

**TO:** Honorable Mayor & Members of the  
Fort Lauderdale City Commission

**FROM:** Lee Feldman, ICMA-CM, City Manager

**DATE:** May 7, 2013

**TITLE:** Resolution Declaring the City's Intent to Enter Into A Lease With Nova  
Southeastern University, Inc.

---

**Recommendation**

It is recommended that the City Commission adopt a resolution declaring the City's intention to lease a parcel of land including the Southside Cultural Center to Nova Southeastern University, Inc. (NSU), a Florida non-profit corporation, and scheduling a public hearing on June 18, 2013 for consideration of the terms of the lease in accordance with Section 8.13 of the City Charter.

**Background**

The City owns the Southside Property (comprised of the Southside South Property and the Southside North Property), which includes the historic designated Southside School Building. The City acquired such property from the Broward County School Board via a warranty deed containing certain restrictions

For the purposes of funding, the City entered into an Interlocal Agreement with Broward County which provided funds to the City for the acquisition, improvement, enhancement, operation, and management of the Southside Property. Additionally, the City acquired the Southside South property with partial funding from the Florida Communities Trust (FCT).

The Interlocal Agreement with Broward County provides certain restrictions regarding the use of the Southside Property and requires the City provide at least 60 days prior written notice to Broward County before entering into any lease. Additionally, as part and condition of the FCT funding, the City is required to also provide at least 60 days prior written notice to FCT before entering into any lease. The purpose of the notices is to provide for the evaluation of the legal and tax consequences of such an agreement. The City will not enter into a lease agreement until it receives verification that the lease will be permitted under the restrictions. It is the intent of the City that the lease and all activities by NSU be consistent with the Interlocal Agreement, the FCT Grant Agreement and Management Plan, the restrictions on the property by the School Board of Broward County and all other applicable grant restrictions and covenants affecting the Leased Premises.

NSU is a Florida nonprofit corporation, engaged in operating an educational facility. NSU wishes to utilize the Leased Premises as an educational and cultural facility to serve the public with a variety of educational programs for the community. NSU's activities do serve a significant public purpose.

The proposed term of the Lease is thirty (30) years with two (2) ten (10) year renewal options.

Section 8.13 of the City Charter (Exhibit 2) permits this action.

**Resource Impact**

There is no fiscal impact associated with this action.

City of Fort Lauderdale is hereby authorized to lease to civic organizations, charitable organizations, public nonprofit corporations and like organizations, any public lands, improvements, buildings, recreational parks and areas or other public places, now owned or hereafter acquired by the city, for a period exceeding one (1) year but not exceeding fifty (50) years, to be used by such lessee for purposes consistent with the public good, where such use will not conflict with use by the public of other portions of public land adjacent thereto, under the following conditions:

- (a) The city commission shall first adopt a resolution declaring its intention to lease to a named civic or charitable organization, nonprofit corporation or like organization, a definitely described property or portion thereof, which resolution shall state the reasons why the city commission believes such lease should be made, the purpose for which such public property will be used by the lessee, the compensation, if any, to be paid for the lease, and other information calculated to advise taxpayers and electors of the nature of the lease. Such resolution shall designate a day, not less than thirty (30) days after the adoption of such resolution, when a public hearing will be had before the commission upon such proposal.
- (b) If the property intended to be leased is encumbered by any bonds or obligations for which such property or revenue derived therefrom are specifically pledged, provisions must be made in the proposal to discharge or satisfactorily comply with the requirements of the pledge.
- (c) At any time, not less than thirty (30) days nor more than sixty (60) days, after the adoption of such resolution, a public hearing shall be had before the city commission upon such proposal to lease, and a notice shall be published by the city in the official newspaper for two (2) issues prior to the date set for considering such proposal, with the first publication not less than ten (10) days before said date of hearing. The city commission in offering said publicly owned facility or public lands for lease shall state in said resolution and notice such terms and conditions as deemed pertinent under which said facility will be leased and the number of years for which said facility shall be leased.

If before the day, fixed for such public hearing, a referendum petition is filed with the city clerk signed by fifteen (15) percent of the registered voters, demanding a referendum election upon the question of leasing such property, no lease shall be executed by the officials of the city until after approval by a majority of the voters participating in such referendum election. Such referendum election shall be called and held as provided in this charter.

officials of the city subject to the approval by the city attorney prior to its execution by the proper city officials.
