Greg,

As we discussed on Friday, Jonathan reached out to FIND (see below). They are OK with us upwardly adjusting the application until the 27<sup>th</sup>.

Are you OK with Jonathan increasing the grant amount approved on the pre-application and resolution from \$1 Million to \$1.5 Million? This would mean an additional \$250K General Fund contribution from our grant match account.

If you are OK, we'll work with Jonathan to draft a revised resolution to increase the amount as a walk-on for Thursday.

Regards,

Laura

We can add to the grant, but the question is how?

Hi Janet.

Is it possible to amend our application of \$1M for the rebuilding of the Cooley's Landing Marina? We would look to increase the amount requested.

Thanks
