Petition to Keep "Area 18" in City Commission District 2

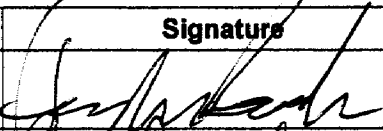

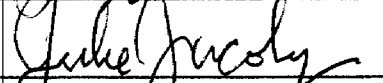

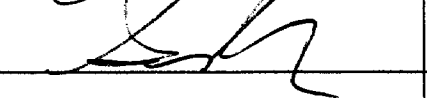

Petition summary and background:	The City Commission redistricting proposal recommended by the City's Reapportionment Committee would move "Area 18," which is part of Lake Ridge, from District 2 to District 1. Residents of East Point Towers are the only voters in "Area 18."
Action petitioned for:	We, the undersigned residents of East Point Towers, urge the City to keep "Area 18" in Commission District 2 along with the rest of Lake Ridge. This will allow the City to meet its goal of never splitting off a populated portion of a neighborhood.
