Recommendation

Staff recommends the City Commission approve a motion authorizing the addition of one classification (Senior Airport Maintenance Technician) to the Teamsters Local Union No. 769 Collective Bargaining Agreement.

Background

ADD ONE CLASSIFICATION – TEAMSTERS LOCAL UNION NO. 769:

Class TM152, Senior Airport Maintenance Technician, Pay Grade TG05 (\$41,775.76 - \$64,736.88 annually)

If the classification of Senior Airport Maintenance Technician is approved, the employee will be responsible for landscape maintenance on airside and landside turf areas utilizing two-way radio communication with Air Traffic Control at the Fort Lauderdale Executive Airport (FXE). The employee will perform maintenance, inspection, and repair of airport buildings and facilities and will ensure airport grounds, runways, and equipment comply with Federal Aviation Administration (FAA) regulations. The Senior Airport Maintenance Technician will train Airport Maintenance Technicians on airside operations and coordinate with airfield Public Works personnel regarding the necessity for maintenance and repairs needed at the airport, and safely escort personnel throughout the airside operations area.

Teamsters Local Union No. 769 has no objection to this motion to add the Senior Airport Maintenance Technician classification to the Collective Bargaining Agreement.

Resource Impact

There is no fiscal impact to add this new classification as the action taken here is to create the classification.
