Maureen, we regret to inform you that we will not be able to honor the price provided at the time of bid due to significant increases experienced recently on construction materials.

Please advise if you need any further assistance.

Happy Thanksgiving!

Maureen, we will need to double back with our suppliers and confirm that the material pricings are still valid. By when would you need to receive a response back from us?

Please advise..... Thank you!

Good morning Gustavo,
Per County's regulations, the above bid is still under review by the County prior to City Commission award.

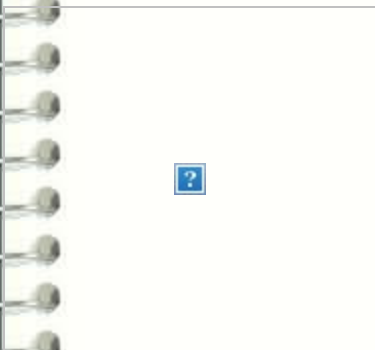

As the Apparent Low Vendor, and in accordance with the bid requirements relating to Bids Firm For Acceptance, the City is hereby requesting an extension to hold your pricing until services have been awarded. Kindly review and advise.

Your cooperation in this matter will be greatly appreciated as we look forward to working with you. Thanks.
