PROPOSED ZONING REQUEST:

Rezone existing residential zoning designation currently existing within Parcel "A" of the Matcorp Plat to "CB" zoning per survey, legal description and sketch provided with the rezoning request submittal package per City of Ft. Lauderdale Planning & Zoning Department as follows:

1.Rezone 17,806 S.F. more or less, "RMM-25" zoning to "CB" zoning.

ZONING CRITERIA STATEMENT:

Per preliminary meetings with City of Ft. Lauderdale Planning & Zoning Staff, it was determined that the zoning designation most conducive for future commercial development of the existing residentially zoned portions of the subject property would be CB. This conclusion was due to the proximity of existing and adjacent residential development to the east and south of plat limits of Parcel "A" Matcorp Plat which contains the mixed use zoning designations RD-15,RMM-25 & B-2. The residentially zoned portions of the plat are the subject of this request for rezoning. As the residential land use was flexed out in 1997 by both city and county negating any future residential development of the subject parcel, City of Ft. Lauderdale Planning and Zoning staff advised that it would only be a formality to rezone the residential portions of the plat and would give recommendation to rezone to CB. The existing commercial development within the B-2 zoned portion of the plat meets the CB zoning criteria as the exiting use is retail sales and service. Approval of the subject rezoning request to CB zoning would limit future development to ancillary uses of the existing business or those specifically outlined in the ULDC for CB zoning.

SUPPORTING DOCUMENTATION:

1.Rezoning Site Plan "SP-1" prepared by Gene Bieber Architect Inc.

2.Current boundary survey prepared by Martinez and Martinez Inc.

3.Legal description and sketch of existing "RMM-25" zoning designation.

4.Legal description and sketch of proposed "CB" zoning designation containing 27,680 S.F., more or less.

5.Copy of City of Ft. Lauderdale Planning & Zoning Board unanimous 7-0 approval to rezone a portion of the then existing "R-3" zoning to "B-2" zoning 4-Z-84 dated February 15, 1984

6.Copy of January 2, 1997 letter from Chris Wren, City of Ft. Lauderdale Planning and Zoning Manager confirming allocation of .59 acres of commercial flexibility restricting the "Matcorp Plat" to non-residential use.

7.Copy of January 6, 1997 letter from Harry Sniezek, Director of Planning, BROWARD County Planning Council confirming that the City of Ft. Lauderdale allocation of .59 acres of commercial flexibility to the residential portions of the "Matcorp Plat" allowing future development of non-residential uses in compliance with the permitted uses of the effective Broward County Land Use Plan.

ORDINANCE NO. C-84-29

AN ORDINANCE CHANGING THE ZONING REGULATIONS OF THE CITY OF FORT LAUDERDALE, FLORIDA, SO AS TO REZONE FROM R-3 (SUB-DISTRICT 70) TO B-2 (SUB-DISTRICT 16) A PARCEL OF LAND ON THE SOUTH SIDE OF STATE ROAD 84, WEST OF S.W. 17TH AVENUE, IN FORT LAUDERDALE, AND AMENDING THE OFFICIAL ZONING MAP AND SCHEDULE "A" ATTACHED THERETO TO INCLUDE SUCH LANDS.

WHEREAS, the Planning and Zoning Board at its meeting of February 15, 1984 (4-Z-84) did recommend to the City Commission that certain lands herein described should be rezoned in the respects mentioned and that the Official Zoning Map and Schedule "A" attached thereto should be amended to include such lands; and

WHEREAS, the City Clerk notified the public of a public hearing to be held on Tuesday, April 3, 1984, at 10 o'clock A.M., in the City Commission Room, City Hall, Fort Lauderdale, Florida, for the purpose of hearing any objections which might be made to such rezoning; and

WHEREAS, such public hearing was duly held at the time and place designated after notice of same was given by publication as required by law, and the Commission determined that there were no persuasive objections to so amending the zoning regulations;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA:

SECTION 1. That the Zoning Regulations of the City of Fort Lauderdale together with the Official Zoning Map of the City of Fort Lauderdale and revised Schedule "A", describing the lands lying within each Zoning District and Sub-District, as approved on December 21, 1965, and described in Section 47-4 of the Code, be amended by rezoning in the respects mentioned, the following lands, situate in the City of Fort Lauderdale, Broward County, Florida, to wit:

Rezone from R-3 (Sub-District 70) to
B-2 (Sub-District 16):

A parcel of land bounded on the west by a line 363' east of and parallel to the center line of S.W. 18th Terrace; on the north by a line 200' south of and parallel to the south right-of-way line of State Road 84; on the east by a line 663' east of and parallel to the center line of S.W. 18th Terrace; on the south by a line 215' south of and parallel to the south right-of-way line of State Road 84.

Location: South side of State Road 84, West of
S.W. 17th Avenue

SECTION 2. That the Director of Building and Zoning of the City of Fort Lauderdale shall indicate such zoning upon a copy of the Official Zoning Map, and shall indicate an amendment of Schedule "A" accordingly, upon his records with proper reference to this ordinance and date of passage.

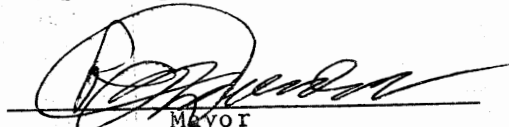

SECTION 3. That this ordinance is passed after public hearing held on April 3, 1984, at 10 o'clock A.M., in the City Commission Room, and after notice of public hearing has been published as required by law.

SECTION 4. That if any clause, section or other part of this ordinance shall be held invalid or unconstitutional by any court of competent jurisdiction, the remainder of this ordinance shall not be affected thereby, but shall remain in full force and effect.

SECTION 5. That all ordinances or parts of ordinances in conflict herewith be and the same are hereby repealed.

SECTION 6. That this Ordinance shall be in full force and effect immediately upon and after its final passage.

Location: South side of S.R. 84, W. of S.W. 17 Ave.	4-Z-84	13
ACTION: Recommended to City Commission (7 to 0)			

Site plan was shown, and Mr. Germain said that an 8-story office building was proposed for this site, which would be 100 feet high. Because one corner of the building is on the line separating B-2 and R-3 on the south side of the tract, and there is a requirement for a 15 foot setback from residentially zoned property on the rear, an additional 15 feet of B-2 is needed to satisfy the setback requirement. The irregular site configuration is such that there would be a great loss of parking capacity with a small change in building location. Thus, the request for zoning accommodation.

Field pictures were shown. Mr. Germain said that the additional 15 feet of B-2 would have no practical effect on surrounding development, and we recommend approval.

Mr. Stresau asked if it was all internal to the parcel, and was told that it was.

Chairman Drum called for anyone who wished to speak in favor or in opposition to the request.

Mr. Robert Crider of 10472 N.W. 2nd Avenue, Plantation stated that he owns the property to the west, and he has no objections.

Motion made by Mrs. Sjogren, and seconded by Mr. Sutter that approval be recommended to the City Commission. Motion carried unanimously 7 to 0.

7. Glenn E. Borregard 3-P-84
Request: Vacate a portion of S.W. 9 Ave.,
between S. Fork New River and Coconut Dr.

Mr. Brewton said that this application is to vacate S.W. 9 Avenue, north of Coconut Drive, to where it dead ends at New River. It is 45 feet wide and approximately 109 feet long, or about 4900 square feet. The applicant is requesting that this area be vacated and returned to the abutting property owners to allow them to maintain and upgrade the property because of its continuing deterioration. The applicant professes that there is a problem with vandalism and constant debris, and that the seawall is in bad condition causing damage to adjoining private seawalls.

The land use was shown as well as field pictures.

Mr. Brewton stated that all of the public utilities and appropriate City departments had been contacted and there were no objections, with the exception of the Parks and Recreation Department, as long as a utility easement is retained over the property. Our Parks Director has objected to this request, noting that this area is very attractive and is one of only a few remaining places along the south side of the New River that can be used by the public.

It has always been our position not to recommend public right-of-way be vacated to the property owners if there is indeed a need for that right-of-way. One of the ways this situation has recently been resolved was with an encroachment agreement being obtained by abutting property owners to fence it off and maintain the area.

RE: Delegation Request for MATCORP PLAT - UPDATE
(037-MP-84) City of Fort Lauderdale

DATE: January 6, 1997

This memorandum revises and updates our comments, dated December 23, 1996, on the above referenced delegation request.

Planning Council staff has received written confirmation, dated January 2, 1997 from the City of Fort Lauderdale, that under the Broward County Land Use Plan five percent (5%) Commercial Flexibility Rule, .59 acres of commercial flexibility was allocated by the City to the residential portions of the Matcorp Plat. Therefore, the proposed development is considered in compliance with the permitted uses of the effective land use plan.

Florida "Matcorp Plat Parcel A"

In response to your request for written confirmation of the Broward County Land Use Plan designation for the above referenced parcel, it is designated "Commercial" on the Broward County Land Use Plan. In addition, you specifically requested information regarding the Broward County Land Use Plan designation prior to 1997. Our research indicates that the subject parcel has been designated "Commercial" since the adoption of the 1989 Broward County Land Use Plan and no subsequent amendments or changes have occurred.

Planning Council staff notes that the Future Land Use Element of the City of Fort Lauderdale Comprehensive Plan is the effective land use plan for the City of Fort Lauderdale.

If you have any additional questions in this regard, please contact Pete Schwarz, Senior Planner, at your convenience.

Re: Delegation Request for "Matcorp. Plat"
Flexibility Allocation - Flex Zone 56

Dear Ms. Tramer:

In response to a request from Ms. Susie Wheeler of your staff, this is to confirm that under the 5th flex rule, .59 acres of commercial flexibility was allocated to the residentially land used portions of the Matcorp. Plat, P.B. 128, P. 2. The plat was recorded in 1985 and was restricted to non-residential use.

We have no objection to the applicant's request to change the note on the plat from "62,000 square feet of office" to "31,125 square feet of office and 4,189 square feet of commercial."

An updated chart for flex zone 56 will be forwarded to your office in the coming weeks.

If additional information is required, please contact Lois Udvardy at 761-5862.

Very truly yours

RE: 1714 W. State Road 84 – Porter Property

Dear Ms. Siegel,

The City's Urban Design and Planning staff conducted research related to the property located at 1714 W. State Road 84; the Porter Property. The property has split land use designations (Commercial and Medium High 25 du/ac) and has 3 zoning designations (B-2, RMM-25, and RD-15). An attachment has been provided depicting the land use and zoning on the property.

The property was allocated .59 acre of commercial flex in 1996 (Case 129-R-96) to permit commercial development on the portion of the property that has the residential land use. Subsequently, a new application was submitted to the City in 2000 (Case 64-R-00) for site plan approval for outdoor storage area. At that time staff indicated the need to rezone the property to either Community Business (CB) or Exclusive (X) zoning districts. Such rezoning did not occur.

In order to develop the entire property with a commercial project, the property would need to be rezoned and a new site plan application would need to be filed with the City. The City's Unified Land Development Code (ULDR), Section 47-28, Density and Flexibility Rules, states that a Rezoning application and Site Plan Level III application must be submitted to permit the commercial flex allocation. Although commercial flex was applied in 1996, the property was never rezoned, and any new development applications must meet the ULDR requirements as applicable today.

City's development applications are accessible online at the City's website: <http://www.fortlauderdale.gov/departments/sustainable-development/urban-design-and-planning/development-applications-boards-and-committees/applications-and-fee-schedule>

Feel free to contact me at (954) 828-5019 or jhetzel@fortlauderdale.gov if you have additional questions.
