

CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING

#24-0487

TO: Honorable Mayor & Members of the Fort Lauderdale City Commission

FROM: Susan Grant, Acting City Manager

DATE: July 2, 2024

TITLE: Motion Approving a Piggyback Agreement with Landscape Structures, Inc. Utilizing the State of Minnesota (Sourcewell) Agreement for Various Equipment and Amenities for Parks and Playgrounds - \$670,734 - **(Commission District 4)**

Recommendation

Staff recommends the City Commission approve a piggyback agreement for Various Equipment and Amenities for Parks and Playgrounds with Landscape Structures, Inc. via an agreement for Various Equipment and Amenities for Parks and Playgrounds between Landscape Structures, Inc. and the State of Minnesota (Sourcewell), RFP No. 010521, in the amount of \$670,734, in substantially the form attached, and authorize the City Manager to approve a one-time purchase of equipment and installation services for the Florence C. Hardy Park Improvement Project.

Background

This piggyback agreement is being recommended by staff to supplement the work to be done under Invitation to Bid (ITB) Event No. 247 - Florence C. Hardy Park Improvements (CAM #24-0017).

The Scope of Work for Florence C. Hardy Park was developed based on the prioritized improvements identified through the Parks Bond Program Improvements Public Engagement Process and Project Prioritization completed in early 2021. Following the completion of the engagement and prioritization phases, a group of parks were selected to move into Phase 1 of design and construction. This park, as well as its associated improvements, was approved by the Parks, Recreation and Beaches Advisory Board on March 24, 2021, and the Fort Lauderdale Board of Commissioners on May 4, 2021.

The design package was completed in early 2023. The work to be accomplished under this piggyback agreement includes but is not limited to:

- furnish and install new playground equipment consisting of bridges, ramps, climbers, decks, enclosures, kids-in-motion, sensory play, sliders and gliders, sports and fitness, swings, tunnels, signs, among others.

- additional improvements include furnishing and installation of safety surfacing turf for the playground.

Landscape Structures, Inc. was selected through a competitive process by the State of Minnesota to provide labor, materials, equipment, supervision, off-loading, storage, and installation of various equipment and amenities for parks and playground equipment. The City and Landscape Structures, Inc. have mutually agreed to utilize the rates outlined in the State of Minnesota contract.

Resource Impact

There will be a fiscal impact to the City in the amount of \$670,734 for the contract award. Funds for this agreement are available in the FY 2024 – FY 2028 Community Investment Plan in the account listed below.

Funds available as of June 18, 2024					
ACCOUNT NUMBER	COST CENTER NAME (Program)	CHARACTER/ACCOUNT NAME	AMENDED BUDGET (Character)	AVAILABLE BALANCE (Character)	AMOUNT
