

Sec. 8.09. - Leases for more than one year and not more than fifty years.

City is hereby empowered to lease or concession to private persons, firms or corporations, for nonpublic purposes, any lands, improvements, public buildings, recreational parks or facilities, golf courses, public beaches, public utility plants, or any public works or public property of any kind including air space over public property owned or operated by the City of Fort Lauderdale, and not needed for governmental purposes, whether used in a governmental or in a proprietary capacity, for a period of not more than fifty (50) years, plus such length of time, not to exceed five (5) years, determined by the city commission to be reasonably necessary to complete construction of the improvements proposed for the demised premises by such persons, firms or corporations. Each lease shall be authorized only after public hearing, under authority of a resolution duly adopted at a meeting duly held at a designated adjourned meeting, under the following conditions, to wit:

- (a) One (1) of the conditions for leasing such public property may be obligations of the lessee to construct thereon buildings or improvements to be used in connection with an existing facility, or to construct improvements on said property, if same is vacant, and in a manner not detrimental or harmful to the operation of the proposed facility. In no event shall the fee title of the city be subordinated except upon terms and conditions as approved by the city commission.
- (b) The city commission shall adopt a resolution at a regular meeting of the city commission specifying the facility to be leased, described by metes and bounds, or by reference to a recorded plat, if any, and giving its location by street number, if any, and a description of all improvements located upon the land, and shall declare how said land and improvements have been used since same have belonged to the city and the reasons for offering such land and improvements for lease.
- (c) At any time, not less than thirty (30) days nor more than sixty (60) days, after the adoption of such resolution the land and improvements shall be offered upon competitive conditions for lease as desired and a notice shall be published by the city in the official newspaper for two (2) issues prior to the date set for receiving such bids for lease, with the first publication not less than ten (10) days before said date of receiving bids and the second publication one (1) week after the first, on which date sealed bids shall be received by the city commission for the lease of said publicly owned lands and facilities. The sealed bids must be accompanied by cash, cashier's check or certified check payable to the city in an amount equal to at least ten (10) percent of the first year's rental. The city commission, in offering such public property or public owned facility for lease, shall set out in said resolution and notice such terms and conditions as deemed pertinent under which said facility will be leased and the number of years for which said facility shall be leased. The city commission shall consider any and all proposals and accept the proposal which, in its judgment, shall be the most advantageous lease for the city; but the city commission may reject any and all bids. Upon the city commission approving any proposal submitted as provided herein, said proposal shall be accepted by resolution duly adopted, authorizing preparation of the lease, provided a valid referendum petition has not been filed. If before the day advertised for receiving bids for lease of such property, a referendum petition is filed with the city clerk signed by fifteen (15) percent of the registered voters, demanding a referendum election upon the question of

leasing such property, no lease shall be executed by the officials of the city until after approved by a majority of the voters participating in such referendum election. Such referendum election shall be called and held as provided in this charter.

- (d) The resolution accepting the bid shall require the preparation of a form of lease for execution, embodying the terms and conditions of the bid and other legal requirements, for submission to the commission at its next regular meeting or at a designated meeting. At least three (3) days before the meeting date, the lease shall be posted on a public bulletin board by the city clerk and each commissioner shall be given a copy of the lease with a covering summary letter, providing, however, that in case of emergency, such procedure may be waived by the affirmative vote of three (3) of the commissioners. The city attorney or city manager shall be required to give a summary of the lease to the public at such meeting which shall be open to the public. Citizens and taxpayers shall have an opportunity to object to the terms and conditions of such lease. If the commission is satisfied with the terms and conditions of such lease, it shall pass a resolution authorizing execution of such lease by the proper officials of the city, upon compliance upon the part of the lessee. Amendment to such lease may be made from time to time by mutual consent, observing the same formality as in the original lease.
