

**2015 AMENDMENT TO INTERLOCAL AGREEMENT PROVIDING FOR DIVISION AND DISTRIBUTION OF THE PROCEEDS FROM THE BROWARD COUNTY FIFTH CENT ADDITIONAL LOCAL OPTION GAS TAX ON MOTOR FUEL FOR TRANSIT**

This 2015 Amendment to Interlocal Agreement is entered into by and between Broward County, a political subdivision of the State of Florida (the "County") and the municipalities executing a signature page bearing the above legend, each of which is a municipal corporation existing under the laws of the State of Florida (the "Municipalities").

WHEREAS, Section 336.025(1)(b), Florida Statutes, authorizes the counties to extend the levy of the additional local option gas tax upon every gallon of motor fuel sold in Broward County for a period not to exceed thirty (30) years on a majority vote of the governing body of the COUNTY; and

WHEREAS, on June 13, 2000, the Board of County Commissioners enacted Ordinance No. 2000-25, effective January 1, 2001, through December 31, 2031, pursuant to Section 336.025(1)(b), Florida Statutes, extending the levy of the fifth-cent local option gas tax for thirty years and providing for a method of distribution of the proceeds of the tax; and

WHEREAS, pursuant to said Ordinance, the method for distribution of the proceeds is the execution of an Interlocal Agreement with one or more of the municipalities representing a majority of the population of the incorporated area within the County which establishes the distribution formulas for dividing the proceeds of the tax among the County and all eligible municipalities within the County; and

WHEREAS, paragraph 4 of the Interlocal Agreement requires annual adjustment of the population of the individual municipalities and unincorporated Broward County in accordance with the population figures set forth in the most current edition of "Florida Estimates of Population," published by the Bureau of Economics and Business Research, Population Division, University of Florida;

NOW, THEREFORE, for good and valuable consideration, and pursuant to the authorization of paragraph (1) (b) of Section 336.025, Florida Statutes, the County and Municipalities agree as follows:

1. Paragraph 2 of the Interlocal Agreement, as previously amended, including section 2.1.2, is hereby amended to read as follows:

2.1 Seventy-four percent (74%) of said proceeds shall be distributed to the County, from which amount the County will retain forty-eight percent (48%) of the total proceeds and will distribute twenty-six percent (26%) of the total proceeds to the municipalities through grant agreements for Community Shuttle Services. The remaining twenty-six percent (26%) shall be distributed to the eligible municipalities in the following manner:

2. This 2015 Amendment to Interlocal Agreement shall be effective as of the date it is executed by the County after having previously been executed by eligible municipalities cumulatively representing a majority of the incorporated area population of the County.

3. In the event any provision within this 2015 Amendment to Interlocal Agreement is found by a court of competent jurisdiction to be invalid, the remaining provisions shall continue to be effective unless the County or any executing Municipality necessary to maintain the cumulative majority referenced in the preceding paragraph elects to terminate this Agreement. The election to terminate pursuant to this provision must be made within seven (7) days after such court ruling; provided, however, that if a timely notice appealing the court ruling is filed, the election shall be held in abeyance until the appeal is determined or dismissed.

4. Except to the extent amended, the Interlocal Agreement shall remain in full force and effect. In the event of any conflict between the terms of this 2015 Amendment and the Interlocal Agreement, as previously amended, the parties hereby agree that this document shall control.

5. This 2015 Amendment to Interlocal Agreement may be executed in several counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute one and the same instrument.
