Section 3. Assessment Roll.

- (a) The City Council hereby approves the assessment roll which is presented as Appendix C; a copy has been on file in the office of the Finance Director and available on the City’s website. Any changes to the provided assessment roll shall be so stated and adopted as part of this Resolution if amended.
- (b) The purpose of this assessment and roll is to reimburse the City for costs relating to the West Naples Bay Dredging District.
- (c) The City expects assessment revenue from all assessments to be \$663,337, not including interest and fees.
- (d) Changes to the name of the property owner or sale of the property during the time between the download of property appraiser data and the date of the assessment shall not affect the assessment on the property.

Section 4. The City Council determines the following method of collection.

- (a) In adopting this Final Assessment Resolution, the City Council has received and considered the matters and comments presented both before and during the public hearing.
- (b) The Assessments imposed pursuant to this Resolution will be imposed by the City Council, not the Property Appraiser or Tax Collector. Any activity of the Property Appraiser or Tax Collector under the provisions of this Resolution shall be construed solely as ministerial.
- (c) The Assessment for any Tax Parcel within the Special Assessment District does not exceed the proportional benefits that such Tax Parcel will receive compared to any other similarly situated Tax Parcel within such area.

- (d) The Assessments to be imposed in accordance with this Resolution provide an equitable method of funding the Improvements by fairly and reasonably allocating the cost to specially benefited property.
- (e) The City Manager is authorized to correct any assessment at any time. Owners of an improved property must provide written justification and explanation as to why they are not part of the assessment district. The city shall not be responsible for the owners' costs related to any explanation nor for any interest or fees related to payment or nonpayment.

Section 5. Prepayment Period.

- (a) Prior to August 10, 2009, property owners will have an opportunity to prepay this assessment in full with no fees, interest or penalties.
- (b) The city shall provide prepayment invoices by first class mail to affected property owners.
- (c) Payments made after the tax roll is submitted to the Collier County Tax Collector's office shall be charged prorated fees and interest.

Section 6. Assessment Methodology.

- (a) Assessments in each canal were calculated based on the cost to engineer, mobilize and dredge the canal, divided by the number of affected parcels on that canal.
- (b) An affected property is generally a parcel with dredging completed in front of their property and any parcel lying upwater from the dredging, such that their bay access could be improved by the dredging.
- (c) Property identified as being owned by a church at the time of the dredging was exempt from any fees as requested by the Aqualane Shores Homeowners Association.
- (d) Each affected parcel in the separate canals shall be charged as if they were one assessment.
- (e) Upon transfer of ownership due to sale or as allowed by law, the full outstanding assessment shall become due and payable.
- (f) Any subdivision of a tax parcel will require payment of the outstanding assessment in full.
- (g) The City may elect to require payment of the full outstanding assessment if a tax certificate is issued.

Section 7. Payment Calculations are final.

The amount of all prepayments computed in accordance with this Section shall be final. The City shall not be required to refund any portion of a prepayment for any reason.

Section 8. Approval of Assessment Roll.

The Assessment Roll, as supplemented and modified to more closely reflect the developable area within the Assessment District as described in the Ordinance and as presented at the public hearing on even date, is hereby approved.

Section 9. Annual Assessment and Collection.

- (a) The City will charge 6% annual interest on the outstanding amount of the Assessment.
- (b) The annual assessment shall also add in Administrative Costs and Collection Costs as charged by the City's assessment coordination firm, Collier County Property Appraiser and Collier County Tax Collector.
- (c) The annual assessment shall be for six years on the property tax bill, based on amortizing principal and adding annual fees for the outstanding balance as shown in Appendix D.
- (d) Upon adoption of the Annual Assessment Resolution for each Fiscal Year, the assessments shall constitute a lien against assessed property equal in rank and dignity with the liens of all state, county, city or municipal taxes and other non-ad valorem assessments. Such lien shall be superior in dignity to all other liens, titles and claims, until paid.
- (e) This Final Assessment Resolution shall constitute the Annual Assessment Resolution for the initial Fiscal Year.
- (f) Upon adoption of the Annual Assessment Resolution for each Fiscal Year, the Assessment Coordinator shall cause the certification and delivery of the Assessment Roll to the Tax Collector.
- (g) The City may provide for the appointment of a collection or assessment firm to administer the Assessments, including routine invoicing and collection of the Assessments, monitoring reallocation, true-up, payment and prepayment thereof and ensuring timely deposit of Assessment proceeds. The fees of any such agent shall be included in the Administrative Cost.
- (h) The City or any collection firm shall maintain a roll or data base indicating those Tax Parcels for which the Assessment has been paid in full, the party making payment, and the parcel or parcels and owner or owners on behalf of which payment was made.

Section 10. If there is any conflict between the provisions of this Resolution and any other resolution or portions thereof, the provisions of this Resolution shall prevail to the extent of such conflict.

Section 11. This Resolution shall become effective immediately upon adoption.
