

Commitment of Cemetery Trust Funds

From: Yoly Colarusso
Sent: Monday, February 24, 2014 1:30 PM
To: Alicia Sheffield; Barbara Howell
Cc: Kymberly Holcolmbe; Alex Scheffer
Subject: RE: Additional assistance needed for budget amendment items

The Board approved as indicated in the minutes, and as in the past, this is a commitment from them to move forward. As soon as the minutes are prepared, they are forwarded with the necessary information to move forward with any project or reimbursement the Board has approved without waiting for a final version approved at the next meeting two months later.

Subject: FW: Additional assistance needed for budget amendment items
Importance: High

Good afternoon,
Can you please supply the information requested as shown below?

Cemetery repaving of roads – Since the draft of the meeting minutes are available and not the final or approved notes, I will need a commitment to the project from the board via an email or letter. Just anything that I can use as a commitment since the meeting minutes have not been finalized.
