purposes. Currently, overhead lines exist within this easement. These lines include FPL lines, as well as telecommunication lines. The owner and FPL are in discussion on how to realign these lines.
2. Letters of no objection from AT&T, Comcast, FPL, TECO Gas, and the City's Public Works Department have been provided, many with the caveat that the relocation of existing facilities will be at the owner's expense and that the owner may be required to grant additional utility easements.

SECTION 2. That the below-described easement is hereby vacated and shall no longer constitute an easement for utilities subject to the conditions provided in SECTION 3 of this resolution:

THE SOUTH 2.50 FEET OF LOT 2, BLOCK 1, CORAL RIDGE SOUTH ADDITION, ACCORDING TO THE PLAT THEREOF, AS RECORDED IN PLAT BOOK 24, PAGE 41, OF THE PUBLIC RECORDS OF BROWARD COUNTY, FLORIDA, ALL SAID LANDS SITUATE, LYING AND BEING IN THE CITY OF FORT LAUDERDALE, BROWARD COUNTY, FLORIDA AND CONTAIN 325 SQUARE FEET, MORE OR LESS.

More particularly described in Exhibit "A" attached.

Location: East of Bayview Drive, north of East Sunrise Boulevard, west of Northeast 25th Avenue and south of Northeast 11th Street

SECTION 3. That the vacation of the easement shall not be effective until the applicant demonstrates compliance with the following conditions:

1. Any City infrastructure known or unknown and found to be within the vacated area shall be removed or relocated at the expense of the applicant.

2. Any other utility infrastructure known or unknown and found to be within the vacated area shall be relocated at the expense of the applicant, and the relocated facilities shall be required to be inspected and accepted by the applicable utility agency or service provider.
3. The owner must grant an easement at a different location for the relocation of utility facilities, to the satisfaction of the city, if required.
4. The vacating resolution shall be in full force and effect on the date a certificate, executed by the Land Development Manager, is recorded in the public records of Broward County, Florida. This certificate shall state that all conditions of the vacation have been met. A copy of the recorded certificate must be provided to the City.

SECTION 4. That a copy of this Resolution shall be recorded in the Public Records of Broward County within 30 days from the date of final passage.

SECTION 5. That the approval of the vacation of the easement shall expire in 24 months from the date of final passage of this resolution if the certificate required in Section 3, paragraph 4 of this resolution has not been recorded in the public records of Broward County, Florida.

SECTION 6. Issuance of a development permit by a municipality does not in any way create any right on the part of an applicant to obtain a permit from a state or federal agency and does not create any liability on the part of the municipality for issuance of the permit if the applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in a violation of state or federal law.

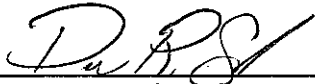

SECTION 7. This approval is conditioned upon the applicant obtaining all other applicable state or federal permits before commencement of the development.
