

#### Memorandum

Memorandum No: 25-050

TO: Honorable Mayor and Members of the Fort Lauderdale City Commission

FROM: Rickelle Williams, City Manager PW

**DATE:** June 10, 2025

SUBJECT: Fiscal Year 2026 Preliminary Budget

From a legislative, administrative and operational perspective, the City's budget reflects the organization's foremost policy statement on an annual basis. Each year, City staff, championed by the Office of Management and Budget, engage in a thoughtful and lengthy process to develop a budget for consideration and approval by the City Commission.

I have personally met with each department over the past few months to discuss their challenges and opportunities for the upcoming year. I have also carefully reviewed each department's funding requests and weighed them against the City's other competing priorities. While the budgetary information is still preliminary, it conveys the Commission's priorities and provides detailed departmental budget requests and strategies recommended for achieving a structurally balanced budget for Fiscal Year (FY) 2026. The budget invests in the City's highest priorities and charts our course toward a financially sustainable future.

The City promotes and invites public engagement during various stages of the budget development process with input from the Budget Advisory Board. Departments have presented their budget requests to the Budget Advisory Board for additional guidance and input. The Budget Advisory Board will share its initial thoughts regarding the FY 2026 Preliminary Budget with the City Commission at a Joint Workshop scheduled for June 17, 2025.

At the June 30, 2025, City Commission Regular Meeting, the City Commission will set the maximum millage rate and non-ad valorem assessment amounts for FY 2026. This memo provides early information regarding the FY 2026 General Fund budget to allow for adequate time to review staff's recommendations prior to setting these rates. The adoption of the budget will occur at public hearings scheduled for September 3, 2025, and September 12, 2025.

#### Property Values - Ad Valorem Revenue

The Broward County Property Appraiser's June 1, 2025, estimate indicates that the City of Fort Lauderdale's taxable property value has increased by 8.15%, from \$58.5 billion to \$63.3 billion. Of the \$4.8 billion increase, \$1.1 billion is attributed to new construction. This growth in taxable value and new development is projected to generate a 7.3% increase, or \$17.1 million in additional revenue, above the FY 2025 budget. This increase in taxable

Five-Year History of the City of Fort Lauderdale's Taxable Value				
Calendar Tax Year	Net New Construction (In Billions)	Final Gross Taxable Value (In Billions)	Increase from Prior Year	
2025 - June	\$1.11	\$63.31	8.15%	
2024 - Final	\$0.52	\$58.54	7.74%	
2023 - Final	\$1.13	\$54.34	11.34%	
2022 - Final	\$1.68	\$48.80	12.95%	
2021 - Final	\$1.14	\$43.21	5.73%	

value will help to offset many of the City's rising expenses including, but not limited to, personnel costs such as pension contributions, contractual obligations related to bargaining groups, and increases in health insurance premiums. A recent history of the City of Fort Lauderdale's taxable values and net new construction is included in the adjacent chart. Due to the continued increase in taxable values and other one-time funding sources, the City can maintain its current low millage rate of 4.1193 for the nineteenth (19th) consecutive year and provide the same level of service as in the prior year, even with increases in General Fund operating expenditures.

#### Fire Assessment Fee & Fire Rescue Facilities

The City's Fire Assessment Fee provides a crucial funding mechanism, which is used to support personnel and equipment costs associated with the City's fire protection services. Consistent with the City's historic practice of conducting a fire assessment study every three (3) years and moving to full cost recovery, the fire assessment is scheduled to be adjusted from \$328 to \$403 per residential dwelling unit. This adjustment is projected to generate an additional \$10.4 million in revenue, which will help expand critical emergency services infrastructure, address growing service demands, and prepare the City for a safe and prosperous future.

This year, the City is making significant capital investments in public safety infrastructure, including a \$7.1 million appropriation through the Preliminary Community Investment Plan (CIP) as outlined in **Attachment 8** to complete construction of the new Downtown Emergency Medical Services (EMS) Substation #88 and the Heron Garage Substation. Each of these full-service stations are strategically located to improve response times in high-demand areas of the City's downtown corridors. The City is also contributing \$3.7 million in CIP funds to finish construction of the new Fire Station #13, which will mark the completion of the City's Fire Rescue Bond projects. The upgraded station will provide the City's first responders with a modern facility, equipped with the latest technology and resources, to better serve the community.

These long-delayed capital improvements, along with an updated fire assessment study that aligns required staffing levels with Effective Response Force (ERF) standards set by the National Fire Protection Association, underscore the need to increase the fire assessment fee for full cost recovery. This adjustment allows the City to phase-in the forementioned capital investments over a three (3)-year period while sustaining current Fire Rescue operations.

#### Key Revenue and Expenditure Changes

Highlights of revenue and expenditure changes from the FY 2025 Adopted Budget, including the recommended decision packages, are included in **Attachment 1** and are summarized below:

Re	Revenue Changes - \$36.4 Million		enditure Changes - \$21.4 Million
\$17.1M	Ad Valorem	\$17.4M	Public Safety
10.4M	Fire Assessment	3.9M	Culture and Recreation
5.9M	Franchise and Utility Taxes	3.0M	Other General Government
4.8M	PFAS Settlement Funds	0.4M	Human Services
1.5 <b>M</b>	General Administration Service	0.1M	Economic Environment
1.3M	Other Revenues	(0.2M)	Transportation and Mobility
(4.6M)	Appropriated Fund Balance	(3.2M)	Physical Environment

State revenues such as the Communications Service Tax and Half Cent Sales Tax have not been updated for FY 2026 estimates. These revenue estimates will be updated in the budget once the State releases its estimates.

#### **Commission Priorities**

In alignment with the City's commitment to openness and transparency, the Commission participated in a public goal-setting workshop on January 21, 2025, to develop FY 2026 Commission Priorities and articulate the organization's highest priorities for the upcoming year. As part of the budget process, our management team closely re-evaluated every program offered by the City to maintain or refocus efforts and resources to strategically move the most pressing priorities of the City Commission forward.

To ensure the City's long-term financial sustainability, I am recommending a budget that strategically prioritizes the initiatives that are aligned with the City Commission's key objectives. The full listing of recommended service level enhancements is outlined in **Attachment 2**.

Key enhancements include:

- Funding for public safety technology and equipment enhancements:
- Funding to enhance the City's services to address homelessness including conditionspecific residential treatment programs and a pilot safe parking program;
- Funding to enhance the City's cultural programming including public art sponsorships, permanent and temporary art installations, and advertising for cultural initiatives;
- Funding to establish a municipal services affordability program, aimed at assisting financially burdened families with paying for their water, sewer, and sanitation service; and
- Funding to advance technology initiatives, such as Microsoft Copilot, that will help City staff work more efficiently while improving services to our neighbors.

Attachment 3 highlights how specific funding allocations in the FY 2026 Preliminary Budget and Community Investment Plan support the Commission's FY 2026 strategic priorities. This budget reaffirms the City's commitment to supporting public safety through staffing enhancements and investments in technology and facilities. Details on these initiatives can be found in the Overview of Public Safety Initiatives in Attachment 4. Additionally, the City's continued commitment to addressing homelessness and protecting the environment are outlined in Attachment 5 and Attachment 6, respectively. This budget also includes a \$2.0 million placeholder for nonprofit organizations to support key community services that align with the City's Strategic Plan, annual Commission Priorities, and operational needs. Lastly, Attachment 7 provides a summary of the City Special Events funded in the Preliminary Budget.

Overall, the preliminary budget makes foundational investments that will improve the quality of life for our neighbors today and also prepare the City for tomorrow's challenges. These enhancements respond to the needs of a growing community as the City of Fort Lauderdale progresses into the future.

#### **Budget Balancing Strategies**

During the budget development process, each department was challenged to identify strategic reductions and revenue enhancements that will ensure that we are efficiently utilizing and leveraging the resources entrusted to us by our neighbors. The results of that review are woven into various elements of this budget. Departments were able to:

- Explore current operations to identify where service levels can be maintained while reducing the budgeted funding:
- Evaluate investments that could be made this year to yield savings in future years;
   and
- Reassess Community Investment Plan initiatives to ensure timing of funding is closely aligned with project implementation schedules.

As a parallel process, departments also began to explore revenue enhancements that will be reviewed over the coming fiscal year and will be implemented in time for the next budget development cycle.

In addition to these ongoing efforts, the City anticipates receiving non-recurring funding associated with the City's Per- and Polyfluoroalkyl Substances (PFAS) Settlement and Community Development Block Grant Disaster Recovery (CDBG-DR) program. These two (2) funding sources represent a monumental opportunity to advance City priorities. Over the summer, City staff will develop a comprehensive plan to strategically leverage these funding sources to maximize the impact to our neighbors.

 PFAS Settlement - The City has four (4) pending settlements related to damages caused by the unlawful, deceptive, and fraudulent practices of PFAS manufacturers.
 These settlements are projected to result in approximately \$24.5 million by 2033. A proposal for the use of the initial \$14.3 million payment, which is expected in the

- current fiscal year, will be presented via a budget amendment. The \$4.8 million payment expected in FY 2026 is incorporated in this preliminary budget.
- Community Development Block Grant Disaster Recovery (CDBG-DR) Funds These
  grant funds, anticipated at \$88.1 million, are intended to help the City recover from the
  flooding that occurred in April 2023, which destroyed property and highlighted the need
  for mitigation efforts to prevent or lessen the severity of future events. Staff is working
  to fulfill the grant's risk assessment and action plan requirements and will present the
  City Commission with a full implementation plan.

## Planning for the Future – NEW Emergency Management Reserve

For the first time ever, due to the volatility and recent uptick of natural disasters across the nation, coupled with an uncertain economic outlook from State and Federal agencies, I am recommending the establishment of an emergency management reserve. While fund balance from the General Fund has historically served as a funding source for unforeseen challenges, the creation of this new reserve will transparently and boldly demonstrate that we are prepared for catastrophic emergencies.

This resilient strategy will dedicate \$4.8 million from the PFAS settlement that the City will receive during Fiscal Year 2026 - meaning there is no additional financial burden on the neighbors of Fort Lauderdale. Leveraging this financial advantage is another tool in the toolbox as we combat an uncertain future. It also aligns with governmental best practices, promoting long-term financial stability and providing assurances that Fort Lauderdale is being deliberate about resource allocation. As the budget development process advances, the City will be sharing more about this initiative as we move the City toward a more resilient future together.

#### Infrastructure and Community Investment Plan

The City's infrastructure assets need to be carefully managed and maintained to ensure Fort Lauderdale remains the City you never want to leave. In the FY 2026 – 2030 Preliminary Community Investment Plan, staff has strategically outlined a roadmap that includes all the critical initiatives the City plans to undertake over the next five (5) years. This is designed in a strategic, careful, and impactful manner to maximize economic development and maintain and improve quality of life.

The Preliminary FY 2026 – 2030 Community Investment Plan (Attachment 8) includes \$21.3 million from the General Fund, \$700,000 from Community Development Block Grant funds, \$2.1 million from Transportation Surtax funds, and the reallocation of \$9.9 million from existing projects to address the most pressing infrastructure needs of our community. Key highlights of the Community Investment Plan are listed below:

- \$10.8 million to complete the construction of Fire Station #13, Emergency Medical Substation #88, and the Heron Garage Substation
- \$8.6 million for the repair, enhancement and replacement of roadways and sidewalks, including Breakers Avenue and Birch Road
- \$5.7 million for the replacement of the NE 1st Street Bridge
- \$1.9 million for the repair and maintenance of existing City facilities

- \$1.5 million for seawall restoration and replacement
- \$500,000 for streetlight improvements
- \$100,000 for solar panel installation on City facilities

## Replacement Plans

The City has committed to systematically updating existing and developing new replacement plans as a part of the annual budget development process. This approach strengthens the City's long-term financial planning and minimizes fluctuations in annual expenditures. Furthermore, replacement schedules ensure that City staff are properly equipped to serve the community and maintain accountability for assets. The preliminary FY 2026 City investment in replacing key equipment and assets, as a part of these plans, is recommended at \$17.4 million for General Fund departments. These replacement plans have been provided as part of the preliminary budget information (Attachments 9-16).

We are proud of this year's inclusive and comprehensive budget process. I would like to thank the Budget Advisory Board for its valuable assistance in reviewing departmental needs and providing the taxpayer's perspective. I would also like to acknowledge the efforts of the Office of Management and Budget for its continued leadership throughout the budget development process.

Following the City Commission/Budget Advisory Board Joint Workshop scheduled for June 17, 2025, the FY 2026 Proposed Budget and FY 2026 - FY 2030 Community Investment Plan are scheduled to be presented at the City Commission Regular Meeting on June 30, 2025. Additional details on recommended reorganizational strategies will be included as a part of the FY 2026 Proposed Budget.

The FY 2026 Preliminary Budget, including detailed department request packages, has been posted on the City's website at the following link: <a href="https://www.fortlauderdale.gov/preliminarybudget">www.fortlauderdale.gov/preliminarybudget</a>. I encourage you to review the full scope of comprehensive departmental budget requests, and contact me directly with any questions, comments, or concerns.

As a part of a commitment to an open and transparent government, the City Commission participated in its annual prioritization workshop in January 2025 to identify its priorities for the upcoming year. Through a facilitated session, which included neighbor feedback from the Neighbor Survey and an analysis of challenges and opportunities, the FY 2026 Commission Priorities were developed.

The budget makes significant investments into each of the City Commission's identified priorities to improve the quality of life for neighbors today, and prepare the City for tomorrow's challenges. The City strategically identified how to best align resources toward these priorities, while maintaining the current millage rate. The table below demonstrates how funding in the FY 2026 Preliminary Budget will advance the City Commission's priorities.

PRIORITY	<b>FUNDED ITEMS</b> (★ Newly funded initiatives)
Public Safety	★The Community Investment Plan (CIP) includes \$7.1 million for two (2) new full-service emergency medical service (EMS) substations — the Heron Garage Substation will serve the Las Olas corridor, and the Downtown Substation #88 will serve the South Federal Highway corridor.
	★The CIP includes \$3.7 million to enhance the existing \$12.8 million in unspent project balance for Fire Station 13. This station is the final project for the Fire Rescue Construction Bond.
	★The Police Department budget includes approximately \$427,000 for the operation and maintenance of the new state-of-the art 191,000-square-foot police headquarters.
	★The Police Department budget includes an additional \$1.9 million for overtime expenses related to special event security – the majority of which represents the City's comprehensive approach to the management of Spring Break.
	★ An additional Forensic Specialist is funded in the Police Department in the amount of approximately \$162,000 to enhance DNA review and processing capabilities.
	The Police Department budget continues to fund the staffing of the Real Time Crime Center in the amount of approximately \$461,000.
	★The Police Department budget includes \$128,000 to expand training opportunities that enhance crisis intervention tactics and promote community engagement.
	A police focused public safety survey is funded in the amount of approximately \$48,000 to better understand the perception and satisfaction with the City's police and public safety efforts.
	The Police Department budget includes approximately \$484,000 for the continuation of the ShotSpotter Program.

PRIORITY	<b>FUNDED ITEMS</b> (★ Newly funded initiatives)
Public Safety, continued	★The Police Department budget includes \$220,000 for equipment such as tower surveillance camera trailers and message boards with integrated License Plate Readers to enhance neighborhood security.
	★The Police Department budget includes approximately \$1.6 million for closed-circuit television (CCTV) cameras and vehicle stop barriers to improve public safety and crime prevention for special events.
	The Police Department budget includes approximately \$952,000 for the replacement of police equipment such as ballistic vests, high-resolution cameras, boat engines, and license plate readers.
	★The Fire Rescue Department budget includes \$87,000 for handheld sonar devices and fire investigation cameras, among other technical rescue equipment, to enhance operational efficiency and emergency response capabilities.
	★The Fire Rescue Department budget includes \$39,000 for the purchase of wetsuits and powered air-purifying respirators to improve operational safety and effectiveness.
	The Fire Rescue Department budget includes approximately \$1.3 million for the replacement of equipment and gear such as power-load systems and bunker gear.
	The Fleet Services budget includes \$9.4 million for the replacement of 136 public safety vehicles, per the vehicle replacement schedule, including two (2) Fire Rescue ambulances.
	The CIP includes approximately \$210,000 for the replacement of two (2) lifeguard towers which will feature artistic murals.
Homelessness Response	The Neighbor Support Division budget includes \$330,000 for a Shelter Bed Access Program, which provides temporary shelter for neighbors experiencing homelessness for a period of up to 60 days.
	★ Funding in the amount of \$250,000 is included for the continuation of a mental health and substance abuse treatment program with two (2) condition specific housing service providers.
	The Neighbor Support Division budget includes approximately \$315,000 to continue the Housing Navigation Program in partnership with the Taskforce Fore Ending Homelessness.
	★ Funding in the amount of \$200,000 is included to pilot a new Safe Parking Program which will provide individuals living in their vehicles with a safe place to park and sleep overnight as well as resources, case management, and pathways to stable housing.
	Funding in the amount of approximately \$276,000 is included in the Neighbor Support Division for two (2) positions to support homeless-related initiatives.

PRIORITY	<b>FUNDED ITEMS</b> (★ Newly funded initiatives)
Homelessness Response, continued	★The Neighbor Support Division budget includes \$116,000 for the new long-term lease of the Community Court Program site, which accommodates approximately 100 participants weekly.
	The Neighbor Support Division budget includes approximately \$214,000 for the continuation of the Community Court Program, which includes one (1) position, to help individuals receive services tailored to their needs and link participants to restitution projects and onsite social services and treatment providers.
	The Police Department continues its efforts toward homeless support in the amount of approximately \$1.2 million through the General Fund for the Homeless Outreach Unit and Reunification Travel Voucher Program.
	The Fire Rescue Department Budget includes approximately \$324,000 to continue the Mobile Integrated Health Program – Homeless Action Team which connects high utilizers (911 callers with three or more logged calls annually) to public and private resources.
	Entitlement grant funding will continue to support homelessness initiatives and is managed by the Housing and Community Development Division:
	<ul> <li>Community Development Block Grant (CDBG) funding will provide approximately \$227,000 to support local organizations' homelessness assistance and prevention programs.</li> </ul>
	<ul> <li>The City anticipates continuing to receive approximately \$1.5 million in State Housing Initiative Partnership funding to be used in part to assist those experiencing homelessness and to prevent homelessness.</li> </ul>
Infrastructure and	Transportation Initiatives
Resilience	The CIP includes \$4.7 million for the repair and maintenance of asphalt, roadways, and sidewalks, in addition to \$1.0 million, in designated surtax funding, to expand sidewalk access within the City.
	★The Public Works Department budget includes enhanced funding in the amount of \$400,000 to complete asphalt repairs following utility rehabilitation work.
	The CIP includes \$21.6 million in unspent project balances for the repair and replacement of bridges. An additional \$2.1 million is included in FY 2026 for bridge restoration activities.
	The CIP includes \$5.4 million of unspent project balance to continue the implementation of the Las Olas Mobility Plan.
	The Transportation and Mobility Department budget includes \$2.1 million in ongoing funding for the City's Microtransit Program, funded in part through the Transportation Surtax Program.

PRIORITY	<b>FUNDED ITEMS</b> (★ Newly funded initiatives)
Infrastructure and Resilience,	The CIP includes approximately \$64,600 in unspent project balance for traffic flow improvements as well as \$77,000 for the Riverside Park Traffic Calming Project.
continued	★The Transportation and Mobility Department budget includes an enhancement of \$200,000 for additional traffic calming improvements, expanding the City's existing \$325,00 Traffic Calming Program.
	Stormwater Initiatives
	The Fortify Lauderdale Program continues toward completion of the first tranche of Stormwater improvements in the original eight (8) neighborhoods. There is a planned issuance of a Stormwater Bond to begin Phase 2 planned for FY 2026.
	The CIP appropriates an additional \$3.8 million for a condition assessment of the City's Watershed Asset Management Plan (WAMP) to enhance the \$7.5 million of available funding. Additionally, the Public Works Department Stormwater Operations budget includes \$1.3 million to support asset inventory improvements and implementation of the WAMP.
	The Public Works Department budget includes approximately \$143,000 for a Resilience Outreach Coordinator.
	The CIP includes \$1.5 million in funding for the restoration and replacement of City-owned seawalls.
	★As a part of the implementation of the Net Zero Plan, the CIP includes \$100,000 for the installation of solar panels. This program will create renewable energy systems that empower the City to lower utility costs and reduce greenhouse gas emissions.
	Water and Sewer Initiatives
	The CIP Water and Sewer – General Capital Projects include \$29.5 million in new cash funded capital projects in addition to approximately \$85.3 million in unspent project balances. The Central Region Wastewater budget includes \$23.6 million in new cash funded capital projects prioritized based upon a renewal and replacement study in addition to approximately \$69.4 million in unspent project balances.
	The CIP includes \$228.1 million in unspent project balance for the new Prospect Lake Water Treatment Plant which includes enabling works.
	★The Public Works Department budget includes funding in the amount of \$2.9 million as a part of the City's financial obligation for the new Prospect Lake Clean Water Center. This funding will support 18 additional positions required to run the new facility as well as operations and maintenance related expenses.

PRIORITY	<b>FUNDED ITEMS</b> (★ Newly funded initiatives)
Infrastructure and Resilience, continued	The CIP includes \$43.3 million in unspent project balance for implementation of Advanced Metering Infrastructure (AMI) as well as \$1.6 million in unspent project balance for a new utility billing software system
Public Enjoyment of Waterways	The City Manager's Office budget includes approximately \$133,000 for the continuation of the Chief Waterways Officer position.
	The Police Department budget includes \$2.1 million for personnel and operational expenses of the Marine Unit, which is staffed by eight (8) dedicated officers responsible for patrolling local waterways and enforcing marine laws and regulations.
	The Public Works Department budget includes \$3.5 million for the maintenance of the City's stormwater system, which includes street sweeping, catch basin maintenance, and illegal dumping cleanup to ensure the integrity of the City's waterways as a stormwater asset.
	The Public Works Department budget includes approximately \$212,000 for water quality monitoring in compliance with the National Pollutant Discharge Elimination System (NPDES), environmental clean-up efforts, and the purchase of pollution mitigation equipment to help protect local waterways.
	★The Public Works Department budget includes \$122,000 to expand waterway sampling to five (5) additional testing sites and incorporate molecular source tracking to identify the potential urban sources of certain bacteria.
	The Public Works Department budget includes approximately \$864,000 for ongoing canal cleaning.
	The Public Works Department Water and Sewer Fund budget includes approximately \$150,000 for the Waterway Quality Monitoring Program.
	The Parks and Recreation Department budget includes \$2.2 million for a new Marine Facilities Fund, which ensures neighbors have access to clean, well-maintained public boat ramps, local waterways, and marinas.
	A \$50,000 Broward Boating Improvement Program Derelict Vessel Removal Grant will continue to support the City's efforts to remove and dispose of vessels that present an environmental or navigational hazard.
	A \$1.1 million grant from the Florida Department of Environmental Protection Land Water and Conservation Fund will renovate the Cooley's Landing Marina including sea wall improvements, security lighting, and trash receptacles.
Public Spaces and Cultural Initiatives	The City continues progress toward the \$200 million voter-approved Parks Bond, which includes 81 open CIP projects.
	The CIP includes approximately \$2.6 million in unspent project balances for the Galt Ocean Mile beautification project.

PRIORITY	<b>FUNDED ITEMS</b> (★ Newly funded initiatives)
Public Spaces and Cultural Initiatives,	★The Development Services Department budget includes \$100,000 to develop a streetscape beautification plan for the Sailboat Bend Historic District.
continued	★The Parks and Recreation Department budget includes \$112,000 to enhance median beautification and resilience efforts through smart irrigation controllers.
	The Parks and Recreation Department budget includes \$4.0 million for median maintenance and landscaping beautification efforts.
	★The Parks and Recreation Department budget includes funding in the amount of approximately \$300,000 for a comprehensive facility asset management and work order platform, which will improve operational efficiency and proactive maintenance.
	★The Parks and Recreation Department budget includes approximately \$184,000 for the installation and maintenance of signage and dog waste stations in all City parks.
	★ Funding in the amount of approximately \$462,600 is included in the Parks and Recreation Department Budget to establish an equipment replacement plan for a wide range of assets including playgrounds, irrigation systems, pool systems and lighting components.
	The CIP includes \$1.0 million to enhance the \$8.8 million in unspent project balance for the initial costs associated with the replacement of City Hall.
	★Funding in the amount of approximately \$411,500 is included in the Development Services Department budget to enhance the City's Cultural Affairs Program aimed at supporting economic development, promoting neighborhood beautification, and strengthening community engagement through the following initiatives:
	<ul> <li>\$185,000 for permanent and temporary art installations, permitting, and advertising</li> <li>\$125,000 to sponsor programming, art activations, and art events</li> <li>\$101,500 for a staff member to assist with the logistical tasks associated with the implementation of cultural programming, public art initiatives, and arts-related policy development</li> </ul>
	★The Development Services Department budget includes \$49,000 for a historic Sistrunk neighborhood welcome mural or sign.
Bolster Thriving Communities	Entitlement grant funding, in the amount of approximately \$907,000, will be used to provide access to internet in low-income neighborhoods.
	★ Funding in the amount of \$13,300 is allocated to continue scholarships for 12 City of Fort Lauderdale students.
	★Funding in the amount of \$216,000 is allocated to build-out the space donated for an Airport Workforce Training Program. The program will equip students with the skills to support the aviation industry within the City.

PRIORITY	<b>FUNDED ITEMS</b> (★ Newly funded initiatives)
Bolster Thriving Communities, continued	★A Chief Economic Development Officer is funded in the amount of approximately \$198,000 to create and implement a comprehensive plan for attracting, retaining, and expanding businesses in Fort Lauderdale.
	★Funding in the amount of \$40,000 is allocated to conduct an economic revitalization study which will identify challenges and develop targeted strategies to stimulate economic growth in specific neighborhoods.
	★The Development Services Department budget includes \$50,000 for the development of a conceptual vision plan focused on pedestrian and streetscape improvements in the Himmarshee Historic District.
	<ul> <li>Entitlement grant funding, managed by the Housing and Community Development Division, will continue to support the following initiatives:         <ul> <li>HOME Investment Partnerships funding will provide approximately \$400,000 to be used in part to support affordable housing initiatives.</li> <li>Housing Opportunities for Persons with AIDS (HOPWA) funding will provide \$7.6 million to assist with facility-based housing, various rent programs, mortgage assistance, and utilities.</li> </ul> </li> </ul>
	★Funding in the amount of \$640,000 is allocated for a loan to Pinnacle at Cypress Creek Phase 2, LLC. This funding will finance the construction of 96 workforce rental units.
	The Development Services Department budget includes approximately \$224,000 for planning and administration of the Historic Preservation Program funded by the General Fund.
	The Development Services Department budget includes \$85,000 for the Fort Lauderdale Historical Society, Inc. to continue services that contribute to the City's historical life and serve as a resource within the Riverwalk Arts and Entertainment District. Additionally, \$100,000 is available for improvements to a building being used by the Fort Lauderdale Historical Society, Inc.
	Funding in the amount of \$300,000 is allocated for the Summer Youth Employment Program, operated by CareerSource Broward, to provide a summer work experience program to Fort Lauderdale residents, ages sixteen (16) through eighteen (18).
	★The Other General Government budget includes \$150,000 for a Municipal Services Affordability (MSA) Program to assist financially burdened households with paying for their water, sewer, and sanitation services. This program aims to maintain uninterrupted access to essential services for low-income households, enhancing housing stability, safety, and overall quality of life.

<sup>\*</sup>Some of these projects have elements that are components of other programs and initiatives; as such, the funding identified above may extend to multiple Commission Priorities.

# **Overview of Public Safety Initiatives**

With the City of Fort Lauderdale's rapid growth and robust economic development, it is essential that everyone who lives, works, and plays in the City feels safe and protected. The City remains steadfast in its commitment to strengthening public safety through smart investments in personnel, facilities, and equipment. The initiatives outlined below are designed to make the City's public safety services more responsive, comprehensive, and effective.

## Public Safety Infrastructure

To keep pace with Fort Lauderdale's urban expansion, the City is constructing new public safety facilities – in both the downtown corridor and throughout the City – to build for a sustainable future ahead:

- New Police Headquarters: Set to open in FY 2026, the state-of-the art 191,000-square-foot facility will feature training rooms, public meeting areas, and community spaces where neighbors and officers can work together on crime prevention and safety initiatives. To prepare for the opening, the budget includes an additional \$427 thousand in operational funding to proactively maintain the new facility and prevent costly repairs.
- New Emergency Medical Services (EMS) Substations: To enhance emergency fire and
  medical service response times, the City has invested in additional full-service substations,
  which include the following: the Downtown Substation #88 and the Heron Garage Substation.
  The City is contributing \$7.1 million in this year's Community Investment Plan (CIP) to
  complete the construction of these two facilities.
- Fire Station Replacements: Nearly \$55 million in funding has been appropriated to support
  Fire Rescue Bond Projects. Among these projects, Fire Station 13 represents the final project,
  with \$12.8 million in funding appropriations to date. The final appropriation of \$3.7 million is
  scheduled for FY 2026 to finish constructing the project.

## **Public Safety Personnel**

- Staffing Enhancements: Over the last three (3) years, the City has increased its personnel complement by 91 additional sworn personnel including police officers, firefighters, fire lieutenants, and one (1) police sergeant position.
- Technology Support for First Responders: The FY 2026 budget includes \$1.1 million for seven (7) new information technology (IT) positions to support Police and Fire Rescue operations. As technology serves an increasingly vital role in

law enforcement, emergency response, and public safety, the addition of IT positions has become essential to delivering reliable and dedicated support for these critical functions.

- **Expanded Training Opportunities:** This FY 2026 budget includes additional training funding essential for enhancing professionalism and building community trust including:
  - \$299 thousand for the Fire Rescue Department to establish a two (2) year program to enhance training related to incident command, emergency medical response, and leadership.
  - \$128 thousand for the Police Department to provide training focusing on crisis intervention tactics and promoting community engagement.
- Forensic Specialist: \$162 thousand in enhanced funding is included in the FY 2026 budget for a new forensic specialist position to allow the Department to process and validate DNA samples internally, resulting in faster case resolutions and improved clearance rates.
- Administrative Support: \$250 thousand in enhanced funding is included in the Fire Rescue budget for two (2) senior administrative assistant positions to manage the Telestaff workforce management system and provide critical support for the City's Emergency Operations Center (EOC).

**SINCE 2023** 

# **Overview of Public Safety Initiatives**

- **Grant Initiatives**: Over the last two years, both public safety departments have pursued and received significant multi-year grants to enhance services for our neighbors. The programming funded by these grants will continue into FY 2026.
  - o In FY 2024, the Fort Lauderdale Police Department received approximately \$1.0 million in grants from the U.S. Department of Justice to hire additional public safety personnel. This includes \$750 thousand in Community Oriented Policing (COPS) funding to hire six (6) new full-time police officers and \$257 thousand for one (1) civilian clinician to start a Co-Responder Pilot program for crisis response involving mental health or substance abuse.
  - o In October 2024, the City was awarded a Staffing for Adequate Fire and Emergency Response (SAFER) grant from the Department of Homeland Security in the amount of \$11.4 million to fund 28 additional firefighter positions to enhance the number of rescue units that are staffed by a three-person team. To support the initiative, the City has committed to providing \$3.5 million in financial support over a three-year grant period.

## Investments in Public Safety Equipment

The FY 2026 budget includes the following appropriations to ensure that the City's sworn personnel have the tools needed to safely and smartly respond to calls for service:

- **Technology Improvements:** This year's budget invests heavily in technological solutions to act as a force multiplier to assist public safety personnel and keep them safe on the job.
  - Closed-Circuit Television Cameras (CCTV): \$1.2 million is included for the installation of CCTV cameras to improve public safety and support crime prevention efforts in high-traffic areas such as Himmarshee. Las Olas, and Sistrunk Boulevards.
  - License Plate Readers (LPR): \$189,000 is included for the final year of the LPR expansion and replacement program, allowing officers to focus more on proactive policing and building stronger community relationships.
  - Neighborhood Security Equipment: \$220,000 in enhanced funding is included to purchase three (3) message boards, with LPR integration, and two (2) tower surveillance trailers for large events, protests, and disaster response. The message boards will help manage pedestrian and vehicular congestion, share public service announcements, and provide integrated LPR technology to identify tags and alert officers of stolen or wanted vehicles.
  - Criminal Justice Information Services (CJIS) Security Policy: \$357,660 in enhanced funding is included to ensure that the City meets critical regulatory requirements, such as the CJIS security policy requirements.
- **Critical Equipment and Gear:** The FY 2026 budget funds the replacement and enhancement of critical public safety equipment. This includes the following:
  - Vehicle Replacement: \$9.4 million to replace 136 public safety vehicles including two (2) front-line ambulances.
  - Equipment Upgrades: \$1.5 million is invested to replace critical public safety equipment including power-load systems, high-resolution cameras, technical rescue equipment, and boat engines.
  - Barricades and Removable Bollards: \$408 thousand is included for the purchase of traffic barricades and padlock removable bollards to assist with crowd control during special events and reduce the risk of vehicle related accidents.
  - Protective Gear: \$270 thousand is included for the replacement of over 140 vests as scheduled in the ballistic vest replacement plan, \$385 thousand is included for replacing 75 bunker gear sets, and \$39,000 for specialized Fire Rescue gear including wetsuits and powered air-purifying respirators.
  - Animal Replacements: \$50 thousand is included to replace two (2) police canines and one
     (1) mounted patrol horse.

# **Overview of Funding to Address Homelessness**

In FY 2026, the City of Fort Lauderdale is advancing a range of initiatives to reduce homelessness, which is supported by the General Fund as well as by grant funding. These efforts – totaling \$12,978,258 – reflect a comprehensive, multi-departmental approach that includes outreach, housing navigation, shelter access, health and emergency services, and legal and social support programs.

The City Commission remains committed to its goal of ensuring all neighbors have access to safe shelter as well as the resources needed to improve their health, secure steady employment, and

achieve long-term stability. These efforts also support the City's compliance with state law prohibiting public camping on public property. To achieve this, the City is investing in solutions that center around the individual in need and yield positive outcomes. Furthermore, the City is strengthening strategic partnerships with Broward County and local nonprofit organizations while also continuously improving its service delivery to be more effective and compassionate.

Together, these initiatives – as outlined below – reflect the City's ongoing dedication to addressing homelessness with fairness, respect, and dignity for every neighbor.

Total Funding to
Address
Homelessness

\$13.0M

PRELIMINARY
FY 2026 FUNDING

## General Fund Supported

FY 202	26 Amount	Description
		City Manager's Office – Neighbor Support Division
\$	330,000	Funding for the Emergency Shelter Bed Access Program which provides 20 designated beds at The Caring Place temporary shelter for neighbors experiencing homelessness for a period of up to 60 days. These beds are specifically reserved for individuals referred by the Fort Lauderdale Homeless Outreach Team, providing seamless access to shelter and comprehensive, hands-on support.
	315,260	Housing Navigation Program in partnership with the Taskforce Fore Ending Homelessness provides outreach, education, advocacy, and housing navigation. The Housing Navigation Team offers placement services such as shelter, treatment, and housing referrals.
	329,992	Community Court Program, which includes one (1) position, helps individuals receive services tailored to their needs, and connects participants to community service projects, onsite social services, and treatment providers.
	276,761	Funding for two (2) Homeless Intervention Administrators who oversee the City's homelessness response efforts, including managing the Housing Navigation Program and supporting the Community Court Program.
	250,000	The City Manager's Office budget includes funding for the continuation of mental health and substance abuse treatment programs in coordination with two providers of condition specific housing services for unsheltered individuals. Funding will provide a capacity of approximately 20 individuals in each program at any given time.
	200,000	The City Manager's Office budget includes funding to pilot a new Safe Parking Program, providing individuals living in their vehicles with a safe place to park and sleep overnight. The intent of the pilot program is to offer safety, resources, case management, and pathways to stable housing.

# **Overview of Funding to Address Homelessness**

FY 2026 Amount	Description						
	Fire Rescue Department						
324,176	The Mobile Integrated Health Program – Homeless Action Team connects frequent users of emergency medical response, defined as individuals with three or more calls annually, to a network of public and private support resources. This team works proactively to reduce call volume and better the health of our community.						
	Police Department						
1,204,661	The Homeless Outreach Unit is a dedicated group of six (6) police officers who directly engage with people experiencing homelessness within Fort Lauderdale. The team logs every interaction to ensure follow-up with service providers and continuity of care. They also manage the reunification funds used to buy bus tickets, airfare, and food vouchers to allow individuals experiencing homelessness to return to their families, friends, or jobs outside of Fort Lauderdale.						
\$ 3,260,850	Total General Fund Financial Support						

## **Grant Funded**

In addition to the support provided by the General Fund, the City also capitalizes on state and federal resources to address homelessness. The programs outlined below represent recurring funding sources for these targeted initiatives.

FY 20	26 Amount	Housing and Community Development Division
\$	7,600,000	Housing Opportunities for Persons with AIDS (HOPWA) funding will assist with facility-based housing, various rent programs, mortgage assistance, and utilities.
	1,500,000	The City anticipates continuing to receive approximately \$1.5 million in State Housing Initiative Partnership (SHIP) funding to be used in part to assist those experiencing homelessness and to prevent homelessness.
	400,000	HOME Investment Partnerships funding will be used in part to support affordable housing initiatives.
	227,000	Community Development Block Grant (CDBG) funding will provide support local organizations' homelessness assistance and prevention programs.
\$	9,727,000	Total Grant Funded Support
\$	12,957,850	Total FY 2026 Funding to Address Homelessness

## **Funding to Support Sustainability and Climate Resiliency**

The City of Fort Lauderdale is taking bold steps forward with a commitment to achieve net zero greenhouse gas emissions (GHG) for governmental operations by 2040 and the entire community by 2050. While climate resilience has long been a City priority, this is Fort Lauderdale's time to lead the community forward to a more sustainable future. With the FY 2026 budget, the City is advancing a range of strategic initiatives – totaling \$343,216,594 – focused on reducing emissions, enhancing resilience, and protecting the environment and waterways. These initiatives reflect the City of Fort Lauderdale's commitment to build a sustainable future for all.

## **Environmental Initiatives and Resiliency Solutions**

The City is committed to advancing sustainability and resiliency initiatives through targeted investments and strategic staffing. The following budgeted items highlight key programs focused on achieving Net Zero goals, promoting environmental stewardship, and strengthening the City's resiliency.

FY 2026 Amount	Citywide Programs and Initiatives
\$ 330,000,000	Stormwater bond funding to advance Fortify Lauderdale, a Citywide initiative focused on improving resilience to the impacts of chronic flooding within the City's most vulnerable neighborhoods and communities.
1,607,515	Funding to support the Sustainability Operations Team, which is focused on the implementation of the City's Net Zero Program and other environmental initiatives. In addition, this includes funding for a Chief Resilience Officer to lead Citywide resilience efforts and ensure resilience is integrated into City strategies and departmental program planning.
291,369	Funding for the Green Your Routine Program, which promotes waste reduction, recycling, and sustainability practices through community engagement, volunteerism, and education. In addition, this includes funding for a Resilience Outreach Coordinator who engages with businesses and neighborhoods to invest in resiliency efforts, address environmental challenges, and develop educational programs.
250,000	Capital funding in the Parking Fund and Fleet Fund to install additional electric vehicle (EV) charging stations at City parking lots and City facilities, supporting the transition to cleaner, energy-efficient vehicles.
174,846	Funding for the City's Urban Forestry Program aims to expand tree coverage Citywide and achieve 33% canopy coverage by 2040.
139,865	Funding for the Parks and Recreation Department to do the following: install water saving irrigation systems along Powerline Road, upgrade 25 medians with pressure regulation valves to reduce water consumption, replace the irrigation pumps at Holiday Park and Carter Park with energy efficient stations, and install smart irrigation controllers at baseball fields.
119,332	Funding for a Sustainability Analyst in the Public Works Department who works to enhance the efficiency of City facilities by analyzing energy use, water consumption, and greenhouse gas emissions.
100,000	Funding to pilot a solar panel program for the installation of solar panels at two City facilities, advancing the City's transition to clean energy.
\$ 332,682,927	Total for Environmental Initiatives and Climate Solutions

## **Funding to Support Sustainability and Climate Resiliency**

## **Protecting and Cleaning City Waterways**

The City is committed to protecting and maintaining its waterways through coordinated efforts across multiple departments, including stormwater system upkeep, canal cleaning, and water quality monitoring in compliance with environmental standards. The FY 2026 initiatives highlighted below emphasize the efforts towards providing clean, accessible waterways for all residents.

FY 2026 Amount	Citywide Program and Initiative
\$ 3,546,177	The Public Works Department budget includes funding for the maintenance of the City's stormwater system, which includes street sweeping, catch basin maintenance, and illegal dumping cleanup.
2,209,737	The Parks and Recreation Department's budget includes funding for the Marine Facilities Fund, which ensures neighbors have access to clean, well-maintained public boat ramps, marinas, and local waterways.
2,146,001	The Police Department's budget includes funding for the Marine Unit, which includes dedicated officers responsible for patrolling local waterways and enforcing marine laws and regulations.
1,100,000	Grant funding from the Florida Department of Environmental Protection (FDEP) to renovate the Cooley's Landing Marina with sea wall improvements, security lighting, and trash receptacles.
863,944	The Public Works Department budget includes funding for ongoing canal cleaning, which involves removing debris, controlling invasive aquatic vegetation, and maintaining unobstructed water flow.
272,444	The Public Works Department budget includes funding to maintain and expand the Waterway Quality Monitoring Program along with incorporating molecular source tracking to identify the potential urban sources of certain bacteria.
211,771	The Public Works Department includes funding for water quality monitoring in compliance with the National Pollutant Discharge Elimination System (NPDES), environmental clean-up efforts, and the purchase of pollution mitigation equipment to help protect local waterways.
133,593	The City Manager's Office budget includes funding to support the Chief Waterways Officer, a position responsible for overseeing waterway cleanup efforts and monitoring the City's 165 miles of navigable waterways.
50,000	The FY 2026 budget includes a grant from the Broward Boating Improvement Program (BBIP) to support the removal and disposal of derelict vessels, which pose environmental and navigational hazards.
_	At no cost, the City is partnering with the nonprofit organization, Coastal Conservation Association (CCA), to conduct an Oyster Pilot Program to create living seawalls in the New River to help naturally filter water, improve marine habitats, and support coastal resiliency.
\$ 10,533,667	Total for Protecting and Cleaning City Waterways
\$ 343,216,594	Total FY 2026 Funding for Environmental Initiatives
