Good day Leona,

Congratulations! The USTA Florida Section Foundation is pleased to award the City of Fort Lauderdale an Equipment Grant of \$2,000! The grant dollars are to be used for the Junior Developmental Program. Please click [here](#) to log back into your application for the next steps in the process. Kindly complete the equipment grant agreement then upload and submit your final equipment order based on your awarded amount. You'll only need to fill in the section of the order form highlighted in yellow before uploading it back into the equipment grant portal.

The Foundation's ability to award grants to organizations like yours is highly dependent on the generous support of our friends and donors who champion our mission of *"Changing Lives Through Tennis"* through registration of a Play Tennis! specialty license plate in the state of Florida. We recognize your important role in achieving this mission and hope you'll spread the word so that more Florida drivers obtain the license plate to support further grant opportunities.

Again, congratulations! Please contact me if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Alexis Johnson".
