RE: Gold Coast Ski Club  
Lake Lauderdale Lease Agreement

Dear Mr. Thornburg,

I am writing to let you know that the Gold Coast Ski Club wishes to exercise the Second Extension to Facility Use Permit in accordance with our contract with the City of Fort Lauderdale. We remain very grateful for the support we have had from the City as well as the team at Mills Pond Park over the past few decades and we look forward to continuing this wonderful relationship for many years to come.

Attached is the second Extension to Facility Use Permit for your execution.

Sincerely,

A handwritten signature in cursive script, appearing to read "Richard DeCarlo". The signature is fluid and somewhat stylized, with the first name being the most prominent.

Richard DeCarlo  
President, Gold Coast ski Club
