Bob, as the parties have been working together to locate (relocate) the towers associated with Crown Castle's applications, we are requesting that the de novo hearing established pursuant to Resolution No. 14-181 be rescheduled to the 1st meeting in January, 2015. We hope as we continue to work with City staff, to have all matters resolved by that date and permits in hand. Please confirm that the item will not be heard at the December 17, 2014 CC meeting, and instead be placed on the agenda for the first CC meeting January Thank you.

Hope,

Call me as soon as possible.

We need a letter or an e-mail from you requesting that the 12/17 de novo hearing date be

extended. I thought that everything had been “approved” but apparently there were revised plans that were needed. (I don’t have all the information, so please call me.)
