

Memorandum

City Attorney's Office

No. 13-0255

To: Honorable Mayor and Commissioners
From: Cynthia A. Everett, City Attorney 
Date: October 9, 2013
Re: Street Naming Policy

Pursuant to the discussion at the City Commission Conference Meeting on October 1, 2013, I have researched the issue to determine whether the City Commission formally adopted a street naming policy. Based on my research, a street naming policy was never adopted by the City Commission. Throughout the years, there have been varying procedures applied by staff on this issue. The only consistent procedure applied to date is that, pursuant to Section 25-1 of the Code of Ordinances and Memorandum No. 95-175, the Official Map of the City of Fort Lauderdale is formally amended by resolution and the appropriate agencies are then notified.

The following is a timeline outlining the history on this issue:

- February 3, 1995, City Manager George L. Hanbury sent Memorandum 95-175 to the City Commission outlining the procedure staff developed for changes in street names.
- April 20, 2004, City Commission discussed at its Conference Meeting whether to allow the naming of streets in honor of living individuals. The minutes reflect that there was not a current street naming policy and staff was seeking direction on this issue. There was consensus reached for staff to bring back a formal policy in May 2004 for consideration. However, an item was never presented to the City Commission for action.
- October 19, 2004, City Commission discussed at its Conference Meeting whether to allow the addition of commercial organizations to public streets. Mayor Jim Naugle stated the City Commission could review each request on a case by case basis. The minutes reflect that consensus was given for staff to prepare a walk-on resolution for the regular meeting approving a street name addition for Kaplan University.
- March 18, 2008, Memorandum 08-12 was sent by Project Engineer Heslop Daley to Public Works Director Albert Carbon, outlining the procedures staff was following regarding street name additions and changes. There are additional

procedures contained in this memorandum that are not contained in the 1995 memorandum from City Manager George Hanbury. It included a provision that in rare cases a City Commissioner may take the request directly to the City Commission conference meeting.

- In 2009, an attempt was made by staff to revise the street naming procedure set forth in Memorandum 08-12 and to request City Commission endorsement of such procedure (Exhibit 4 to CAM 09-0517). However, the request never made it to the City Commission to formally be adopted and Commission Agenda Memo 09-0517 was removed from the June 16, 2009 City Commission conference meeting at the request of the City Manager. Notwithstanding, Engineering staff began implementing the procedures set forth in the 2009 proposed revision.
- In 2011, the task of processing street name additions was transferred from the Public Works Department to the Transportation and Mobility Department. It was discovered that the 2009 procedures, which staff had been using, were never adopted by the City Commission. Therefore, staff was instructed by the Director of Transportation and Mobility to operate under the procedures summarized in the 1995 memorandum.
- June 21, 2011, City Commission passed a resolution adding the name "Gerry Cooper's Way" to a portion of NE 5 Terrace. The background information provides that the procedures summarized in the 1995 memorandum were applied to this street name addition.
- June 5, 2012, City Commission passed a resolution adding various historic names to street signs in the Victoria Park neighborhood.
- June 5, 2012, City Commission passed a resolution adding the name "Richard Mancuso Greenway" to a portion of public right-of-way along the Himmarshee Canal. The background information provides that the procedures summarized in the 1995 memorandum were applied to this street name addition.
- October 16, 2012, City Commission passed a resolution adding the name Dr. "C.E. Glover Avenue" to a portion of NW 11 Avenue.
- December 4, 2012, City Commission passed a resolution adding the name "Wayne Huizenga Boulevard" to a portion of SE 9th Street. The background information in CAM 12-2537 provides that there had been confusion in the past regarding street name additions and moving forward staff would follow the procedures summarized in the 1995 memorandum.

A summary of the provisions at issue are provided below.

The 1995 procedure provides in part that: The requesting organization should demonstrate that there is agreement by the abutting property owners to the proposed change. A survey of the abutting property owners is required, but requests from Civic/Homeowner Associations have been accepted on occasions.

The 08-12 Memorandum provides in part that: In the case of a deceased person, the residents who reside within the limits of the roadway in consideration must be surveyed to measure the level of support. A letter of support from the impacted neighborhood must be secured for any street name modification on stationery.

The 2009 revisions provide in part that: The residents who reside within the limits of the roadway in consideration must be surveyed to measure the level of support. A letter of support from the impacted neighborhood association must be secured for any street name modification on their stationery. However, if the name change does not involve a deceased person, then a letter from the stakeholders will be accepted, in lieu of the neighborhood association letter of support.

I have attached the documents referenced herein.

Please let me know if you need any additional information.

SUBJECT: Street Naming Policy

The City Commission requested information on the policy of street naming (or renaming). The official City map is the definitive record of street names, and the City Attorney has advised previously that a Commission resolution is required to amend it.

The policy that has been developed over a number of years for changes in street names is:

- (1) A formal letter requesting the change should be submitted to the City Manager. The numerical street name should be retained as a secondary name.
- (2) The requesting organization should demonstrate that there is agreement by the abutting property owners to the proposed change. A survey of abutting property owners is required, but requests from Civic/Homeowner Associations have been accepted on occasions.
- (3) The City Manager may refer the request to the Citizen Board of Recognition, or other appropriate advisory board, for a recommendation.

The request is then scheduled for City Commission consideration. Following approval by resolution, the City map is amended, and appropriate agencies are notified.

The name changes on the street signs are implemented by Broward County's Traffic Engineering Division.

Hector Castro, P.E., City Engineer

BY: Peter R. Partington, P.E., Acting Assistant City Engineer

SUBJECT: April 20, 2004 Agenda – Street Naming Policy

Commissioner Hutchinson has requested a discussion of the City's current policy with respect to changing/adding a name to a City street to honor deserving individuals. A copy of the City's policy which dates back to 1995 is attached as **Exhibit A**.

Commissioner Hutchinson has received a request to name a short length of SE 1 Avenue (copy of request attached as **Exhibit B**). This request raises the question of naming streets in honor of living individuals. The policy in **Exhibit A** does not address this question directly; however the Commission has, in previous discussions, generally held that the street naming honor should be reserved for deserving deceased individuals. We are aware of at least one exception that the Commission approved within the last few years. Hamilton Forman's Way (SE 2nd Avenue).

If the City were to allow naming streets after living individuals we would expect the number of requests we currently receive to increase.

We recommend that the Commission consider whether to amend its current policy (**Exhibit A**) on street naming to either allow or prohibit the naming of streets in honor of living individuals.

COMMISSION CONFERENCE MEETING

04/20/04 - 24

Mr. Gizzi stated that his concern was the deficit and having to work through an agreement offsetting what the Orioles wanted to do in regard to the management of the facility. He felt it would take a little time to put such an agreement together.

Commissioner Trantalis stated that knowing there was a possibility of defeat this year in the Legislature, he asked if they could arrive at a contingent agreement for the next year if they were willing to commit next year's resources to the 2005 Legislature. Mr. Gizzi stated they had been discussing this for several months and had been unable to reach a consensus.

Commissioner Moore reiterated that if the State Legislature had not granted funding by April 30, 2004, then by May 4, 2004, the Orioles had to tell the City if they were going to fund through the year, and if not, then it should be put out for an RFP.

I-I - Street Naming

Commissioner Hutchinson stated that in reading the back-up which had been submitted from 1995, they were only adding a name and the number remained. She added that she had no objection to this.

Commissioner Trantalis stated that what concerned him was that they would be setting a policy, and asked if the attorney still had his office opened on the street. If he did, it would be unauthorized advertising, and then every attorney in town would make the same request.

Commissioner Hutchinson stated that the reason she brought this up was because there was no present policy. She stated if they did not want to do this, then a policy should be set up, but something should be done.

Mayor Naugle stated that he did not know if the individual was going to retire, and advised that the person was very deserving. He asked if the Commissioner really felt that this was advertising.

Commissioner Moore stated that he did not have a problem with this matter, but felt there should be a recommendation or ordinance within the next 30 days from the Legal Department, and then the Commission could vote on it.

Commissioner Hutchinson reiterated that staff was looking for direction and right now all they had was the memorandum dated 1995. Commissioner Trantalis suggested that they give the Committee more specific direction.

Commissioner Moore further stated that he had a street in his district named after a living person, along with a building named after a living person. He stated that on both occasions it was very trying to have individuals come in and discuss the validity of a name being given to a living person. Commissioner Teel felt it would be opening up a "can of worms." Commissioner Trantalis suggested that names be granted on streets or buildings after death.

The City Attorney stated that this policy did not necessarily address individuals and was a blanket policy. He explained that most jurisdictions had a policy that stated no designations be made except posthumously.

COMMISSION CONFERENCE MEETING

04/20/04 - 25

Action: Policy to be presented to the Commission in May, 2004.

I-J – Fire Assessment Fees

Action: Deferred until May, 2004.

II-A – Resource Recovery System – Distribution of Unrestricted Reserves

Action: Report accepted.

BY: Peter R. Parlington, P.E., Acting City Engineer *PRP*

SUBJECT: October 19, 2004 Agenda – Street Naming Policy – NW 15 Avenue (NW 62 Street to NW 64 Street) Proposed To Be Also Known as Kaplan University Avenue

We have received a request (copy attached as Exhibit 1) from Kaplan Inc. to add the name Kaplan University Avenue to the length of NW 15 Avenue, from NW 62 Street to NW 64 Street.

Iowa College Acquisition Corporation doing business as Kaplan University is locating its regional headquarters in the building located at 1515 West Cypress Creek Road [NW 62 Street]. This building has a substantial frontage to the length of NW 15 Avenue from NW 62 Street to NW 64 Street. This request does raise the issue of adding the name of commercial organizations to street names. The City's street naming policy (copy attached as Exhibit 2) does not reference this, and there is at least one precedent that we are aware of: a length of SE 2 Street (a public street) was also named "Blockbuster Plaza" for much of the time that the Blockbuster headquarters occupied the adjoining building.

We recommend that the Commission consider its current street naming policy with respect to commercial organizations' names being added to public street names.

We have scheduled a resolution on the Commission's agenda for the evening of October 19, 2004 for formal approval of Kaplan Inc.'s request.

COMMISSION CONFERENCE

1:34 P.M.

OCTOBER 19, 2004

Present: Mayor Naugle
Commissioners Hutchinson, Teel, Moore and Vice Mayor Trantalls

Also Present: City Manager - George Gretsas
City Attorney - Harry A. Stewart
City Clerk - Jonda K. Joseph
Sergeant At Arms - Sergeant Rick Schultz

I-E - November 2, 2004 Commission Conference and Regular Meeting

Mayor Naugle said that the next Commission meeting is scheduled for Election Day, November 2, 2004, and discussion ensued regarding changing that date. He said further that November 3, 2004 is suggested for the meeting date, but he could not attend on that date because he has an unavoidable conflict. The Commission set the next meeting date for November 1, 2004.

Action: November 1, 2004 to be the next Commission Meeting.

I-A - Street Naming Policy

Peter Partington, Acting City Engineer, said there is a request from Kaplan Inc. to add the name of Kaplan University Avenue to the length of NW 15th Avenue from NW 62nd Street to NE 64th Street. The street naming policy does not exclusively address adding commercial organizations to street names. There is one precedent, Blockbuster Plaza on 72nd Street. There is only one affected property owner, and he has a verbal agreement from that property owner. He added that a letter is sent by the Fort Lauderdale Crown Center in support of the name change. Staff is recommending that the Commission consider this request, which is scheduled as a resolution at tonight's meeting.

Commissioner Moore said that he did not think this matter should be considered at all.

Commissioner Teel said that she had attended some of the meetings when Kaplan had met with Broward County and the Broward Alliance. They are bringing over 700 jobs to the area in the first phase with another 700 shortly thereafter. She said the second group of jobs would be dependent on the cooperation received from the City. This organization is an online university system that is quite large, and they are moving people from Boca Raton to Fort Lauderdale to a building at the airport. In addition, they are building an accessory building, along with a parking garage. She said that their "boutique" mailing address is important to them in an attempt to identify their commitment to the City of Fort Lauderdale. She said this is a short two-block area, and the only affected property owner is in support of this request. She said they would not be taking away the name of NW 15th Avenue, adding the name underneath. She felt the jobs being brought to the community are good jobs. She urged the Commission to support this request.

Mayor Naugle believed this is done previously for a doctor's office on NW 6th Street.

Commissioner Moore said it is done because the neighborhood wanted it since the doctor delivered more African-American babies in the county than anyone else. He added that the doctor is no longer practicing. This is a different situation. Commissioner Moore said he would concede on this issue since it involves the Airport property, but he is concerned about naming the street after a business. The Enrons of the world showed that such groups could be problematic.

Lisa Gethins, Vice President for Human Resources and Legal, Kaplan University, said they are thankful for everyone's help in this matter. She said they are not Enron, but a regional highly accredited university based in Davenport, Iowa. She said that online they have over 12,000 students registered, and employ 1,200 people in Boca Raton who are being relocated to Cypress Creek. It is conditioned on the fact that they work in partnership with the City of Fort Lauderdale and Broward County. She indicated that it is their commitment to be a great partner. She said that the road would be recognized as a symbol of the partnership throughout the country.

Commissioner Teel said that the Airport is a distinct area, and the road in question is a small portion.

Vice Mayor Trantalis said that he wanted to approve this request, but he also wanted to make sure that every business in the area does not begin making similar requests. He said the adopt-a-road program is not an official renaming, and asked how this would occur and what criteria is to be used to sift through future applications. He wanted the main street number to remain dominant.

Commissioner Hutchinson indicated that they are not renaming the street, but only adding an additional name.

Mr. Partington indicated that as to which name appears first is dependent on how the resolution is worded.

Commissioner Teel continued stating that this is a unique situation and discussion regarding criteria could be held at a future time.

Mayor Naugle said that the City has a policy that no street naming would be done in honor of living individuals. He felt that a significant number of jobs are going to be provided, and the group is a university, not actually a corporation selling products or services. The City could review each request on a case-by-case basis.

Commissioner Moore continued, stating that he thought this issue was in regard to setting a policy for the future. He suggested that they not consider a property unless it is one the City has courted to bring into the community, such as this case. He felt it would not be unfair to other present business owners because they are well established in the community. He continued, stating that the Commission would be showing that they are attempting to induce businesses to come into the community for economic benefit. In other name changes for streets, he felt they should be strict in their criteria.

Commissioner Hutchinson said that everyone needs to understand that the name of the street is not being changed, and that they are only adding a name.

Action: Request approved.

I-B -Swimming Instructional Programs at Aquatic Complex

The City Manager said there has been a lot of communication back and forth regarding this issue, and he felt it is important to understand that there are two pieces to this controversy. The first involves the swim team, and the second portion involves private swimming lessons. In the past one entity has involved itself with both sections of the complex. Jack Nelson Swim School deals with the competitive swim team, and also gives private swimming lessons.

The City Manager said that in regard to the private swimming lessons, there are two components. One component involves one-on-one lessons, and the other is group lessons that are handled through Jack Nelson. On tonight's agenda, there is a contract for the swim team component of the complex, and he believed there is an agreement from Mr. Nelson and the City that he agrees to relinquish the swim team component. The issue is whether the City should handle private lessons or continue with the Nelson organization. The City has agreed that Mr. Nelson should handle the one-on-one lessons. In regard to the group lessons, there is an agreement with Mr. Nelson but the decision for the Commission is whether it is worth the \$30,000 or \$40,000 the City could raise in providing the lessons. He continued, stating that he did not know what value the Nelson name has to the program, and what amount of business would be lost. He said that Bruce Larkin, Director of Business Enterprises, would explain the deal that is on the table for consideration by the Commission.

Commissioner Moore asked if the Nelson organization pays the City for the time spent in training at the pool.

Bruce Larkin said that a pool fee, per se, is not paid, but there is a provision in the contract regarding the summer swim camp, and each participant is required to pay a fee.

Commissioner Teel said that she had received a letter on October 6 signed by Mary Jackson, Director, and Dan Walter, Coach, and she felt it is misleading to the public. She asked if erroneous information had been supplied.

Mr. Larkin said that he had gone back and attempted to review the history. He continued stating that a 30-year relationship has developed, and by all accounts, Mr. Nelson and his staff have provided excellent service. The contract that is to expire on October 31, 2004, was entered into in 2002, and at that time a letter received from Mr. Nelson announced that in 2004 he was going to retire from the competitive swim team portion of the contract. There is a two-part contractual arrangement. One part involves the competitive swim program where Mr. Nelson is paid a salary, along with expense monies. There is some revenue sharing regarding jointly sponsored swim teams. Mr. Nelson indicated that he wants to retire from that component of the program. Therefore, a new contract was prepared so the swim team could transition to a new program beginning November 1, 2004.

The City Manager said that what is causing confusion is a letter sent to the parents, explaining that the swim team would no longer be in effect, and those individuals should go elsewhere for such activities.

KAPLAN[®] INC.

Jeffrey L. Elle

VICE PRESIDENT, GLOBAL REAL ESTATE & FACILITIES

October 13, 2004

Mr. Peter Partington, P.E.
Acting City Engineer
City of Fort Lauderdale
100 North Andrews Avenue
Fort Lauderdale, FL 33301

Dear Peter:

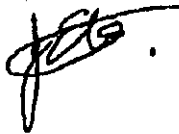

Iowa College Acquisition Corporation ("ICAC") doing business as Kaplan University is locating its regional headquarters in the building located at 1515 West Cypress Creek Road in Fort Lauderdale.

Our business commenced operations in Palm Beach County in 1997 with approximately 50 employees. On January 1, 2004 we had approximately 400 employees. Today we have more than doubled that number in South Florida. On January 7, 2005 we will be moving a substantial number of our employees to the new Kaplan University site located on Cypress Creek Road. By the end of January, 2005, Kaplan University will have approximately 700 employees at the new Fort Lauderdale location.

Kaplan has requested NW 15th Avenue be renamed "Kaplan University Avenue" between NW 62nd Street and NW 64th Street. Kaplan is making a substantial commitment to The City of Fort Lauderdale by locating our regional headquarters to the city. Renaming the address will inform our students, and potential students, from across the country that we have a large presence in Fort Lauderdale. When the public sees our facility on "Kaplan University Avenue" it will reinforce that there is a strong partnership between Kaplan, The City of Fort Lauderdale and Broward County.

We appreciate your support of this request. If you have any questions, please contact me.

Sincerely,

cc: Gloria Kramer (The Broward Alliance)

FROM: Heslop Daley, Project Engineer

SUBJECT: Street Name Addition/Change Procedure

This is in reference to your request for guidance on changing the name of a street or adding a name to an existing street. In general, the steps are as follows:

- Upon receipt of a request for modification to an existing street name, the request is reviewed to ascertain the scope and impact of the name change to the area.
- Research is done to establish if this name is unique. If this is not the case, the requestor would be advised to seek an alternate name.
- If the name change involves an individual, then that person must be deceased, was a resident of the City, and historically contributed positively to the City's image.
- In the case of a deceased person, the residents who resides within the limits of the roadway in consideration must be surveyed to measure the level of support.
- A letter of support from the impacted neighborhood must be secured for any street name modification on stationery.
- The request must be placed on the Commission Agenda with supporting documentation as exhibits.
- If the name change does not involve a deceased person, then a letter from the stakeholder will be accepted and presented to the Commission as an exhibit.
- A copy of the approved resolution is sent to the County for the fabrication and installation of the signs. The resolution must contain specific language as to what text is Primary/Secondary name (big/small text lettering).

In rare cases, a Commissioner may take the request directly to Commission conference.

Background/Detail is attached as Exhibit 1.

Attorney's Initials: _____

Background/Detail

The City has received a request from E. Pearl Maloney of New Mount Olive Baptist Church on behalf of Dr. Mack King Carter, a living individual, asking that the name Dr. Mack King Carter Avenue be added to the length of NW 9 Avenue between Broward Boulevard and Sunrise Boulevard.

Commissioner DuBose has also asked that this request be brought to the Commission. A copy of the letter from E. Pearl Maloney is attached as Exhibit 2. Staff uses the procedure attached as Exhibit 3, approved by the previous Commission in addressing requests for street name additions. Ms. Maloney is aware that the City's street naming procedure, is to not name roads for living individuals, but she has pointed out that living individuals names have been added to City streets in the past.

If the Commission approves this request, signs reflecting the street name addition would be installed by Broward County. Broward County has recently changed its policy on street name changes whereby costs associated with street name changes will be the responsibility of the City. The approximate cost of the street name change would be \$3,500, which staff suggests should be provided by the applicant. In view of the County's change of policy, staff is proposing a revision of the City's current street naming procedure to include a requirement for the applicant to bear the cost of sign changes. A copy of the proposed revised procedure is attached as Exhibit 4.

Staff requests Commission guidance on the proposed street name addition. If the Commission is in favor of the change, staff will place a resolution on a regular City Commission agenda.

In addition, staff recommends that the Commission endorse the revised street naming procedure in Exhibit 4.

MT. OLIVE

March 30, 2009

Commissioner Bobby B. DuBose
City of Fort Lauderdale
100 N. Andrews Avenue
Fort Lauderdale, FL 33301

RE: Recognition of Community of Dr. Mack King Carter

Dear Commissioner DuBose,

I am a member of New Mount Olive Baptist Church and our Senior Pastor, Dr. Mack King Carter after 27 years of outstanding service to the local community is planning to retire in September 2009. I am writing to request that we (the local community) pay tribute to Dr. Carter for his unwavering service to the community by renaming Ninth Avenue where our church is located to Dr. Mack King Carter Avenue.

No doubt you are aware of his contributions and I am asking your assistance in completing this project prior to his retirement in September 2009. Please advise me if you need any additional information in this matter.

Thank you for your assistance in this very deserving project.

Very truly yours,

E Pearl Maloney
Fifty-year member, New Mount Olive Baptist Church
Resident - City of Fort Lauderdale

CITY OF FORT LAUDERDALE
PUBLIC WORKS DEPARTMENT

Memorandum No. 08-12

DATE: March 18, 2008
TO: Albert Carbon, P.E., Public Works Director *ALC*
Peter R. Partington, P.E., City Engineer
FROM: Heslop Daley, Project Engineer *HD*
SUBJECT: Street Name Addition/Change Procedure

This is in reference to your request for guidance on changing the name of a street or adding a name to an existing street. In general, the steps are as follows:

- Upon receipt of a request for modification to an existing street name, the request is reviewed to ascertain the scope and impact of the name change to the area.
- Research is done to establish if this name is unique. If this is not the case, the requestor would be advised to seek an alternate name.
- If the name change involves an individual, then that person must be deceased, was a resident of the City, and historically contributed positively to the City's image.
- In the case of a deceased person, the residents who resides within the limits of the roadway in consideration must be surveyed to measure the level of support.
- A letter of support from the impacted neighborhood must be secured for any street name modification on stationery.
- The request must be placed on the Commission Agenda with supporting documentation as exhibits.
- If the name change does not involve a deceased person, then a letter from the stakeholder will be accepted and presented to the Commission as an exhibit.
- A copy of the approved resolution is sent to the County for the fabrication and installation of the signs. The resolution must contain specific language as to what text is Primary/Secondary name (big/small text lettering).

In rare cases, a Commissioner may take the request directly to Commission conference.

Revised Street Name Addition/Change Procedure

The following is a proposed revision to the current Street Naming Procedure, dated March 18, 2008 (Memo 08-12). In general, the steps are as follows:

- Upon receipt of a request for modification to an existing street name, the request is reviewed to ascertain the scope and impact of the name change to the area.
- Research is done to establish if this name is unique. If this is not the case, the requestor would be advised to seek an alternate name.
- If the name change involves an individual; then that person must be deceased, was a resident of the City, and historically contributed positively to the City's image.
- The residents who reside within the limits of the roadway in consideration must be surveyed to measure the level of support.
- A letter of support from the impacted neighborhood association must be secured for any street name modification on their stationery.
- However, if the name change does not involve a deceased person, then a letter from the stakeholders will be accepted, in lieu of the neighborhood association letter of support, and presented to the Commission as an exhibit.
- The request must be placed on the Commission Agenda with supporting documentation as exhibits, including a letter from those stakeholders requesting the change; indicating agreement to pay all costs involved.
- If the Commission approves the request, staff will request advance payment of the County's costs for changing the signs.
- Once payment has been received, a copy of the approved City's resolution is sent to the County to authorize the fabrication and installation of the signs. The resolution must contain specific language as to what text is Primary/Secondary name (big/small text lettering). Staff will arrange to reimburse the County for its costs.

In rare cases, a Commissioner may take a request directly to Commission conference.

CITY COMMISSION CONFERENCE MEETING 1:33 P.M. JUNE 16, 2009

Present: Mayor John P. "Jack" Seiler
Vice Mayor Bruce G. Roberts, Commissioners Bobby B. DuBose,
Romney Rogers, and Charlotte E. Rodstrom

Absent: None.

Also Present: City Manager – George Gretsas
City Auditor - John Herbst
City Clerk - Jonda K. Joseph
City Attorney - Harry A. Stewart
Sergeant At Arms – Sgt. Patrick Hart

EXECUTIVE CLOSED DOOR SESSION WAS HELD AT 1:33 P.M.

The City Commission shall meet privately regarding the following:

Collective Bargaining Pursuant To Florida Statute 447.805

Dean Frederick V. Mechel OAO, Et Al, United States District Court, Southern District of New York Case 09 CV 3617 (Class Action Litigation) Pursuant to Florida Statute 286.011(8)

MEETING RECONVENED AT 3:16 P.M.

II-A – Street Name Addition – Adding The Name Of Dr. Mack King Carter Avenue To That Section Of NW 9 Avenue Between Broward Boulevard And Sunrise Boulevard

Mayor Seiler announced that the City Manager has removed this item from today's agenda.

I-A – Fiscal Year 2009-2010 Goal Setting Session

The City Manager noted staff has used a zero based budgeting approach which is a new concept to staff. In order to do so, staff is looking for information on what the Commission would like to accomplish this fiscal year and expenditure of funds on various projects. He reviewed the items for consideration, a copy of which is attached to these minutes. The bulk of the Quality of Life issues can be done with existing staff.

Mayor Seiler requested crime reports be provided with the conference agenda monthly. In response to Commissioner DuBose, Tim Edkin, Director of Information Technology Services, indicated the reports are posted on the City website.

In response to Commissioner Rodstrom, the City Manager indicated the list of initiatives contains initiatives that area underway as a result of the previous Commission and some included because they were raised by a commissioner from the current Commission.

PRIOR COMMISSION/BOARD ACTION: (attach additional file if necessary)

BACKGROUND/DETAIL:

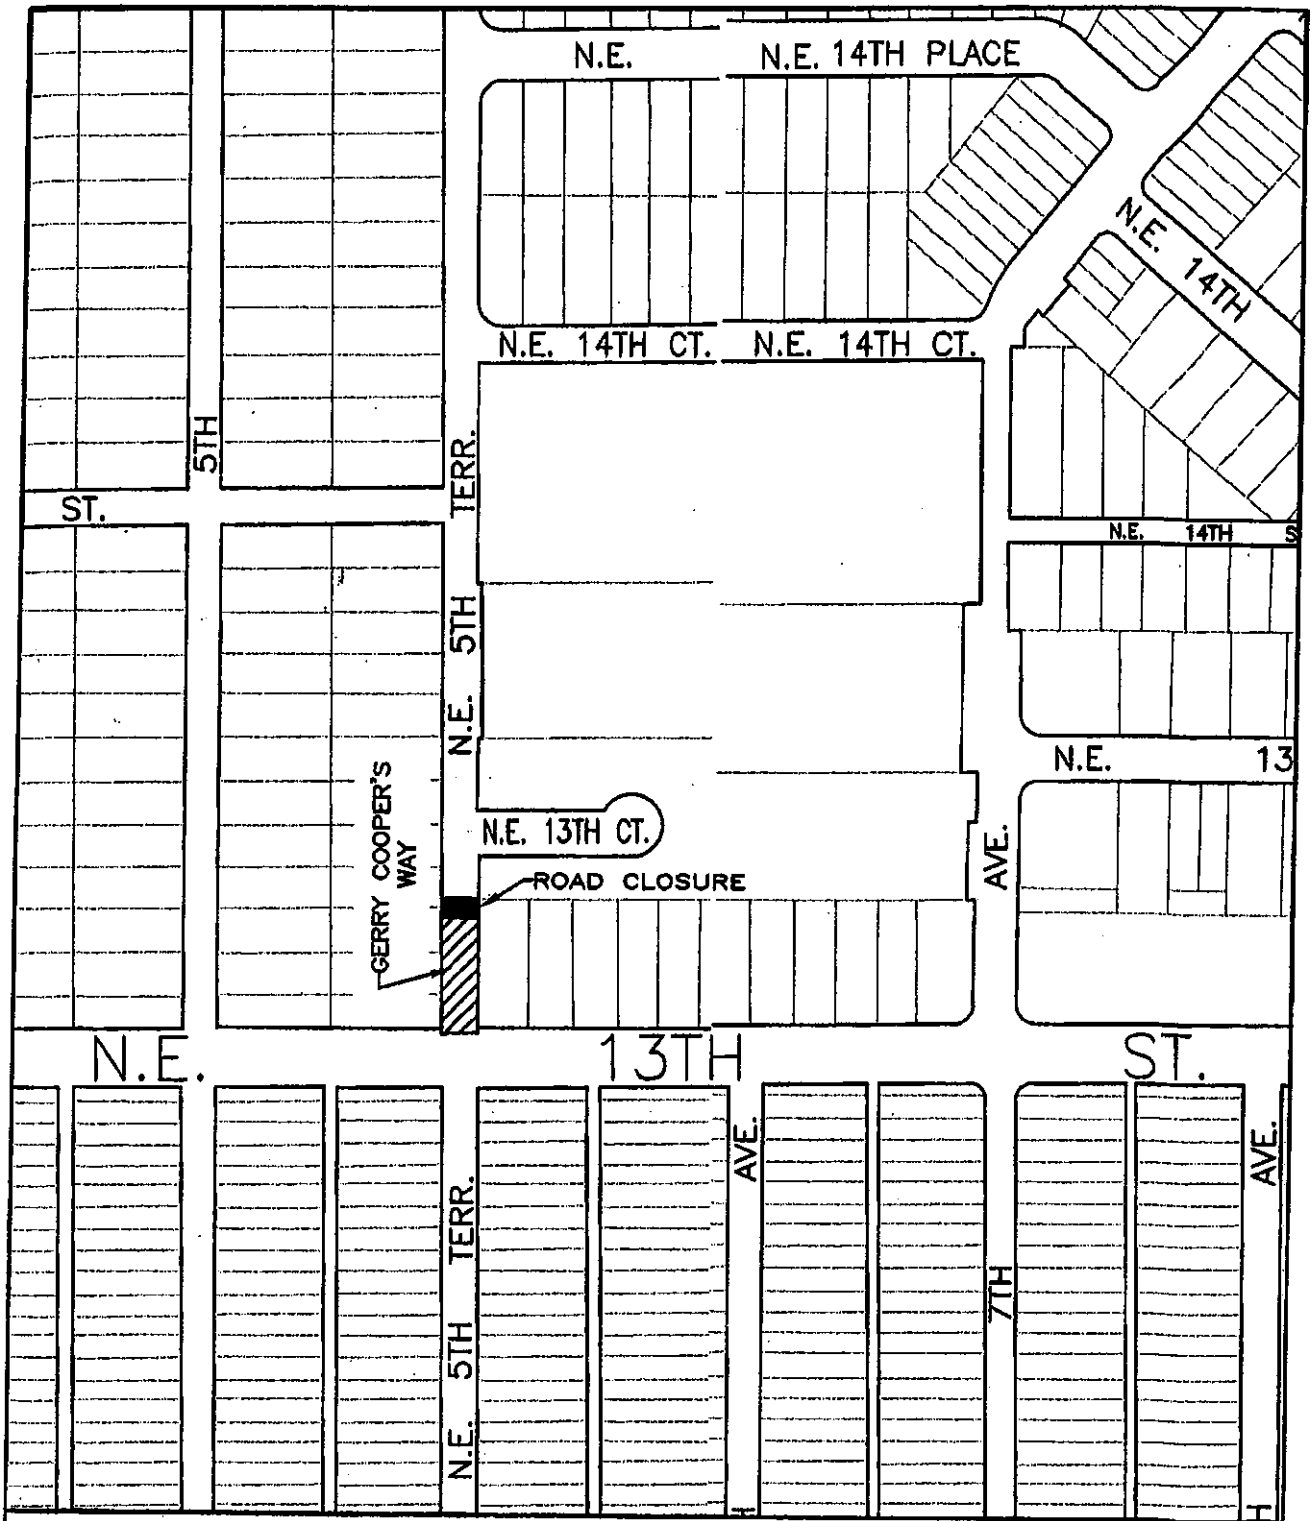

This item is to recommend addition of the name Gerry Cooper's Way to that length of NE 5 Terrace between NE 13 Street to the road closure located approximately 100 feet north of NE 13 Street.

The Public Works Department has received a request from Middle River Terrace Neighborhood Association on behalf of Gerry Cooper, a deceased individual, asking that the name Gerry Cooper be added to that length of NE 5 Terrace between NE 13 Street to 100 feet north of NE 13 Street. This request is supported by a letter from the Middle River Terrace Home Owners Association indicating funding responsibility by the HOA, and a petition letter signed by impacted residents of NE 5 Terrace who reside within the proposed street name change segment.

If the Commission approves this request, Broward County Traffic Engineering Division (BCTED) will install signs reflecting, upon receiving payment from the Middle River Terrace Civic Association the, street name additions at no expense to the City. NE 5 Terrace will be displayed as primary and Gerry Cooper's Way as the secondary street name text. The Middle River Terrace HOA has agreed to fund the street name change, which would be consistent with the City's Street Naming Policy. Typically, it has taken BCTED approximately two to three months to have new signs fabricated and installed after receiving the City's resolution.

Staff recommends Commission approve a resolution adding the name Gerry Cooper's Way to that length of NE 5 Terrace from NE 13 Street to the road closure located approximately 100 feet north of NE 13 Street.

Revised Street Name Procedure

The following is a proposed revision to the current Street Naming Procedure, dated March 18, 2008 (Memo 08-12). In general, the steps are as follows:

- Upon receipt of a request for modification to an existing street name, the request is reviewed to ascertain the scope and impact of the name change to the area.
- Research is done to establish if this name is unique. If this is not the case, the requestor would be advised to seek an alternate name.
- If the name change involves an individual; then that person normally would be deceased, was a resident of the City, and historically contributed positively to the City's image.
- The residents who reside within the limits of the roadway in consideration must be surveyed to measure the level of support.
- A letter of support from the impacted neighborhood association must be secured for any street name modification on their stationery.
- However, if the name change does not involve a deceased person, then a letter from the stakeholders will be accepted, in lieu of the neighborhood association letter of support, and presented to the Commission as an exhibit.
- The request must be placed on the Commission Agenda with supporting documentation as exhibits, including a letter from those stakeholders requesting the change; indicating agreement to pay all costs involved.
- If the Commission approves the request, staff will request advance payment of the County's costs for changing the signs.
- Once payment has been received, a copy of the approved City's resolution is sent to the County to authorize the fabrication and installation of the signs. The resolution must contain specific language as to what text is Primary/Secondary name (big/small text lettering). Staff will arrange to reimburse the County for its costs.

In rare cases, a Commissioner may take a request directly to Commission conference.

RESOLUTION NO. 11-185

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA ADDING THE NAME "GERRY COOPER'S WAY" TO THE SECTION OF NE 5TH TERRACE BETWEEN NE 13TH STREET TO THE ROAD CLOSURE LOCATED APPROXIMATELY 100 FEET NORTH OF NE 13TH STREET.

WHEREAS, the City received a request from the Middle River Terrace Neighborhood Association requesting that the City Commission consider adding the name "Gerry Cooper's Way" to the section of NE 5TH Terrace between NE 13TH Street to the road closure located approximately 100 feet north of NE 13TH Street; and

WHEREAS, the request is also supported by the Middle River Terrace Home Owners Association indicating funding responsibility by the Home Owners Association and a petition letter signed by impacted residents of NE 5TH Terrace who reside within the proposed street name change segment;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA:

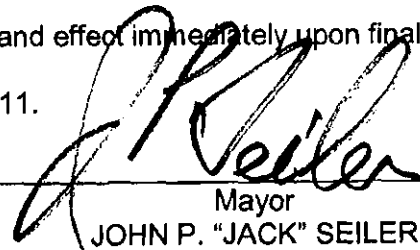

SECTION 1. That the City Commission of the City of Fort Lauderdale hereby declares that the name "Gerry Cooper's Way" be added to the section of NE 5TH Terrace between NE 13TH Street to the road closure located approximately 100 feet north of NE 13TH Street.

SECTION 2. That the City Clerk is directed to provide a copy of this Resolution to the Broward County Traffic Engineer for future inclusion in the "Official Map of the City."

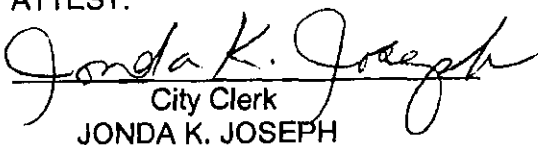

SECTION 3. That the City Clerk is directed to provide a copy of this Resolution to the City Engineer for future inclusion in the "Official Map of the City of Fort Lauderdale."

SECTION 4. That this resolution shall be in full force and effect immediately upon final passage.

ADOPTED this the 21st day of June, 2011.

Mayor
JOHN P. "JACK" SEILER

PRIOR COMMISSION/BOARD ACTION: (attach additional file if necessary)

On January 15, 2008, the City Commission adopted Resolution 08-17 adding historic names to decorative street signs in Victoria Park as part of a 2004 Neighborhood Capital Improvement Program (NCIP) grant.

On March 1, 2011, the City Commission awarded the Victoria Park Civic Association, Inc. a NCIP matching grant for the installation of decorative street posts and signs, as part of the 2011 NCIP program. This could be considered as a phase II project.

BACKGROUND/DETAIL:

The Victoria Park Civic Association received a NCIP matching grant for the installation of decorative street posts and signs in the Victoria Park neighborhood at 16 locations. A location map is attached as Exhibit 1. Historical names will be included in 14 of the 16 decorative pole locations. The estimated cost associated with adding the historic names to the street sign is \$1,400 and this cost will be included in the contract to install the decorative street posts and signs. The total cost of project is approximately \$65,000 of which the neighborhood is contributing \$30,000 and the City \$35,000.

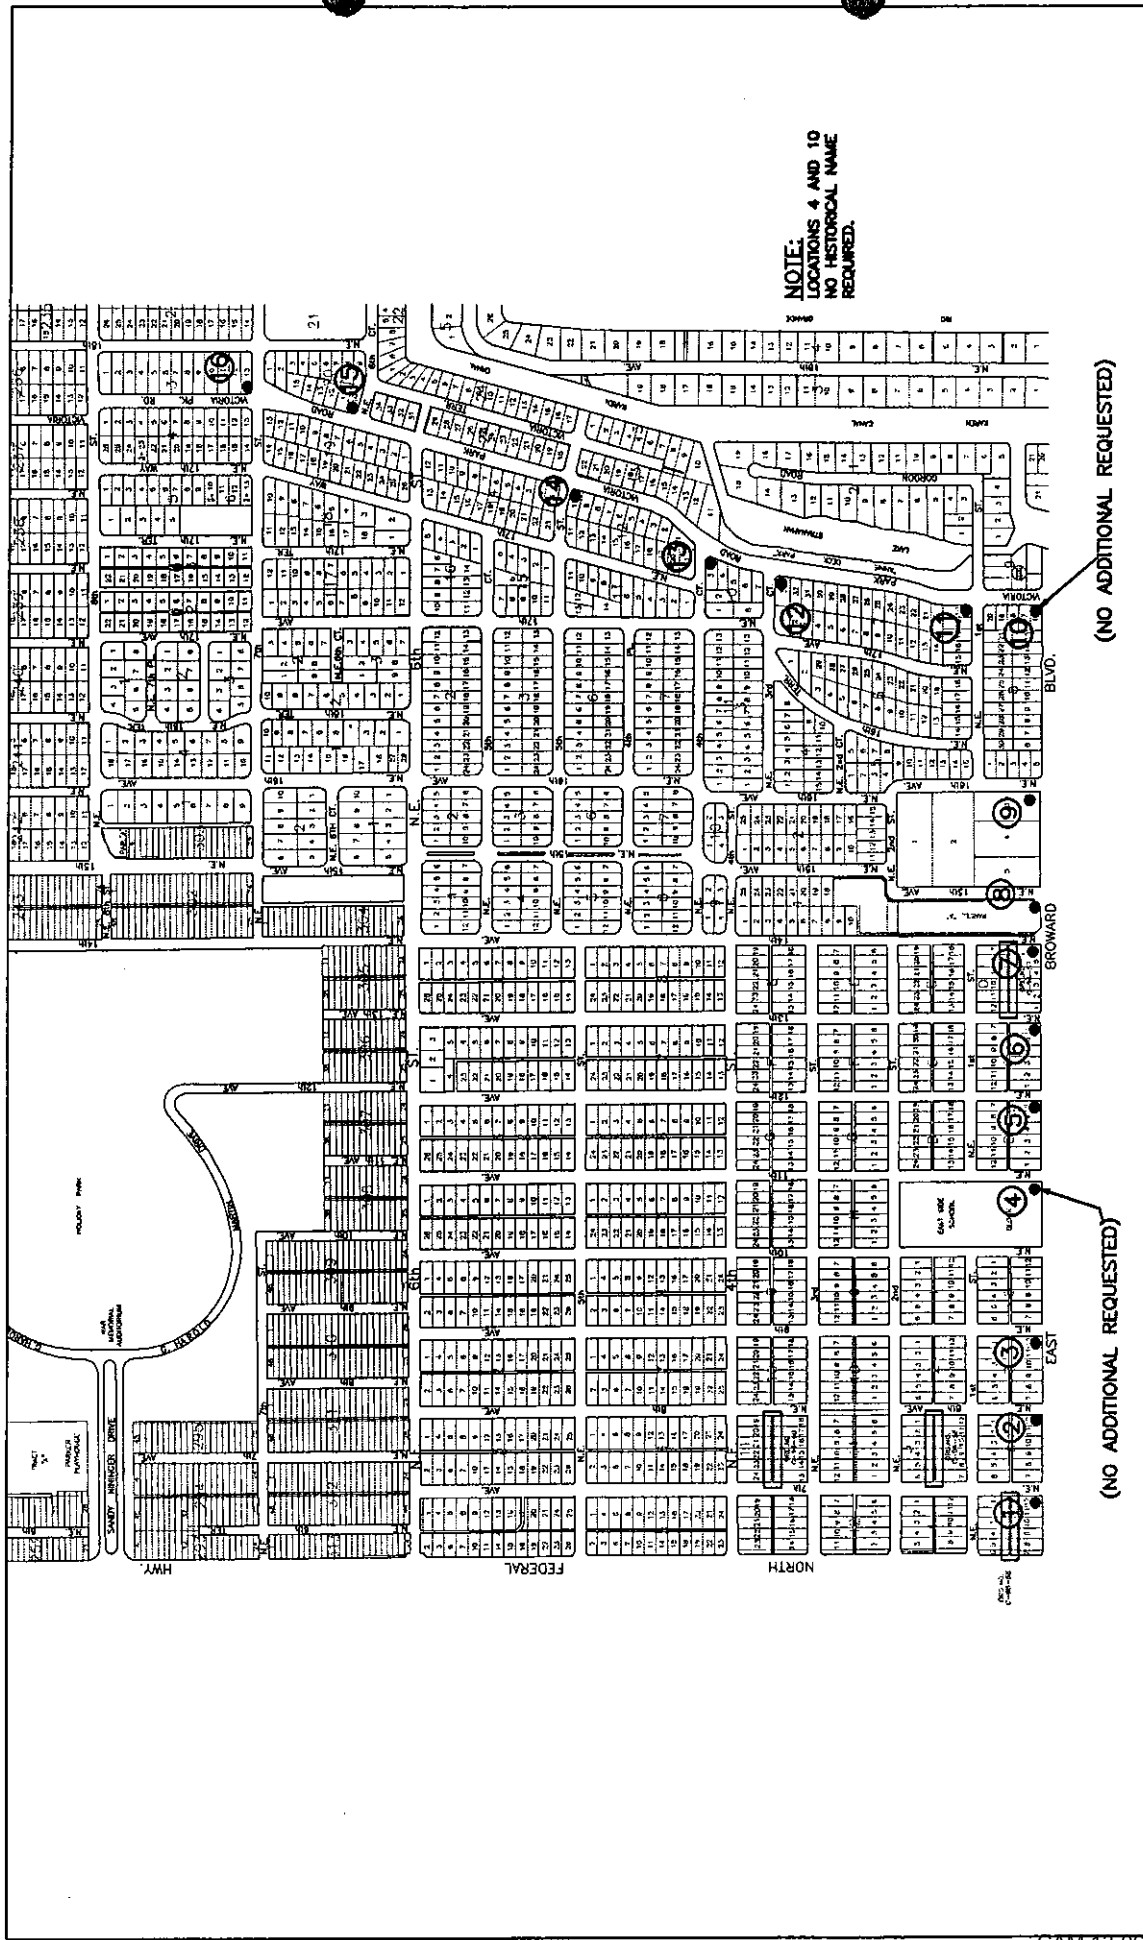

A letter from the Victoria Park Civic Association is attached as Exhibit 2. The Association meeting minutes recording adoption of the historical names is attached as Exhibit 3. Funding information is attached as Exhibit 4.

Signs reflecting the historic street names will be installed under the Victoria Park Civic Association NCIP Decorative Street Posts and Signs Project - P11691 and funding will be available in the project upon award of the sign contract.

Staff recommends the Commission adopt a resolution adding historic names to various street signs in the Victoria Park neighborhood - Project 11691.

Minute by Minute!

By Secretary Preston Watkins

Minutes of the March 7th, 2012 General Membership Meeting

Vice President Catherine Maus opened the meeting at 7 p.m. and welcomed any new members. Catherine asked for a motion to approve the February minutes; Lindsay Koehler made the motion and it was seconded by Larry Wallenstein, and was approved.

Fort Lauderdale Police Report: Officer David Soika reported that there was a big dip in crime last month, with only four residential burglaries in February, compared to nine in January. He credited alert VP neighbors with the reduction.

Charlie King asked about a recent car crash on Victoria Park Road. Officer Soika was unaware of this particular accident and could not give any information. A resident in the 200 block of NE 17th Avenue asked about the rash of burglaries there. Bob Oelke asked about problems with solicitors; Officer Soika explained that solicitor scams are occurring across the City; he cautioned us not to answer the door if you do not know the caller. He noted that solicitors with permits are allowed to go door to door from 8 a.m. to 8 p.m. The current scam involves one person knocking on the front door, distracting the homeowner, while another enters the home to steal. It was noted that a midday burglary on VP Road resulted in the criminal being apprehended.

Code Enforcement: Compliance Officer Ursula Thime said that the Hustler store and gas station at the corner of Sunrise Boulevard and NE 15th Avenue have improved their landscaping; code issues are still pending. Ursula advised us that anyone with a car canopy without a permit will be notified soon about taking these temporary structures down, since they can become dangerous during storms.

Fort Lauderdale Urban Forester: Gene Dempsey joined us to address the spiraling whitefly pest. He encouraged us to use pesticides per label instructions. New pests crop up all the time; Gene keeps his web site up to date with new pest info: http://ci.ftlaud.fl.us/life/urban_forestry/index.htm

Committee Reports:

Aesthetics: Larry announced the upcoming Art and Jazz festival that will be on Sunday, March 25th from noon to 4 p.m. in Victoria Park. The committee is seeking volunteers and silent auction donations for this event.

The Dog Park proposal is going well and they are working with several surrounding neighborhoods.

Three applications were submitted for Community Appearance Awards.

Aesthetics thanks the Landscape Guardians for all of their wonderful work.

A program to wrap utility boxes with art is moving forward; Commissioner Charlotte Rodstrom supports the project.

Abandoned Pet Rescue thanked the Association for the funds raised at our Cause 4 Paws event.

Larry made a motion to approve the use of historic street names on decorative signs which will be placed as a result of our winning NCIP grant. The motion carried after discussion.

Children: Nicole Stodard said that she will be updating us soon on the Easter Egg Hunt.

Fort Lauderdale Council of Civic Associations: Madelene reported that the Council recently had a speaker on climate change. The next Council meeting is Tuesday, March 13th.

Membership: Jen Diehl reported that we now have 363 members, 72 of whom are new to the Association.

Newsletter: Lindsay reported everyone received their newsletters on time this month. She surveyed our reaction to the March issue's cover.

Traffic: Bob announced that there will be a workshop next Wednesday at the Holiday Park Activity Center to discuss any and all traffic issues (bikes, sidewalks, speeders, vehicles parking on lawns and swales, traffic signs, etc.) in hopes that we will have some consensus for the April 5th meeting with City representatives.

The Broward Boulevard repaving project has been delayed until 2014; Bob hopes the delay will work to our advantage, as we may be able to influence a better landscaping/lane design.

Recycling: JD Camp reported that we received a check from the City for our recycling efforts; he thanked our volunteers. He said there would be an Earth Day event in Birch State Park on April 21st. JD made a motion for VPCA to

RESOLUTION NO. 12-102

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA, ADDING THE HISTORIC NAMES TO THE FOLLOWING STREET SIGNS IN THE VICTORIA PARK NEIGHBORHOOD: AVENUE "B" TO NE 7TH STREET, VARN STREET TO NE 6TH COURT, CENTRAL STREET TO NE 5TH STREET, BALLARD STREET ON VICTORIA PARK ROAD TO NE 4TH COURT, LAKE STREET TO NE 3RD COURT, LAWRENCE STREET TO NE 1ST STREET.

WHEREAS, the City Commission awarded a Neighborhood Capital Improvement Project (NCIP) matching grant during Fiscal Year 2004 to the Victoria Park Civic Association to install decorative street sign posts; and

WHEREAS, the City Commission adopted Resolution 08-17 adding historic names to decorative street signs in Victoria Park as part of the 2004 NCIP grant; and

WHEREAS, on March 1, 2011, the City Commission awarded the Victoria Park Civic Association, Inc. a NCIP matching grant for the installation of additional decorative street posts and signs, as part of the 2011 NCIP program and this is considered Phase II of the project; and

WHEREAS, the Victoria Park Civic Association has requested that the historic names **Avenue "B," Varn Street, Central Street, Ballard Street on Victoria Park Road, Lake Street, Lawrence Street**, be added to certain streets in the Victoria Park neighborhood;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA:

SECTION 1. The City Commission of the City of Fort Lauderdale desires to formally approve adding the historic names to the following street signs in the Victoria Park neighborhood: Avenue "B" to NE 7th Street, Varn Street to NE 6th Court, Central Street to NE 5th Street, Ballard Street on Victoria Park Road to NE 4th Court, Lake Street to NE 3rd Court, Lawrence Street to NE 1st Street.

SECTION 2. That the new street signs shall include both the present street name along with the historic street name.

SECTION 3. That the City Clerk is directed to provide a copy of this Resolution to the Broward County Traffic Engineer for future inclusion in the "Official Map of the City of Fort Lauderdale."

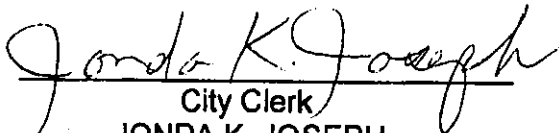

SECTION 4. That the City Clerk is directed to provide a copy of this Resolution to the City Engineer for future inclusion in the official map of the City of Fort Lauderdale.

ADOPTED this the 5th day of June, 2012.

Mayor
JOHN P. "JACK" SEILER

PRIOR COMMISSION/BOARD ACTION: (attach additional file if necessary)

BACKGROUND/DETAIL:

Staff received a request from the Riverwalk Trust to name a portion of public Right-of-Way (ROW), in honor of Richard Mancuso, a city activist who passed away on January 31, 2012. The letter of support from the Beverly Heights Neighborhood Association is attached as Exhibit 1.

The proposal is to place a sign stating "Richard Mancuso Greenway" along the banks of the Himmarshee Canal between SE 8th Avenue and SE 2nd Court, as depicted on the map attached as Exhibit 2. On a few occasions in the past, upon Commission approval, Parks and Recreation has fabricated and installed a sign on right of way at no cost to the community.

The approximate cost for sign fabrication and installation is \$1,000, which can be paid for from funds available in Parks and Recreation's budget (GF001, Subfund 01, PKR061501-3999) as illustrated in Exhibit 5.

Staff recommends City Commission approve a resolution naming the area shown on Exhibit 2 as "Richard Mancuso Greenway."

Kevin C. Walford
Transportation Planner
City of Fort Lauderdale - Transportation and Mobility Department
290 NE 3rd Avenue
Fort Lauderdale, FL 33301

Dear Mr. Walford:

The Beverly Heights Neighborhood Association owes a great debt of gratitude to Richard Mancuso. Richard was our founding president and worked tirelessly for the betterment of our community.

One of Richard's passions was the protection and beautification of the Himmarshee River. Richard never liked to refer to the Himmarshee as a canal since he thought that term did not really capture its true nature. Richard was always there to help on the annual waterway cleanups; he was also instrumental in obtaining signs reminding pet owner to be responsible which have been placed along the banks of the Himmarshee. When development's run-off threatened the water quality of the Himmarshee, Richard was the first to request the removal of the silt and booms to capture the trash before it entered the waterway.

In keeping with all of his actions and more not listed, the neighborhood considers it a fitting tribute to name the greenway adjacent to the Himmarshee after Richard. The neighborhood strongly supports a fitting marker that would serve as a prominent, long lasting tribute to Mr. Mancuso while respecting the nature of the greenway that Richard worked so hard for.

The neighborhood looks forward the naming of the Himmarshee Greenway in memory of Richard and working with the City on the final details of the physical indicators.

Best regards,

Joe Fellmeth
President – Beverly Heights Association Inc.

Naming of City Parks, Recreation Areas and Major Facilities

Guidelines:

1. Consideration should be given to names describing the park, its geographic location, and its historical or ecological relationship indigenous to the region, making it easier for persons outside the neighborhood to identify the park. Generally, this would be streets, schools, subdivisions, community associations or other notable landmarks.
2. Proposals to name parks or facilities after persons are restricted to those persons who are deceased. Any exceptions to this policy must be determined by the City Commission. The term "memorial" should not be used, as that term generally becomes the common name and detracts from the intent of naming the park after the individual.
3. If a proposal is received to name a park or a facility after a living person, this request will automatically be denied. Anyone wishing to appeal this ruling may appeal directly to the City Commission.
4. Donors of land and/or large sums of money should be considered in the naming of the resulting park facility or integral part thereof, if possible. Donations should be sufficient to pay for acquisition, development and maintenance for a reasonable period of time.

Procedure:

1. Individuals or groups suggesting name(s) shall submit the name(s) to the Parks and Recreation Director along with backup justification.
2. If the Director decides the proposed naming has merit for discussion, it will be placed on the Parks, Recreation and Beaches Board for review.
3. Surrounding neighborhood association presidents will be notified of the proposed naming to take place on an upcoming agenda. Notice(s) will also be posted at the park site noting the upcoming agenda discussion.
4. The Board will review proposed names and recommend name to the City Commission via the City Manager, together with the reasons for the recommendation.
5. Maps, plats and other official records of the Commission shall reflect the action.

DATE: June 3, 2009

Revised Street Name Addition/Change Procedure

The following is a proposed revision to the current Street Naming Procedure, dated March 18, 2008 (Memo 08-12). In general, the steps are as follows:

- Upon receipt of a request for modification to an existing street name, the request is reviewed to ascertain the scope and impact of the name change to the area.
- Research is done to establish if this name is unique. If this is not the case, the requestor would be advised to seek an alternate name.
- If the name change involves an individual; then that person must be deceased, was a resident of the City, and historically contributed positively to the City's image.
- The residents who reside within the limits of the roadway in consideration must be surveyed to measure the level of support.
- A letter of support from the impacted neighborhood association must be secured for any street name modification on their stationery.
 - However, if the name change does not involve a deceased person, then a letter from the stakeholders will be accepted, in lieu of the neighborhood association letter of support, and presented to the Commission as an exhibit.
- The request must be placed on the Commission Agenda with supporting documentation as exhibits, including a letter from those stakeholders requesting the change; indicating agreement to pay all costs involved.
- If the Commission approves the request, staff will request advance payment of the County's costs for changing the signs.
- Once payment has been received, a copy of the approved City's resolution is sent to the County to authorize the fabrication and installation of the signs. The resolution must contain specific language as to what text is Primary/Secondary name (big/small text lettering). Staff will arrange to reimburse the County for its costs.

In rare cases, a Commissioner may take a request directly to Commission conference.

RESOLUTION NO. 12-105

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA, ADDING THE NAME OF "RICHARD MANCUSO GREENWAY" TO A PORTION OF THE CITY'S PUBLIC RIGHT-OF-WAY ALONG THE BANKS OF THE HIMMARSHEE CANAL BETWEEN SE 8TH AVENUE AND SE 2ND COURT.

WHEREAS, a request was received from the Beverly Heights Neighborhood Association, Inc. to name a portion of the City's right-of-way in honor of Richard Mancuso, who passed away on January 31, 2012, to commemorate his life's work as both an advocate and an active citizen; and

WHEREAS, the approximate cost for sign fabrication and installation is \$1,000, which can be paid for from funds available in the Parks and Recreation Department's budget;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA:

SECTION 1. That the portion of the City's public right-of-way located between SE 8th Avenue and SE 2nd Court along the banks of the Himmarshee Canal shall also now be known as "Richard Mancuso Greenway."

SECTION 2. That the City Clerk is directed to provide a copy of this Resolution to the City Engineer for future inclusion in the "Official map of the City of Fort Lauderdale."

SECTION 3. That this resolution shall be in full force and effect immediately upon and after its final passage.

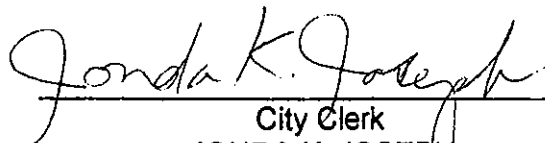

ADOPTED this the 5th day of June, 2012.

CITY OF FORT LAUDERDALE
City Commission Agenda Memo

12-2362

10/11

TO: Honorable Mayor & Members
Fort Lauderdale City Commission

FROM: Lee Feldman, City Manager

DATE: October 16, 2012

TITLE: Consent Resolution - Add the name Dr. C.E. Glover Avenue to that section of NW 11 Avenue between Sunrise Boulevard and Sistrunk Boulevard/NW 6 Street

Recommendation

It is recommended that the City Commission approve a resolution adding the name Dr. C.E. Glover Avenue to that section of NW 11 Avenue between Sunrise Boulevard and Sistrunk Boulevard/NW 6 Street (Exhibit 1).

Background

The City received a request from Mount Bethel Baptist Church to add the name Dr. C.E. Glover Avenue to a section of NW 11 Avenue between Sunrise Boulevard and Sistrunk Boulevard/NW 6 Street in honor of Dr. C.E. Glover, Senior Pastor of Mount Bethel Baptist Church. This request is supported by a letter from the Church exemplifying Dr. Glover's contribution toward the development of the community (Exhibit 2).

Upon City Commission approval Broward County Traffic Engineering Division (BCTED) will install street name signs reflecting the street name addition, at no expense to the City. NW 11 Avenue will be displayed as secondary and Dr. C.E. Glover Avenue as primary. Mount Bethel Baptist Church has agreed to fund the cost of the street name addition (Exhibit 2), which would be consistent with the City Street naming policy. Typically, it has taken BCTED approximately four (4) to six (6) weeks to have new street signs fabricated and installed after receiving the City's resolution (Exhibit 3)

Resource Impact

There is no current fiscal impact associated with this action.

MOUNT BETHEL
MINISTRIES
.....
C.E. GLOVER
D. Min., D.D., Senior Pastor

September 15, 2012

Fort Lauderdale City Commission
100 North Andrews Avenue
Fort Lauderdale, FL 33311

Dear Mayor Sellar et al,

I am Kia R. Greene and I serve as the Executive Assistant to Dr. C. E. Glover, Senior Pastor of Mount Bethel Baptist Church which is located in District 3 under the jurisdiction of Vice Mayor Bobby DuBose. I am contacting you on behalf of the church membership and the community surrounding Mount Bethel Baptist Church to ask your permission be granted for the addition of the name, "Dr C.E. Glover Avenue" to NW 11th Avenue (the street where Mount Bethel is located).

Fort twenty-seven years Dr. Glover has served Mount Bethel Baptist Church and the surrounding community. A visionary, Dr. Glover has been instrumental in developing the lives of those in the congregation and the community. He is the founder of Mount Bethel Christian Academy which, for twenty-five years, has provided a faith based education to children 3 years of age to sixth grade. In 1993, Mount Bethel Human Services Corporation, Inc. (a 501(c)(3) organization) was established to provide support to families through myriad services and programs for children and adults. I can definitely mention more of his contributions; however, I have provided a mere snapshot out of respect for your time.

Upon your approval of this request, I am asking that the name addition be reflected on all street signs from Sunrise Boulevard to Sistrunk Boulevard; Mount Bethel Baptist Church will cover all costs associated with the street name addition. Thank you for your time and consideration.

Respectfully,

Kia R. Greene
Executive Assistant

RESOLUTION NO. 12-203

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA, ADDING THE NAME "DR. C.E. GLOVER AVENUE" TO THAT SECTION OF NW 11th AVENUE BETWEEN SUNRISE BOULEVARD AND SISTRUNK BOULEVARD/NW 6th STREET.

WHEREAS, Mount Bethel Baptist Church in Fort Lauderdale, Florida has requested the addition of the name "Dr. C.E. Glover Avenue" to that section of NW 11th Avenue between Sunrise Boulevard and Sistrunk Boulevard/NW 6th Street; and

WHEREAS, that Dr. C.E. Glover is the Senior Pastor at Mount Bethel Baptist Church and has served the church for twenty-seven (27) years; and

WHEREAS, that Dr. C.E. Glover is the founder of the Mount Bethel Christian Academy providing faith based education to children from age 3 to sixth grade; and

WHEREAS, that Dr. C.E. Glover has made many contributions to the Mount Bethel Baptist Church and has been instrumental in developing the lives of those in the congregation and the community; and

WHEREAS, Mount Bethel Baptist Church has offered to pay for all expenses for changing of the street signs to reflect this change which is consistent with the City's street naming policy;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA:

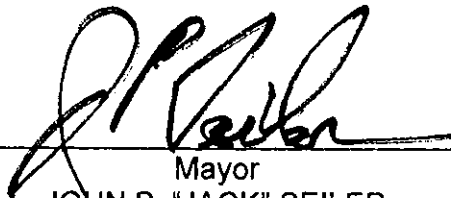

SECTION 1. The City Commission of the City of Fort Lauderdale desires to formally approve the addition of the name "Dr. C.E. Glover Avenue" to that section of NW 11th Avenue between Sunrise Boulevard and Sistrunk Boulevard/NW 6th Street.

SECTION 2. That the new street signs shall include both the new street name as primary and the present street name as secondary.

SECTION 3. That the City Clerk is directed to provide a copy of this Resolution to the Broward County Traffic Engineer for future inclusion in the "Official Map of the City of Fort Lauderdale."

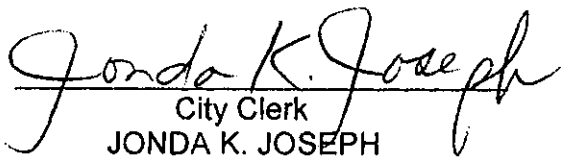

SECTION 4. That the City Clerk is directed to provide a copy of this Resolution to the City Engineer for future inclusion in the official map of the City of Fort Lauderdale.

ADOPTED this the 16th day of October, 2012.

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

12-2537

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Lee Feldman, ICMA-CM, City Manager

DATE: December 04, 2012

TITLE: Resolution approving - Replacing the Secondary Name of El Vedado Drive with Wayne Huizenga Boulevard - Section of SE 9 Street - El Vedado Drive between Federal Highway and Cordova Road

Recommendation

It is recommended that the City Commission consider a resolution to revise the secondary street name El Vedado Drive with the name Wayne Huizenga Boulevard to that section of SE 9 Street/El Vedado Drive between Federal Highway/US-1 and Cordova Road (Exhibit 1).

Background

The City received a request from Mr. James Blosser to revise the secondary street name El Vedado Drive with the name Wayne Huizenga Boulevard to that section of SE 9 Street/El Vedado Drive between Federal Highway/US-1 and Cordova Road (Exhibit 2). This request is in honor of Mr. Wayne Huizinga's 75th birthday and in recognition of his contributions to the City of Fort Lauderdale. Also attached, as part of Exhibit 2, is Mr. Huizinga's personal resume detailing his community involvement and contribution to the City.

There has been confusion in the policy regarding street name additions as to the individuals being deceased; therefore, staff is following the 1995 City Street Naming policy resolution (Exhibit 3). The policy requires that a survey of abutting property owners be conducted and a letter of support from the homeowners association be provided. A survey was conducted on November 20th with only 40% of the 72 abutting property owners at home during the survey time period between 6:00 p.m. and 8:00 p.m. Of those with an opinion, 42% were in favor of the name change or had no objection the requested revision of the secondary street name. The letter of support from the Rio Vista Civic Association had not yet been received at time of agenda publication.

12/04/2012
12-2537

Page 1 of 2

Note that SE 9th Street would still be the primary name on the street and emergency responders, routine traffic and mail service will still continue to utilize SE 9th Street as the primary reference.

Upon City Commission approval, Broward County Traffic Engineering Division (BCTED) will install street name signs reflecting the revision to the secondary street name, at no expense to the City. SE 9 Street will be displayed as primary and Wayne Huizinga Boulevard as the secondary street name. Mr. James J. Blosser has committed to pay all cost associated with the street name change (Exhibit 2). Typically, it has taken BCTED approximately four to six weeks to have new street signs fabricated and installed after receiving the City's resolution.

Resource Impact

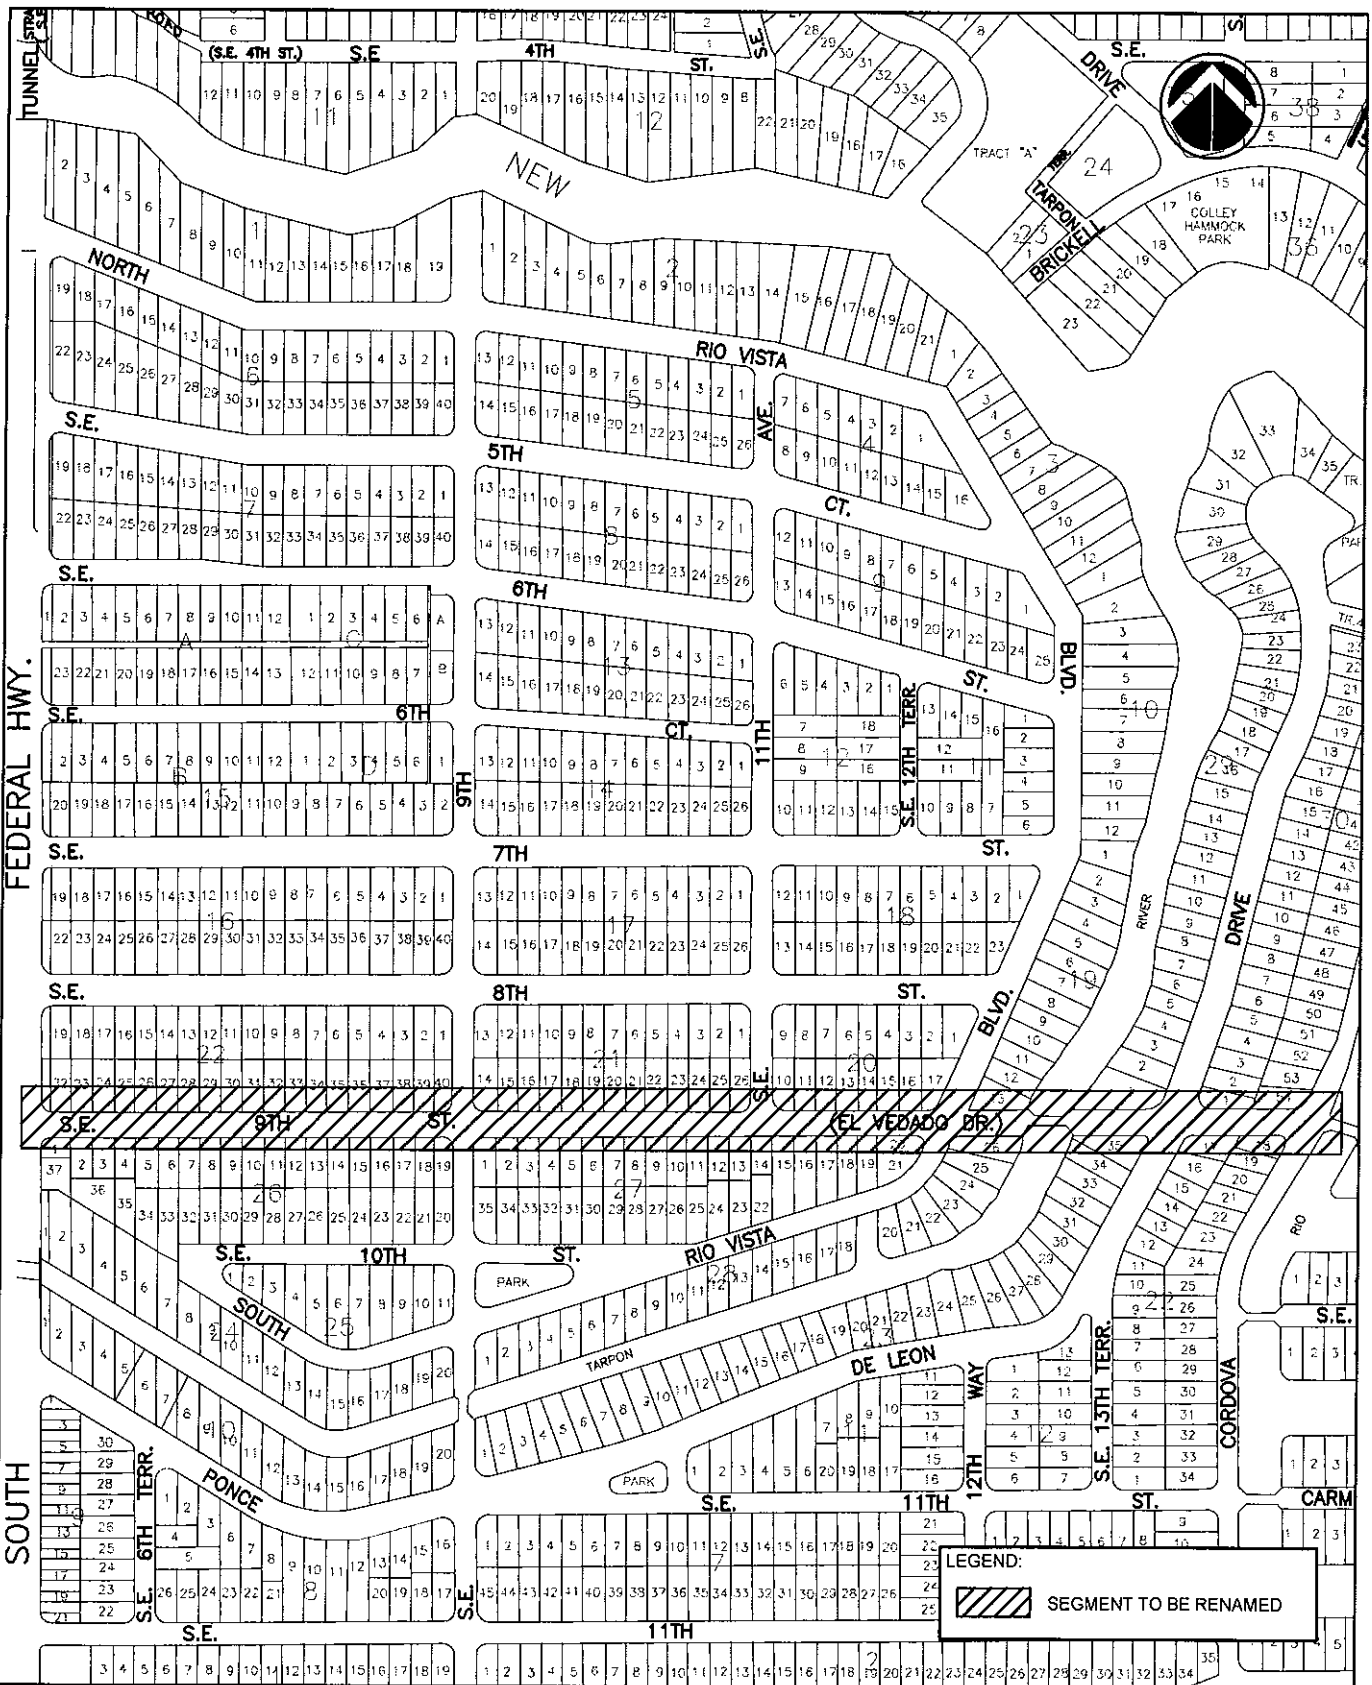

There is no current fiscal impact associated with this action.

VIA EMAIL

To whom it may concern:

It is an honor to propose to the Mayor and City Commission of Fort Lauderdale that a street be named to recognize Mr. Wayne Huizenga on the occasion of his 75th Birthday on December 29, 2012, for his outstanding and positive contributions to the image and enhancement of the City of Fort Lauderdale.

Attached herewith please find a long version and abbreviated version of the personal resume of Mr. Huizenga setting forth his extraordinary international business achievements, most of which were headquartered in the City of Fort Lauderdale, including several New York Stock Exchange companies and three professional Major League teams.

His business career is unprecedented, again as demonstrated by the recitations and resume including but not limited to Waste Management, Blockbuster Entertainment, Republic Services and AutoNation.

Also, we are all aware of his leadership in bringing the professional baseball team—the Florida Marlins—and professional hockey team—the Florida Panthers—to South Florida. Additionally his ownership of the Miami Dolphins for many years brought prestige to our City.

What is not in the resume is his extraordinary philanthropic activities and community involvement during the past twenty years. He, along with his wife Marti and his Family Foundation, have supported an unending list of civic and charitable causes, many of which have been anonymous. Including the more noteworthy is his history of support for the Performing Arts Center, the Homeless Assistance Center, the

Salvation Army, Nova University, Boys and Girls Club of South Florida,
and on and on and on.

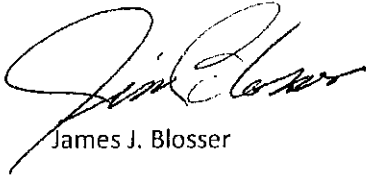

As he attains the milestone of his 75th Birthday on December 29, 2012, I respectfully suggest the Commission to give public recognition to this long history of growth and expansion of the business community under his leadership and the unparalleled philanthropic activities by renaming, as a secondary name, Southeast 9th Street from U.S. Highway 1 to Cordova Road in Rio Vista where he resides.

I would suggest the secondary name to become Wayne Huizenga Boulevard.

I hereby commit to pay all costs associated with this renaming and designation on the street signs.

Many thanks for your consideration, and I'm available to be of whatever assistance required. My mobile phone number is 954.309.0076.

H. Wayne Huizenga is Chairman of Huizenga Holdings, Inc., a private investment firm, which has ownership in several service businesses. He has numerous real estate interests throughout South Florida that include retail centers, marinas and undeveloped real estate. Wayne is the only person ever to be responsible for six NYSE-listed companies, including four Fortune 500 companies.

Wayne had the distinction of owning three major sports franchises in a single market. He brought Major League Baseball and the National Hockey League to South Florida and was the majority owner of the Miami Dolphins for 19 years where he remains a minority owner.

He is a member of Nova Southeastern University's Board of Trustees and has been inducted into the Florida and Broward County Sports Halls of Fame and the Greater Miami Sports Hall of Champions. He has been honored with the Horatio Alger Award, named the Ernst & Young World Entrepreneur of the Year and Broward Man of the Centennial.

Wayne's community involvement includes giving generously of time and money to Boys and Girls Clubs, Florida Council of 100 and Florida Council on Economic Education, among many others.

Wayne and his wife, Marti, have four children and eight grandchildren.

SUBJECT: Street Naming Policy

The City Commission requested information on the policy of street naming (or renaming). The official City map is the definitive record of street names, and the City Attorney has advised previously that a Commission resolution is required to amend it.

The policy that has been developed over a number of years for changes in street names is:

- (1) A formal letter requesting the change should be submitted to the City Manager. The numerical street name should be retained as a secondary name.
- The requesting organization should demonstrate there is agreement by the abutting property owners to the proposed change. A survey of abutting property owners is required, but requests from Civic/Homeowner Associations have been accepted on occasions.
- The City Manager may refer the request to the Citizen Board of Recognition, or other appropriate advisory board, for a recommendation.

The request is then scheduled for City Commission consideration. Following approval by resolution, the City map is amended, and appropriate agencies are notified.

The name changes on the street signs are implemented by Broward County's Traffic Engineering Division.
