SECTION 1. The City Commission finds that the application for rezoning meets the criteria in Section 47-24.4. of the Unified Land Development Regulations ("ULDR") as enunciated and memorialized in the minutes of its meetings of March 19, 2024 and April 2, 2024, a portion of those findings are expressly listed as follows:

1. The property is currently zoned RS-8 and has an underlying land use designation of Low Medium Residential which is intended primarily for dwellings and other land uses in support of the residential environment. The proposed Parks, Recreation and Open Space zoning district is consistent with this land use designation.
2. The property where the proposed rezoning is to take place is currently a passive park. Rezoning the property will ensure the land will be available as a passive park for surrounding residential neighborhoods. The rezoning will be consistent with the character of development in the area under consideration, which is residential.
3. The property is currently a passive park. The rezoning of the property to P-Parks, Recreation and Open Space zoning district will ensure the zoning district is compatible with the existing uses surrounding the area, which is primarily residential. Furthermore, the rezoning will enhance the existing surrounding neighborhoods by providing open space for residents to enjoy.

SECTION 2. That the City of Fort Lauderdale ULDR together with the Official Zoning Map of the City of Fort Lauderdale and revised Schedule "A", describing the lands lying within each zoning district, as approved on June 18, 1997, and described in Section 47-1.6. of the ULDR, shall be amended by rezoning from "RS-8 – Residential Single Family/Low Medium Density" District to "P – Parks, Recreation and Open Space" District, the following lands, situated in the City of Fort Lauderdale, Broward County, Florida, to wit:

More specifically described in Exhibit "A" attached hereto and made a part hereof.

SECTION 3. That the appropriate City officials of the City of Fort Lauderdale shall indicate such zoning upon a copy of the Official Zoning Map, and shall indicate an amendment of Schedule "A" accordingly, upon the records with proper reference to this ordinance and date of passage.

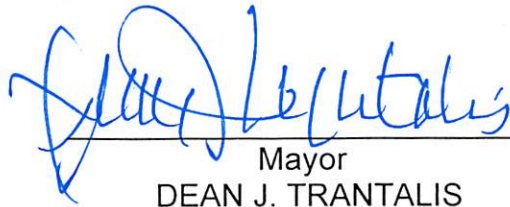

SECTION 4. Issuance of a development permit by a municipality does not in any way create any right on the part of an applicant to obtain a permit from a state or federal agency and does not create any liability on the part of the municipality for issuance of the permit if the applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in a violation of state or federal law. All other applicable state or federal permits must be obtained before commencement of the development.
