

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#15-0997

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Lee R. Feldman, ICMA-CM, City Manager

DATE: August 18, 2015

TITLE: Motion Approving a Third Amendment to the Interlocal Agreement for the
Creation of the Broward Metropolitan Planning Organization

Recommendation

It is recommended that the City Commission approve the third amendment to the Interlocal Agreement (ILA) for the creation of the Broward Metropolitan Planning Organization (MPO) expanding the number of voting members from 19 to 25.

Background

On July 1, 2014, Section 339.175, Florida Statutes was amended to permit the voting membership of the MPO to consist of at least five, but not more than 25 voting members, based on population and in agreement among the affected local governments and the governor.

At the April 9, 2015 MPO board meeting, the MPO board approved the third amendment to the ILA for the creation of the MPO. The governing body of each member of the MPO must also approve the Third Amendment.

Currently, the MPO consist of 37 members with 19 voting members and 18 alternate voting members. Alternate members could vote in place of any absent voting members in order based on population of the municipality by district. As a result of the amendment, the MPO would still consist of 37 members with 24 voting members and 13 alternate voting members as depicted below.

	Current Metropolitan Planning Organization	Metropolitan Planning Organization with Amendment
Voting Members	19 (City gets two votes)	24 (City gets two votes)
Cities	14	19
Broward County Board of Commissioners	3	4
School Board of Broward County	1	1
South Florida Regional Transportation Authority	1	1
Alternate Voting Members	18	13
Total Members	37 (City gets two votes)	37 (City gets two votes)

This Amendment is within the federal membership framework and does not impact the City's two membership positions. The amendments will increase the voice of municipalities on the Broward MPO.

Resource Impact

There is no fiscal impact associated with this action.
