Dear Director Williams,

Please be advised that one of our Rio Vista Residents would like to donate a Dog Waste Station to the City of Fort Lauderdale in order for such Dog Waste Station to be installed in Hector Park.

Should City Ordinance and Park Rules permit, and should the City of Fort Lauderdale agree to service and maintain such Dog Waste Station, then the Rio Vista Civic Association is in favor of installing the Dog Waste Station in Hector Park in the east side of the park. The value of the Dog Waste Station is approximately \$300.

Please let us know if there are any questions or concerns, or what the next steps are to move this forward.

Sincerely,

*Lori Sterling, President
Rio Vista Civic Association*
