

FUTURE LAND USE

South Regional Activity Center

General Location:

South of the Tarpon River, east of Flagler Drive, west of Federal Highway and north of State Road 84.

Density and Intensity of Uses:

Development shall be consistent with the intensity and density of uses that have been generally established in this area.

List of Permitted Uses:

Residential	936 dwelling units Maximum
Commercial	6,000,000 sq. ft. Maximum
Office	4,000,000 sq. ft. Maximum
Community Facilities, including schools and excluding electrical generating plants	1,000,000 3,221,560 sq. ft. Maximum
Recreation/Open Space	500,000 sq. ft Minimum

Comments:

1. As a means to provide the opportunity for positive redevelopment in the area south of the City's Downtown, the South Regional Activity Center (South-RAC) is established to permit the professional office and residential uses which exist in the area to continue. The South- RAC land use provides the basis to develop zoning districts that continue to support a mix of uses to create an urban village while maintaining existing professional office and single family uses in the area.
2. It is envisioned that an Andrews Avenue and Federal Highway Mixed Use district will be developed that encourages high quality commercial retail, mixed uses and standalone multifamily/residential development. In addition, a Railroad Mixed Use district will be developed to allow the existing uses on both sides on the Florida East Coast tracks to be maintained while having incentives to encourage mixed use development.
3. **The SRAC supports a dynamic, transit-oriented health care district with a mix of hospital, medical, office, community facility, residential, recreational and educational facility uses, located in close proximity to major public transportation facilities and corridors.**
