

**CITY OF FORT LAUDERDALE**  
**City Commission Agenda Memo**  
**REGULAR MEETING**

**#13-0450**

---

**TO:** Honorable Mayor & Members of the  
Fort Lauderdale City Commission

**FROM:** Lee Feldman, ICMA-CM, City Manager

**DATE:** April 2, 2013

**TITLE:** Motion to approve an amendment to an executed Non-vehicular Access  
Line agreement with Broward County

---

**Recommendation**

It is recommended that the City Commission approve a motion approving an amendment to an executed Non-vehicular Access Line agreement with Broward County.

**Background**

The City has a contract to construct a new Fire Station (# 46) on a parcel at the south end of Mills Pond Park, which abuts N.W. 19th Street. That parcel is a portion of Tract A, LAKE LAUDERDALE RECREATIONAL AREA, PLAT BOOK 134, PAGE 38, OF THE PUBLIC RECORDS OF BROWARD COUNTY, FLORIDA, and the property was granted a Future Land Use amendment to permit the development of the Fire Station.

On November 20, 2012, the City Commission approved a motion expressing no objection to a plat note amendment and authorizing the appropriate City official to exercise an agreement with Broward County. The plat note reflected changes to the Non-Vehicular Access Line.

That agreement has been prepared and the County has requested a change in the final exhibits attached to the document before it can be recorded. That change is reflected in Exhibit "A" of the agreement attached as Exhibit "1" to this memorandum.

**Resource Impact**

There is no fiscal impact to the City.

**Attachment:**

Exhibit 1 – Agreement
