TITLE: Ordinance Providing for the Annexation into the Corporate Limits of the City of Fort Lauderdale a Property Located at 2701 W. State Road 84 - Property Owner: Rolly Marine Services Company - **(Commission District 4)**

Recommendation

It is recommended the City Commission consider an ordinance to annex a 0.387 gross square-foot acre parcel of land into the corporate limits of the City of Fort Lauderdale.

Background

Petitioner Rolly Marine Service Company submitted a petition for voluntary annexation to the City of Fort Lauderdale, in accordance with Chapter 171, Florida Statutes for 0.387 gross acres located directly adjacent to the Secret Woods Nature Center at 2701 W. State Road 84 (see Exhibit 1 and 2 for more information). This parcel is in an area of Unincorporated Broward County, recently de-annexed from the City of Dania Beach. The applicant acquired the property through a sale of surplus lands and uses it as part of the marine industry services operation, which is located on an adjacent parcel within the City of Fort Lauderdale at 2551 W. State Road 84. The applicant is making this request to have his entire business located within one municipality; however, the City of Fort Lauderdale is not required to approve the request.

On November 19, 2019, the City of Dania Beach approved an ordinance to remove the property from its municipal boundaries. For more information please see the applicant's narrative, property background and Resolution No. 2015-043, approved by the City of Dania Beach as part of Exhibit 3.

Resource Impact

The City will receive an additional \$720.35 annually in revenue.
