**Recommendation**

Staff recommends the City Commission consider a resolution amending a Development Agreement between the City of Fort Lauderdale and Tavistock Development Company, LLC. Pier 66 Parking LLC., Pier 66 Ventures, LLC., and Sails Ventures, LLC., (“the Developer”).

**Background**

On July 10, 2018, the City entered into a Development Agreement with the Developer for the Pier 66 properties located on the north and south side of SE 17<sup>th</sup> Street and the Intracoastal Waterway. A Location Map is attached as Exhibit 1. The Development Agreement outlined specific items related to the approval and construction of the parcels for future development including the historic designation of the Pier 66 Tower. The City Commission Memo #18-0718 summarizing the contents of the original agreement is attached Exhibit 2.

The Florida Local Government Development Agreement Act, Sections 163.3220-163.3243, Florida Statutes, authorizes local governments to enter into Development Agreements with developers to encourage a stronger long term commitment to comprehensive and capital facilities planning, to ensure the provision of adequate public facilities for development, to encourage the efficient use of resources, to reduce the economic cost of development and to provide certainty to developers and municipalities in the approval of development and assurances that they may proceed in accordance with the existing laws and policies, subject to the conditions of such Development Agreements. This statute requires the item to be heard by the City Commission at two public hearings prior to entering into the agreement. A copy of the Public Notice is attached as Exhibit 3.

The Developer has approached the City requesting an amendment to the Development Agreement to clarify certain aspects including ownership structure for individual units, the reservation of units for future development, public improvements on a Florida Department of Transportation (FDOT) owned parcel, the construction of a waterfront promenade, and timing of Certificate of Occupancy for project phasing.

The Amended Development Agreement with the specific amended language is attached as Exhibit 4.
