

CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING

#12-2545

TO: Honorable Mayor & Members
Fort Lauderdale City Commission

FROM: Lee Feldman, City Manager

DATE: December 18, 2012

TITLE: Motion to approve the purchase of replacement boat engines and installation, Invitation to Bid 132-11108 - \$59,700

Recommendation

It is recommended that the City Commission approve the purchase and installation of boat motors, per Invitation to Bid (ITB) 132-11108, for the Police Marine Unit from Pompano Beach Marine Center in the amount of \$59,700.

Background

The Police Marine Unit needs to replace the oldest engines in their fleet which were purchased in 2007 and have been out of warranty since 2009. Boat #2 port motor has recorded 1,996 hours along with its starboard motor having 1,600 hours. Boat #3 port motor has 1,959 hours along with its starboard motor having 1,949 hours. Even though these motors are 2007 models, the hours are indicative of motors that are approaching 10-12 years in age. The maintenance costs for both over the last 14 months are as follows: Boat #2 \$5,517.42 and Boat #3 \$9,312.11. Additionally Boat #3 has been on a trailer for the last eight weeks and not in service to reduce the possibility of adding to the continued maintenance costs for this boat.

The total cost of \$59,700 is for the new engines for both boats with vendor installation and trade-in values on the old engines.

Resource Impact

There is a fiscal impact to the City in the amount of \$59,700.
