Dear Diana,

BCT staff recently completed their review for the additional funding you requested late last year. Your initial request was for three (3) additional days of service and to reduce the existing six (6) holidays to three (3) for the Convention Connection (Beach Link). Based on our review; and more importantly available funds, we are pleased to advise you that we can fund two (2) additional days with a total proposed annual award for the City of Fort Lauderdale of \$41,310.00. At this time, available funds will not allow us to fund one (1) of the requested days and the three (3) requested holidays. Should additional funding become available in the future, we will notify you that funding is available and that you would need to complete the application process to compete for these funds.

We appreciate your continued interest in expanding transit services and are proud to be partners with the City of Fort Lauderdale in providing these services. These funds will be available October 1, 2013. Please confirm your acceptance of the proposed funds by contacting Irv Minney at IMinney@broward.org or 954.357.7713.

Should you have questions, please feel free to contact either Irv Minney or myself.

Regards,
