

**Public Works Proprietary Vendors
Fiscal Year 2024**

	Contractor	Description
1	ABB, Ltd.	ABB is the sole source provider and manufacturer of parts and services for the Programmable Logic Processors in service at both the Fiveash Water Treatment Plant and GTL Wastewater Treatment Plant. This system must be working in order to maintain the plants operating. In addition, ABB acquired General Electric Industrial Solutions (GEIS). After the acquisition, ABB is now the sole source provider on high and medium voltage parts and service for GE Original Equipment Manufacturer (OEM) . GE parts are used at the water and wastewater plants and pump and re-pump stations.
2	Accutech Instrumentation, Inc. (Fluid Flow)	Accutech Instrumentation, Inc. owned by Fluid Flow is the sole source in the State of Florida for the Autrol and Tektrol, LLC, Additel Corporation, Ametek, Cashco Product, Dwyer Instruments, Custom Control Sensors, LLC, Parker Hannifin Instrument Group, and Magnetrol Products, Precision Group instrument brand products and services. They are the preferred instrument models for the differential pressure transmitters, the loss of head meters on the filters, and flow transmitters used on the diesel high service pumps at the Fiveash Water Treatment Plant.
3	Afton Pumps	Afton Pumps, Inc. is the sole and exclusive manufacturer of the Model GSV 14 x 18 pump that is utilized at the Peele Dixie Water Treatment Plant.
4	Air Compressor Works, Inc.	Air Compressor Works, Inc. is Kaeser Compressors, Inc. authorized distributor and sole source provider of parts and service for Kaeser's Sigma product line used in the GTL Wastewater Treatment Plant.
5	Alfa Laval Inc. Previously known as Ashbrook Simon-Hartley Operations, LP	Alfa Laval Inc. is the manufacturer and exclusive distributor of the belt filter presses, parts, and service utilized to process sewage at the George T. Lohmeyer Wastewater Treatment Plant.
6	Aqua Metrology Systems Ltd	The THM-1 00FP™ analyser is manufactured by Aqua Metrology Systems Limited who is the sole distributor of the THM 100 system, and the provider of associated technical support. The THM-100FP™ is the longest established THM analyser in the market following its introduction in 2011 and is the market leader in the USA and Europe.
7	Arle Compressors of Florida	Arle Compressors of Florida is the sole source provider for the Ingersoll-Rand compressor equipment, air systems, parts, and service used at the treatment plants. All of these systems are critical to the daily operation of the treatment plants and must be kept in optimal running condition in order to meet Federal, State, and local regulatory requirements. Arle Compressor System Corporation is the sole distributor of parts and service for the Ingersoll-Rand compressors and air systems (used at the Plants) in the Florida Market.
8	Arroyo Process Inc.	Arroyo Process Inc. is the exclusive and sole-source representative for all aftermarket Pulsafeeder pumps, parts, and accessories in the South Florida municipal market. Pulsafeeder pumps, parts, and service are used at the Water Treatment Plants, and at the GTL Wastewater Plant. In addition, Pulsafeeder is the provider of the polymer pump unit which consists of the polymer pump, gearbox, coupling, AC electric motor, and mounting base plate. Pulsafeeder pumps are also used to process biosolids at GTL Wastewater Plant.
9	AWC Inc.	ABB Inc. is the sole manufacturer of ABB brand replacement process measurement instruments, fluid flowmeters, motor controls, parts, and service and AWC, Inc. is ABB, Inc.'s authorized dealer in the Florida market. AWC is the sole source representative of Pulsar process measurement equipment. Public Works' staff operates numerous fluid flow monitoring devices (flowmeters) for inventory, compliance, and process control throughout the City.
10	Barney's Pumps, Inc.	Barney's Pumps, Inc. is the sole source distributor of Hydromatic, Homa, and Aurora & Layne Verti-Line brands replacement pumps, parts, and service for sanitary sewer pump stations, stormwater pump stations, and sewage stations throughout City.

**Public Works Proprietary Vendors
Fiscal Year 2024**

11	BCI Technologies, Inc.	BCI Technologies, Inc. is the exclusive product support distributor of Citect access points (tags), parts and service owned by Schneider Electric USA, Inc. Citect Supervisory Control and Data Acquisition (SCADA) provides the process control used to operate sanitary sewer pump stations, water treatment plants, and wastewater treatment plant. In addition InSource Solutions and AVEVA Software, LLC supply these products to BCI Technologies.
12	Bell Additives, Inc.	Bell Additives, Inc. is the inventor of Dee-Zol a fuel additive used in all diesel storage tanks in the City's gas stations. Bell Laboratory (changed name to Bell Additives in 1987) developed multi-functional treatments (additives) for heavy fuel oil (Atom-Ix) and diesel fuel (Dee-Zol). A diesel fuel additive works to reduce a car's fuel consumption. That means less refueling means money savings over time.
13	Camp Engineering Sales, Inc.	Camp Engineering Sales, Inc. is the exclusive manufacturer sales representative for MSA Safety Sales, LLC/General Monitors: Fixed Gas and Flame Detection products served in the state of Florida. These products are used by the Water Treatment Plants.
14	Cardinal Scale Manufacturing Company	Cardinal Scale Manufacturing Company is the manufacturer and the sole supplier of parts and service for the measuring scales utilized at the George T. Lohmeyer Regional Wastewater Treatment Plant (GTL).
15	Carter & VerPlanck, Inc.	Carter & VerPlanck, Inc. is the exclusive sole source distributor for FlowServe pumps, parts, and service used throughout the City's water distribution system and wastewater treatment plant. They are also sole source distributor for Voglesang pumps and service used for biosolids processing at the wastewater plant.
16	Chalmers & Kubeck South	Valve and Actuation Services, LLC dba Chalmers & Kubeck South is the distributor of Flowserve Limitorque products, parts, and services in the State of Florida. These products, parts, and service are used in the George T. Lohmeyer Wastewater Treatment Plant.
17	Chemrite, Inc.	A corrosion inhibitor study was done by Hazen and Sawyer and a recommendation to use the chemical LOP 3600 was made to be used in the Peele Dixie Water Treatment Plant. The study concludes that this is the best inhibitor to use during the water treatment process as it lessens the corrosivity from the finished water that is distributed.
18	Core & Main LP	Core & Main is the exclusive authorized distributor of Sensus products in the state of Florida. The sensus compound meters are installed through-out the City in the large users.
19	EM Corson and Associates (CORS-AIR)	EM Corson and Associates, CORS-Air, is the exclusive and sole source provider for Greencheck Fan Corporation HVAC materials. Greencheck Fan Corporation materials are used throughout the Wastewater Treatment Plant and Collections system.
20	CROM - CCR	CROM Coatings and Restorations ("CCR") is offering ground storage tank inspection and repair services as an approved representative of CROM, LLC. CCR is a division of CROM, LLC which was formed to carry out the specific tasks to inspect, repair and modify prestressed composite tanks as well as other concrete structures. CROM, LLC approves CCR as the sole company for any repairs and modifications performed on all of their prestressed composite tanks. CCR has unparalleled experience in the design, construction, modification and repair of prestressed composite tanks. No other service company provides this background.
21	CS3 - Waterworks	CS3 Waterworks is the sole authorize representative for GA industries Valve Products in the State of Florida. They are authorized to provide project proposals, all valve and valve parts quotes and field service for their range of products.
22	CUES, Inc.	Cues, Inc. is the sole source manufacturer and provider of the Close Circuit TV (CCTV) video equipment, software, and service used to TV the City's water distribution and wastewater collections system.
23	Cummins, Inc.	Cummins Inc. is the parts and service provider for Cummins power systems such as diesel generators, transfer switches, and switchgear used throughout the City's Distribution & Collection Systems, and Water and Wastewater Plants.
24	Danfoss Drives - Power & Pumps Inc	Danfoss Drives provides the variable frequency drives, soft starters, related accessories and services to municipal water/wastewater providers. Power & Pumps Inc is their sole source sales representative.

**Public Works Proprietary Vendors
Fiscal Year 2024**

25	Eaton Corporation	Eaton Corporation is the only company that is permitted to manufacture, sell electrical distribution equipment with Eaton, Cutler-Hammer or Westinghouse trademarks. Eaton electrical Services Systems is the only engineering group which is authorized by the manufacturer to work on Eaton, Cutler-Hammer and Westinghouse electrical distribution products. The Eaton electrical parts and systems are installed in the George T. Lohmeyer Wastewater Treatment Plant.
26	Environmental Products of Florida Corporation	Environmental Products of Florida Corporation is the sole source provider of parts and service for Rovver, RovverX robotic and Supervision robotic camera systems and quick view zooming and manhole inspection system. This equipment is used to inspect the City's sewer system.
27	Environmental Resource Associates (ERA)	Environmental Resource Associates (ERA) FID number 36-2912479 is the sole commercial provider for environmental proficiency testing (PT) and quality control (QC) standards. To the best of our knowledge, ERA is the only commercial PT and QC provider that comprehensively provides all chemistry, microbiology, whole effluent toxicity and radiochemistry required for laboratory certification. ERA conducts both organic and inorganic WS and WP PT studies each month. ERA is accredited to ISO 17034 as a Reference Material provider for all NELAC chemistry, microbiology, whole effluent toxicity and radiochemistry analytes and is accredited to ISO 17025 as a Testing Laboratory for the analyses related to all NELAC chemistry, microbiology and radiochemistry analytes.
28	Evoqua Water Technologies	Evoqua Water Technologies is the sole source of Deionized Water Tanks in the South Florida area. "Evoqua, Type 1, Ultra Mix Bed DI resin tanks are regenerated at the Evoqua facility located in Jacksonville, Florida. The Evoqua quality program for this facility is compliant with the requirements set forth in ISO 9001:2015.
29	F.J. Nugent & Associates, Inc.	F.J. Nugent & Associates, Inc. is the exclusive factory authorized Ebara fluid handling products, parts, and service vendor in this municipal market. Ebara Pump and Grundfos pumps and equipment brand is in service throughout the City's water distribution system. F.J. Nugent is PuraFil ESD's sole and exclusive authorized representative for chemical filtration and environmental monitoring products and service used at the City's Wastewater Treatment Plant.
30	Florida Detroit Diesel Allison	Florida Detroit Diesel-Allison (FDD-A) is the sole Authorized Distributor for Allison Transmission, Detroit Diesel Engines and MTU Diesel Engines for the State of Florida. This capacity offers certain services and provisions that are not available through another service provider. One example of these services is maintenance, overhaul, diagnostic and software accredited training through our Tampa and/or Ft. Lauderdale Training Center. Another example would be our multiple full service locations and extensive inventory which enables us to respond rapidly to our customer's needs
31	Florida Technical Products	Florida Technical Products, Inc. is the authorized Industrial Distributor for Royal Purple products in the state of Florida. Florida Technical Products, Inc. has extensive expertise in the industrial environment and the ability to provide your organization with solutions to your toughest problems. We are dedicated to providing quality products and the highest level of service and support to our customers.
32	Flowserve	Valve and Actuation Services, LLC dba Chalmers & Kubeck South and FLOTECH INC. are recognized by Flowserve-Lynchburg, Virginia USA as the only authorized Distributors for MRO/retrofit services of Limitorque products for the City of Fort Lauderdale. Flowserve Limitorque goes to market for such that all end-users are serviced through our distributors and not directly by the factory. These products, parts, and service are used in the George T. Lohmeyer Wastewater Treatment Plant.
33	Fluid Control Specialties, Inc.	Fluid Control Specialties, Inc. is the sole authorized representative for parts, components, and service of Rotork motor operated valves, Dezurik, and APCO valves, Rosemount Measurement, Rosemount Analytical, Emerson PM, Micro Motion Division, Hilton, Willamette, Rodney Hunt Company and Jash USA products, parts, and service in Florida used throughout the City's water distribution system and the Water and Wastewater Plants. Fluid Control Specialties is the only sales representative and factory authorized supplier of Bermad control valves & air valves used in the water and wastewater plants.
34	Gilson Engineering Sales of Florida, Inc.	Gilson Engineering Sales of Florida, Inc. is the exclusive distributor of Seametrics flowmeters and replacement parts and service brand in this municipal market. Seametrics flowmeters are installed on the City's wellfields and the two monitor wells in the Water Treatment Plant injection well site. Gilson Engineering Sales of Florida, Inc. is the exclusive distributor of Insite Instrumentation analytical instruments, OmniSite, Sensideyne, and products, parts, and service, Siemens process instrumentation products, Moore Industries products used in our wastewater treatment plants.
35	GK Solutions - VSI Waterworks	All valve and associated municipal product sales concerning VSI Waterworks products to be used within the borders of the state of Florida shall be solely sourced through GK Solutions of Florida. VSI Waterworks certifies that GK Solutions of Florida is the valid and competent representative of the entire product portfolio of VSI Waterworks within the respective region.

**Public Works Proprietary Vendors
Fiscal Year 2024**

36	GPE Controls, Inc.	GPE Controls, Inc. dba Shand & Jurs is the sole manufacturer and source to provide, inspect and make repairs on Shand & Jurs equipment used at the George T. Lohmeyer Waste Water
37	Hach Company	Hach Company is the sole authorized manufacturer and direct distributor of the item(s) used in the City's Environmental, Water, and Wastewater Laboratories: Hach Brand, Products – Instruments and Chemistry: Brands to include, but not limited to: Evita, GLI, Hach, Homeland Security Technologies, OPS Systems, Orbisphere, Polymetron, Sigma, Anatel, Dr. Lange, Environmental Test Strips, HIAC, Hydrolab, IQ Scientific Instruments, Lachat Instruments, Leica Microsystems, Marsh-McBirney, Met Onem OTT, Hydrometry, Radiometer Analytical, Sea-Bird Electronics, WET Labs, Hach WIMS™, CLAROS Collect, Mobile Sensor.
38	H. C. Warner Inc.	H. C. Warner Inc. is the sole distributor of HYDAC, parts and service equipment for the State of Florida. The City uses HYDAC sand straining equipment exclusively at the Peele Dixie Water Treatment Plant to remove sand and other particulate matter larger than 50 microns from the raw water supply entering the plant.
39	Henry Pratt Company	Henry Pratt Company is the sole source supplier of air cushion assemblies for the 16" 9001 A Swing Check Valve. The air cushion assembly is unique to the 16" Model 900A manufactured by the Henry Pratt Company. This valve is installed in the GTL Wastewater Treatment Plant.
40	Huber Technology, Inc. (Huber SE, HydroPress Huber AB and Huber Picatech AG).	Huber Technology, Inc. is the sole source provider of replacement parts and service for the RAKEMAX screen, Screw Conveyor RO8t , and the ROTOMAT – Waschpresse WAP equipment used at the George T. Lohmeyer Wastewater Plant to process wastewater.
41	Hudson Pump & Equipment (Tencarva)	Tencarva Machinery Company d/b/a Hudson Pump & Equipment is the sole source distributor of pumps, parts and service for Allis Chalmers, Goynes Pump, Gould Morris, Gorman Rupp, SPXFLOW Lightin brands, Flygt AC Series, Lightin brand mixers, parts, and service, Crane Pump Systems in this municipal market. Allis Chalmers, Gould Morris, Gorman Rupp, Crane Pump Systems, Flygt AC Series, Lighting Brand equipment are in service throughout the City's water distribution system.
42	Hydra Services, Inc.	Hydra Services, Inc. is the authorized distributor in the Florida territory for Sulzer products, parts, and services used in the Treatment process. They have the expertise, knowledge, training and access to the latest product developments and upgrades, along with genuine OEM parts. Hydra Services, Inc. is trained in the latest methods in care and start-up of Sulzer equipment .
43	IDEXX Distribution, Inc. and IDEXX Laboratories, Inc.	The City of Fort Lauderdale is certified to analyze for dirking water bacteriological samples under Standard Methods 92223B. This method uses Colilert vessels and Colilert power packages IDEXX Distribution, Inc. (FEIN #35-2186625) is a wholly owned subsidiary of IDEXX Laboratories, Inc. and is the sole supplier of (Colilert*, reagent Colilert reagent, Cloilert* Comparator, Colisure* reagent, IDEXX Vessel, Quanti-Tray*, Sealer PLUS, Quanti-Tray*, All Colilert* Starter Kits, All 20 -pack, 100 pack, and 200 pack Combo Packs IDEXX- QC kit, SimPlate* for HPC test kit.
44	Jeffrey Allen - Club Car Commercial Utility Vehicles	Jeffrey Allen, Inc. is our only authorized Club Car Commercial Utility Vehicle Dealer for Broward County, Florida. They are authorized to provide sales, repair and maintenance services, as well as warranty services for Club Car commercial utility vehicles. Jeffrey Allen, Inc is in good standing with Club Car, LLC. and has complete access to purchase utility vehicles as well as accessories and aftermarket parts.
45	Moss Kelley, Inc./MKI Services, Inc.	Moss Kelley, Inc./MKI Services Inc. represents Huber Technology Inc. in the state of Florida and has the authority to distribute OEM parts and equipment for Huber SE, HydroPress, Huber AB and Huber Picatech AG. In addition, Moss Kelley, Inc./MKI Services Inc. is the manufacturer representative in the State of Florida for Fontaine-Aquanox products and parts. Lastly Moss Kelley/MKI Services Inc. is the exclusive local representative and supplier of JDV equipment parts and products. This equipment and parts is used in the operation of the GTL Wastewater Treatment plant.

**Public Works Proprietary Vendors
Fiscal Year 2024**

46	MTS Environmental Inc.	MTS Environmental, Inc., by contract, is the sole source supplier and exclusive Representative in the State of Florida for Swaby LOBELINE products in the municipal markets in Florida which includes pumps, parts, factory reconditioning and service. Swaby LOBELi NE is the sole source manufacturer and provider of the LOBELi NE pumps as well as our full product line. These products are only manufactured at our facility. No other vendor manufactures distribute these products.
47	Mueller Company	Mueller Co. service brass water products are manufactured and tested in accordance with the latest revision of AWWA C800 and meet the requirements of NSF 61 – water quality. These products, including corporation stops, curb stop, meter valves and adapters, and service brass fittings have been carefully designed and constructed by Mueller engineering teams over the years. The designs and components, of the products referenced above with flare, 110 compression nuts and pack joint nuts are considered propriety and should only be purchased from Mueller or Mueller channel partners / distributors. Please note that drilling machine adapters and Mueller drilling machines used to install corporation stops are also considered propriety.
48	MWI Corporation (previously FPI Pumps, Inc. (Farmers Manufacturing)	MWI Corporation purchased FPI Pumps in November, 2019. MWI is the manufacturer and the exclusive sole source distributor of FPI/Farmers (MWI) pumps, parts, and service in this municipal market. Public Works maintains and operates two large storm stations in the heart of downtown Fort Lauderdale and both were originally engineered and built with FPI/Farmers(MWI) pumps. These assist with the flood control throughout the year and during King Tide events.
49	Nalco Company	The Nalco Water is the sole source provider of The Nalco PC-1850T - antiscalant is used at the Peele Dixie Water Treatment Plant - Antiscalant precisely monitors the presence and dose of the pre-treatment chemical in the membrane feed water.
50	Ovivo, USA, LLC	Ovivo USA, LLC is the exclusive manufacturer and distributor of eleven Eimco brand clarifying units, parts, and service at the wastewater and water treatment plant used to settle and manage solids in the GTL Wastewater Treatment Plant and for hydro-treaters used for the lime softening process at the Fiveash Water Plant.
51	Pantropic Power Inc.	Pantropic Power, Inc. is the sole source and exclusive distributor in this market for the Caterpillar brand in this municipal market. Public Works staff maintains and operates both stationary and portable Caterpillar emergency generators and parts and service. This equipment is used in hurricanes and other types of emergencies.
52	PSI Technologies	PSI Technologies is the exclusive factory authorized vendor for WILO EMU (Eschtel Meyer Unterwasserpumpen) pumps and mixers manufactured under the Wilo brandparts and service. Vogelsang products, parts, and field service in the State of Florida. In addition exclusive representative for Bermad Water Control Valves, Air Valves, and Mag Meters and Crispin Valves for the state of Florida. WILO EMU and Vogelsang equipment are in service throughout the City's Collections System.
53	Quinn Associates - GDS	Quinn Associates, located in Tampa, FL is the GDS Corp. Exclusive Manufacturer's Representative for the state of Florida and the Caribbean. GDS Corp., a USA based manufacturer of fixed gas detection instruments maintains annual contracts with Manufacturers Representatives that have regional areas of sales coverage that are exclusive or shared areas, based on their contractual terms with GDS Corp.
54	R.P. Adams	R.P. Adams is the sole source supplier of R.P. Adams new equipment and authentic aftermarket parts. This includes all products manufactured by R.P. Adams, including Water strainers, G.P. Filters, Aftercoolers and Separators.
55	Rexel, Inc.	Rexel, Inc. is the exclusive factory authorized Allen Bradley distributor of electrical switchgear and components for this municipal market. Allen Bradley brand equipment is used throughout the City's water distribution system, wastewater collection system, and treatment plants.
56	Ryan Herco Flow Solutions	Ryan Herco Flow Solutions is the SPX FLOW - Lightnin and Plenty Brands exclusive representative in the state of Florida Selling Lightnin, Nettco and Plenty Mixer products used at the GTL Wastewater Treatment Plant and the Collection System.

**Public Works Proprietary Vendors
Fiscal Year 2024**

57	Siemens Industry, Inc.	Siemens Industry Inc, Large Drive, Customer Services (LDA, CS) is the sole source provider of warranted service for the Sinamics Perfect Harmony GH180 product line, equipment services, and application equipment installed at the George T. Lohmeyer Waster Treatment Plant.
58	Sullivan Electric & Pump, Inc.	Sullivan Electric & Pump, Inc. is the sole distributor in Palm Beach, Broward, and Dade County for the Yaskawa Industrial & IQ services and Variable Frequency Drives (VFD) product line installed at the George T. Lohmeyer Wastewater Treatment Plant.
59	TAW	Tampa Armature Works (TAW) is the exclusive Kohler Power Systems distributor for sales, service, parts, and literature for the state of Florida. This authorization includes the ability to service all of the engines that Kohler utilizes in its product, which include Kohler natural gas and diesel, John Deere, Volvo, Doosan, Detroit, MTU and Mitsubishi.
60	Team Industrial Services	Team Industrial Services is the sole source manufacturer of InsertValve used in the City's Distribution System to install valves to isolate leaks and minimize impact to the customers. Team Industrial Services holds patents for their InsertValve. The patent numbers are 6,776,184 and 7225,827. The patents will expire February 28, 2023.
61	Thompson Pump and Manufacturing Company, Inc.	Thompson Pump and Manufacturing Company, Inc. is the manufacturer and exclusive distributor of pumps, parts, components, and service for large portable generators used by Public Works.
62	Trinova Florida	TriNova Inc. is the sole source authorized representative for State of Florida municipal market excluding the panhandle. Trinova Inc is the sole exclusive representative for Endress Hauser for the purchase of new products, OEM repair/replacement parts, repairs and maintenance. TriNova, Inc. is also the authorized representative for ProMinent Fluid Control, Inc. for the Florida municipal market. The equipment, parts, and services are used at the Fiveash Water Treatment Plant and Peele Dixie Water Treatment Plant and George T. Lohmeyer Wastewater Treatment Plant.
63	TCS-JACOBS, INC., Jacobs Air Water Systems, and JAWS/TSC-Jacobs, The Jacobs Group Inc.	The TCS- Jacobs, Jacobs Air Water Systems, JAWS/TSC- Jacobs, and The Jacobs Group Inc., is the exclusive agent for Ovivo on Eimco parts and service used during the water and wastewater treatment process at Fiveash Water Treatment Plant and George T. Lohmeyer Wastewater Treatment Plant.
64	Volition Controls	Volition Controls Corp. is a manufacturer's representative company for Badger Meter Brands for the manufacturer's Badger Meter, ATi Analytical Technology Inc, & S::CAN products where authorized.
65	Vortex Lining Systems, LLC.	The City of Fort Lauderdale will be using GeoKrete liner on stormwater pipes throughout the City. Geo Krete is used to line existing pipes. GeoKrete helps secure and extend the life of the pipe. GeoKrete is manufactured by Quadex, LLC, the sole source manufacturer, and is installed by its sister company, Vortex Lining Systems, LLC. Vortex is the only company that both supplies and installs GeoKrete.
66	Wapro, Inc.	As part of the Stormwater Master Plan, the City is purchasing Wapro, Inc. tidal valves. Wapro, Inc. inline check valve's fabrication is more rigid, and the flap material is less susceptible to deformation by foreign materials. This is a less cumbersome installation process and requires less maintenance overall. Wapro, Inc. holds a proprietary patent on their check valves. The patented design provides a one-way flow in a conduit which delivers minimal flow resistance providing good results.

**Public Works Proprietary Vendors
Fiscal Year 2024**

67	Water Treatment & Controls Company	Water Treatment & Controls Company is the sole source for parts and service for Evoqua Water Technologies, Wallace & Tiernan chlorine equipment and lime systems used at the water treatment facilities.
68	WinCan	WinCan, LLC was formed to offer the best pipeline assessment software in our industry and to provide the best after purchase support and service available. As the sole provider of the WinCan software and service in North and South America, we provide superior sales and service to the city of Fort Lauderdale, FL.
69	William W. Meyer & Sons, Inc.	William W. Meyer & Sons Inc. is our sole source vendor for our rotary airlock valves. Meyer supports Rotary Airlock Valves, Sanitary Airlock Valves, Double Flap Gate Valves, and Pneumatic Screw Pumps that handle the Fiveash Water Treatment Plant lime delivery application.
70	Xylem Water Solutions, Inc.	Xylem Water Solutions, Inc is the sole provider and sole manufacturer of the Godwin Dri-Prime line of pumps, Sub-Prime line of electric pumps, and Heidra line of hydraulic pumps used in the City's Collection's system.
