Background: Invest Fort Lauderdale, Inc.

The City of Fort Lauderdale Northwest-Progresso-Flagler Heights Community Redevelopment Agency (NPF CRA) was created in 1995, by the Fort Lauderdale City Commission (Resolution 95-170) to eliminate slum and blighted conditions in the areas near downtown Fort Lauderdale and Northwest Fort Lauderdale. The Fort Lauderdale City Commission serves as the Community Redevelopment Agency Board of Directors.

On December 17, 2019, the Fort Lauderdale City Commission acting as the CRA Board of Commissioners (CRA Board), approved the establishment of a Northwest-Progresso-Flagler Heights Area Economic Development Corporation (EDC) known as Invest Fort Lauderdale, Inc. along with affiliated entities, a Community Development Financial Institution (CDFI), and a Community Development Entity (CDE). The EDC is limited to the NPF CRA area and cannot operate outside the NPF CRA limits, as shown on the NPF CRA boundary map. The CRA Board cannot authorize extraterritorial operations of the EDC or its affiliated entities.

The following is a summary of each activity:

1. *Economic Development Corporation:* Invest Fort Lauderdale, Inc. is a not-for profit corporation created to provide the CRA with an organization that will seek additional funding sources in an effort to leverage CRA funds and continue redevelopment after the NPF CRA sunsets in 2025. The EDC will serve as a "development and investment arm" for the CRA. The potential activities of the EDC may include housing development, developing and operating community facilities, and the development of commercial/office/retail uses including business incubators. In addition, the EDC will be a vehicle in leveraging other resources for development and community building like CDFI's, CDE, new market tax credits, opportunity zone funds, section 108, EB5 and other development finance tools.
2. *Community Development Financial Institution:* The purpose of the CDFI will be to promote community development through the provision of capital lending and investing for housing and/or economic development purposes (e.g. micro and small business loans). CDFIs are certified by the U.S. Department of Treasury CDFI Fund which also provides financial assistance awards for capitalization and technical assistance purposes. Certification also helps leverage private sector (e.g. banks) loans and investments to grow the capital base of the CDFI. The CDFI, as mandated by the CDFI Fund, will also provide "development services" (i.e. technical assistance) to potential borrowers.
3. *Community Development Entity:* The purpose of the CDE is to create an entity with a mission to promote community development through the deployment of capital to businesses

and real estate projects utilizing federal New Markets Tax Credits (NMTC). Certified CDFIs automatically qualify as certified CDEs. Capital is raised from private investors (e.g. banks, insurance companies) in exchange for tax credits valued at 39% over seven years that are competitively allocated by the U.S. Treasury Department CDFI Fund. The New Markets Tax Credit program is the largest federal economic development program with a budget of \$3.5 billion per year and is being considered for permanent extension.

Background: The African American Arts & Culture District Implementation Strategy

The Sistrunk Commercial Corridor (Sistrunk Boulevard) is of paramount importance to the economic revitalization and neighborhood redevelopment of the Northwest District in the City of Fort Lauderdale. The main thoroughfare is the traditional center of commercial activity for the City's African-American community. In addition to low to medium residential uses, there are mom and pop small businesses, historic churches and landmarks located along the boulevard. Most of these businesses are supported by the surrounding neighborhood.

The Sistrunk Commercial Corridor has a long and storied history based on the growth of the African-American community. The boulevard is named after Dr. James Sistrunk, who, with Dr. Von D. Mizell (also an African-American doctor), established Fort Lauderdale's first medical facility for blacks -- Provident Hospital -- in 1938. During this time, segregation laws banned African Americans who lived west of the tracks from crossing over to the east side after dark. One of the unintended consequences of racial segregation, resulted in a healthy Black business district composed of African-American businesses centered on what is now Sistrunk Boulevard.

Back then many of the businesses met daily needs such as barber shops, shoemakers and grocery stores. The area also contained a variety of restaurants and clubs where entertainers such as Ella Fitzgerald, Count Basie and Duke Ellington performed. After desegregation, Sistrunk Boulevard gradually declined. In recent years, much progress has been made by city officials to restore the historic corridor to its former glory.

The City of Fort Lauderdale has devoted significant investments and leadership to revitalizing Sistrunk Boulevard into a mixed-use commercial corridor. The incorporation of the NPF CRA in 1995 has been pivotal. Through the utilization of ear marked tax dollars, the City invested more than \$26 million in public infrastructure improvements along the Commercial Corridor.

The improvements focused on restoring Sistrunk Boulevard from Federal Highway to NW 24th Avenue to a livable, workable, pedestrian-friendly Street. Plan elements featured a three-lane design (one lane westbound and two lanes eastbound), trees, landscaping, wide sidewalks, and decorative lighting. Approximately \$10 million in neighborhood improvements to upgrade water mains and sanitary sewer and storm drains, and another \$5 million for major improvements.

In addition to public infrastructure improvements along the Commercial Corridor, tax dollars have been utilized to expand economic opportunities and foster a growing commercial and residential environment. Additionally, the CRA's disposing of city owned properties for development or through awarding incentives to both public and private investors has been

advantageous. Several new businesses / housing projects have been completed, planned or underway. Some of these include:

- Six 13, a six story mixed-use building with 142 apartment units, a garage and 5,991 square feet of ground floor restaurant and commercial space. Six 13 represents a capital investment of approximately \$42 million and serves as an important catalyst to spur essential social and economic improvements along Sistrunk Boulevard. Six13 is the first major building to be built west of the Florida East Coast railway and is aiding in the removal of blight and the redevelopment of the area.
- Sistrunk Marketplace is the retrofit of a vacant warehouse into a hip and trendy food hall located along Sistrunk Boulevard. The 23,000 square foot open shared space, features numerous artisanal eateries, craft beer, coffee, local art and live music in an inviting and upscale atmosphere. The first of its kind in the CRA area and Fort Lauderdale, the popular concept has attracted numerous people to the historic neighborhood. Sistrunk Marketplace represents a total capital investment of \$6 million.
- The Pharmacy is a three building complex totaling 22,400 square feet of office and retail space with both interior and exterior upgrades. The building houses the CRA offices and the City of Fort Lauderdale Housing and Community Development Division. The complex's name pays homage to the building's historical use as a pharmacy in the 1960s and is a vital part of re-establishing Sistrunk Boulevard as a vibrant business district.
- The Provident is a retail center with Class A retail space totaling 5,123 square feet. "The Provident" name pays homage to the historic Provident hospital founded in 1938 by community leaders Dr. James Sistrunk and Dr. Von Mizell. The retail center recently underwent interior and exterior renovations and has five store fronts.
- The L.A. Lee YMCA/ Mizell Community Center is a transformative development that will provide significant community and economic improvements along Sistrunk Boulevard. The state of the art facility, is a 65,000 square foot, four-story multi-use structure with ground floor retail space. The building will include traditional YMCA programming along with community offerings such as: Broward College, a co-working space, preschool, meeting space, Black Box Theater, gymnasium, wellness center and swimming pool.
- Smitty's Wings is a locally owned and operated restaurant that specializes in signature chicken wings and flavorful sauces. Located in the center of the historic commercial corridor, the restaurant has become a dining destination that enhances the quality of life and provides much needed job opportunities for local residents. The restaurant also pays homage to the historical significance of the African-American community by showcasing the areas rich history in the exterior of the restaurant. Smitty's also includes outdoor seating which is the first of its kind on Sistrunk Boulevard.

- The River Gardens Townhomes project consist of 25 town houses that front Sistrunk Boulevard from I-95 to NW 22 Avenue. The two-story townhomes consist of two models, both three bedroom / two and one-half bath units with a garage and range in size from 1,443 to 1,757 square feet. The new homes comprise of a full appliance package, stone counter tops and other amenities.

Planned Projects:

- West Village is a mixed-use development with 455 multi-family rental units. The development will comprise of two six- story residential structures containing a mix of apartment and townhomes. The project also features 17,752 square feet of leasable commercial space on the first floor and a 498 space parking structure .Total building square footage including structured parking is approximately 605,508 square feet.
- The Victory Entertainment Complex is 3-story commercial and entertainment complex. The contemporary designed building will contain a craft distillery known as the “Old Sistrunk Distillery”, a restaurant, cigar lounge, wine bar and lounge and approximately 1,500 square feet of meeting space.
- A four-story mixed-use commercial building totaling 76,000 square feet of office, restaurant, retail and common space. The contemporary designed building will also have a parking garage totaling 44,658 square feet with over 80 parking spaces.
- Comfort Suites Hotel will consist of 100 suites, a pool, a fitness center and 63 parking spaces. The new hotel, to be located at the NW corner of Avenue of the Arts and NW 3rd Street is within walking distance from the Brightline-Virgin train station and the first hotel project west of the Florida East Coast Railway.

The above referenced developments have the potential to bring restaurants, entertainment, housing, office and arts related activities/ uses to the Sistrunk Commercial Corridor. In addition to these projects, the Sistrunk Commercial Corridor is fortunate to have a high concentration of existing cultural facilities/ assets that are African-American owned that have a legacy and historic significance. Some of the facilities include:

The International Longshoremen’s Association 1526, the Westside Gazette ,the Eula Johnson House, Midtown Commerce Center ,Fort Lauderdale Negro Chamber of Commerce, Robert Bethel American Legion Post 220 ,The Mizell Pappy Medical Building, The Taxi Stand, Provident Park, Betty’s Soul Food Restaurant, and Ivory’s Take Out. These cultural facilities are a very important feature and have the potential to anchor a successful arts & culture district. The consultant / consulting team should incorporate these community assets into the Implementation Strategy for the creation of an African American Arts & Culture District.

The African American Arts & Culture District Implementation Strategy is a guiding document for the CRA to utilize in its efforts to advance the redevelopment activities of the Historic Sistrunk

Commercial Corridor. The overall goal of this Implementation Strategy is to increase the Historic Sistrunk Commercial Corridors appeal as a vibrant cultural center and visitor destination.

It is envisioned that such strategies will ultimately enhance the overall quality of life, strengthen community identity, provide safety and aesthetic improvements, rehabilitate existing infrastructure and provide new opportunities for leisure and entertainment activities along the Commercial Corridor.

City's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a

provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

Contractor hereby expresses its willingness to enter into this Agreement with Contractor's recovery from the City for any damage action for breach of contract or for any action or claim arising from this Agreement to be limited to a maximum amount of \$1,000 less the amount of all funds actually paid by the City to Contractor pursuant to this Agreement.

Accordingly, and notwithstanding any other term or condition of this Agreement, Contractor hereby agrees that the City shall not be liable to Contractor for damages in an amount in excess of \$1,000 which amount shall be reduced by the amount actually paid by the City to Contractor pursuant to this Agreement, for any action for breach of contract or for any action or claim arising out of this Agreement. Nothing contained in this paragraph or elsewhere in this Agreement is in any way intended to be a waiver of the limitation placed upon City's liability as set forth in Section 768.28, Florida Statutes.

U. Jurisdiction, Venue, Waiver, Waiver of Jury Trial

This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. perform. Notwithstanding the above, performance shall not be excused under this Section for a period in excess of two (2) months, provided that in extenuating circumstances, the City may excuse performance for a longer term.
