**#22-0065**

**TO:** Honorable Mayor & Members of the  
Fort Lauderdale City Commission

**FROM:** Chris Lagerbloom, ICMA-CM, City Manager

**DATE:** February 1, 2022

**TITLE:** Motion Accepting FY2021 Florida Inland Navigation District Waterways Assistance Program Grant - \$46,000 - **(Commission Districts 1, 2, 3 and 4)**

---

**Recommendation**

Staff recommends the City Commission approve the acceptance of a grant in the amount of \$46,000 from the Florida Inland Navigation District Waterways Assistance Program.

**Background**

In April 2021, the City applied to the Florida Inland Navigation District (FIND) for funding through their FY2021 Waterways Assistance Program. The grant program provides funding assistance to local governments to perform waterway improvement projects such as the purchase of marine law enforcement related equipment.

The City of Fort Lauderdale submitted a project proposal in the amount of \$92,000 for the purchase of two sets of outboard motors to replace old and malfunctioning engines. Fort Lauderdale has been awarded \$46,000 in FIND funding towards the purchase of the motors. The City will meet the grant's required 50% cash match by funding the balance of the cost in the amount of \$46,000. The grant period is October 1, 2021 through September 30, 2023.

**Resource Impact**

The total project cost is \$92,000. There is an anticipated positive fiscal impact to the City in the amount of \$46,000.
