**City Commission Agenda Memo**  
**REGULAR MEETING**

**#13-0182**

---

**TO:** Honorable Mayor & Members  
Fort Lauderdale City Commission

**FROM:** Lee Feldman, City Manager

**DATE:** February 5, 2013

**TITLE:** Resolution approving dock permit application: Lori Jean Marcellino and Miles Austin Forman; located on public property immediately adjacent to their address at 1029 Cordova Road; for the use, maintenance and repair of an existing marginal dock and seawall

---

**Recommendation**

It is recommended that the City Commission adopt a resolution authorizing Lori Jean Marcellino and Miles Austin Forman for use, maintenance and repair of an existing marginal dock and seawall located on public property immediately adjacent to their address at 1029 Cordova Road.

**Background**

The applicant is seeking approval for use, maintenance and repair of an existing (20) feet long by five (5) feet wide marginal dock and seawall on public property abutting the waterway adjacent to 1029 Cordova Road (Exhibit 1). The applicant's narrative specifies that the dock will be used for their personal, private vessel storage.

City Code Section 8-144 (Exhibit 2) authorizes the construction and use of docks on public property, and allows for the permit to be issued for a fixed period provided the permit holder agrees to maintain the improvements and seawall. The permit holder is responsible for maintaining improvements to the area and for beautifying a reasonable area in and around the dock location. Additionally, the public property abutting the waterway or Dock Area must be kept open at all times as means of reasonable ingress and egress to the public, but the permit holder shall have the right to exclude the public from the Easternmost 50% of the marginal dock.

**Resource Impact**

There is no fiscal impact associated with this item.
