NEED TO FULFILL

Outline guiding principles and propose vision for how public spaces and a future facility can guide future decision making as we consider the development of a new City Hall

What this is not

perform needs assessment, develop building design

DEFINE GUIDING VALUES PRINCIPLES

Connected venues for
civic exchange

Landmark Building: create a
timeless facility that captures the
essence of civic space

Build for inclusivity

Integrate mobility

Multi-use facility

Community access space: build a facility that
draws people from every community

**Inclusive and
Engaging
public space**

Encapsulate history and culture

City Centric Location

**Efficient, Equitable and
flexible workspaces**

CIVIC ENGAGEMENT SPACE ALLOCATION AND PRIORITIZATION

NEIGHBOR TO NEIGHBOR

consider space for having
further connected
neighborhoods

NEIGHBOR TO ELECTED OFFICIALS

define location for neighbors
to interact with policy makers

NEIGHBOR TO STAFF

define experience for public
to interact with City
Functions
