## **5. Insurance.**

As a condition precedent to the effectiveness of this Agreement, during the term of this Agreement and during any renewal or extension term of this Agreement, the Contractor, at its sole expense, shall provide insurance of such types and with such terms and limits as noted below. Providing proof of and maintaining adequate insurance coverage are material obligations of the Contractor. The Contractor shall provide the City a certificate of insurance evidencing such coverage. The Contractor's insurance coverage shall be primary insurance for all applicable policies. The limits of coverage under each policy maintained by the Contractor shall not be interpreted as limiting the Contractor's liability and obligations under this Agreement. All insurance policies shall be through insurers authorized or eligible to write policies in the State of Florida and possess an A.M. Best rating of A-, VII or better, subject to approval by the City's Risk Manager.

The coverages, limits, and/or endorsements required herein protect the interests of the City, and these coverages, limits, and/or endorsements shall in no way be relied upon by the Contractor for assessing the extent or determining appropriate types and limits of coverage to protect the Contractor against any loss exposures, whether as a result of this Agreement or otherwise. The requirements contained herein, as well as the City's review or acknowledgement, are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by the Contractor under this Agreement.

The following insurance policies and coverages are required:

### Commercial General Liability

Coverage must be afforded under a Commercial General Liability policy with limits not less than:

- \$1,000,000 each occurrence and \$2,000,000 aggregate for Bodily Injury, Property Damage, and Personal and Advertising Injury

- \$1,000,000 each occurrence and \$2,000,000 aggregate for Products and Completed Operations

Policy must include coverage for contractual liability and independent contractors.

The City, a Florida municipal corporation, its officials, employees, and volunteers are to be covered as an additional insured with a CG 20 26 04 13 Additional Insured – Designated Person or Organization Endorsement or similar endorsement providing equal or broader Additional Insured Coverage with respect to liability arising out of activities performed by or on behalf of the Contractor. The coverage shall contain no special limitation on the scope of protection afforded to the City, its officials, employees, and volunteers.

#### Liquor Liability

Contractor shall provide evidence of coverage for liquor liability in an amount not less than \$1,000,000 per occurrence. If the Commercial General Liability policy covers liquor liability (e.g. host or other coverage), the Contractor shall provide written documentation to confirm that coverage already applies to this Agreement.

#### Business Automobile Liability

Coverage must be afforded for all Owned, Hired, Scheduled, and Non-Owned vehicles for Bodily Injury and Property Damage in an amount not less than \$1,000,000 combined single limit each accident.

If the Contractor does not own vehicles, the Contractor shall maintain coverage for Hired and Non-Owned Auto Liability, which may be satisfied by way of endorsement to the Commercial General Liability policy or separate Business Auto Liability policy.

#### Workers' Compensation and Employer's Liability

Coverage must be afforded per Chapter 440, Florida Statutes. Any person or entity performing work for or on behalf of the City must provide Workers' Compensation insurance. Exceptions and exemptions will be allowed by the City's Risk Manager, if they are in accordance with Florida Statute.

The Contractor waives, and the Contractor shall ensure that the Contractor's insurance carrier waives, all subrogation rights against the City, its officials, employees, and volunteers for all losses or damages. The City requires the policy to be endorsed with WC 00 03 13 Waiver of our Right to Recover from Others or equivalent.

The Contractor must be in compliance with all applicable State and federal workers' compensation laws, including the U.S. Longshore Harbor Workers' Act and the Jones Act, if applicable.

#### Insurance Certificate Requirements

- a. The Contractor shall provide the City with valid Certificates of Insurance (binders are unacceptable) no later than ten (10) days prior to the start of work contemplated in this Agreement.
- b. The Contractor shall provide to the City a Certificate of Insurance having a thirty (30) day notice of cancellation; ten (10) days' notice if cancellation is for nonpayment of premium.
- c. In the event that the insurer is unable to accommodate the cancellation notice requirement, it shall be the responsibility of the Contractor to provide the proper notice. Such notification will be in writing by registered mail, return receipt requested, and addressed to the certificate holder.
- d. In the event the Agreement term or any surviving obligation of the Contractor following expiration or early termination of the Agreement goes beyond the expiration date of the insurance policy, the Contractor shall provide the City with an updated Certificate of Insurance no later than ten (10) days prior to the expiration of the insurance currently in effect. The City reserves the right to suspend the Agreement until this requirement is met.
- e. The Certificate of Insurance shall indicate whether coverage is provided under a claims-made or occurrence form. If any coverage is provided on a claims-made form, the Certificate of Insurance must show a retroactive date, which shall be the effective date of the initial contract or prior.
- f. The City shall be named as an Additional Insured on all liability policies, with the exception of Workers' Compensation.
- g. The City shall be granted a Waiver of Subrogation on the Contractor's Workers' Compensation insurance policy.
- h. The title of the Agreement, Bid/Contract number, event dates, or other identifying reference must be listed on the Certificate of Insurance.

The Certificate Holder should read as follows:

City of Fort Lauderdale  
100 N. Andrews Avenue  
Fort Lauderdale, FL 33301

The Contractor has the sole responsibility for all insurance premiums and shall be fully and solely responsible for any costs or expenses as a result of a coverage deductible, co-insurance penalty, or self-insured retention; including any loss not covered because of the operation of such deductible, co-insurance penalty, self-insured retention, or coverage exclusion or limitation. Any costs for adding the City as an Additional Insured shall be at the Contractor's expense.

If the Contractor's primary insurance policy/policies do not meet the minimum requirements, as set forth in this Agreement, the Contractor may provide evidence of an Umbrella/Excess insurance policy to comply with this requirement.

The Contractor's insurance coverage shall be primary insurance as respects to the City, a Florida municipal corporation, its officials, employees, and volunteers. Any insurance or

self-insurance maintained by the City, a Florida municipal corporation, its officials, employees, or volunteers shall be non-contributory.

Any exclusion or provision in any insurance policy maintained by the Contractor that excludes coverage required in this Agreement shall be deemed unacceptable and shall be considered breach of contract.

All required insurance policies must be maintained until the contract work has been accepted by the City, or until this Agreement is terminated, whichever is later. Any lapse in coverage shall be considered breach of contract. In addition, Contractor must provide to the City confirmation of coverage renewal via an updated certificate should any policies expire prior to the expiration of this Agreement. The City reserves the right to review, at any time, coverage forms and limits of Contractor's insurance policies.

The Contractor shall provide notice of any and all claims, accidents, and any other occurrences associated with this Agreement to the Contractor's insurance company or companies and the City's Risk Management office, as soon as practical.

It is the Contractor's responsibility to ensure that any and all of the Contractor's independent contractors and subcontractors comply with these insurance requirements. All coverages for independent contractors and subcontractors shall be subject to all of the applicable requirements stated herein. Any and all deficiencies are the responsibility of the Contractor.

## **6. Restoration of public property.**

The report shall state the cost of repair(s) necessary to restore the public property. Within fourteen days of the Applicant's receipt of this report the Applicant shall pay the cost of repair or challenge the City's report by a writing addressed to the Director of the City's City Manager's Office. Resolution of any such challenge shall be made by the City Manager; the Applicant agrees to abide by the City Manager's decision.

## **7. Reimbursement of expenses.**

## Organization Overview

FlockFest is a strategic non-profit fundraising foundation that partners with other non-profits for transformational change. We plan, manage, and promote non-profit events that achieve fundraising goals and promote their mission and impact on the community. FlockFest also will help other nonprofits to promote their events by “co-hosting” events with the goal to raise more money for the nonprofit.

FlockFest was founded by Steven Crawford in 2014 with just a small group of 60 people and 30 floats and the event has now grown to over 500 floats, 400 VIP’s and several thousand more attendees that join us outside the event area on the beach. “I contacted a bunch of friends for a fun time at the beach, told them to bring swan floats and be prepared for a great time,” said Steven.

In 2020, Ryan Young was added to the FlockFest Board as VP of Programming and Community Relations and spearheaded the addition of our flagship partnership with Bar Rita on their weekly event called, ‘Pride Mondays’. Ryan added, “Shortly after, we added ‘Wednesday Fla-Mingle’ at Tatts and Tacos in Oakland Park. Many Flockers that live further North wanted an option that was closer to home.”

FlockFest also worked on the Santa Sip and Strut event which originally started as a “bar crawl” in 2016 by Rumors bar that started at Rumors and worked its way down “The Drive”. The event was later acquired by FlockFest when Rumors closed in 2018. FlockFest partners with The Pride Center to collect toys for the annual Judy Shepherd toy drive. In 2020 the Santa Sip n Strut almost didn’t happen. Ryan explained “We decided to do what I called a ‘shelter in place’ version of the strut. Patrons could go to their favorite bar or restaurant and safely get a table after donating a toy at an outdoor location. We also had people just come by to donate toys! Jennifer McClain was kind enough to donate two and encourage her fans to come by.” FlockFest helped the Judy Shepherd collect \$3,500 worth of toys and another \$500 for the Undercover Santa toy drive.

FlockFest has also participated in local Pride events with their members gathering for a balloon blow up pre-party each year that is “as much fun as Pride!” Steven added, “We’ve also had a signature look in several local Pride parades with ‘Flockers’ walking in balloon backpacks and ‘FlockWear’ cheering on the crowd, dancing and engaging with spectators”. Ryan added, “The FlockTroop changes the color scheme each time and was so popular at Stonewall and Pride Fort Lauderdale’s inaugural march in 2018 that we won awards.”

As it grew each year, Steven thought this could be a great way to raise money for charitable organizations and in 2017 we started to raise money for charities. Today, that is still our main purpose and we have grown with additional events around the year. The most amazing thing about this annual sensation is that the nonprofit beach event has seen noticeable growth over the years.

We have also added smaller events leading up to the main beach party. So far they have been VIP ticket holders and sponsor appreciation events. We have had such an interest in them though that we might look at adding some that will be open to the general public with a ticket purchase that supports our FlockFest charities.

“We have had the best time at our events and the fact that we can raise money for charity while doing it is the icing on the cake!” Steven said. In 2018 and 2019 FlockFest raised \$16,000 respectively. In 2020 “we had to cancel the event, in fact it was my first vote on the Board, and it was devastating” Ryan said. He added, “but we were able to raise \$19,600 in 2020 with the restaurant parties. The generosity of Bar Rita raised \$10k and \$2k with Tatts and Tacos!” Steven went on, and with the Santa Sip-n-Strut we raised \$3.5k in toys and cash and another \$4k in

giveaways, prizes, and private donations with the amazing outpouring of support from our business partners, the community, and private donors.

The informal beach event was founded with the aim to do something fun and different and now we look forward to growing FlockFest and partnering with a wide variety of charitable organizations and businesses that work to create social justice and equality for all. Our events often have no admission fee, and it is a great opportunity for the like-minded people and community members to socialize and network in an informal and family friendly environment.

FlockFest has a goal to help promote and elevate our partners and sponsors and they join us in doing the same for FlockFest. They are not shy about sharing the sentiment that “we are all stronger together, supporting each other and raising each other up” Steven said. Ryan added, “it takes communication and coordination but it’s all doable. We stay organized and focus on having fun and supporting each other...and charity.” Clearly, they are onto something since the group’s popularity has grown in social media follows, likes and overall community support.

This plan has been evolving after each team meeting. We are trying to provide the safest beach experience for all attendees.

2. VIP Beach Canopy spacing – This year we are using several beach canopies versus 1 large VIP Canopy. This will help with spacing people out.
3. Request that all guests wear COVID Masks
4. The Event will have signage directing the guests to wear mask and allow for social distancing
5. DJ Announcement – DJ will announce over sound system “Please wear face covering and practice safe social distancing” multiple times throughout event
6. Check-in Canopy, Bar and food Canopy, and Birdcage will have hand sanitizer station
