## ADDENDUM NO. 1

### RFP No. 211 Emergency Debris Removal and Disaster Recovery Services

ISSUED: 2/1/24

This addendum is being issued to make the following change(s):

The Specifications and Requirements have been revised. Words in ~~strike through~~ are deletions from the existing text and words in **bold underline** are additions to the existing text (~~strike through~~ removed; **underlined bolded** is added).

1. Providing Question and Answer to Question 1 as it is not visible on Q and A Forum:  
QUESTION:
  1. Price line items 33 – 40, vessel recovery, is this intended to be a land based or water based operations?
  2. Please confirm that all disposal fees shall be a pass through cost.ANSWER:

Please look at the Description for all line items for full descriptions.  
33-36 specify vessels on land; 37-40 specify vessels in water.  
Yes, all disposal fees shall be a pass through cost.
2. **Disposal Fee shall be a pass-through cost.** – Clarification updated on line items 33-40.
3. Response to Question 4.13 regarding section 4.2.4:

#### 4.2.4 Approach to Scope of Work

Provide in concise narrative form, your understanding of the City's needs, goals, and objectives as they relate to the project, and your overall approach to accomplishing the project. Give an overview of your proposed vision, ideas, and methodology. Describe your proposed approach to the project.

~~As a part of the response, a design plan and diagram(s) shall be presented to the City for approval.~~

The Proposer shall also propose a scheduling methodology (timeline) for effectively managing and executing the work in the optimum time. The delivery time shall be stated in calendar days from the date of City notification of award or notice to proceed with delivery. Such timeline information and proposed dates shall include, but not necessarily be limited to: delivery, installation, acceptance testing, personnel, and other related completion dates, in accordance with the RFP specifications.

## ADDENDUM NO. 4

### RFP No. 211 Disaster Debris Removal and Emergency Logistical Services

ISSUED: 2/27/24

This addendum is being issued to make the following change(s):

The Specifications and Requirements have been revised. Words in ~~strikethrough~~ are deletions from the existing text and words in **underline** are additions to the existing text (~~strikethrough~~ removed; **underlined bolded** is added).

1. Page 1 of the solicitation document shall have the following changes.:

A. Solicitation name has changed and shall now read as follows:

**City of Fort Lauderdale**  
**~~Emergency Debris Removal and Disaster Recovery Services~~**  
**Disaster Debris Removal and Emergency Logistical Services**  
**RFP Event # 211**

B. Section 1.1 shall now read as follows:

#### 1.1 Purpose

The City of Fort Lauderdale, Florida (City) is seeking qualified, experienced, and licensed firm(s) to provide ~~Emergency Debris Removal and Disaster Recovery Services~~ **Disaster Debris Removal and Emergency Logistical Services** for the City, in accordance with the terms, conditions, and specifications contained in this Request for Proposals (RFP).

2. Section 1.5 – Strategic Sourcing Platform link fixed. It shall now read as follows:

#### 1.5 Electronic Bid Openings/Proposal Closings

Please be advised that effective immediately, and until further notice, all Invitation to Bids, Request for Proposals, Request for Qualifications, and other solicitations led by the City of Fort Lauderdale will be opened electronically via the ~~City's on-line strategic sourcing platform~~ **City's on-line strategic sourcing platform** at the date and time indicated on the solicitation. All openings will be held on the City's on-line strategic sourcing platform.

Anyone requesting assistance or having further inquiry in this matter must contact the Procurement Specialist indicated on the solicitation, via the Question-and-Answer forum on the City's on-line strategic sourcing platform before the Last Day for Questions indicated in the Solicitation.

3. Sections 2.24.1 and 2.34.2 have been updated as Surety 2000 should not be used. Verbiage updated to provide clarifying instructions for Proposal Security. Sections shall read as follows:

#### 2.24 Proposal Security

**2.24.1** A proposal security payable to the City of Fort Lauderdale shall be submitted with the proposal response in the amount of five percent (5%) of the total proposed amount. A proposal security can be in the form of a bid/proposal bond or cashier's check. Proposal security will be returned to the unsuccessful contractor as soon as practicable after opening of proposals. Proposal security will be returned to the successful Proposer after acceptance of the Payment and Performance Bond, if required; acceptance of insurance coverage, if required; and full execution of contract documents, if required; or other conditions as stated in Special Conditions or elsewhere in the RFP.

~~The [City's on-line strategic sourcing platform](#) allows proposers to submit bid bonds electronically directly through the system using **Surety 2000**.~~

**2.24.2** The Proposer ~~may choose to~~ **shall** mail their original executed bid/proposal bond or upload the bid/proposal bond on [City's on-line strategic sourcing platform](#) **attach a PDF of the original bid/proposal bond** to accompany their electronic proposal and then deliver the original, signed and sealed bid/proposal bond within five (5) business days from the solicitation end date or it will be determined as non-responsive. A bid/proposal security in the form of a cashier's check must be an original document and must be submitted at the time of the bid/proposal due date. If choosing the cashier's check method, plan in advance to send via United States Postal Service or air freight carrier to ensure cashier's check arrives on or before bid opening/ proposal closing deadline.

**A.** Deliver via United States Postal Service or air freight carrier to the following address:

City of Fort Lauderdale  
Procurement Services  
Attn.: Laurie Platkin  
521 NE 4<sup>th</sup> Avenue  
Fort Lauderdale, FL 33301

**B.** Include company name, solicitation number and title clearly indicated outside of the envelope.

4. Section 2.27 shall now read as follows:

#### 2.27 Award of Contract

A Contract (the "Agreement") may be awarded by the City Commission. The City reserves the right to execute or not execute, as applicable, a contract with the Proposer(s) that is determined to be in the City's best interests. The City reserves the right to award a contract to more than one Proposer, at the sole and absolute discretion

of the City. **The City may award this contract to multiple contractors on a line item, group, or any other combination basis deemed in the City's best interest.**

5. Sections 3.3.5, 3.3.6, 3.3.7, 3.3.10, and 3.3.12 have been removed.
6. Section 3.3.8, the second sentence has been removed.
7. Section 3.3.13, the second sentence has been removed.
8. Section 3.3 shall now read as follows:

### **3.3 MINIMUM QUALIFICATIONS**

**3.3.1** To be eligible for award of a contract in response to this RFP, the Proposer must demonstrate that it has successfully completed services, as specified in this solicitation and are normally and routinely engaged in performing such services and are properly and legally licensed to perform such work. In addition, the Contractor must have no conflict of interest with regard to any other work performed by the Contractor for the City of Fort Lauderdale.

**3.3.2** The Proposer must have the capacity to manage a major and diverse workforce with multiple subcontractors and to cover the expenses associated with a major recovery operation prior to the initial payment and between subsequent payments, as well as the capacity to provide the necessary bonds and insurance. Proposer must also have an established management team, an established network of resources to provide the necessary equipment and personnel, comprehensive debris removal and volume reduction operations plans and demonstrate experience in major disaster recovery projects.

**3.3.3** The selected firm must be experienced and knowledgeable in Federal Emergency Management Administration (FEMA) and Insurance reimbursement rules and procedures and must demonstrate such to the City in its proposal and subsequent selection process presentations. The selected firm must also demonstrate experience and knowledge of state, local and federal environmental regulating and permitting agencies. The selected firm will be responsible for staying current with all FEMA and other agencies guidelines and regulations and will be responsible for advising the City from beginning to end to ensure maximum financial recovery for the City.

**3.3.4** Proposer is properly and legally licensed to perform Disaster and Debris Management Services.

~~**3.3.5** Proposer is currently, and has been conducting business as, a full-service Disaster Debris Management Contractor for the last ten (10) consecutive years.~~

~~**3.3.6** Proposer provides Disaster Debris Management Services as the primary contractor in at least three (3) states.~~

- ~~3.3.7~~ Proposer has experience performing work as a primary contractor on Disaster Debris Management projects exceeding fifty million dollars (\$50,000,000) per event.
- 3.3.8 Proposer currently has a minimum of three (3) full-service Disaster Debris Management contracts in place in which (1) the Proposer is the primary contractor, and (2) the contract is with a government entity with a population of at least 150,000 residents.
- 3.3.9 Proposer has experience in simultaneously operating a minimum of three (3) Temporary Debris Management Sites (TDMS).
- ~~3.3.10~~ Proposer has direct management and permitting experience in sand screening and beach re-nourishment projects, with at least one (1) project including screening a minimum of twenty thousand (20,000) cubic yards of sand.
- 3.3.11 Proposer will provide experienced staff. Certification or active involvement with disaster preparedness agencies is highly desirable such as: NIMS certification, FEMA Region IV, FEMA National Advisory Council, FEMA National Training Programs (NTP), FEMA Center for Domestic Preparedness (CDP), FEMA Emergency Management Institute (EMI), Florida State Emergency Response Team (SERT), and/or Florida Governor's Hurricane Conference training/instructor.
- ~~3.3.12~~ Proposer certifies that their company is a licensed General Contractor, preferably in the State of Florida, or a joint agency with a Florida General Contractor. Proposer must submit a copy of the license with the proposal and be in good standing with the State regulatory body. No specific designation is required, only that the company is properly licensed as a Contractor to perform the work detailed in this RFP.
- ~~3.3.13~~ Proposer must show its qualifications in the handling of hazardous materials and household hazardous waste. This requirement can be demonstrated by including a listing of the proposer's employees and their respective HAZWOPER licenses, asbestos licenses and other related qualifications.

9. Section 3.8.18 (E) shall now read as follows:

- E. Tipping fees are not included in ~~EXHIBIT B~~ **EXHIBITS B and C** or Event line items.

10. Section 3.12.4 (C) shall now read as follows:

- C. Labor and fuel for fueling the fuel powered unit shall be in accordance with hourly labor and equipment rates for the items listed in ~~EXHIBIT B~~ **EXHIBITS B and C** and Event line items.

11. Section 3.12.5 (B) shall now read as follows:

- B. Labor for refilling trucks shall be compensated based on hourly labor and equipment rates for the items listed in ~~EXHIBIT B~~ **EXHIBITS B and C** and Event line items.

12. Section 5.2.2 shall now read as follows:

**5.2.2 Weighted Criteria**

<b>Qualifications and Experience:</b> A) Firm background, history, and overall experience; B) Staff experience and resumes - specifically, operational, and administrative personnel assigned to the City	<del>15%</del> <b><u>25%</u></b>
<b>Operational Plan for the City:</b> A) Subcontractor Plan; B) Quality control and customer service plans; C) Organizational Structure of Firm	25%
<b>Resources and Availability:</b> A) Current workload and future commitments; B) Plan for managing multiple Florida-based contracts; C) Demonstrated financial capability	15%
<b>Past Performance:</b> A) Reference Checks; B) Closed, active and pending FEMA disputes, audits, or lawsuits; C) Explanation of unrecovered (deobligated) FEMA reimbursements	15%
<b>Price Proposal</b>	<del>30%</del> <b><u>20%</u></b>
<b>Total Percent Available</b>	<b>100%</b>

13. Section 5.3 shall now read as follows:

**5.3 Contract Award**

The City reserves the right to award a contract to that Consultant who will best serve the interests of the City. The City reserves the right, based upon its deliberations and in its opinion, to accept or reject any or all proposals. The City also reserves the right to waive minor irregularities or variations of the submittal requirements and RFP process. **The City may award this contract to multiple contractors on a line item, group, or any other combination basis deemed in the City's best interest.**

14. Section VI – Cost Proposal Page has been revised. See attached for replacement Cost Proposal Page.

15. Exhibit B shall be voided and removed. See attached.

16. New Exhibit B and Exhibit C have been added to the solicitation. Quantities and Units of Measure have remained the same. See Attached.

- A. Exhibit B represents Group A – Disaster Debris Removal Services
  - 1) Line item 5: (PPDR) removed.
  - 2) Previous line item 69: River and Canal Shoreline Restoration was removed and replaced with line item 549 Mechanized Street Streetsweeper.
  - 3) Previous line items 369-412 moved up and are now in Group A.
  
- B. Exhibit C represents Group B – Emergency Logistical Services
  - 1) Previous line items 70-368 have moved down and are now in Group B.

17. Updated Answers to the following Questions previously posted in the Sourcing Platform:  
*Q: Can the City provide the names and titles of the evaluation committee members?*  
**A: The Evaluation Committee will now have the following 5 members: Shane Simcox, Fire Captain; Sandria Barrett-Lee, Chief Accountant; Joe Pasquariello, Assistant Building Official, Gabrielle Bush, Management Analyst; and Kim Pearson, Parks Manager.**

*Q: The RFP states “The City reserves the right to award a contract to more than one proposer, at the sole discretion of the City.” Can the City clarify if the contracts will be categorized by order of intended activation (e.g. Primary, Secondary, Tertiary) or if there will be a pool of qualified vendors?*

**A: The City may award this contract to multiple contractors on a line item, group, or any other combination basis deemed in the City’s best interest.**

*Q: If there will be a pool of qualified vendors, then how will the order of activation occur?*

**A: Contracted vendor will be notified by the contract administrator should an activation occur.**

18. The opening date has been changed to March 11, 2024 at 2 p.m.

All other terms, conditions, and specifications remain unchanged.

**ADDENDUM NO. 6**

**RFP No. 211  
Disaster Debris Removal and Emergency Logistical Services**

**ISSUED: 3/4/24**

This addendum is being issued to make the following change(s):

The Specifications and Requirements have been revised. Words in ~~strikethrough~~ are deletions from the existing text and words in **bold underline** are additions to the existing text (~~strikethrough~~ removed; **underlined bolded** is added).

1. Exhibit B – Group A and Exhibit C – Group B in Addendum 4 are now void. Category N – Emergency Road Clearance and Debris Removal should have been included in Group A rather than Group B.
2. Revised Cost Proposal Page in Addendum 5 is now void. The above change affected Section VI – Cost Proposal Page. The page has been revised and shall now read as follows:

**Note: Proposer may choose to provide pricing for ALL of Group A and / or ALL of Group B. No lines shall be omitted when providing pricing for either or both Groups or you will be deemed non-responsive.**

**Provide Project Cost for Group A, Group B, and Total Project Cost from your Submission in the Infor Sourcing Platform. (Group A and Group B are not tallied individually in the Sourcing Platform. You will provide your own calculations below in the designated area.)**

**Project Cost Group A (Line Items ~~1-69 481-549~~ **481-593**)** \$ \_\_\_\_\_

**Project Cost Group B (Line Items ~~70-412 550-892~~ **594-892**)** \$ \_\_\_\_\_

**Total Project Cost (Lines Items ~~1-412~~ **481-892**)** \$ \_\_\_\_\_

3. See attached for voided and revised Section VI – Cost Proposal Page\_R3 and Exhibit B – Group A and Exhibit C – Group B\_R2.

All other terms, conditions, and specifications remain unchanged.

## **SECTION I – INTRODUCTION AND INFORMATION**

### **1.1 Purpose**

The City of Fort Lauderdale, Florida (City) is seeking qualified, experienced, and licensed firm(s) to provide Emergency Debris Removal and Disaster Recovery Services for the City, in accordance with the terms, conditions, and specifications contained in this Request for Proposals (RFP).

### **1.2 Point of Contact**

For information concerning [procedures for responding to this solicitation](#), contact Procurement Specialist Laurie Platkin at (954) 828-5138 or email at [LPlatkin@fortlauderdale.gov](mailto:LPlatkin@fortlauderdale.gov). Such contact shall be for clarification purposes only.

For information concerning technical specifications, please utilize the question / answer feature provided by the [City's on-line strategic sourcing platform](#). Questions of a material nature must be received prior to the cut-off date specified in the RFP Schedule. Material changes, if any, to the scope of services or bidding procedures will only be transmitted by written addendum. Contractors please note: Proposals shall be submitted as stated in PART IV – Submittal Requirements. No part of your proposal can be submitted via FAX. No variation in price or conditions shall be permitted based upon a claim of ignorance. Submission of a proposal will be considered evidence that the Contractor has familiarized themselves with the nature and extent of the work, and the equipment, materials, and labor required. The entire proposal must be submitted in accordance with all specifications contained in this solicitation. The questions and answers submitted in the [City's on-line strategic sourcing platform](#) shall become part of any contract that is created from this RFP.

### **1.3 Pre-proposal Conference and Site Visit**

There will not be a pre- bid/proposal conference or site visit for this Request for Proposal.

It will be the sole responsibility of the Contractor to become familiar with the scope of the City's requirements and systems prior to submitting a proposal. No variation in price or conditions shall be permitted based upon a claim of ignorance. The submission of a proposal will be considered evidence that the Proposer has familiarized themselves with the nature and extent of the work, equipment, materials, and labor required.

### **1.4 CITY'S ON-LINE STRATEGIC SOURCING PLATFORM**

The City of Fort Lauderdale uses the City's on-line strategic sourcing platform to administer the competitive solicitation process, including but not limited to soliciting proposals, issuing addenda, posting results and issuing notification of an intended decision. There is no charge to register and download the RFP from the City's on-line strategic sourcing platform. Proposers are strongly encouraged to read the supplier tutorials available in the [City's on-line strategic sourcing platform](#) well in advance of their intention of submitting a proposal to ensure familiarity with the use of the City's on-line strategic sourcing platform. The City shall not be responsible for a Proposers inability to submit a Proposal by the end date and time for any reason, including issues arising from the use of the City's on-line strategic sourcing platform.

It is the sole responsibility of the Proposer to ensure that their proposal is submitted electronically through the City's on-line strategic sourcing platform no later than the time and date specified in this solicitation. PAPER PROPOSAL SUBMITTALS WILL NOT BE ACCEPTED. PROPOSALS MUST BE SUBMITTED ELECTRONICALLY VIA the [City's on-line strategic sourcing platform](#).

**1.5 Electronic Bid Openings/Proposal Closings**

Please be advised that effective immediately, and until further notice, all Invitation to Bids, Request for Proposals, Request for Qualifications, and other solicitations led by the City of Fort Lauderdale will be opened electronically via the [City's on-line strategic sourcing platform](#) at the date and time indicated on the solicitation. All openings will be held on the City's on-line strategic sourcing platform.

Anyone requesting assistance or having further inquiry in this matter must contact the Procurement Specialist indicated on the solicitation, via the Question-and-Answer forum on the City's on-line strategic sourcing platform before the Last Day for Questions indicated in the Solicitation.

*END OF SECTION*

## SECTION II - SPECIAL TERMS AND CONDITIONS

### 2.1 General Conditions

RFP General Conditions (Form G-107, Rev. 02/22) are included and made a part of this RFP.

### 2.2 Addenda, Changes, and Interpretations

It is the sole responsibility of each firm to notify the Buyer utilizing the question / answer feature provided by the [City's on-line strategic sourcing platform](#) and request modification or clarification of any ambiguity, conflict, discrepancy, omission, or other error discovered in this competitive solicitation. Requests for clarification, modification, interpretation, or changes must be received prior to the Question and Answer (Q & A) Deadline. Requests received after this date may not be addressed. Questions and requests for information that would not materially affect the scope of services to be performed or the solicitation process will be answered within the question / answer feature provided by the City's on-line strategic sourcing platform and shall be for clarification purposes only. Material changes, if any, to the scope of services or the solicitation process will only be transmitted by official written addendum issued by the City and uploaded to the City's on-line strategic sourcing platform as a separate addendum to the RFP. Under no circumstances shall an oral explanation given by any City official, officer, staff, or agent be binding upon the City and should be disregarded. All addenda are a part of the competitive solicitation documents, and each firm will be bound by such addenda. It is the responsibility of each to read and comprehend all addenda issued.

### 2.3 Changes and Alterations

Proposer may change or withdraw a Proposal at any time prior to Proposal submission deadline; however, no oral modifications will be allowed. Modifications shall not be allowed following the Proposal deadline.

### 2.4 Proposer's Costs

The City shall not be liable for any costs incurred by Proposers in responding to this RFP.

### 2.5 Pricing/Delivery

All pricing should be identified on the Cost Proposal page provided in this RFP. No additional costs may be accepted, other than the costs stated on the Cost Proposal page. Failure to use the City's Cost Proposal page and provide costs as requested in this RFP may deem your proposal non-responsive.

Contractor shall quote a firm, fixed price for all services stated in the RFP. All costs including travel shall be included in your proposal. The City shall not accept any additional costs including any travel associated with coming to the City of Fort Lauderdale.

### 2.6 Price Validity

Prices provided in this Request for Proposals (RFP) shall be valid for at least One Hundred and Twenty (120) days from time of RFP opening unless otherwise extended and agreed upon by the City and Proposer. The City shall award a contract within this time period or shall request to the recommended awarded vendor an extension to hold pricing, until products/services have been awarded.

### 2.7 Invoices/Payment

The City will accept invoices no more frequently than once per week. Each invoice shall fully detail the related costs and shall specify the status of the particular task or project as of the date of the invoice with regard to the accepted schedule for that task or project. Payment will be made

within forty-five (45) days after receipt of an invoice acceptable to the City, in accordance with the Florida Local Government Prompt Payment Act. If, at any time during the contract, the City shall not approve or accept the Contractor's work product, and agreement cannot be reached between the City and the Contractor to resolve the problem to the City's satisfaction, the City shall negotiate with the Contractor on a payment for the work completed and usable to the City.

Partial payments in the amount of 90% of the value of items received and accepted may be requested by the submission of a properly executed invoice, with supporting documents if required. The remaining 10% shall be withheld until all items and/or services have been finally accepted by the City. Retainage will be held until final reconciliation is complete. Portions of the retainage may be held by the City to repair damages caused by the Contractor to public or private property.

## **2.8 Related Expenses/Travel Expenses**

All costs including travel are to be included in your bid. The City will not accept any additional costs.

## **2.9 Payment Method – N/A**

## **2.10 Mistakes**

The proposer shall examine this RFP carefully. The submission of a Proposal shall be prima facie evidence that the consultant has full knowledge of the scope, nature, and quality of the work to be performed; the detailed requirements of the specifications; and the conditions under which the work is to be performed. Ignorance of the requirements will not relieve the consultant from liability and obligations under the Contract.

## **2.11 Acceptance of Proposals / Minor Irregularities**

**2.11.1** The City reserves the right to accept or reject any or all proposals, part of proposals, and to waive minor irregularities or variances to specifications contained in proposals which do not make the proposal conditional in nature and minor irregularities in the solicitation process. A minor irregularity shall be a variation from the solicitation that does not affect the price of the contract or does not give a respondent an advantage or benefit not enjoyed by other respondents, does not adversely impact the interests of other firms, or does not affect the fundamental fairness of the solicitation process. The City also reserves the right to reissue a Request for Proposal.

**2.11.2** The City reserves the right to disqualify Proposer during any phase of the competitive solicitation process and terminate for cause any resulting contract upon evidence of collusion with intent to defraud or other illegal practices on the part of the Proposer.

## **2.12 Modification of Services**

**2.12.1** While this contract is for services provided to the department referenced in this RFP, the City may require similar work for other City departments. Successful Proposer agrees to take on such work unless such work would not be considered reasonable or become an undue burden to the Successful Proposer.

**2.12.2** The City reserves the right to delete any portion of the work at any time without cause, and if such right is exercised by the City, the total fee shall be reduced in the same ratio as the estimated cost of the work deleted bears to the estimated cost of the work originally planned. If work has already been accomplished and approved by the City on any portion of a contract resulting from this RFP, the Successful Proposer shall be paid for the work completed on the basis of the estimated percentage of completion of such portion to the total project cost.

**2.12.3** The City may require additional items or services of a similar nature, but not specifically listed in the contract. The Successful Proposer agrees to provide such items or services and shall provide the City prices on such additional items or services. If the price(s) offered are not acceptable to the City, and the situation cannot be resolved to the satisfaction of the City, the City reserves the right to procure those items or services from other vendors, or to cancel the contract upon giving the Successful Proposer thirty (30) days written notice.

**2.12.4** If the Successful Proposer and the City agree on modifications or revisions to the task elements, after the City has approved work to begin on a particular task or project, and a budget has been established for that task or project, the Successful Proposer will submit a revised budget to the City for approval prior to proceeding with the work.

**2.13 Non-Exclusive Contract**

Proposer agrees and understands that the contract shall not be construed as an exclusive arrangement and further agrees that the City may, at any time, secure similar or identical services from another vendor at the City's sole option.

**2.14 Sample Contract Agreement**

A sample of the formal agreement template, which may be required to be executed by the awarded vendor can be found at our website:

<https://www.fortlauderdale.gov/home/showdocument?id=1212>

**2.15 Responsiveness**

In order to be considered responsive to the solicitation, the firm's proposal shall fully conform in all material respects to the solicitation and all its requirements, including all form and substance.

**2.16 Responsibility**

In order to be considered as a responsible firm, firm shall be fully capable to meet all of the requirements of the solicitation and subsequent contract, must possess the full capability, including financial and technical, to perform as contractually required, and must be able to fully document the ability to provide good faith performance.

**2.17 Minimum Qualifications**

Proposers shall be in the business of emergency/disaster debris collections as described in this RFP and must possess sufficient financial support, equipment, and organization to ensure that it can satisfactorily perform the services if awarded a Contract. Proposers must demonstrate that they, or the key staff assigned to the project, have successfully provided services with similar magnitude to those specified in the scope of services to at least three entities similar in size and complexity to the City of Fort Lauderdale or can demonstrate they have the experience with large scale private sector clients and the managerial and financial ability to successfully perform the work.

Proposers shall satisfy each of the following requirements cited below. Failure to do so may result in the proposal being deemed non-responsive.

**2.17.1** Proposer or principals shall have relevant experience in disaster debris removal and associated services as described in this RFP. Project manager assigned to the work must have a minimum of five (5) years of experience and have served as project manager on similar projects.

**2.17.2** Before awarding a contract, the City reserves the right to require that a Proposer submit such evidence of qualifications as the City may deem necessary. Further, the City may consider any evidence of the financial, technical, and other qualifications and abilities of a firm or principals, including previous experiences of same with the City and performance evaluation for services, in making the award in the best interest of the City.

**2.17.3** Firm or principals shall have no record of judgments, pending lawsuits against the City or criminal activities involving moral turpitude and not have any conflicts of interest that have not been waived by the City Commission.

**2.17.4** Neither firm nor any principal, officer, or stockholder shall be in arrears or in default of any debt or contract involving the City, (as a party to a contract, or otherwise); nor have failed to perform faithfully on any previous contract with the City.

## **2.18 Lobbying Activities**

ALL CONTRACTORS PLEASE NOTE: Any contractor submitting a response to this solicitation must comply, if applicable, with City of Fort Lauderdale Ordinance No. C-11-42 & Resolution No. 07-101, Lobbying Activities. Copies of Ordinance No. C-11-42 and Resolution No. 07-101 may be obtained from the City Clerk's Office on the 7th Floor of City Hall, 100 N. Andrews Avenue, Fort Lauderdale, Florida. The ordinance may also be viewed on the City's website at: <http://www.fortlauderdale.gov/home/showdocument?id=6036>.

## **2.19 Local Business Preference – N/A**

## **2.20 Disadvantaged Business Enterprise Preference – N/A**

## **2.21 Protest Procedure**

**2.21.1** Any Proposer who is not recommended for award of a contract and who alleges a failure by the city to follow the city's procurement ordinance or any applicable law, may follow the protest procedure as found in the city's procurement ordinance within five (5) days after a notice of intent to award is posted on the city's web site at the following link.

<https://www.fortlauderdale.gov/government/departments-a-h/finance/procurement-services/notices-of-intent-to-award>

**2.21.2** The complete protest ordinance may be found on the city's web site at the following link: [https://library.municode.com/fl/fort\\_lauderdale/codes/code\\_of\\_ordinances?nodeId=COOR\\_CH2AD\\_ARTVFI\\_DIV2PR\\_S2-182DIREPRAWINAW](https://library.municode.com/fl/fort_lauderdale/codes/code_of_ordinances?nodeId=COOR_CH2AD_ARTVFI_DIV2PR_S2-182DIREPRAWINAW)

## **2.22 Public Entity Crimes**

Proposer, by submitting a proposal, certifies that neither the Proposer nor any of the Proposer's principals has been placed on the convicted vendor list as defined in Section 287.133, Florida Statutes (2018), as may be amended or revised. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, sub-contractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in s. 287.017 for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list.

## 2.23 Subcontractors

**2.23.1** If the Contractor proposes to use subcontractors in the course of providing these services to the City, this information shall be a part of the bid/proposal response. Such information shall be subject to review, acceptance, and approval of the City, prior to any contract award. The City reserves the right to approve or disapprove of any subcontractor candidate in its best interest and to require Contractor to replace subcontractor with one that meets City approval.

**2.23.2** Contractor shall ensure that all of Contractor's subcontractors perform in accordance with the terms and conditions of this Contract. Contractor shall be fully responsible for all of Contractor's subcontractors' performance, and liable for any of Contractor's subcontractors' non-performance and all of Contractor's subcontractors' acts and omissions. Contractor shall defend, at Contractor's expense, counsel being subject to the City's approval or disapproval, and indemnify and hold harmless the City and the City's officers, employees, and agents from and against any claim, lawsuit, third-party action, or judgment, including any award of attorney fees and any award of costs, by or in favor of any Contractor's subcontractors for payment for work performed for the City.

**2.23.3** Contractor shall require all its subcontractors to provide the required insurance coverage as well as any other coverage that the contractor may consider necessary, and any deficiency in the coverage or policy limits of said subcontractors will be the sole responsibility of the contractor.

## 2.24 Proposal Security

**2.24.1** A proposal security payable to the City of Fort Lauderdale shall be submitted with the proposal response in the amount of five percent (5%) of the total proposed amount. A proposal security can be in the form of a bid/proposal bond or cashier's check. Proposal security will be returned to the unsuccessful contractor as soon as practicable after opening of proposals. Proposal security will be returned to the successful Proposer after acceptance of the Payment and Performance Bond, if required; acceptance of insurance coverage, if required; and full execution of contract documents, if required; or other conditions as stated in Special Conditions or elsewhere in the RFP.

The [City's on-line strategic sourcing platform](#) allows proposers to submit bid bonds electronically directly through the system using **Surety 2000**.

**2.24.2** The Proposer may choose to mail their original executed bid/proposal bond or upload the bid/proposal bond on [City's on-line strategic sourcing platform](#) to accompany their electronic proposal and then deliver the original, signed and sealed bid/proposal bond within five (5) business days from the solicitation end date or it will be determined as non-responsive. A bid/proposal security in the form of a cashier's check must be an original document and must be submitted at the time of the bid/proposal due date. If choosing the cashier's check method, plan in advance to send via United States Postal Service or air freight carrier to ensure cashier's check arrives on or before bid opening/proposal closing deadline.

**A.** Deliver via United States Postal Service or air freight carrier to the following address:  
City of Fort Lauderdale  
Procurement Services  
Attn.: Laurie Platkin  
521 NE 4<sup>th</sup> Avenue  
Fort Lauderdale, FL 33301

**B.** Include company name, solicitation number and title clearly indicated outside of the envelope.

**2.24.3** Failure of the successful Proposer to execute a contract, provide a Performance Bond, and furnish evidence of appropriate insurance coverage, as provided herein, within thirty (30) days after written notice of award has been given, shall be just cause for the annulment of the award and the forfeiture of the proposal security to the City, which forfeiture shall be considered, not as a penalty, but as liquidation of damages sustained.

## **2.25 Payment and Performance Bond**

**2.26.1** The successful Proposer shall post a Payment and Performance Bond for the performance and prompt payment to all persons supplying labor and material in the execution of the work to be performed under this contract and on any/or all duly authorized modifications hereof.

**A.** The Payment and Performance Bond shall be submitted within three (3) business days of the issuance of a Notice to Proceed (NTP) unless otherwise approved in writing and shall be the sum equal to one hundred percent (100%) of the contract amount, plus adjustments thereto, unless otherwise specified.

**B.** The bond shall be in force for a period of one (1) year from the date of the original execution by the Bond Surety.

**2.25.2** If the bond is on an annual coverage basis, renewal for each succeeding year shall be submitted to the City thirty (30) days prior to the termination date of the existing Payment and Performance Bond. The Performance Bond must be executed by a surety company or recognized standing to do business in the State of Florida and having a resident agent.

**2.25.3** The Proposer must have a Financial Size Categories (FSC) rating of no less than "A-" by the latest edition of Best's Key Rating Guide, or acceptance of insurance company that holds a valid Florida Certificate of Authority issued by the State of Florida, Department of Insurance, and are members of the Florida Guarantee Fund.

**2.25.4** Acknowledgement and agreement is given by both parties that the amount herein set for the Payment and Performance Bond is not intended to be nor shall be deemed to be in the nature of liquidated damages nor is it intended to limit the liability of the Contractor to the City in the event of a material breach of this Agreement by the Contractor.

## **2.26 Insurance Requirements**

**2.26.1** As a condition precedent to the effectiveness of this Agreement, during the term of this Agreement and during any renewal or extension term of this Agreement, the Contractor, at its sole expense, shall provide insurance of such types and with such terms and limits as noted below. Providing proof of and maintaining adequate insurance coverage are material obligations of the Contractor. The Contractor shall provide the City a certificate of insurance evidencing such coverage. The Contractor's insurance coverage shall be primary insurance for all applicable policies. The limits of coverage under each policy maintained by the Contractor shall not be interpreted as limiting the Contractor's liability and obligations under this Agreement. All insurance policies shall be through insurers authorized or eligible to write policies in the State of Florida and possess an A.M. Best rating of A-, VII or better, subject to approval by the City's Risk Manager.

**2.26.2** The coverages, limits, and endorsements required herein protect the interests of the City, and these coverages, limits, and/or endorsements shall in no way be relied upon by the Contractor for assessing the extent or determining appropriate types and limits of coverage to protect the Contractor against any loss exposures, whether as a result of this Agreement or otherwise. The requirements contained herein, as well as the City's review or acknowledgement, are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by the Contractor under this Agreement.

**2.26.3** The following insurance policies and coverages are required:

**Commercial General Liability**

Coverage must be afforded under a Commercial General Liability policy with limits not less than:

- \$2,000,000 each occurrence and \$2,000,000 aggregate for Bodily Injury, Property Damage, and Personal and Advertising Injury
- \$2,000,000 each occurrence and \$2,000,000 aggregate for Products and Completed Operations

Policy must include coverage for contractual liability and independent contractors.

The City, a Florida municipality, its officials, employees, and volunteers are to be covered as an additional insured with a CG 20 26 04 13 Additional Insured – Designated Person or Organization Endorsement or similar endorsement providing equal or broader Additional Insured Coverage with respect to liability arising out of activities performed by or on behalf of Contractor. The coverage shall contain no special limitation on the scope of protection afforded to the City, its officials, employees, and volunteers.

**Professional Liability/Errors & Omissions**

Coverage must be afforded for Wrongful Acts in an amount not less than \$1,000,000 each claim and \$2,000,000 aggregate.

Contractor must keep the professional liability/errors and omissions insurance in force until the third anniversary of expiration or early termination of this Agreement or the third anniversary of acceptance of work by the City, whichever is longer, which obligation shall survive expiration or early termination of this Agreement.

**Watercraft Liability (Protection and Indemnification) (if watercraft is utilized)**

Coverage must be afforded in an amount not less than \$1,000,000 per occurrence and must cover the utilization of watercraft, including Bodily Injury and Property Damage arising out of ownership, maintenance, or use of any watercraft, including owned, non-owned, and hired.

Coverage may be provided in the form of an endorsement to the Commercial General Liability policy, or in the form of a separate policy covering Watercraft Liability or Protection and Indemnity for Bodily Injury and Property Damage.

**Business Automobile Liability**

Coverage must be afforded for all Owned, Hired, Scheduled, and Non-Owned vehicles for Bodily Injury and Property Damage in an amount not less than \$1,000,000 combined single limit each accident.

If Contractor does not own vehicles, Contractor shall maintain coverage for Hired and Non-Owned Auto Liability, which may be satisfied by way of endorsement to the Commercial General Liability policy or separate Business Auto Liability policy.

**Pollution and Remediation Legal Liability (Hazardous Materials)**

For the purpose of this section, the term “hazardous materials” includes all materials and substances that are designated or defined as hazardous by Florida or federal law or by the rules or regulations of Florida or any federal agency. If work being performed involves hazardous materials, Contractor shall procure and maintain any or all of the following coverages (which will be specifically addressed upon review of exposure):

**Contractors Pollution Liability Coverage**

For sudden and gradual occurrences and in an amount not less than \$1,000,000 per claim arising out of this Agreement, including but not limited to, all hazardous materials identified under the Agreement.

**Asbestos Liability Coverage**

For sudden and gradual occurrences and in an amount not less than \$1,000,000 per claim arising out of work performed under this Agreement.

**Hazardous Waste Transportation Coverage**

Contractor shall designate the hauler and furnish a Certificate of Insurance from the hauler for Automobile Liability insurance with Endorsement MCS90 for liability arising out of the transportation of hazardous materials in an amount not less than \$1,000,000 per claim limit and provide a valid EPA identification number.

**Disposal Coverage**

Contractor shall designate the disposal site and furnish a Certificate of Insurance from the disposal facility for Environmental Impairment Liability insurance, covering liability for sudden and accidental occurrences in an amount not less than \$1,000,000 per claim and shall include liability for non-sudden occurrences in an amount not less than \$1,000,000 per claim.

**Workers’ Compensation and Employer’s Liability**

Coverage must be afforded per Chapter 440, Florida Statutes. Any person or entity performing work for or on behalf of the City must provide Workers’ Compensation insurance. Exceptions and exemptions will be allowed by the City’s Risk Manager, if they are in accordance with Florida Statute.

Contractor waives, and Contractor shall ensure that Contractor’s insurance carrier waives, all subrogation rights against the City, its officials, employees, and volunteers for all losses or damages. The City requires the policy to be endorsed with WC 00 03 13 Waiver of our Right to Recover from Others or equivalent.

Contractor must be in compliance with all applicable State and federal workers’ compensation laws, including the U.S. Longshore and Harbor Workers’ Compensation Act and the Jones Act, if applicable.

**2.26.4 Insurance Certificate Requirements**

- a.** The Contractor shall provide the City with valid Certificates of Insurance (binders are unacceptable) no later than ten (10) days prior to the start of work contemplated in this Agreement.

- b. The Contractor shall provide to the City a Certificate of Insurance having a thirty (30) day notice of cancellation; ten (10) days' notice if cancellation is for nonpayment of premium.
- c. In the event that the insurer is unable to accommodate the cancellation notice requirement, it shall be the responsibility of the Contractor to provide the proper notice. Such notification will be in writing by registered mail, return receipt requested, and addressed to the certificate holder.
- d. In the event the Agreement term or any surviving obligation of the Contractor following expiration or early termination of the Agreement goes beyond the expiration date of the insurance policy, the Contractor shall provide the City with an updated Certificate of Insurance no later than ten (10) days prior to the expiration of the insurance currently in effect. The City reserves the right to suspend the Agreement until this requirement is met.
- e. The Certificate of Insurance shall indicate whether coverage is provided under a claims-made or occurrence form. If any coverage is provided on a claims-made form, the Certificate of Insurance must show a retroactive date, which shall be the effective date of the initial contract or prior.
- f. The City shall be named as an Additional Insured on all liability policies, with the exception of Workers' Compensation.
- g. The City shall be granted a Waiver of Subrogation on the Contractor's Workers' Compensation insurance policy.
- h. The title of the Agreement, Bid/Proposal/Contract number, event dates, or other identifying reference must be listed on the Certificate of Insurance.

The Certificate Holder should read as follows:

City of Fort Lauderdale  
 100 N. Andrews Avenue  
 Fort Lauderdale, FL 33301

- 2.26.5** The Contractor has the sole responsibility for all insurance premiums and shall be fully and solely responsible for any costs or expenses as a result of a coverage deductible, co-insurance penalty, or self-insured retention; including any loss not covered because of the operation of such deductible, co-insurance penalty, self-insured retention, or coverage exclusion or limitation. Any costs for adding the City as an Additional Insured shall be at the Contractor's expense.
- 2.26.6** If the Contractor's primary insurance policy/policies do not meet the minimum requirements, as set forth in this Agreement, the Contractor may provide evidence of an Umbrella/Excess insurance policy to comply with this requirement.
- 2.26.7** The Contractor's insurance coverage shall be primary insurance as respects to the City, a Florida municipal corporation, its officials, employees, and volunteers. Any insurance or self-insurance maintained by the City, a Florida municipal corporation, its officials, employees, or volunteers shall be non-contributory.
- 2.26.8** Any exclusion or provision in any insurance policy maintained by the Contractor that excludes coverage required in this Agreement shall be deemed unacceptable and shall be considered breach of contract.
- 2.26.9** All required insurance policies must be maintained until the contract work has been accepted by the City, or until this Agreement is terminated, whichever is later. Any lapse

in coverage shall be considered breach of contract. In addition, Contractor must provide to the City confirmation of coverage renewal via an updated certificate should any policies expire prior to the expiration of this Agreement. The City reserves the right to review, at any time, coverage forms and limits of Contractor's insurance policies.

**2.26.10** The Contractor shall provide notice of any and all claims, accidents, and any other occurrences associated with this Agreement shall be provided to the Contractor's insurance company or companies and the City's Risk Management office as soon as practical.

**2.26.11** It is the Contractor's responsibility to ensure that any and all of the Contractor's independent contractors and subcontractors comply with these insurance requirements. All coverages for independent contractors and subcontractors shall be subject to all of the applicable requirements stated herein. Any and all deficiencies are the responsibility of the Contractor.

## **2.27 Award of Contract**

A Contract (the "Agreement") may be awarded by the City Commission. The City reserves the right to execute or not execute, as applicable, a contract with the Proposer(s) that is determined to be in the City's best interests. The City reserves the right to award a contract to more than one Proposer, at the sole and absolute discretion of the City.

## **2.28 Unauthorized Work**

The Successful Proposer(s) shall not begin work until a Contract has been awarded by the City Commission and a notice to proceed has been issued. Proposer(s) agree and understand that the issuance of a Purchase Order and/or Task Order shall be issued and provided to the Successful Proposer(s) following Commission award; however, receipt of a purchase order and/or task order shall not prevent the Successful Proposer(s) from commencing the work once the City Commission has awarded the contract and notice to proceed is issued.

## **2.29 Damage to Public or Private Property**

Extreme care shall be taken to safeguard all existing facilities, site amenities, irrigation systems, vehicles, etc. on or around the job site. Damage to public and/or private property shall be the responsibility of the Contractor and shall be repaired and/or replaced at no additional cost to the City.

## **2.30 Safety**

The Contractor(s) shall adhere to the Florida Department of Transportation's Uniform manual on Traffic Control for construction and maintenance work zones when working on or near a roadway. It will be the sole responsibility of the Contractor to make themselves and their employees fully aware of these provisions, especially those applicable to safety.

## **2.31 Uncontrollable Circumstances ("Force Majeure")**

The City and Contractor will be excused from the performance of their respective obligations under this agreement when and to the extent that their performance is delayed or prevented by any circumstances beyond their control including, fire, flood, explosion, strikes or other labor disputes, act of God or public emergency, war, riot, civil commotion, malicious damage, act or omission of any governmental authority, delay or failure or shortage of any type of transportation, equipment, or service from a public utility needed for their performance, provided that:

**2.31.1** The non-performing party gives the other party prompt written notice describing the particulars of the Force Majeure including, but not limited to, the nature of the occurrence

and its expected duration, and continues to furnish timely reports with respect thereto during the period of the Force Majeure;

**2.31.2** The excuse of performance is of no greater scope and of no longer duration than is required by the Force Majeure;

**2.31.3** No obligations of either party that arose before the Force Majeure causing the excuse of performance are excused as a result of the Force Majeure; and

**2.31.4** The non-performing party uses its best efforts to remedy its inability to perform. Notwithstanding the above, performance shall not be excused under this Section for a period in excess of two (2) months, provided that in extenuating circumstances, the City may excuse performance for a longer term. Economic hardship of the Contractor will not constitute Force Majeure. The term of the agreement shall be extended by a period equal to that during which either party's performance is suspended under this Section.

### **2.32 Canadian Companies**

In the event Contractor is a corporation organized under the laws of any province of Canada or is a Canadian federal corporation, the City may enforce in the United States of America or in Canada or in both countries a judgment entered against the Contractor. The Contractor waives any and all defenses to the City's enforcement in Canada, of a judgment entered by a court in the United States of America. All monetary amounts set forth in this Contract are in United States dollars.

### **2.33 News Releases/Publicity**

News releases, publicity releases, or advertisements relating to this contract, or the tasks or projects associated with the project shall not be made without prior City approval.

### **2.34 Manufacturer/Brand/Model Specific Request**

This is a manufacturer/brand/model specification. No substitutions will be allowed.

### **2.35 Contract Period**

The initial contract term shall commence upon date of award by the City on \_\_\_\_\_, or March 4, 2024, whichever is later, and shall expire three (3) years from that date. The City reserves the right to extend the contract for two (2), additional one (1) year terms, providing all terms, conditions and specifications remain the same, both parties agree to the extension, and such extension is approved by the City.

In the event services are scheduled to end because of the expiration of this contract, the Contractor shall continue the service upon the request of the City as authorized by the awarding authority. The extension period shall not extend for more than 270 days beyond the expiration date of the existing contract. The Contractor shall be compensated for the service at the rate in effect when this extension clause is invoked by the City.

### **2.36 Cost Adjustments – N/A**

### **2.37 Service Test Period**

If the Contractor has not previously performed the services to the city, the City reserves the right to require a test period to determine if the Contractor can perform in accordance with the requirements of the contract, and to the City's satisfaction. Such test period can be from thirty to ninety days, and will be conducted under all specifications, terms and conditions contained in the contract. This trial period will then become part of the initial contract period.

A performance evaluation will be conducted prior to the end of the test period and that evaluation will be the basis for the City's decision to continue with the Contractor or to select another Contractor (if applicable).

**2.38 Contract Coordinator**

The City may designate a Contract Coordinator whose principal duties shall be:

- Liaison with Contractor.
- Coordinate and approve all work under the contract.
- Resolve any disputes.
- Assure consistency and quality of Contractor's performance.
- Schedule and conduct Contractor performance evaluations and document findings.
- Review and approve for payment all invoices for work performed or items delivered.

**2.39 Contractor Performance Reviews and Ratings**

The City Contract Coordinator may develop a Contractor performance evaluation report. This report shall be used to periodically review and rate the Contractor's performance under the contract with performance rating as follows:

- Excellent Far exceeds requirements.
- Good Exceeds requirements.
- Fair Just meets requirements.
- Poor Does not meet all requirements and contractor is subject to penalty provisions under the contact.
- Non-compliance Either continued poor performance after notice or a performance level that does not meet a significant portion of the requirements.

This rating makes the Contractor subject to default or cancellation for cause provisions of the contract.

The report shall also list all discrepancies found during the review period. The Contractor shall be provided with a copy of the report and may respond in writing if he takes exception to the report or wishes to comment on the report. Contractor performance reviews and subsequent reports will be used in determining the suitability of contract extension.

**2.40 Substitution of Personnel**

It is the intention of the City that the Contractor's personnel proposed for the contract will be available for the contract term.

In the event the Contractor wishes to substitute trained, qualified, personnel for those listed in the proposal, the City shall receive prior notification and have the right to review, test and approve such substitutions, if deemed necessary. If the City has reasonable evidence to believe that an employee of the Contractor is incompetent, or has performed his or her employment in an objectionable manner, the City shall have the right to require the Contractor to resolve the situation to the City's satisfactions, provided, however, that the Contractor shall not be required to institute or pursue to completion any action if to do so would violate any law, state statute, city ordinance, contract or employment or union agreement.

**2.41 Ownership of Work**

The City shall have full ownership and the right to copyright, otherwise limit, reproduce, modify, sell, or use all the work or product produced under this contract without payment of any royalties or fees to the Contractor above the agreed hourly rates and related costs.

**2.42 Condition of Trade-In Equipment – N/A**

**2.43 Conditions of Trade-In Shipment and Purchase Payment – N/A**

**2.44 Verification of Employment Status**

Any Contractor/Consultant assigned to perform responsibilities under its contract with a State agency is required to utilize the US Department of Homeland Security's E-Verify system (per Executive Order Number 11-02) to verify the employment eligibility of: (a) all persons employed during the contract term by the Contractor to perform employment duties within Florida; and (b) all persons (including subcontractors) assigned by the Contractor to perform work pursuant to the contract with the State agency.

E-VERIFY Affirmation Statement must be completed and submitted with Proposer's response to this RFP.

**2.45 Service Organization Controls – N/A**

**2.46 Warranties of Usage**

Any estimated quantities listed are for information and tabulation purposes only. No warranty or guarantee of quantities needed is given or implied. It is understood that the Contractor will furnish the City's needs as they arise.

**2.47 PCI (Payment Card Industry) Compliance – N/A**

*END OF SECTION*

## SECTION III - TECHNICAL SPECIFICATIONS/SCOPE OF SERVICES

### 3.1 INTRODUCTION

- 3.1.1** The City of Fort Lauderdale (City) is the largest populated city of 31 municipalities in Broward County, Florida. Located on the southeast coast of the State, the City may experience massive destruction from the impact of a hurricane landfall, violent storms spawning tornadoes, and other natural or manmade disasters or emergencies.
- 3.1.2** As a full-service community providing for the economic sustainability of business and residential life, efficient and effective recovery of debris is paramount following a disaster event. The City takes great pride in facilitating tourism; operating an Executive Airport; maintaining seven miles of Atlantic Ocean beach; and hosting a world class marine industry with 165 miles of waterways, Port Everglades, and numerous cruise ships. **Therefore, the City is seeking a highly experienced and highly qualified Disaster and Debris Management Contractor to protect the health, safety, and welfare of our community should disaster strike.**
- 3.1.3** The City's expectation is that by hiring a professional Debris Management Contractor (DMC) to assist the City in a disaster event, the City is fully dependent and relying upon the professional expertise, training, and experience of the DMC. The DMC shall be fully responsible for operating in accordance with the Stafford Act, Federal Emergency Management Administration (FEMA) procedures and/or other governmental regulatory agencies and insurance companies. DMC shall perform all work in compliance with such regulations, representing the City to ensure maximum financial recovery.

### 3.2 PURPOSE

- 3.2.1** The City is seeking proposals to establish a pre-need, pre-event contract with a qualified and experienced emergency and debris management firm, herein after referred to as Contractor or Debris Management Contractor (DMC), to provide services to the City during disaster or emergency events.
- 3.2.2** Disasters include natural events such as hurricanes, tornadoes, windstorms, floods, and fires, as well as man-made events or emergencies such as civil unrest and terrorist attacks. In the event of a disaster or emergency, the DMC shall service the City first and be on-call to provide all support services necessary to ensure the safety and well-being of all residents and visitors to the City.
- 3.2.3** DMC may also be called upon throughout the year to render services to assist the City with special needs and events other than full-scale disasters, as determined by the City Manager. The City retains the right to obtain similar services from additional contractors.
- 3.2.4** Services may include, but not be limited to the following:
- A.** Large-scale debris removal/hauling
  - B.** Debris separation, storage, processing, and disposal;
  - C.** Management and operation of Temporary Debris Management Sites (TDMS);
  - D.** Demolition of structures and demolition debris removal;
  - E.** Hazardous waste handling; hazardous limb and tree removal, stump grinding and removal; marine salvage operations; waterway debris clearing; sand removal from roads, streets, and rights-of-way; beach sand screening and replacement; emergency berm construction; provision of ice, water and generators; project management assistance; and assistance with Federal and State reporting and reimbursement efforts.

**3.2.5** This request for proposals is solicited in accordance with Procurement Requirement for Federal grants as provided for in Title 2 Code of Federal Regulations (CFR) Part 200. Contractor must follow and comply with all applicable requirements in the execution of this agreement and must require and enforce compliance with all subcontractors. (See EXHIBIT A).

### **3.3 MINIMUM QUALIFICATIONS**

**3.3.1** To be eligible for award of a contract in response to this RFP, the Proposer must demonstrate that it has successfully completed services, as specified in this solicitation and are normally and routinely engaged in performing such services and are properly and legally licensed to perform such work. In addition, the Contractor must have no conflict of interest with regard to any other work performed by the Contractor for the City of Fort Lauderdale.

**3.3.2** The Proposer must have the capacity to manage a major and diverse workforce with multiple subcontractors and to cover the expenses associated with a major recovery operation prior to the initial payment and between subsequent payments, as well as the capacity to provide the necessary bonds and insurance. Proposer must also have an established management team, an established network of resources to provide the necessary equipment and personnel, comprehensive debris removal and volume reduction operations plans and demonstrate experience in major disaster recovery projects.

**3.3.3** The selected firm must be experienced and knowledgeable in Federal Emergency Management Administration (FEMA) and Insurance reimbursement rules and procedures and must demonstrate such to the City in its proposal and subsequent selection process presentations. The selected firm must also demonstrate experience and knowledge of state, local and federal environmental regulating and permitting agencies. The selected firm will be responsible for staying current with all FEMA and other agencies guidelines and regulations and will be responsible for advising the City from beginning to end to ensure maximum financial recovery for the City.

**3.3.4** Proposer is properly and legally licensed to perform Disaster and Debris Management Services.

**3.3.5** Proposer is currently, and has been conducting business as, a full-service Disaster Debris Management Contractor for the last ten (10) consecutive years.

**3.3.6** Proposer provides Disaster Debris Management Services as the primary contractor in at least three (3) states.

**3.3.7** Proposer has experience performing work as a primary contractor on Disaster Debris Management projects exceeding fifty million dollars (\$50,000,000) per event.

**3.3.8** Proposer currently has a minimum of three (3) full-service Disaster Debris Management contracts in place in which (1) the Proposer is the primary contractor; and (2) the contract is with a government entity with a population of at least 150,000 residents.

**3.3.9** Proposer has experience in simultaneously operating a minimum of three (3) Temporary Debris Management Sites (TDMS).

**3.3.10** Proposer has direct management and permitting experience in sand screening and beach re-nourishment projects, with at least one (1) project including screening a minimum of twenty thousand (20,000) cubic yards of sand.

- 3.3.11** Proposer will provide experienced staff. Certification or active involvement with disaster preparedness agencies is highly desirable such as: NIMS certification, FEMA Region IV, FEMA National Advisory Council, FEMA National Training Programs (NTP), FEMA Center for Domestic Preparedness (CDP), FEMA Emergency Management Institute (EMI), Florida State Emergency Response Team (SERT), and/or Florida Governor's Hurricane Conference training/instructor.
- 3.3.12** Proposer certifies that their company is a licensed General Contractor, preferably in the State of Florida, or a joint agency with a Florida General Contractor. Proposer must submit a copy of the license with the proposal and be in good standing with the State regulatory body. No specific designation is required, only that the company is properly licensed as a Contractor to perform the work detailed in this RFP.
- 3.3.13** Proposer must show its qualifications in the handling of hazardous materials and household hazardous waste. This requirement can be demonstrated by including a listing of the proposer's employees and their respective HAZWOPER licenses, asbestos licenses and other related qualifications.

### **3.4 PRICING**

- 3.4.1** Proposer shall provide all-inclusive unit prices that include supplying all equipment, tools, and labor necessary to perform the duties described in the bid item. The documentation and recovery process, including plan development, mobilization, demobilization, record keeping and quality control shall be included in the prices. Disposal costs must be documented and shall be pass-through costs to the City without markup by the Contractor. Prices must be provided for all bid items or Proposer may be deemed non-responsive.
- 3.4.2** Invoices to be paid based on incoming load tickets
- A.** Contractor will pay disposal fee, if applicable, at final disposal site(s) and bill the City at cost. Contractor will likewise reimburse City for any revenue received for salvaged or recycled materials.
  - B.** Only stumps requiring extraction from rights-of-way, including backfill, etc. to be priced using Stump Conversion Table and Hazardous Stump Worksheet in FEMA Recovery Policy (RP) 9523.11 dated May 15, 2007, or any subsequent edition.

### **3.5 DEFINITIONS**

- 3.5.1 Beach Sand** means Atlantic Ocean beach sand which contains fragments of seashell mixed with quartz crystals making a colorful light brown mix. Shells and sand are smooth and polished from years of abrasion.
- 3.5.2 Choke Point** means an inspection site where all trucks must pass.
- 3.5.3 City** means the City of Fort Lauderdale or the City Commission, for whom work is to be conducted pursuant to this RFP and resulting contract.
- 3.5.4 Clean As You Go Policy** means clearing all debris from each street or work zone on the first pass, whenever possible.
- 3.5.5 Construction and Demolition Debris (C&D Debris)** means damaged components of buildings and structures such as lumber and wood, gypsum wallboard, glass, metal, roofing material, tile, carpeting and floor coverings, window coverings, plastic pipe, concrete, fully cured asphalt, heating, ventilation, and air conditioning (HVAC) systems

and their components, light fixtures, small consumer appliances, equipment, furnishings and fixtures that are a result of a disaster event. (Note: This definition of C&D is for disaster recovery purposes and is not the same definition commonly as found in Chapter 62-701, Florida Administrative Code.)

- 3.5.6 Contract Manager** means the City's representative duly authorized by the City Manager to provide direction to the DMC regarding services provided pursuant to this ITB and resulting contract.
- 3.5.7 Debris** means items and materials broken, destroyed, or displaced by a natural or manmade federally declared disaster. Examples of debris include, but are not limited to vegetative material, construction and demolition debris and personal property.
- 3.5.8 Debris Management Contractor (DMC)** means the successful Proposer, whether a corporation, partnership, individual or any combination thereof, and its successors, personal representatives, executors, administrators and assignees.
- 3.5.9 Debris Monitor** means the firm retained by the City to monitor the DMC's activities pursuant to its contract with the City and to ensure compliance with FEMA requirements.
- 3.5.10 Drop-Off Site** means a site established for residents of Fort Lauderdale to drop off debris.
- 3.5.11 Electronic Waste (E-Waste)** means loosely discarded, damaged, obsolete, or broken electrical or electronic devices including, but not limited to, computers, computer monitors, televisions, and microwaves.
- 3.5.12 Eligible Debris** as determined by FEMA Public Assistance Debris Management Guide <https://www.fema.gov/pdf/government/grant/pa/demagde.pdf> and other applicable regulations means debris resulting from a Presidentially declared disaster whose removal, as determined by the City Manager or his designee, is in the public interest because it is necessary to (1) eliminate immediate threats to life, public health and safety; (2) eliminate immediate threats of significant damage to improved public or private property; or (3) ensure economic recovery.
- 3.5.13 FDEP** means the Florida Department of Environmental Protection.
- 3.5.14 FDH** means Florida Department of Health
- 3.5.15 FDOT** means the Florida Department of Transportation.
- 3.5.16 FEMA** means the Federal Emergency Management Administration.
- 3.5.17 FFWC** means the Florida Fish and Wildlife Conservation Commission.
- 3.5.18 FHWA** means the Federal Highway Administration.
- 3.5.19 Global Positioning System (GPS)** means a global navigation satellite system that provides location and time information in all weather conditions, anywhere on or near the Earth, where there is an unobstructed line of sight to four or more GPS satellites.

- 3.5.20 Hazardous Stump** means an uprooted tree or stump (i.e., 50% or more of the root ball is exposed) on a public right-of-way, improved public property or improved property owned by certain private nonprofit organizations, and the exposed root ball poses an immediate threat to life, public health and safety.
- 3.5.21 Hazardous Waste** means materials and products from institutional, commercial, recreational, industrial, and agricultural sources that contain certain chemicals with one or more of the following characteristics, as defined by the U.S. Environmental Protection Agency: 1) toxic; 2) flammable; 3) corrosive; and/or 4) reactive, in accordance with Environmental Protection Agency (EPA) Section for toxic, flammable, corrosive reaction Resource Conservation and Recovery Act (RCRA) Subtitle C 40 CFR Part 260.
- 3.5.22 Household Hazardous Waste** means used or leftover contents of consumer products that contain chemicals with one or more of the following characteristics, as defined by the U.S. Environmental Protection Agency: 1) toxic; 2) flammable; 3) corrosive; and/or 4) reactive. Examples of Household Hazardous Waste include small quantities of normal household cleaning and maintenance products, latex and oil-based paint, cleaning solvents, gasoline, oils, swimming pool chemicals, pesticides, and propane gas cylinders in accordance with Environmental Protection Agency (EPA) Section for toxic, flammable, corrosive reaction Resource Conservation and Recovery Act (RCRA) Subtitle C 40 CFR Part 260.
- 3.5.23 NRCS** means Natural Resources Conservation Service.
- 3.5.24 Notice to Proceed** means the written notice given by the City Manager or designee to the DMC of the date and time for work to start.
- 3.5.25 Proposer** means any person, partnership or corporation submitting a proposal pursuant to this RFP.
- 3.5.26 Project Manager** means the DMC's representative authorized to make and execute decisions on behalf of the DMC.
- 3.5.27 Temporary Debris Management Site (TDMS)** means a location where debris is temporarily stored, reduced, segregated, and/or processed prior to final disposal.
- 3.5.28 Vegetative Debris** means clean, woody debris and other organic materials that can be chipped and mulched or burned.
- 3.5.29 White Goods** means all appliances; including, but not limited to, refrigerators, freezers, stoves, washers, dryers and HVAC units.

### **3.6 GENERAL REQUIREMENTS**

- 3.6.1** DMC shall supply all labor, supervision, materials, equipment, facilities, power, communications, provisions, and other services and supplies necessary for, or incidental to, the performance of debris removal and disposal services as described in this RFP, in accordance with all laws, regulations and FEMA requirements. Any and all services provided by DMC and labor, materials and equipment used by DMC, and its subcontractors, must comply fully with all Federal, State, and local laws, regulations, and guidance.

- 3.6.2** DMC shall submit with its response to this RFP an operational plan to demonstrate compliance with the specifications.
- 3.6.3** DMC shall disclose current and future debris management contractual obligations.
- 3.6.4** DMC's Project Manager or a higher-ranking decision-making designee shall be physically present if directed at the City's Emergency Operations Center within twenty-four (24) hours after the thirty-six (36)-hour hurricane warning is issued upon request of the Contract Administrator or City Manager. DMC's duties shall include, but are not limited to the following:
- A.** assisting in the impact assessment and required resources;
  - B.** assessing damage;
  - C.** coordinating helicopter survey;
  - D.** preparing for first push;
  - E.** ordering and staging equipment and supplies;
  - F.** coordinating the opening of TDMSs; and
  - G.** assisting in coordinating the action plan to be operational within the first twenty-four (24) hours.
- 3.6.5** DMC shall commence debris management services within twenty-four (24) hours of issuance of Notice to Proceed. DMC shall mobilize a minimum of fifty percent (50%) of the required resources as approved by the Contract Administrator within forty-eight (48) hours of issuance of Notice to Proceed and one hundred percent (100%) of the required resources within ninety-six (96) hours.
- 3.6.6** The City may issue Notice to Proceed twenty-four (24) to forty-eight (48) hours prior to a storm event, depending upon the magnitude of the event, to allow sufficient time to prepare for commencement of operations.
- 3.6.7** DMC shall provide a Clean As You Go Policy and supervise and enforce such policy during debris management operations.
- 3.6.8** DMC shall provide the following annual services:
- A.** DMC shall attend and participate in up to three (3) planning meetings with the City as directed by the Contract Administrator.
  - B.** DMC shall prepare and present a written plan of operations, including a clear description of the percentage of work DMC may subcontract out and a list of subcontractors, at least once per year.
  - C.** DMC shall review and visit, with City staff, the TDMS to be used during the coming year upon City's direction.
  - D.** DMC shall provide phone consultations and reference information to City staff upon request.
- 3.6.9** DMC shall notify the City within twenty-four (24) hours of any Notices of Violation or other notice of any legal or regulatory actions taken against DMC or its subcontractors while conducting work within the scope of this contract. DMC shall be responsible for responding to and completing any corrective action necessary in response to such notice, and for any fines resulting from any violations of Federal, State, or local laws or regulations.

- 3.6.10** DMC shall be paid for any special tasks requested by the City and as agreed to by DMC and the City based on the hourly rate schedule contained herein.
- 3.6.11** To the extent required by applicable federal and state regulations, the City must approve all of DMC's subcontractors prior to their providing service. DMC shall not use a subcontractor or material supplier to whom the City reasonably objects.
- A.** DMC shall supply the City, as part of the annual plan of operations, with a list of local individuals and firms under contract.
  - B.** All debris management subcontractors shall work for the DMC rather than the City.
  - C.** All subcontractors will operate in strict accord with local, State, and Federal laws governing the type of work to be performed.
- 3.6.12** DMC agrees to hire or contract with willing local individuals and firms to provide labor and equipment for emergency services and to give local firms working within the City and/or Broward County the first opportunity when awarding subcontracted work.

### **3.7 DEBRIS REMOVAL**

DMC shall provide debris collection and removal activities including, but not limited to, the following types of tasks:

#### **3.7.1 FEMA Compliance –**

- A.** DMC shall work closely with the City's Debris Monitor to ensure that all work is FEMA-compliant, and all documentation is properly obtained, including GPS coordinates and photos.
- B.** DMC's failure to utilize federally approved documentation while performing work may result in nonpayment of services to the DMC by the City.

#### **3.7.2 Emergency Road Clearance –**

- A.** Immediately following a disaster, it may be necessary for DMC to cut, toss and/or push debris from primary transportation routes as identified and directed by the City.
- B.** Payment under this item will be on an hourly basis for manpower and equipment.
- C.** This hourly work will only be conducted for the first seventy (70) working hours only unless otherwise approved in writing.
- D.** DMC shall have the appropriate resources available including the number of available workers, heavy equipment, and other resources to accomplish this work in 70 work hours.

#### **3.7.3 Debris Removal from Public Rights-of-Way –**

- A.** As identified and directed by the City, DMC shall provide all labor, services, equipment, materials, and supplies necessary to collect Vegetative Debris and Construction & Demolition (C&D) Debris from the City rights-of-way and public property.
- B.** DMC shall provide debris collection in a systematic manner.
- C.** DMC shall haul all debris to designated TDMSs or other temporary staging areas, disposal sites, or recycling centers, as determined by the Contract Manager.
- D.** DMC shall segregate all debris to the extent practical.
- E.** Vegetative Debris and other natural materials that can be chipped, mulched, burned, and disposed of in some other similar manner and shall be handled separately from C&D Debris.

#### **3.7.4 Stump Removal, Backfill and Haul –**

- A.** As identified and directed by the City, DMC shall remove Hazardous Stumps, haul each stump to a TDMS or other designated site and backfill each stump hole with

compatible material as determined by the City and DMC.

- B. Each stump shall be inspected by City and DMC inspectors and documented as to the appropriate size and payment category.
- C. Payment for stumps with a diameter of twenty- four (24) inches or less (as measured two feet from the ground) will be included in the cubic yard price for debris removal.
- D. Stumps with a diameter of greater than twenty-four (24) inches will be paid at a separate cubic yard price based on the Stump Conversion Table in FEMA DAP9523.11 (<https://www.fema.gov/pdf/government/grant/pa/demagde.pdf>), Hazardous Stump Extraction and Removal Eligibility, dated July 2007, or any subsequent edition.
- E. All stumps that are in the public rights-of-way but not in the ground shall be picked up, transported to a TDMS or other designated site, and included in the overall cubic yard price for debris removal.
- F. DMC shall provide and transmit photographs and GPS coordinates of questionable debris or trees or stumps to the Contract Manager to obtain City or FEMA review and approval.

### **3.7.5 Leaning Trees and Hanging Limbs –**

- A. DMC shall trim, cut and/or fell leaning trees (leaners) and/or hanging limbs (hangers) only upon prior written consent of the Contract Manager.
- B. Each tree and limb shall then be placed in the public right-of-way where such debris shall be removed and included in the overall cubic yard price for debris removal.
- C. A fallen tree that extends onto the public right-of-way from private property shall be cut at the point where it enters the right-of-way, and that part of the debris which lies within the right-of- way shall be removed.
- D. FEMA requires documentation to substantiate that leaning trees and hanging limbs are hazards to the right-of-way. As such, GPS coordinates and detailed photographs are required.
- E. The DMC shall work with the Contract Manager and Debris Monitor to ensure that FEMA requirements for documentation are met.

### **3.7.6 Multiple Schedule Passes –**

- A. DMC shall make as many passes as necessary, unless otherwise directed by the Contract Manager, to collect all Vegetative Debris, Construction & Demolition Debris, and other approved debris types set out by residents for collection within the rights-of-way from both sides of the roadway.
- B. DMC shall not move from one designated work area to another designated work area without approval from the Debris Monitor or Contract Manager.

### **3.7.7 Security of Debris during Hauling –**

- A. DMC shall secure debris on/in each vehicle or piece of equipment utilized to haul debris.
- B. Prior to leaving the loading sites, DMC shall ensure that each load is secure and trimmed so that no debris extends horizontally beyond the bed of the equipment in any direction.
- C. All loose debris shall be reasonably compacted and secured during transport in accordance with FDOT guidelines.
- D. As required, DMC will survey the primary routes used by DMC for debris hauling as soon as possible after the transport and will recover fallen or blown debris from the roadways.
- E. Any violations or citations related to the hauling of loads remain the responsibility of the DMC or his subcontractor and are not the responsibility of the City.

**3.7.8 Damage by DMC –**

- A.** DMC shall restore and/or repair, at DMC's expense, all damaged infrastructure (curbs, sidewalks, water meters, utility lines, etc.) if the damage is caused by DMC's activities.
- B.** DMC is responsible for the preservation of all public and private property including turf, landscaping, sidewalks, curbs, fences, driveways and sprinkler heads and valves.
- C.** If any direct or indirect damage occurs to public or private property, on account of any act, omission, neglect, or misconduct in the execution of the work on the part of DMC, such property shall be restored by DMC at its expense to a condition similar or equal to that existing before such damage or injury, or DMC shall repair such damage in a manner acceptable to the Contract Manager.
- D.** DMC shall respond to complaints immediately or within twenty-four (24) hours and repair any damage within the timeframe established by the City.
- E.** In the event DMC fails to respond in a timely manner, the City may respond and perform damage repairs as necessary and all costs for labor, equipment and supplies shall be deducted from the DMC's invoice.
- F.** Additionally, DMC's continuous and repetitive incidents of "failure to respond" as contracted may be considered cause to cancel this contract.

**3.7.9 Eligibility of Debris –**

- A.** The Contract Manager or Debris Monitor will have load site monitors assigned to each hauling unit.
- B.** The Contract Manager or Debris Monitor may also have roving monitors that will observe DMC operations to ensure that only Eligible Debris is removed from the specified locations as designated.
- C.** Each truck that is observed picking up material outside of the designated rights-of way or assigned work zone, or material that is classified as ineligible, will have all loads hauled that day deducted and the load tickets invalidated.
- D.** DMC shall be responsible for any hauling, processing and disposal costs charged to the City by that truck during that day.

**3.7.10 Onsite Chipping –**

- A.** In areas not accessible by debris removal equipment and as directed by the Contract Manager, DMC will chip limbs, branches, foliage, etc., onsite using a hand-fed chipper.
- B.** DMC will collect chipped and other tree debris immediately following completion of the chipping and haul the mulch or chipped debris to a final disposal site as determined by the Contract Manager.

**3.7.11 Interference with Disaster Recovery Efforts –**

- A.** DMC shall conduct its work so as not to interfere with the disaster response and recovery activities of Federal, State, and local government or agencies, or of any public utilities.

**3.7.12 Accumulation of Debris –**

- A.** No debris shall be allowed to accumulate or be stored on public property or private property at any time without proper authorization from the Contract Manager.
- B.** Under no circumstances shall the accumulation of brush, limbs, cut trunks, logs, or other debris be allowed on a public right-of way in such a manner as to result in a hazard to the public.

- 3.7.13** Monitoring of DMC Removal Activities –
- A.** The Contract Manager and Debris Monitor will monitor all DMC operations.
  - B.** DMC is expected to work closely with the Debris Monitor and has the responsibility to follow FEMA procedural protocol and guidelines, obtaining all required documentation during the performance of work.
  - C.** Each truck driver will be given a load ticket that validates where the material originated.
  - D.** The quantity of debris hauled will be estimated at the TDMSs by the City or Debris Monitor.
  - E.** The estimated quantity will be recorded on the load ticket and a copy of the load ticket will be given to the truck driver.

**3.8** **TEMPORARY DEBRIS STORAGE AND REDUCTION (TDSR) SITES**

- 3.8.1** The three TDMS locations identified by the City for use in 2024 are: Holiday Park, Snyder Park, and Mills Pond Park.
- A.** DMC and the City will annually review these and any alternate sites for debris management to identify the TDMSs for use during each year of this contract.
  - B.** TDMSs shall be for the exclusive use of the City.
- 3.8.2** DMC shall be prepared to establish additional TDMS as deemed necessary by the City to ensure an adequate number of TDMSs for the amount and location of debris.
- 3.8.3** DMC will be responsible for obtaining necessary permits and conducting the required environmental investigations and documentation.
- 3.8.4** DMC may invoice the City, on the annual billing statement, for any pre-event permit expenses requested by the City.
- 3.8.5** Proposer should select TDMS locations that allow for the following:
- A.** Flexibility of operations.
    - 1.** The location may also include a collection center for the public's use.
  - B.** Facilitation of recycling and reduction of debris.
  - C.** Expedition of debris collections.
  - D.** Site selection should be based on the following criteria:
    - 1.** Ownership
    - 2.** Size
    - 3.** Location
    - 4.** Environmental and historic concerns (wetlands, historical sites, critical habitats, archeological sites, fresh-water wellfields, etc.)
- 3.8.6** DMC shall have TDMS ready to open and receive debris within thirty-six (36) hours of notification by the Contract Manager.
- A.** TDMSs will be activated on an "as needed" basis.
  - B.** If no City TDMS are opened, DMC shall transport debris directly to a disposal facility identified by the City.
- 3.8.7** DMC will thoroughly videotape and/or photograph each TDMS before any activities begin and will periodically update video and photographic documentation to track site evolution. Existing structures such as fences, culverts, irrigation systems and landscaping should be documented.
- 3.8.8** DMC shall provide all equipment and personnel to manage, maintain, and operate the TDMS.

- A. The number of active sites will be determined by the Contract Manager and/or Debris Monitor based on the severity of the disaster.
  - B. The Contract Manager will provide access and authorization to DMC to operate on the designated TDMS, including all information in the Contract Manager's possession regarding the sites that is necessary for successful operation.
  - C. Pre-event planning information shall be included in the annual plan of operations.
- 3.8.9** DMC will provide a site operation plan for review and approval by the Contract Manager prior to beginning work. At a minimum, the plan will address the following:
- A. Access to the site.
  - B. Site management, to include point of contact, organizational chart, etc.
  - C. Traffic control procedures.
  - D. Site security.
  - E. Site safety.
  - F. Site layout/segregation plan.
  - G. Environmental mitigation plan, including considerations for smoke, dust, noise, traffic, buffer zones, and storm water run-off as appropriate.
- 3.8.10** DMC will be responsible for preparing each TDMS to accept debris including, but not limited to the following:
- A. any site work and materials necessary to build and maintain stabilized roads for ingress or egress or any roads throughout the site;
  - B. construction of two (2) roofed inspection towers (one for incoming vehicles and one for outgoing vehicles) of sufficient height and design for a minimum of three (3) inspectors;
  - C. any environmental requirements such as wind-born debris control fencing, silt fencing or water retention berms; construction of an area for an office trailer and parking; and any other items necessary for site operations and management.
- 3.8.11** DMC will be responsible for providing portable sanitary facilities and sewage treatment; potable water, fuel, lighting, electricity, and other utilities at the TDMSs.
- A. DMC shall provide utility clearances as appropriate.
- 3.8.12** DMC shall be responsible for installing site security measures and maintaining security for operations at the site.
- 3.8.13** DMC shall provide on-site fire watch for all locations 24-hours per day while debris remains on the sites.
- 3.8.14** DMC shall process Vegetative Debris and C&D Debris delivered to TDMSs daily.
- A. Prior to processing, all debris shall be segregated between Vegetative Debris, C&D Debris, White Goods, E-Waste, Hazardous Waste, and other debris types to maximize recovery and recycling efforts with City approval.
  - B. Processing may include, but is not limited to, reduction by tub grinding, air curtain incineration when approved, or other alternate methods of reduction such as compaction.
  - C. The Contract Manager will determine the method to be used based on environmental and operational considerations.
  - D. If incineration is used, the site shall have a fire tender on duty twenty-four (24) hours per day. However, based on past experience, incineration is not a preferred method of debris reduction for the City.

- 3.8.15** DMC shall chip/grind Vegetative Debris within forty-eight (48) hours of receipt at a TDMS.
  - A.** Chips/mulch should be stored in piles no higher than fifteen (15) feet and meet all local regulations and laws.
  - B.** No more than seven (7) days of chipped debris shall remain on the ground at a TDMS.
- 3.8.16** DMC shall ensure that every load entering or leaving the TDMSs is inspected by the City's Debris Monitor and that proper documentation is completed, including a load ticket, to verify and document the contents and cubic yards.
- 3.8.17** DMC shall be responsible for proper handling, storage, and disposal of any Hazardous Waste brought to the TDMS in accordance with Federal, State, and local laws and regulations.
  - A.** DMC shall provide a suitable area at each TDMS to accommodate all Hazardous Waste.
  - B.** The area shall be lined with impervious material surrounded with berms or other containment structures to contain any potential leakage.
- 3.8.18** DMC shall be responsible for final haul-out of all materials received and processed at the TDMS to a permitted final disposal facility in accordance with all applicable Federal, State, and local laws and regulations.
  - A.** DMC shall be responsible for locating final disposal sites in the best interest of the City and present such sites to the City for review.
  - B.** DMC shall obtain, on behalf of the City, and shall provide the City with a written contract for each final disposal site.
  - C.** The City shall direct waste flow and approve all disposal sites prior to use.
  - D.** DMC shall be responsible for documenting cubic yardage or tonnage and tip fee rates without mark-up for reimbursement.
  - E.** Tipping fees are not included in EXHIBIT B or Event line items.
- 3.8.19** DMC shall reclaim each TDMS to its pre-use condition within thirty (30) calendar days of receiving the last load of disaster-related debris unless otherwise agreed upon by the City in writing.
  - A.** Closure shall include, but not be limited to, removal of all equipment and debris, grading the site to historical conditions, seeding and mulching/resodding of exposed areas as directed by the Contract Administrator, repairing irrigation fences and roads, and removing all remnants from the processing operation (such as temporary toilets, observation towers, security fence, etc.).
  - B.** The site will be restored in accordance with all local and contractual requirements.

**3.9 RESIDENTIAL DROP-OFF SITES**

- 3.9.1** The City may elect to open a number of Drop-Off Sites to allow City residents to drop off vegetative debris.
- 3.9.2** In the event such sites are utilized, DMC shall be responsible for managing debris at the sites including, but not limited to, providing equipment to manage debris piles, loading debris for transport, hauling debris to a TDMS or other designated site, and restoring the site to its pre-use condition.
- 3.9.3** DMC shall be responsible for providing portable sanitary facilities and sewage treatment; potable water, fuel, electricity, and other utilities. No reduction activities will be permitted at the Drop-Off Sites.

### **3.10 DEBRIS REMOVAL FROM PRIVATE PROPERTY (PPDR) AND DEMOLITION**

- 3.10.1** When requested, DMC will initiate and manage a Private Property Debris Removal (PPDR) program to remove debris on private property and/or demolish private structures that present a public safety hazard.
- 3.10.2** No work on private property shall be done without prior City approval.
- 3.10.3** PPDR operations will commence upon receipt of a specific task order or purchase order and Notice to Proceed from City.
- 3.10.4** Required PPDR documentation includes but may not be limited to:
- A.** Identification of affected properties with City and other authorized personnel
  - B.** Detailed listing if all affected properties including:
    - 1.** Description of property (legal, GPS location)
    - 2.** Damages
    - 3.** Property Owner and all contact information (phone, email)
    - 4.** Task order/purchase order authorizing work
    - 5.** Progress of work
    - 6.** Sign-off and release by property owner
    - 7.** Any entry or safety concerns
    - 8.** Location of unseen obstructions (utilities, storage tanks, etc.)
    - 9.** Certification that property is vacant, and all valuables removed if demolition planned.
- 3.10.5** DMC Responsibilities include obtaining signed right of entry agreement from property owner to include:
- A.** Right of Entry Agreement
  - B.** Hold Harmless Agreement (protects DMC, subcontractors, City, FEMA and FHMA)
  - C.** Non-duplication of benefits form
- 3.10.6** Additionally, DMC shall prepare/provide/obtain:
- A.** Property assessment and detailed scope of demolition and/or work to be performed.
  - B.** Permits and/or condemnation certificates if required.
  - C.** Drawings and/or photographs of each site from multiple angles to document condition of property prior to entry
  - D.** Computerized schedule and log daily progress of work
  - E.** Clearly locate, mark and/or protect all utilities; terminate utilities at street if part of task order/purchase order; Electricity and gas service to be terminated by utility company if appropriate.
  - F.** Completion certificate signed by City and the property owner.
- 3.10.7** Demolition of City-Owned and Approved Privately Owned Structures – This service applies to the decommissioning, demolition and debris removal from City-owned structures and approved privately owned structures.
- A.** The DMC shall provide all equipment, operators and laborers for work as specified in individual task orders/purchase orders based on specific scope of work.
  - B.** This work shall consist of debris removal and hazardous substance decommissioning of structures in accordance with applicable federal, state and local requirements.
- 3.10.8** The scope of demolition addresses City-owned structures and removing demolition/general disaster generated debris and includes but is not limited to the following:

decommissioning structures for hazardous substance removal, demolition of single/multifamily homes, detached garages, framed out buildings, storage/tool sheds, fences, and collection of other disaster-related debris including but not limited to wood, construction & demolition debris, soil and mud, and stumps.

- A. The DMC shall repair all roadways, sidewalks, utilities, drainage structures and other features not designated for demolition or removal which are damaged by DMC operations.
- B. This work includes resloping to original or permitted grade.

**3.10.9** Concrete slabs, sidewalks, structural foundation piers attached to the ground shall not be demolished or damaged unless otherwise directed by the City.

- A. Standing trees shall only be removed as debris when directed by the City.
- B. If a slab presents a threat to public health and safety and the City directs the DMC to remove it, the slab shall be removed by lifting it off the lot, if possible, rather than removing it by excavation.
- C. Using low impact procedures slab can be broken into removable pieces of concrete to facilitate removal from the site.
- D. Voids found under the slab shall be backfilled to an elevation 2-6 inches above the surrounding ground elevation.

**3.10.10** All dumping operations shall be directed by the debris reduction sites or disposal facility operator. DMC shall cooperate with final disposal facility to ensure efficient dumping operations.

**3.10.11** There shall be a minimum three step demolition process as outlined herein consisting of debris removal, decommission of the structure and demolition.

- A. The City will provide the DMC with a list of structures to be demolished along with all associated site survey documents.
- B. If available, City will provide DMC with any available information regarding structures with regulated asbestos containing material.
- C. DMC remains ultimately responsible for identifying and remediating any such materials.
- D. DMC shall assess and remove all hazardous substances in the structure and haul to the appropriate disposal facility in accordance with federal, state, and local regulations.

**3.10.12** No explosives shall be permitted unless approved in writing by the City.

**3.10.13** Prior to demolition of any structure, DMC shall complete the pre-demolition checklist. A photograph and GPS coordinates of each structure to be demolished shall be included on the checklist. City shall approve each checklist prior to DMC beginning demolition.

**3.10.14** Structures that are considered to be structurally sound by DMC or other authority shall be decommissioned prior to demolition.

- A. Decommissioning shall consist of a hazardous substance assessment and the subsequent removal of any such items/materials found.
- B. Anticipated hazardous substances include but are not limited to household hazardous waste, white goods, electronic waste, special waste, and universal waste.
- C. While assessment, documentation and removal of all waste streams during the demolition process is required, asbestos containing material handling and removal and reporting in conformance with all federal, state, and local standards is essential for compliance and managing risk associated with the work.

- 3.10.15** Unsound structures shall not be entered. Hazardous substances and white goods shall be collected from the structure and handled as follows:
- A.** Wet the structure and partially remove so that the remaining structure and/or debris is visible and structure stable to allow access to decommissioning staff;
  - B.** Survey the structure and segregate the waste;
  - C.** Segregate and remove any household hazardous waste and white goods in accordance with federal, state, and local requirements; and
  - D.** Complete structure demolition and hauling as a construction and demolition or Regulated Asbestos Containing Material waste stream.
- 3.10.16** The work includes providing all equipment, materials, and labor for disconnecting all utilities, capping water lines, plugging sewer caps or pipes to septic tanks or sewer systems in accordance with local requirements.
- A.** The disconnection of all utilities shall be coordinated by DMC with the appropriate local service providers. For locating and marking the locations of underground utilities, DMC shall coordinate with the appropriate local service providers.
  - B.** DMC shall contact the local utility providers prior to commencing work to coordinate termination of gas, water, electric, cable/IT, data lines and any other utility services to the nearest acceptable point.
  - C.** In cases where there are no shut-off valves and excavation is required within the utility right-of-way, the excavation shall be limited to the existing right of way to the greatest extent possible to limit unnecessary ground disturbances.
  - D.** Sewer taps shall be plugged with screw type expanding plug inserts or other means approved by the local authority to prevent intrusion of ground water into the sewer system.
  - E.** Septic tanks encountered shall be left in place. DMC shall take reasonable care and ensure that damage does not occur to any septic tanks or water wells, grinder pumps and associated tanks/piping.
  - F.** DMC shall be responsible for the repair of utilities damaged as a result of their negligence.
  - G.** DMC will not be liable for any preexisting damage to utilities.
- 3.10.17** Personal property items including but not limited to automobiles, boats, trailers, and recreational vehicles shall be relocated offsite to the nearest right of way such that they will not interfere or hinder the DMC's demolition operations.
- A.** DMC shall take reasonable care not to damage personal property items while moving them and shall not be responsible for damages to personal property items being moved unless such damages are determined to be the result of negligence of the DMC.
  - B.** DMC is not responsible for storm-related or pre-existing damage to personal property.
- 3.10.18** Demolition shall not begin on structures without a City representative or designee present. DMC shall clear all properties prior to demolition to ensure that they are vacant.
- 3.10.19** During demolition, decommissioning of structurally unsound structures and the removal and hauling of associated debris shall be accompanied by the application of water to control dust.
- A.** A water truck or acceptable alternative shall be required at each demolition site.
  - B.** The amount of dust generated as a result of activities related to demolition shall be controlled to prevent the spread of dust to occupied areas near the demolition site and to avoid nuisance conditions to surrounding area.
  - C.** Use of water should not be allowed to result in hazardous or objectionable conditions such as flooding or pollution.

- 3.10.20** DMC is responsible for ensuring traffic safety in all work areas.
- A.** Flaggers, temporary signage, or other approved means shall be provided by DMC as needed to comply with work requirements.
  - B.** Prior to the start of demolition of each structure, DMC shall cordon off the work zone and ensure that it is effectively delineated to prevent access by unauthorized personnel.
- 3.10.21** DMC shall submit a safety plan addressing decommission tasks, hazards and mitigation measures for review and approval prior to implementation of any decommissioning. Safety plan shall include procedures employed when conditions will preclude the use of normal demolition procedures or require additional measures to be taken (i.e., high risk of damage to adjoining structures, structural instability, etc.).
- 3.10.22** DMC shall develop a decommissioning plan for each structure to be demolished in accordance with all federal, state, and local regulations. Plan shall address but is not limited to the following: decommission inspections, inspector qualifications and training, evaluation of structure(s) for the presence of hazardous substances and materials, hazardous material removal and the transport and disposal of decommissioned waste.
- 3.10.23** DMC shall submit a daily operation report for each property.
- A.** Discrepancies between the daily operational report and corresponding load tickets shall be reconciled no later than the following day.
  - B.** In addition to the daily operational report, DMC shall include a narrative on any significant activities occurring each day including but not limited to verbal instructions, changes, clarifications, safety mishaps, near misses and successes.
  - C.** DMC shall include the structure demolished that day including building ID and address.
  - D.** Before and after photographs of all structures demolished shall be submitted for the respective pre-demolition and post-demolition checklist.
- 3.10.24** DMC shall provide a work schedule including a timeline for each task/property. The work schedule shall include the number of hours per day and days of the week DMC anticipates working.
- 3.10.25** DMC shall provide the following as needed:
- A.** Timeline and schedule of work per property
  - B.** Copies of all required permits and licenses
  - C.** Pre-demolition photographs
  - D.** Daily Operational Reports
  - E.** Post-demolition photographs
- 3.10.26** While DMC shall implement engineering controls (e.g. wetting) to maintain visible emissions during demolition, DMC shall also manage surface water runoff for compliance with applicable federal, state, and local regulations.
- A.** DMC shall incorporate appropriate measures to manage environmental pollution arising from activities in performance of this contract including but not limited to air, water and land impacts, noise, waste management and maintaining the environment in its natural state to the greatest extent possible.
  - B.** All trucks used to haul regulated asbestos containing material shall be lined and covered.
  - C.** DMC will use Best Management Practices to the maximum extent practical for the purpose of conformance to NESHAP, removal of asbestos containing material and classifying the waste stream from demolition as construction and demolition debris (C & D) or regulated asbestos containing material (RACM).

- 3.10.27** DMC shall not remove or disturb any human remains. If human remains are encountered at a site during demolition activities, all work shall be stopped, and DMC shall immediately notify the City and local law enforcement.
- 3.10.28** If DMC encounters valuables, such items shall be secured onsite, and work may continue.
- A.** Valuables may include jewelry, cash, safes, and other forms of monetary or sentimental value.
  - B.** Under no circumstance shall DMC employees keep any found items.
  - C.** DMC must immediately notify City should valuables be located.
- 3.10.29** Household hazardous waste (HHW) includes but is not limited to batteries, waste oil, fuels, chemicals, antifreeze, pesticides, spray cans, unidentified liquids, and household cleaners.
- A.** HHW assessments of structures to be demolished should be accomplished by others as part of the Right of Entry (ROE) process.
  - B.** If DMC locates suspected HHW they shall be identified immediately and reported to the City or City designee so a determination as to the disposition of the material can be made.
- 3.10.30** All storage containers/tanks containing gasoline, diesel, propane, or other petrochemical products shall be pumped or drained prior to the tank being moved, in accordance with federal, state, and local agencies as required.
- A.** Portable storage containers (cans) containing these products shall be segregated and disposed of in an appropriate manner.
  - B.** DMC personnel handling petroleum products shall be appropriately trained.
- 3.10.31** Electronic waste shall be segregated on site and securely recycled and disposed of in an appropriate manner.
- 3.10.32** If in the process of demolition, items containing ozone-depleting substances are identified (such as white goods containing freon) DMC shall handle them in such a manner to minimize opportunities to allow the ozone-depleting substance to escape, in accordance with federal, state, and local regulations.
- 3.10.33** All white goods shall be removed from the structure during demolition and shall be segregated and disposed of in an appropriate manner.
- 3.10.34** Eligible debris and other waste shall be taken offsite throughout the demolition process.
- A.** DMC shall not allow debris to accumulate during demolition.
  - B.** Debris and rubbish including but not limited to trash, metal, plastic, and glass, shall be removed from within the footprint of the structure to be demolished.
  - C.** Debris shall be removed and transported in a manner that prevents spillage on streets and adjacent areas. Federal, state, and local regulations related to hauling and disposal shall be followed.
- 3.10.35** Load tickets shall be filled out for tracking purposes for the removal of demolition debris and tipping fees and shall include the volume in cubic yards for each load being hauled to the final disposal location/TDMS.
- A.** Load tickets shall document cubic yard measurements for eligible debris and shall be provided by DMC.
  - B.** Load tickets shall include the following:
    - 1.** Ticket number
    - 2.** Contract number and task order/Purchase order number

3. ROE number
4. Date
5. DMC name
6. Subcontractor name and crew ID if applicable
7. Truck driver name
8. Truck or Rolloff number
9. Point of debris collection (address)
10. Truck capacity
11. Loading departure time and inspector
12. Disposal site arrival time and inspector
13. Actual disposal volume (load call)
14. Debris classification
15. Disposal site

- 3.10.36** DMC shall designate a Contractor Representative (CR) at each project to supervise work on progress.
- A. The City will work directly with the CR for day-to-day administration of the contract provisions within the limits of their authority.
  - B. The CR shall conduct overall management coordination and is the central point of contact with the DMC for performance of all work under the contract.
  - C. The CR shall have full authority to contractually commit the DMC for prompt action on all matters pertaining to administration of this contract and shall be the on-site DMC employee who is responsible for safety.
  - D. The CR shall also be responsible for implementing the DMC Safety Plan and have the authority to determine when work is ready for inspection or additional performance of work, when necessary.
- 3.10.37** DMC shall take necessary precautions to ensure that street signs are not moved or damaged.
- A. DMC may move signs temporarily for protection if they are in danger of being damaged during demolition activities.
  - B. DMC shall return signs to pre-existing location and condition following completion of demolition.
- 3.10.38** DMC shall secure the demolition area and exercise due care to minimize any damage to trees, shrubs, landscaping, and general property.
- A. DMC shall repair any damage caused by DMC in a timely manner.
  - B. DMC shall take digital photographs of any damage caused by their operations and provide copies to the City.
  - C. Any damage to private property shall be repaired at DMC's sole expense.
  - D. Trees outside the project site which might be damaged during demolition shall be left in place and shall be protected.
  - E. Any such tree(s) damaged during the work under this contract shall be replaced.
- 3.10.39** DMC shall obtain all permits necessary to complete the work.
- A. DMC shall be responsible for determining what permits are necessary to perform work under this contract.
  - B. Copies of all permits shall be submitted to the City prior to commencement of work under any take order/purchase order.
  - C. DMC shall be responsible for correcting any notices of violation issued because of DMC or any subcontractor's actions or operations during the performance of this contract.
  - D. Corrections for any such violations shall be at no additional cost to the City.

- E. DMC shall be responsible for control of pedestrian and vehicular travel and traffic in the work area.
- 3.10.40** In compliance with FEMA/FHWA low-impact removal guidance, major demolition activities including placement of equipment and debris removal containers shall be confined to areas where soils have been disturbed by previous construction activities such as site development, construction, surface-grading, landscaping, utility trenching, etc.
- A. This shall include the use of tracked and/or large-tired equipment to the maximum extent possible to minimize the depth of soil disturbance and compaction to a depth of eight (8) inches or less.
  - B. The use of heavy equipment shall be prohibited if excessive sinking or rutting (greater than eight (8) inches) should occur following rainfall events where the ground becomes saturated.
  - C. Operations involving the use of heavy equipment shall resume after conditions have improved such that excessive sinking or rutting is no longer a problem.
- 3.10.41** If DMC cannot follow the low-impact demolition removal guidance for a specific structure to be demolished, DMC will not commence demolition and will notify the City.
- 3.10.42** DMC shall use equipment and perform work in a manner to prevent damage to adjacent infrastructure facilities and adjacent rights-of-way including all landscaped areas.
- A. All equipment shall be approved by the City prior to use.
  - B. All loading equipment shall have street tracks and wheels to operate on the street/road using buckets and/or boom and grapple devices to remove debris.
  - C. Any damage to private property, sidewalks, curbs, utilities, or streets shall be repaired at the expense of the DMC.
- 3.10.43** DMC shall remove all signs of temporary construction facilities, work areas or temporary structures, stockpiles of excess waste materials, or any other vestiges of demolition.
- A. The area shall be restored to near pre-existing conditions except for those structures demolished as part of this contract.
  - B. Restoration to the original contours will generally not be required unless specifically directed by the City.
  - C. All restored areas shall, however, be left smooth and evenly dressed.
  - D. Upon completion of the task order/purchase order DMC shall vacate and remove or cause to be vacated or removed all property belonging to DMC, subcontractors, agents and/or employees.
  - E. Any equipment and other property not removed shall be deemed abandoned by the City and any cost incurred by the City for disposal of same shall be withheld from final payment due to DMC.
- 3.10.44** The City reserves the right to inspect the site, verify quantities and review operations at any time.
- 3.10.45** At the direction of the City, DMC shall load, haul, and dump broken concrete at City approved landfill or alternative facility. At the direction of the City, DMC shall demolish concrete slabs, beams and columns and haul to an approved dump site.
- 3.10.46** DMC shall load, haul, and dispose of creosote timber/creosote pilings at a City-approved Class I landfill.

**3.10.47** DMC shall load, haul, and dispose or recycle all eligible tires.

**3.11 ADDITIONAL SERVICES:** DMC may be requested to perform the services detailed below:

**3.11.1 White Goods** – DMC should expect to encounter White Goods available for disposal.

- A. DMC shall remove and recover Freon from any White Goods, such as refrigerators, freezers, or air conditioners, in accordance with applicable regulations.
- B. DMC shall recycle all eligible White Goods in accordance with all Federal, State, and local laws and regulations.
- C. White Goods may be transported to a storage area before decontamination as long as Freon is not released during the removal, hauling or recycling.

**3.11.2 E-Waste Management and Recycling/Disposal** – DMC shall remove, haul, and recycle in any permissible manner consistent with Federal, State, and local laws and regulations, E-Waste from public property and rights-of-way.

**3.11.3 Household Hazardous Waste (HHW) Right-of-Way Removal, Transport and Disposal** – Upon request of the Contract Administrator, Contractor shall adhere to all Federal, State, and Local Rules, Laws and Guidelines for the collection, handling, and disposal of all HHW through right-of-way collection.

- A. Work shall consist of all labor, equipment, fuel, traffic control, and all other associated costs necessary.
- B. The removal, transportation, and disposal of eligible HHW includes DMC obtaining all necessary local, state, and federal handling permits.
- C. All HHW shall be managed as hazardous waste and disposed of at a permitted hazardous waste facility or eligible landfill permitted to handle such waste.

**3.11.4 Broken Concrete Right-of-Way Removal** – Upon request of the Contract Administrator, the DMC shall provide all labor, equipment, fuel, traffic control costs and other associated costs necessary to pick up and transport eligible concrete debris on City ROW to a City approved TDMS or final disposal site in accordance with all federal, state, and local rules and regulations.

**3.11.5 Marine Debris Removal** – DMC shall clear canals, waterways, and drainage systems of debris and fallen trees as directed by the City.

- A. This may include drainage canals, retention areas and creeks maintained by the City.
- B. DMC shall ensure all work is eligible and documented in compliance with FEMA or NRCS requirements for reimbursement.
- C. Debris may be classified as land-based if accessible by land.
- D. Removal means and methods may be classified as water based if only accessible using barges, boats, and therefore inaccessible by land.
- E. Debris collected using water-based means and methods will have debris taken to an offload site where the debris will be transferred to a hauling truck or roll off container and hauled to a TDMS or Final Disposal Site based on Right-of-Way debris removal rates.

**3.11.6 Removal of Storm Deposited Silt from Canals and Waterways** – DMC shall remove storm-deposited silt from drainage or recreational canals and waterways by use of marsh buggy, barge mounted equipment and land-based equipment.

- A. DMC shall dispose of the silt at a permitted, licensed disposal location selected by the DMC and approved by the City.
- B. DMC bears all costs and activities related to testing of debris (TCLP) as may be required by disposal site.

- 3.11.7 Ditch Cleaning** – DMC may be directed to remove storm-deposited silt and debris from drainage ditches.
- A. DMC shall dispose of the silt and debris at a permitted, licensed disposal location selected by the DMC and approved by the City.
  - B. DMC bears all costs and activities related to testing of debris (TCLP) as may be required by disposal site.
  - C. DMC is responsible for documenting the condition of ditches before and after cleaning using photographs or video.
- 3.11.8 Cleaning and Clearing of Stormwater Piping** – DMC may be directed to clear stormwater drainage pipes of storm-generated silt and debris.
- A. DMC shall dispose of the silt and debris at a permitted, licensed disposal location selected by the DMC and approved by the City.
  - B. DMC bears all costs and activities related to testing of debris (TCLP) as may be required by disposal site.
  - C. DMC shall provide evidence before and after cleaning of pipe condition using video.
- 3.11.9 Cleaning and Clearing of Catch Basins and Inlets** – DMC may be directed to clear catch basins and inlets of storm-generated silt and debris.
- A. DMC shall dispose of the silt and debris at a permitted, licensed disposal location selected by the DMC and approved by the City.
  - B. DMC bears all costs and activities related to testing of debris (TCLP) as may be required by disposal site. DMC shall provide documentation of catch basins and inlets before and after cleaning using photographs or video.
- 3.11.10 Removal, Transport and Disposal of Abandoned/Disabled Boats and Vessels** –
- A. Boats severely damaged by a disaster event and abandoned in or on canals, marinas, beaches, or other waterways in the City will be removed by the DMC upon request of the Contract Administrator.
    - 1. Work shall consist of all labor, equipment, fuel, traffic control costs and other associated costs necessary for the removal and transport of Eligible Abandoned Vessels in areas identified and approved by the City.
    - 2. The vessels will be hauled to a City-approved staging area and subsequently disposed of by the appropriate regulatory agency.
  - B. Vessels shall be inspected to identify any possible potential release of petroleum products into the environment.
    - 1. If breaches in the motor or fuel compartments are observed precautions should be made to “plug” the breach or remove the product.
    - 2. All petroleum/water removed from the vessel prior to loading and hauling shall be containerized, hauled to the vessel staging area and appropriately labeled for disposal.
    - 3. The vessels will be hauled to a City-approved staging area, all free liquids removed from the motor and fuel compartment, placed in an appropriately labeled container and staged for disposal at a facility permitted to accept contaminated petroleum products.
    - 4. The vessel once evacuated of all free liquids will be subsequently disposed of by the appropriate regulatory agency.
    - 5. The staging area must be equipped an approved containment area to stage containers of free liquids removed from the vessels, security lighting and fencing, twenty-four-hour (24 hour) security and paved or otherwise impermeable parking surface on which to stage the vessels.

- C. The removal, transport and disposal of any vessel measuring 52 feet in length or greater will be negotiated on a case-by-case basis.
  - 1. No work shall be performed on eligible vessels measuring 52 feet or greater without prior written approval by the Contract Administrator.
  - 2. Length of a vessel shall be derived by measuring, in a direct line, from the top-center of the vessel's stern to the top-center of its bow.
- D. The removal, transportation and disposal of eligible abandoned vessels includes obtaining all necessary local, state, and federal handling permits and operating in accordance with rules and regulations of local, state, and federal regulatory agencies.

**3.11.11 Removal, Transport and Disposal of Abandoned Vehicles –**

- A. DMC, as directed by the City, shall remove motor vehicles, to include trailers and Recreational Vehicles (RVs) damaged by a disaster event and abandoned by the owners.
  - 1. The City will identify which motor vehicles are to be removed and will take all other steps as required by law before directing DMC to remove and dispose of the vehicle.
  - 2. Work shall consist of all labor, equipment, fuel, traffic control costs and other associated costs necessary for the removal and transport of eligible Abandoned Vehicles in areas identified and approved by the City.
- B. Abandoned vehicles shall be inspected to identify any possible potential release of petroleum products into the environment.
  - 1. If breaches in the motor or fuel compartments are observed precautions should be made to “plug” the breach or remove the product.
  - 2. All petroleum/water removed from the vehicle prior to loading and hauling shall be containerized, hauled to the vehicle staging area and appropriately labeled for disposal.
- C. The vehicles will be hauled to a City-approved staging area and subsequently disposed of by the appropriate regulatory agency. The staging area must be equipped with security lighting and fencing, twenty-four-hour (24 hour) security and paved or otherwise impermeable parking surface on which to stage the vehicles.
- D. The removal, transportation and disposal of eligible Abandoned Vehicles includes obtaining all necessary local, state, and federal handling permits and operating in accordance with rules and regulations of local, state and federal regulatory agencies.

**3.11.12 Management and Operation of Staging Areas for Abandoned Vehicles or Vessels**

- A. Work shall consist of all labor, equipment, fuel, traffic control costs and other associated costs necessary to manage and operate a staging area for the acceptance, management, and storage of eligible abandoned vehicles or vessels.
  - 1. The staging area layout and ingress and egress plan must be approved by the City.
  - 2. If multiple staging areas are needed, prior written approval from the Contract Administrator is required.
  - 3. The cost for this item will be per City designated and approved site per day.
- B. The management of staging areas includes assistance in obtaining necessary local, state, and federal permits or approval and operating in accordance with all rules and regulations of local, state, and federal regulatory agencies which may include, but are not limited, to EPA and FDH. The DMC shall also be responsible for any and all costs associated with third-party groundwater and soil testing.
- C. The DMC is responsible for operating the staging area in accordance with OSHA, EPA and FDH guidelines. The DMC is also responsible for providing City approved twenty-four-hour (24 hour) staging site security.
- D. The DMC is responsible for all associated costs necessary to provide staging area

traffic control such as, but not limited to, traffic cones and staff with traffic flags. DMC will only permit DMC vehicles and others specifically authorized by the City or its authorized representative on site(s).

- E. Upon proper disposal or removal of vehicles or vessels, the DMC will be responsible for remediating the site to its original condition prior to site use.
  - 1. Site remediation will include, but is not limited to, returning the original site grade, sod, fencing and other physical features.
  - 2. Site remediation will also include returning all utilized sites to their original condition as verified through soil and groundwater samples.
  - 3. Site remediation will abide by all state and federal environmental regulatory requirements and is subject to final approval by the City and FDH.

**3.11.13 Dead Animal Carcasses** – Upon request of the Contract Administrator, DMC shall collect, transport, and dispose of dead animal carcasses including, but not limited to, dead livestock, poultry, and large animals, in any permissible manner consistent with Federal, State, and local laws and regulations.

**3.11.14 Sand Screening** – As directed by the City, DMC shall screen sand to remove debris deposited by an event.

- A. Sand screening shall include the collection of debris-laden sand, hauling to the processing screen, processing the sand through the screen, and returning clean sand to the beach or designated site.
- B. Debris removed from the sand shall be collected, transported, and processed at a TDMS.
- C. DMC shall obtain all permits and perform work in compliance with applicable Federal, State, and local laws and regulations.

**3.11.15 Sand Replacement/Replenishment** – As directed by the Contract Administrator, DMC shall replace screened or otherwise approved as clean sand materials to the beach, spreading and grading as per City direction and in accordance with Federal, State, and Local regulations and permits should there be a deficiency in the amount of sand required to return the beach to its pre-storm condition, DMC shall purchase clean sand and replace, spread and grade at City's direction. Purchase of sand shall be made by Contractor and billed to City at direct cost. DMC shall provide a copy of invoice and any documentation as requested by City for such purchase.

**3.11.16 River and Canal Shoreline Restoration** –

- A. DMC shall perform river and canal shoreline restoration to include any necessary excavation, compaction, fill and backfill of embankment soils and materials to restore banks to preexisting conditions as best as possible.
- B. DMC shall perform any necessary excavation of shoreline to facilitate restoration including removal of storm-strewn obstructions and storm-related aggregation of soils, gravels, and other shoreline material to restore shoreline elevations. DMC shall prevent surface water from flowing into or accumulating into the excavation site and stockpile excavated soils for use as fill or backfill.
- C. Compaction shall be accomplished by moistening, rolling, or tamping to obtain shoreline density.
- D. Soil materials shall be replaced/backfilled by placing soil material in layers to required elevations and shoreline slopes.
  - 1. Slopes shall be banked to match the existing topography as best as possible.
  - 2. Sub-base materials should be used under walks, pavement, and steps.

3. Drainage fill should be used under building slabs.
4. Sub-base material should be used under piping or conduit and shaped to fit the bottom 90 degrees of cylinder.
5. DMC shall remove vegetation, debris, and deleterious materials from ground surface prior to placement of fills.
6. Sloped surfaces steeper than 1 vertical to 4 horizontals shall be plowed, stripped, or broken up so that fill material will bond with existing surface.

**3.11.17 Power, HVAC, and Light Sources** – DMC may be asked to provide light, HVAC and power sources to the City within 24 hours of request.

- A. DMC must be able to supply these items to multiple locations simultaneously without interruption.
- B. This may include but may not be limited to generators, trailers, and light towers. (See section 3.12.9)

**3.12 ANCILLARY SERVICES** - DMC may be asked to provide the following ancillary services following a major disaster event. The cost for these services shall consist of all labor, equipment, materials, transportation, service, and all other incidental fees to complete the services.

**3.12.1 Satellite Communications** - The DMC shall furnish satellite equipment on a rental basis and service.

- A. The preferable term is a weekly rental as a minimum.
- B. This service will include rental of equipment with capability of calling nationwide from Florida with no additional roaming or long-distance charges and a time-based charge for usage.

**3.12.2 Temporary Sanitary/Housing Facilities** –

- A. The DMS shall furnish temporary sanitary facilities on a rental basis and service for maintenance.
- B. The preferable term is a weekly rental as a minimum.
- C. The equipment for this service should include:
  1. Portable Toilet Units
  2. Portable Toilet Units (ADA accessible)
  3. Hand Wash Stations, self-contained, free standing, single basin, cold water and hand soap dispenser.
  4. Hand Wash Stations, self-contained, free standing, single basin, cold water and hand soap dispenser (ADA accessible)
  5. Shower/Rest Room Container Unit or Trailer Unit, Mens/Womens section, minimum 2 shower stalls per side, dressing area, 1 sink per side, hot/cold water, heated/air conditioned.
  6. Shower Unit, Single, ADA accessible
  7. Bunk House, Climate Controlled, minimum 6 people

**3.12.3 Laundry Unit** -

- A. The DMS shall furnish temporary laundry unit(s) on a rental basis.
- B. The preferable term is a weekly rental as a minimum.
- C. The equipment for this service should include:
  1. Minimum 4 each washer and dryers,
  2. Self-contained with cold/hot water and climate control,
  3. Folding table (preferred)

**3.12.4 Reefer & Refrigerated Containers & Ice Delivery –**

- A. The DMC shall furnish freezer and refrigerator containers on a rental basis, maintenance, and repair.
- B. The preferable term is a weekly rental as a minimum.
- C. Labor and fuel for fueling the fuel powered unit shall be in accordance with hourly labor and equipment rates for the items listed in EXHIBIT B and Event line items.
- D. The equipment for this service should include:
  - 1. Refrigeration Containers – 1 temperature setting (refrigerator or freezer) - 40' cubic volume
  - 2. Refrigeration Containers – Dual temperature settings (refrigerator and freezer) - 40' cubic volume
  - 3. Reefer Container – normally a tractor trailer, fuel powered- 40' cubic volume.
  - 4. Bagged Ice, cubed and made of potable water, 7- or 10-pound bags, palletized - unit price per bag.

**3.12.5 Potable Water Truck and Drinking Water –**

- A. The DMC shall furnish potable water truck equipment on a rental basis, maintenance, and repair and bottled water.
- B. Labor for refilling trucks shall be compensated based on hourly labor and equipment rates for the items listed in EXHIBIT B and Event line items.
- C. Potable Water Tank - 2,000 gallon
- D. Bottled Water Delivery, size 16-16.9 oz. plastic bottles, palletized and priced per bottle.

**3.12.6 Mobile Fleet Repair Facilities/Assistance –**

- A. The DMC shall furnish equipment and portable facilities on a rental basis.
- B. Labor, parts, and materials for fleet repair services shall be compensated based on this schedule.
  - 1. Mobile Fleet Repair Unit inclusive of all required equipment, self-contained and self-powered to perform fleet repair services.
  - 2. Mechanic/Technician
  - 3. Mobile Mechanic with truck and tools
  - 4. Minimum discount for Materials & Parts (i.e. supplies, oil, etc.) from list of manufacturer retail.

**3.12.7 Temporary Signage and Traffic Control –**

- A. The DMC shall furnish traffic signage and control equipment on a rental basis. The preferable term is a weekly rental as a minimum. The equipment for this service should include:
  - 1. Safety Cade Type II Barricades with flashing lights inclusive of maintenance and battery replacement
  - 2. DOT Black Base 36" traffic cones with two (w) each reflective bands
  - 3. Diamond Grade 8 gauge Aluminum 36" x 36" Stop Signs
  - 4. A-Frame stands for 36" signs.

**3.12.8 Canteen, Tents, Furnishings –**

- A. The DMC shall furnish equipment and portable facilities and furnishings on a rental basis, including all maintenance and report of equipment furnished and set up.
  - 1. Canopy, pole type or pop up without sides, 10' x 10'
  - 2. Canopy, pole type or pop up without sides, 20' x 20'
  - 3. Canopy, pole type or pop up without sides, 30' x 30'
  - 4. Tent, pole type or pop up with sides, 15' x 15'

5. Tent, pole type or pop up with sides, 20' x 20'
6. Tent, pole type or pop up with sides, 30' x 40'
7. Canteen Tents for eating purposes, pole type or frame type with sides and equipped with tables and chairs, 20' x 40'
8. Canteen Tents for eating purposes, pole type or frame type with sides and equipped with tables and chairs, 30' x 40'
9. Canteen Tent fully equipped with tables, chairs, cooking equipment and cooking utensils to included, but not be limited to, stove refrigeration, hot food serving table and equipment, cold food serving table, pots/pans and cooking utensils, 20' x 40'
10. Canteen Tent fully equipped with tables, chairs, cooking equipment and cooking utensils to included, but not be limited to, stove refrigeration, hot food serving table and equipment, cold food serving table, pots/pans and cooking utensils, 30' x 40'
11. Evaporative Cooling Systems, minimum 24" cooler with cycle control, battery or electric operated, water source shall be from a water tank, self-contained, indoor.
12. Evaporative Cooling Systems, minimum 24" cooler with cycle control, battery or electric operated, water source shall be either from hose or water tank, outdoor.

### **3.12.9 Light Sources –**

- A. DMC may be asked to provide light sources to the City within 24 hours of request.
- B. DMC must be able to supply these items to multiple locations simultaneously without interruption.
- C. This may include but may not be limited to generators, trailers, and light towers:
  1. Portable Power Light Towers with the following minimum requirements:
    - a. four (4) 1000-watt metal halide fixtures in a
    - b. NEMA 6 design
    - c. 3-section telescoping mast extends 12 – 30 ft
    - d. 360° rotation capability
    - e. outriggers and jacks for stability
    - f. low oil/high temperature auto shut down
    - g. built-in circuit breakers for the lights

**3.12.10** Stormwater and wastewater pumping, hauling and related activities to include pumps, hoses, generators, plugs, and other necessary tools.

**3.12.11** Baker tanks for fuel, emergency water pumping and other storage uses.

**3.12.12** Printing, development, and distribution of emergency communications to include door to door delivery.

**3.12.13** Other Services as Requested – DMC shall also provide other related services as requested by the City.

### **3.13 DOCUMENTATION MANAGEMENT AND SUPPORT**

**3.13.1** DMC shall provide administrative staff to support operational personnel engaged in City emergency debris collections and management.

**3.13.2** Administrative support shall coordinate electronic correspondence received from the City regarding operational issues and concerns, escalations, damage complaints and other similar issues.

**3.13.3** Administrative staff shall be accessible during operational hours by phone and e-mail.

- 3.13.4** DMC shall provide data management and support to the City during the emergency recovery effort including, but not limited to, the following:
- A.** DMC shall utilize load tickets provided by the Debris Monitor to track and document the removal and management of Eligible Debris.
  - B.** DMC shall ensure that load tickets meet the requirements of FEMA and other Federal, State, or local reimbursement agencies.
    - 1.** Each load ticket shall contain the following information:
      - a.** Contractor name
      - b.** City contract number
      - c.** Load ticket number
      - d.** Date and time of pick up
      - e.** Date and time of delivery
      - f.** Pick up location (by street address or block)
      - g.** Total cubic yards picked up
      - h.** Debris classification
      - i.** Truck ID number and capacity
      - j.** Delivery site
      - k.** City's designated representative signature
      - l.** Contractor's designated representative signature
      - m.** GPS
- 3.13.5** Load tickets will be issued by the Debris Monitor or City personnel prior to departure from the loading site or upon arrival at the debris staging area.
- A.** The Debris Monitor/City will keep one (1) copy of the load ticket and the vehicle operator will retain the remaining copies for DMC's records.
  - B.** DMC will scan all load tickets. DMC shall provide scanned copies of all load tickets, as well as a spreadsheet itemizing all load tickets, every thirty (30) days or more frequently as requested by the Contract Manager.
  - C.** The City may elect to use an Automated Debris Management System (ADMS) in lieu of paper load tickets.
  - D.** The DMC shall work with the Contract Manager and Debris Monitor requirement for ADMS documentation and associated reconciliation.
- 3.13.6** DMC shall supply certification placards meeting FEMA requirements and place such placards on its vehicles. The placard shall also include the wording "Emergency Debris Contractor" and the DMC's name.
- 3.13.7** DMC shall have a system for clearly tracking and documenting all its costs associated with work conducted pursuant to this contract, identifying expenditures eligible for reimbursement, and maintaining documentation of the recovery process.
- 3.13.8** DMC will work closely with the City and applicable Federal, State, and local agencies to ensure that the City's emergency recovery procedures and data documentation for Eligible Debris meet the requirements of the reimbursement agencies.
- 3.13.9** DMC shall provide to the City all records, disposal tickets, field inspection reports and other data necessary to adequately document recovery services and provide sufficient substantiation for Federal and State reimbursement applications.

- 3.13.10** DMC shall provide hard copies and electronic scanned documents with an itemized spreadsheet.
- 3.13.11** DMC shall assist the City in preparing Federal and State reports and applications for reimbursement, including training agency/department employees.
- 3.13.12** DMC shall review all reimbursement applications prepared by the City or Debris Monitor prior to submittal for sufficiency in meeting the reimbursement requirements of these organizations and notify the City or Debris Monitor of any recommended changes, corrections, alterations, or deletions.
- 3.13.13** DMC shall assist, as directed by the City, in responding to Federal and State agency requests for additional information and in negotiations with Federal and State officials. DMC shall retain all documentation and records for a minimum of six (6) years.
- 3.13.14** DMC shall reconcile any discrepancies between the Debris Monitor's daily report and the corresponding load tickets within forty-eight (48) hours.
- 3.13.15** DMC shall provide documentation for all items salvaged or recycled. Documentation shall include identification of material type, quantity, location material is accepted for salvage or recycling, and the value of the salvaged or recycled material.
- 3.13.16** DMC shall provide the value of the salvaged or recycled material back to the City as reimbursement. The value of the material will be defined as the value of the material as paid to DMC by the entity accepting the material for salvage or recycling.

#### **3.14 STAFF AND EQUIPMENT REQUIREMENTS**

- 3.14.5** DMC shall have a professional staff with the knowledge, skills, and training to manage the disaster recovery process efficiently and effectively. Extensive knowledge of FEMA, FHWA, NRCS, FDOT, FDEP, FFWC and other applicable Federal, State, or local agency regulations and policies is required.
- 3.14.6** DMC shall ensure that its work force, including subcontractors, maintains self-sufficiency related to fuel, vehicle repair/maintenance, housing, sanitation, food, and related accommodations in a manner that is consistent with local requirements and minimizing adverse effects on the community. Employee overnight camping must be approved by the Contract Manager.
- 3.14.7** DMC shall employ a Project Manager and an Operations Manager, both fluent in English, who shall be accessible and shall have full authority to act on behalf of DMC and to address and resolve issues that may arise during the work.
  - A.** All communications given to the Project Manager or Operations Manager in writing by the Contract Manager shall be as binding as if given to DMC.
  - B.** The City expects the DMC to dedicate key employees to this contract for a minimum period of one year in order to fully understand the scope and responsibilities as a first responder.
  - C.** Generally, in preparation of the annual plan of operations, the substitution of key employees should commence at the annual meeting in May.
- 3.14.8** The Operations Manager shall be on call twenty-four (24) hours per day, seven (7) days per week, and shall be available by cell phone and able to receive electronic

communications (e-mail). In the event normal communication (telephone, cell phone, radio, etc.) is unavailable, DMC shall provide at its expense its Project Manager and Operations Manager with a reliable means of communication (satellite radio, satellite telephone, etc.) with the City.

- 3.14.9** DMC's Operations Manager shall coordinate daily with the Contract Manager and Debris Monitor and shall comply with all directions and guidance provided by Federal or State representatives.
- 3.14.10** DMC must attend all meetings required by the Contract Manager to evaluate the debris removal and disposal operations.
- 3.14.11** All equipment and equipment operators used in the performance of this contract must be in compliance with all applicable Federal, State, and local rules and regulations.
- 3.14.12** Prior to start of work, DMC shall submit, electronically and in hardcopy to the City and Debris Monitor, certification indicating the type of vehicle; make; model; license plate number; DMC equipment number; measured maximum volume, in cubic yards, of the load bed of each piece of equipment to be utilized to transport debris; and any other information necessary to comply with Federal or State requirements.
- A.** The measured volume shall be calculated from actual physical measurement performed by DMC and the reported volume shall be the same as shown on the signs affixed to each piece of equipment.
  - B.** DMC and Debris Monitor or Contract Manager shall jointly measure the volume of each piece of equipment calculated from actual interior bed measurements.
- 3.14.13** Per FEMA Recovery Policy RP9523.12, mechanically loaded vehicles are preferred for debris removal.
- A.** Hand-loaded vehicles are prohibited unless pre-authorized, in writing, by the Contract Manager or Debris Monitor.
  - B.** The observed capacity of all hand-loaded trucks and trailers shall be reduced by fifty percent (50%) to account for low compaction.
- 3.14.14** All trucks and trailers utilized in transporting debris shall have a tailgate that will permit the vehicle to be loaded to capacity and effectively contain the debris while in transport.
- A.** All trucks and trailers should be capable of rapidly dumping their load without the assistance of other equipment.
  - B.** Subject to approval by the City, sideboards or other extensions to the bed are allowed provided they meet all applicable rules and regulations and are constructed to withstand severe operating conditions.
  - C.** Vehicles must be re-measured and re-marked if sideboards or extensions are removed or if the vehicle is similarly altered.
  - D.** DMC shall notify the Debris Monitor or Contract Manager if vehicles are altered and require re-certification.
  - E.** Vehicle load tarps may be required before the recovery period is complete.
- 3.14.15** Equipment used under this contract shall be rubber-tired and sized properly to fit loading conditions. Excessively sized equipment (100 cubic yards and up) or non-rubber-tired equipment must be approved for use on the road by the Contract Manager or Debris Monitor.

- 3.14.16** All equipment used in the performance of this contract shall be in good operating condition. All equipment, including but not limited to grinding equipment, generators, light towers, etc., shall be equipped with a properly functioning accurate hour meter.
- 3.14.17** Trucks or equipment designated for use under this contract shall not be used for any other work during the working hours of this contract.
- A.** DMC shall not solicit work from private citizens or others to be performed in the designated work area during the period of this contract.
  - B.** Under no circumstances will DMC mix debris hauled for others with debris hauled under this contract.
  - C.** DMC and subcontracted employees are strictly prohibited from engaging in scavenging.
- 3.14.18** DMC shall be responsible for obtaining sites to stage equipment, such as trucks, when not in use.
- 3.14.19** DMC's personnel shall obtain parking passes from the City's parking authority to park in metered lots.

### **3.15 REPORTING**

- 3.15.1** DMC shall submit periodic, written reports, in a format required by the City, documenting the progress of debris removal and disposal.
- 3.15.2** These reports shall include, but are not limited to, the following:
- A.** Daily Reports – DMC shall make daily reports to the City to detail the progress of debris removal and disposal operations.
  - B.** Such reports shall include:
    - 1.** A description of all areas where work was done, detailing street names and address blocks where debris removal was completed during each pass;
    - 2.** Types and volumes of debris transported, reduced, and disposed;
    - 3.** The number of trucks, other equipment and personnel utilized that day; and
    - 4.** Other operational and complaint tracking information as requested by the City.
  - C.** The format of the reports shall be developed during the pre-event planning and coordination phase.
- 3.15.3** Weekly Summaries – DMC shall submit, within two days of the close of the week, a summary of all information contained in the daily reports as described above.
- A.** At the request of the City, the data making up the weekly summaries shall also be submitted in electronic format, utilizing Microsoft Excel or Access.
  - B.** The submitted electronic weekly data will include DMC or subcontractor name, load ticket number, load date, load location, truck yardage, percent full, calculated yardage (or weight if applicable), field monitor name/number, TDMS, tower monitor name, debris materials categorization, location of collection (e.g., ROW), etc.
- 3.15.4** Damage Reports – DMC shall notify the Contract Manager, daily, of any significant damage to public or private property or major problems, such as equipment failure or loss of qualified labor.
- 3.15.5** Data Reconciliation – Reconciliation of data will be accomplished weekly between DMC and the Contract Manager or Debris Monitor. All discrepancies will be resolved within five (5) days.

- 3.15.6** Final Project Closeout – Within thirty (30) days of final inspection and/or closeout of the project by the City, DMC shall:
- A.** Prepare and submit a detailed description of all debris management activities in an electronic spreadsheet, to include, but not limited to the following:
    - 1. The total volume by type of debris hauled, reduced and/or disposed;
    - 2. Final disposal locations and amounts of the debris delivered to each; and
    - 3. The total cost of the project invoiced to the City.
  - B.** Provide, upon request of the City and/or no later than project closeout, a release of liens demonstrating that all subcontractors to DMC have been fully paid.
  - C.** Provide any other additional information as may be necessary to adequately document the conduct of the debris management operations for the City.
  - D.** Provide a final project reconciliation that must be approved by the City.
- 3.15.7** Report Maintenance – DMC will be subject to audit by Federal, State, and local agencies. DMC shall maintain all reports, records, debris reporting tickets and correspondence related to this contract for a period of not less than six (6) years.

**3.16 OTHER OPERATIONAL CONSIDERATIONS**

- 3.16.1** Inspection – All emergency debris shall be subject to inspection by the Debris Monitor, Contract Manager, or any public authority in accordance with generally accepted standards to ensure compliance with the contract and applicable Federal, State, and local laws and regulations. DMC shall, at all times, provide the Debris Monitor and City access to all work sites, TDMS and disposal areas.
- 3.16.2** Working Hours – Unless otherwise approved or modified by the City, all activity associated with gathering, loading, and hauling debris shall be performed during visible daylight hours.
- A.** DMC may work during these hours seven (7) days per week, including holidays.
  - B.** With City approval, debris reduction activities at the TDMS may take place twenty-four (24) hours per day, seven (7) days per week if DMC deems it necessary and safe.
  - C.** DMC shall mandate employee rest breaks and mealtimes when hourly rates apply and such a time shall be posted on invoice.
  - D.** It is expected that DMC shall work daily until project completion.
  - E.** Holiday leave and TDMS closure may be authorized based on operational needs and with City approval.
  - F.** DMC shall be responsible for coordinating with the Contract Manager in the event weather conditions delay or modify the daily schedule.
- 3.16.3** Traffic Control – DMC shall fully mitigate the impact of its operations on local traffic practicable.
- A.** DMC is responsible for establishing and maintaining appropriate traffic controls in all work areas, including TDMSs.
  - B.** DMC shall provide sufficient signage, flags, barricades, and appropriate public safety personnel to ensure the safety of vehicular and pedestrian traffic in all work areas.

**3.17 TECHNICAL ASSISTANCE**

- 3.17.1** DMC may be requested by the City to provide technical expertise and guidance to support the City during the emergency recovery effort including, but not limited to, the following:
- A.** Assisting in emergency debris recovery planning efforts such as disaster recovery plan development and identification of adequate TDMS and other resources.
  - B.** Assisting in determining and assessing the impact and magnitude of the emergency event before federal assistance is requested, identifying damaged locations and

facilities, assessing, and preparing initial estimates of debris volumes, distinguishing between pre-emergency damage and emergency-generated damage, documenting eligible costs, and describing the physical and financial impact of the emergency.

- C. Providing training sessions for key City personnel.
- D. Assisting with developing, producing, or distributing public information.

*END OF SECTION*

## SECTION IV – SUBMITTAL REQUIREMENTS

### 4.1 Instructions

- 4.1.1** The City of Fort Lauderdale uses its own on-line strategic sourcing platform to administer the competitive solicitation process, including but not limited to soliciting proposals, issuing addenda, responding to questions / requests for information. There is no charge to register and download the RFP from the [City's on-line strategic sourcing platform](#). Proposers are strongly encouraged to read the supplier tutorial available in the City's on-line strategic sourcing platform well in advance of their intention of submitting a proposal to ensure familiarity with the use of the [City's on-line strategic sourcing platform](#). The City shall not be responsible for a Proposer's inability to submit a proposal by the end date and time for any reason, including issues arising from the use of the City's on-line strategic sourcing platform.
- 4.1.2** Careful attention must be given to all requested items contained in this RFP. Proposers are invited to submit proposals in accordance with the requirements of this RFP. Please read the entire solicitation before submitting a proposal. Proposers must provide a response to each requirement of the RFP. Proposals should be prepared in a concise manner with an emphasis on completeness and clarity. Notes, exceptions, and comments may be rendered on an attachment, provided the same format of this RFP text is followed.
- 4.1.3** All information submitted by Proposer shall be typewritten or provided as otherwise instructed to in the RFP. Proposers shall use and submit any applicable or required forms provided by the City and attach such to their proposal. Failure to use the forms may cause the proposal to be rejected and deemed non-responsive.

**IN THE EVENT OF ANY CONFLICT OR DISCREPANCY BETWEEN BID/PROPOSAL PRICE(S) SUBMITTED BY PROPOSER ELECTRONICALLY INTO THE CITY'S ON-LINE STRATEGIC SOURCING PLATFORM UNIT PRICE FIELD(S), ANY OTHER FORMS OR ATTACHMENTS (WHETHER PART OF THE CITY'S SOLICITATION DOCUMENTS OR DOCUMENTS CREATED AND UPLOADED BY THE PROPOSER), OR ANOTHER SECTION/FIELD OF THE SYSTEM, THE ONLINE UNIT PRICE(S) INPUTTED ELECTRONICALLY INTO THE SYSTEM BY PROPOSER SHALL GOVERN.**

- 4.1.4** Proposals shall be submitted by an authorized representative of the firm. Proposals must be submitted in the business entities name by the President, Partner, Officer or Representative authorized to contractually bind the business entity. Proposals shall include an attachment evidencing that the individual submitting the proposal, does in fact have the required authority stated herein.
- 4.1.5** All proposals will become the property of the City. The Proposer's response to the RFP is a public record pursuant to Florida law, which is subject to disclosure by the City under the State of Florida Public Records Law, Florida Statutes Chapter 119.07 ("Public Records Law"). The City shall permit public access to all documents, papers, letters, or other material submitted in connection with this RFP and the Contract to be executed for this RFP, subject to the provisions of Chapter 119.07 of the Florida Statutes. Any language contained in the Proposer's response to the RFP purporting to require confidentiality of any portion of the Proposer's response to the RFP, except to the extent that certain information is in the City's opinion a Trade Secret pursuant to Florida law, shall be void. If a Proposer submits any documents or other information to the City which the Proposer claims is Trade Secret information and exempt from Florida Statutes Chapter 119.07 ("Public Records Laws"), the Proposer shall clearly designate that it is a Trade Secret and that it is asserting that the document or information is exempt. The Proposer must

specifically identify the exemption being claimed under Florida Statutes 119.07. The City shall be the final arbiter of whether any information contained in the Proposer's response to the RFP constitutes a Trade Secret. The city's determination of whether an exemption applies shall be final, and the Proposer agrees to defend, indemnify, and hold harmless the city and the city's officers, employees, and agent, against any loss or damages incurred by any person or entity as a result of the city's treatment of records as public records. In the event of the Contract award, all documentation produced as part of the Contract shall become the exclusive property of the City.

**IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT [PRRCONTRACT@FORTLAUDERDALE.GOV](mailto:PRRCONTRACT@FORTLAUDERDALE.GOV), 954-828-5002, CITY CLERK'S OFFICE, ONE EAST BROWARD BLVD., SUITE 444, FORT LAUDERDALE, FLORIDA 33301.**

Contractor shall:

1. Keep and maintain public records required by the City in order to perform the service.
  2. Upon request from the City's custodian of public records, provide the City with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes (2022), as may be amended or revised, or as otherwise provided by law.
  3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of this contract if the Contractor does not transfer the records to the City.
  4. Upon completion of the Contract, transfer, at no cost, to the City all public records in possession of the Contractor or keep and maintain public records required by the City to perform the service. If the Contractor transfers all public records to the City upon completion of this Contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of this Contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the City, upon request from the City's custodian of public records, in a format that is compatible with the information technology systems of the City.
- 4.1.6** By submitting a response Proposer is confirming that the firm has not been placed on the convicted vendors list as described in Section §287.133 (2) (a) Florida Statutes; that the only person(s), company or parties interested in the proposal as principals are named therein; that the proposal is made without collusion with any other person(s), company or parties submitting a proposal; that it is in all respects fair and in good faith, without collusion or fraud; and that the signer of the proposal has full authority to bind the firm.

## **4.2 Contents of the Proposal**

The City deems certain documentation and information important in the determination of responsiveness and for the purpose of evaluating proposals. Proposals should seek to avoid information in excess of that requested, must be concise, and must specifically address the issues of this RFP. The City prefers that proposals be no more than 100 pages in one complete pdf document. The proposals should be organized, divided, and indexed into the sections indicated herein. These are not inclusive of all the information that may be necessary to properly evaluate the proposal and meet the requirements of the scope of work and/or specifications. Additional documents and information should be provided as deemed appropriate by the respondent in proposal to specific requirements stated herein or through the RFP.

### **4.2.1 Table of Contents**

The table of contents should outline in sequential order the major areas of the submittal, including enclosures. All pages should be consecutively numbered and correspond to the Table of Contents.

### **4.2.2 Executive Summary**

Each Offeror must submit an executive summary that identifies the business entity, its background, main office(s), and office location that will service this contract. Identify the officers, principals, supervisory staff, and key individuals who will be directly involved with the work and their office locations. The executive summary should also summarize the key elements of the proposal.

### **4.2.3 Experience and Qualifications**

Indicate the firm's number of years of experience in providing professional services as it relates the work contemplated. Provide details of past projects for agencies of similar size and scope, including information on your firm's ability to meet time and budget requirements. Indicate the firm's initiatives towards its own sustainable business practices that demonstrate a commitment to conservation. Indicate business structure, IE: Corp., Partnership, LLC. Firm should be registered as a legal entity in the State of Florida; Minority or Woman owned Business (if applicable); Company address, phone number, fax number, E-Mail address, web site, contact person(s), etc. Relative size of the firm, including management, technical and support staff; licenses and any other pertinent information shall be submitted.

### **4.2.4 Approach to Scope of Work**

Provide in concise narrative form, your understanding of the City's needs, goals, and objectives as they relate to the project, and your overall approach to accomplishing the project. Give an overview of your proposed vision, ideas, and methodology. Describe your proposed approach to the project.

As a part of the response, a design plan and diagram(s) shall be presented to the City for approval.

The Proposer shall also propose a scheduling methodology (timeline) for effectively managing and executing the work in the optimum time. The delivery time shall be stated in calendar days from the date of City notification of award or notice to proceed with delivery. Such timeline information and proposed dates shall include, but not necessarily be limited to: delivery, installation, acceptance testing, personnel, and other related completion dates, in accordance with the RFP specifications.

NOTE: The project must be completed and accepted within 120 days from the City Notice to Proceed.

Also provide information on your firm's current workload and how this project will fit into your workload. Describe available facilities, technological capabilities, and other available resources you offer for the project.

Additionally, the proposal should specifically address:

- A. Who
- B. What
- C. When
- D. Where
- E. Why
- F. How

#### **4.2.5 References**

Provide at least three references, preferably government agencies, for projects with similar scope as listed in this RFP. Information should include:

- Client Name, address, contact person telephone and E-mail addresses.
- Description of work.
- Year the project was completed.
- Total cost of the project, estimated and actual.

**Note:** Do not include City of Fort Lauderdale work or staff as references to demonstrate your capabilities. The Committee is interested in work experience and references other than the City of Fort Lauderdale.

#### **4.2.6 Minority/Women (M/WBE) Participation**

If your firm is a certified minority business enterprise as defined by the Florida Small and Minority Business Assistance Act of 1985, provide copies of your certification(s). If your firm is not a certified M/WBE, describe your company's previous efforts, as well as planned efforts in meeting M/WBE procurement goals under Florida Statutes 287.09451.

#### **4.2.7 Subcontractors**

Proposer must clearly identify any subcontractors that may be utilized during the term of this contract.

#### **4.2.8 Required Forms**

##### **A. Proposal Certification**

Complete and attach the Proposal Certification provided herein.

##### **B. Cost Proposal**

Provide firm, fixed, costs for all services/products using the form provided in this request for proposal. These firm fixed costs for the project include any costs for travel and miscellaneous expenses. No other costs will be accepted.

**C. Non-Collusion Statement**

This form is to be completed, if applicable, and inserted in this section.

**D. Non-Discrimination Certification Form**

This form is to be completed and inserted in this section.

**E. E-Verify Affirmation Statement**

This form must be completed and returned with your proposal.

**F. Affidavit of Compliance**

This form must be completed and returned with your proposal.

**G. Sample Insurance Certificate**

Demonstrate your firm's ability to comply with insurance requirements. Provide a previous certificate or other evidence listing the Insurance Companies names for the required coverage and limits.

**H. W-9 for Proposing Firm**

This form must be completed and returned with your proposal.

**I. Active Status Page from Division of Corporations – Sunbiz.org**

Provide PDF of the current page with your proposal.

*END OF SECTION*

## SECTION V – EVALUATION AND AWARD

### 5.1 Evaluation Procedure

#### 5.1.1 Bid/Proposal Tabulations/Intent to Award

Notice of Intent to Award Contract/Bid/Proposal, resulting from the City's Formal solicitation process, requiring City Commission action, may be found at:

<https://www.fortlauderdale.gov/government/departments-a-h/finance/procurement-services/notices-of-intent-to-award>. Tabulations of receipt of those parties responding to a formal solicitation may be found at:

<https://www.fortlauderdale.gov/government/departments-a-h/finance/procurement-services/bid-results>, or any interested party may call the Procurement Services Division at 954-828-5933.

5.1.2 Evaluation of proposals will be conducted by an Evaluation Committee, consisting of a minimum of three members of City Staff, or other persons selected by the City Manager or designee. All committee members must be in attendance at scheduled evaluation meetings. Proposals shall be evaluated based upon the information and references contained in the responses as submitted.

5.1.3 The Committee may short list Proposals that it deems best satisfy the weighted criteria set forth herein. The committee may then conduct interviews and/or require oral presentations from the short-listed Proposers. The Evaluation Committee shall then re-score and re-rank the short-listed firms in accordance with the weighted criteria.

5.1.4 The City may require visits to the Proposer's facilities to inspect record keeping procedures, staff, facilities, and equipment as part of the evaluation process.

5.1.5 The final ranking and the Evaluation Committee's recommendation may then be reported to the City Manager for consideration of contract award.

### 5.2 Evaluation Criteria

5.2.1 The City uses a mathematical formula to determine the scoring for each individual responsive and responsible firm based on the weighted criteria stated herein. Each evaluation committee member will rank each firm by criteria, giving their first ranked firm a number 1, the second ranked firm a number 2, and so on. The City shall multiply that average ranking by the weighted criterion identified herein to determine the total points for each Proposer. The lowest average final ranking score will determine the recommendation by the evaluation committee to the City Manager.

#### 5.2.2 Weighted Criteria

<b>Qualifications and Experience:</b> A) Firm background, history, and overall experience; B) Staff experience and resumes - specifically, operational, and administrative personnel assigned to the City	15%
<b>Operational Plan for the City:</b> A) Subcontractor Plan; B) Quality control and customer service plans; C) Organizational Structure of Firm	25%

<b>Resources and Availability:</b> A) Current workload and future commitments; B) Plan for managing multiple Florida-based contracts; C) Demonstrated financial capability	15%
<b>Past Performance:</b> A) Reference Checks; B) Closed, active and pending FEMA disputes, audits, or lawsuits; C) Explanation of unrecovered (deobligated) FEMA reimbursements	15%
<b>Price Proposal</b>	30%
<b><i>Total Percent Available</i></b>	<b>100%</b>

**5.3 Contract Award**

The City reserves the right to award a contract to that Consultant who will best serve the interests of the City. The City reserves the right, based upon its deliberations and in its opinion, to accept or reject any or all proposals. The City also reserves the right to waive minor irregularities or variations of the submittal requirements and RFP process.

*END OF SECTION*

**SECTION VI - COST PROPOSAL PAGE**

**Proposer Name:** \_\_\_\_\_

Proposer agrees to supply the products and services at the prices bid/proposed below in accordance with the terms, conditions and specifications contained in this RFP.

Cost to the City: Contractor shall quote firm, fixed, costs for all services/products identified in this request for proposal. These firm fixed costs for the project include any costs for travel and miscellaneous expenses. No other costs will be accepted.

**Notes: Provide Total Project Cost from your Submission in the Infor Sourcing Platform**

## EXHIBIT A

### FEDERAL REQUIREMENTS – REQUIRED FOR FEMA / Federal Grants

Any reference made to CONTRACTOR in this section shall apply to the Successful Proposer, and also apply to any subcontractor under the terms of this Contract. CONTRACTOR shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses:

1. CONTRACTOR shall assist CITY in completing any forms necessary for reimbursements from state or federal agencies, including but not limited to FEMA, relating to costs arising out of the services provided pursuant to this Agreement. This may include, but is not limited to, the timely completion and submittal of reimbursement requests, preparation, and submittal of any and all necessary cost substantiation and preparing replies to any and all agency denial or inquiries.
2. If reimbursement is denied to CITY due to CONTRACTOR's negligence, including failure to comply with this Article, CONTRACTOR upon notification from FEMA or the Florida Division of Emergency Management of such denial and upon written demand by the CITY, shall reimburse CITY for amounts denied due to CONTRACTOR's negligence. This obligation shall survive the term or termination of this Agreement.
3. Notwithstanding anything to the contrary set forth herein, CONTRACTOR shall comply with the following federally required standard provisions, as set forth in 2 C.F.R. Sec.200.326 and 2 C.F.R. Part 200. In the event of any conflicts, the provisions of 2 C.F.R. Part 200 and Appendix II to 2 C.F.R. Part 200 shall prevail.
4. **EQUAL EMPLOYMENT OPPORTUNITY:** Except as otherwise provided under 41 C.F.R. Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. § 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. § 60-1.4(b), in accordance with Executive Order 11246, Equal Employment Opportunity (30 Fed. Reg. 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, Amending Executive Order 11246 Relating to Equal Employment Opportunity, and implementing regulations at 41 C.F.R. Part 60 (Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor). See 2 C.F.R. Part 200, Appendix II(C).
5. **KEY DEFINITIONS:**
  - A. **Federally Assisted Construction Contract:** The regulation at 41 C.F.R. § 60- 1.3 defines a "federally assisted construction contract" as any agreement or modification thereof between any applicant and a person for construction work which is paid for in whole or in part with funds obtained from the Government or borrowed on the credit of the Government pursuant to any Federal program involving a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, or any application or modification thereof approved by the Government for a grant, contract, loan, insurance, or guarantee under which the applicant itself participates in the construction work.
  - B. **Construction Work:** The regulation at 41 C.F.R. § 60-1.3 defines "construction work" as the construction, rehabilitation, alteration, conversion, extension, demolition or repair of buildings, highways, or other changes or improvements to real property, including facilities

providing utility services. The term also includes the supervision, inspection, and other onsite functions incidental to the actual construction.

**A. Equal Employment Opportunity:** During the performance of this contract, CONTRACTOR agrees as follows:

- 1) CONTRACTOR will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. CONTRACTOR will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:
- 2) Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.
- 3) CONTRACTOR agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.
- 4) CONTRACTOR will, in all solicitations or advertisements for employees placed by or on behalf of CONTRACTOR, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- 5) CONTRACTOR will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with CONTRACTOR's legal duty to furnish information.
- 6) CONTRACTOR will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of CONTRACTOR's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- 7) CONTRACTOR will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- 8) CONTRACTOR will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to their books, records,

and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

- 9) In the event of CONTRACTOR's non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and CONTRACTOR may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
  - 10) CONTRACTOR will include the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. CONTRACTOR will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event CONTRACTOR becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, CONTRACTOR may request the United States to enter into such litigation to protect the interests of the United States.
6. **Davis-Bacon Act:** Contractor shall comply with the Davis-Bacon Act (40 U.S.C. 276a to 276a-7) as supplemented by Department of Labor Regulations (29 CFR Part 5). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week.
  7. **Copeland "Anti-Kickback" Act:** CONTRACTOR shall comply with the Copeland "Anti-Kickback" Act, (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). CONTRACTOR must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which they are otherwise entitled. City must report all suspected or reported violations to the Federal awarding agency.
  8. **Contract Work Hours and Safety Standards Act: (40 U.S.C. 3701- 3708).** Where applicable, pursuant to 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5) CONTRACTOR must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous.
    - A. Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which they are employed on such work to work in excess of forty hours in such workweek unless such

laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

- B.** Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1) of this section the contractor and any subcontractor responsible therefore shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.
  - C.** Withholding for unpaid wages and liquidated damages. City shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.
  - D.** Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section.”
- 9. Clean Air Act:** Pursuant to 42 U.S.C. 7401- 7671q. and the Federal Water Pollution Control Act (33 U.S.C. 1251- 1387), as amended CONTRACTOR agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401- 7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251- 1387). CITY will report violations to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).
- A. Clean Air Act.**

    - 1) The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.
    - 2) The contractor agrees to report each violation to CITY and understands and agrees that the CITY will, in turn, report each violation as required to assure notification to the State, Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.
    - 3) The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance provided by FEMA.
  - B. Federal Water Pollution Control Act.**

- 1) The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq.
- 2) The contractor agrees to report each violation to the CITY and understands and agrees that the CITY will, in turn, report each violation as required to assure notification to the State, Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.
- 3) The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance provided by FEMA.”

**10. Suspension and Debarment.** This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

- A. The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into. This certification is a material representation of fact relied upon by CITY. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to State and CITY, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
- B. The proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.”

**11. Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended).** Contractors who apply or Bid/Proposal for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.”

**12. Compliance with State Energy Policy and Conservation Act.** Contractor shall comply with all mandatory standards and policies relating to energy efficiency contained in the State energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub.L. 94-163, 89 Stat. 871).

**13. Recovered Materials.**

- A. In the performance of this Contract, the contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired;
  - A. Competitively within a timeframe providing for compliance with the contract performance schedule;

- B. Meeting Contract performance requirements; or
- C. At a reasonable price.

B. Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines web site, <http://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program>.

14. Pursuant to 44 CFR 13.36(i)(7), contractor shall comply with FEMA requirements and regulations pertaining to reporting, including but not limited to those set forth at 44 CFR 40 and 41.

15. Pursuant to 44 CFR 13.36(i)(8), contractor agrees that if this Agreement results in any copyrightable materials or inventions, in accordance with 44 CFR 13.34, FEMA reserves a royalty-free, non-exclusive and irrevocable license to reproduce, publish or otherwise use the copyright of said materials or inventions for Federal Government purposes.

16. **Access to Records.** In accordance with 44 CFR 13.36(i)(11) and Chapters 119 and 257, Florida Statutes,

A. The contractor agrees to provide the City, State, FEMA, the Comptroller General of the United States or any of their authorized representatives access to any books, documents, papers and records of the contractor which are directly pertinent to the contract for the purposes of making audits, examinations, excerpts and transcriptions.

B. The contractor agrees to maintain all books, records, accounts and reports required under the contract for a period of not less than five (5) years after the date of termination or expiration of the contract, except in the event of litigation or settlement of claims arising from the performance of the contract, in which case contractor agrees to maintain same until the City, the State, FEMA, the Comptroller General, or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims or exceptions related thereto.

17. **No Obligation by the Federal Government.**

A. Absent the express written consent by the Federal Government, the Federal Government or FEMA is not a party to the contract and shall not be subject to any obligations or liabilities to the City, contractor, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying contract.

B. The contractor agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance provided by FEMA. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

17. **DHS Seal, Logo, and Flags.** The contractor shall not use DHS(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval.

18. **Compliance with Federal Law, Regulations, and Executive Orders.** This is an acknowledgement that FEMA financial assistance will be used to fund the Contract only. The contractor will comply with all applicable federal law, regulations, executive orders, FEMA policies, procedures, and directives.

**19. Fraudulent Statements.** The contractor acknowledges that 31 U.S.C. Chap. 38 applies to the contractor's actions pertaining to this Contract.

**20. Prohibition on Contracting for Covered Telecommunications Equipment or Services.**

**A.** As used in this clause, the terms backhaul; covered foreign country; covered telecommunications equipment or services; interconnection arrangements; roaming; substantial or essential component; and telecommunications equipment or services have the meaning as defined in FEMA Policy 405-143-1, Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services (Interim), as used in this clause.

**B. Prohibitions.**

- 1) Section 889(b) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019, Pub. L. No. 115-232, and 2 C.F.R. § 200.216 prohibit the head of an executive agency on or after Aug.13, 2020, from obligating or expending grant, cooperative agreement, loan, or loan guarantee funds on certain telecommunications products or from certain entities for national security reasons.
- 2) Unless an exception in paragraph (c) of this clause applies, the CONTRACTOR and its subcontractors may not use grant, cooperative agreement, loan, or loan guarantee funds from the Federal Emergency Management Agency to:
  - a) Procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;
  - b) Enter into, extend, or renew a contract to procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;
  - c) Enter into, extend, or renew contracts with entities that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system; or
  - d) Provide, as part of its performance of this contract, subcontract, or other contractual instrument, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

**C. Exceptions.**

- 1) This clause does not prohibit CONTRACTOR from providing:
  - a) A service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or
  - b) Telecommunications equipment that cannot route or redirect user data traffic or permit visibility into any user data or packets that such equipment transmits or otherwise handles.
- 2) By necessary implication and regulation, the prohibitions also do not apply to:
  - a) Covered telecommunications equipment or services that: a. Are not used as a substantial or essential component of any system; and b. Are not used as critical technology of any system.
  - b) Other telecommunications equipment or services that are not considered covered telecommunications equipment or services.

**D. Reporting requirement.**

- 1) In the event CONTRACTOR identifies covered telecommunications equipment or services used as a substantial or essential component of any system, or as critical technology as part of any system, during contract performance, or the contractor is notified of such by a subcontractor at any tier or by any other source, the contractor shall report the information described in this clause to the recipient or subrecipient, unless elsewhere in this contract are established procedures for reporting the information.
- 2) The CONTRACTOR shall report the following information:
  - a) Within one business day from the date of such identification or notification: The contract number; the order number(s), if applicable; supplier name; supplier unique entity identifier (if known); supplier Commercial and Government Entity (CAGE) code (if known); brand; model number (original equipment manufacturer number, manufacturer part number, or wholesaler number); item description; and any readily available information about mitigation actions undertaken or recommended.
  - b) Within ten (10) business days of submitting the information required in this section: Any further available information about mitigation actions undertaken or recommended. In addition, the contractor shall describe the efforts it undertook to prevent use or submission of covered telecommunications equipment or services, and any additional efforts that will be incorporated to prevent future use or submission of covered telecommunications equipment or services.

**E. Subcontracts.** The CONTRACTOR shall insert the substance of this clause, including this in all subcontracts and other contractual instruments.

**21. Domestic Preference for Procurements.** As appropriate, and to the extent consistent with law, the CONTRACTOR should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States. This includes, but is not limited to iron, aluminum, steel, cement, and other manufactured products. For purposes of this clause: Produced in the United States means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. Manufactured products mean items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

**22. Affirmative Socioeconomic Steps.** If subcontracts are to be let, CONTRACTOR is required to take all necessary steps identified in 2 C.F.R. § 200.321(b)(1)-(5) to ensure that small and minority businesses, women's business enterprises, and labor surplus area firms are used when possible.

**23. License and Delivery of Works Subject to Copyright and Data Rights.** If applicable, the CONTRACTOR grants to CITY, a paid-up, royalty-free, nonexclusive, irrevocable, worldwide license in data first produced in the performance of this contract to reproduce, publish, or otherwise use, including prepare derivative works, distribute copies to the public, and perform publicly and display publicly such data. For data required by the contract but not first produced in the performance of this contract, CONTRACTOR will identify such data and grant to the CITY or acquires on its behalf a license of the same scope as for data first produced in the performance of this contract. Data, as used herein, shall include any work subject to copyright under 17 U.S.C. § 102, for example, any written reports or literary works, software and/or source code, music, choreography, pictures or images, graphics, sculptures, videos, motion pictures or other audiovisual works, sound and/or video recordings, and architectural works.

Upon or before the completion of this contract, CONTRACTOR will deliver to the CONTRACTOR data first produced in the performance of this contract and data required by the contract but not first produced in the performance of this contract in formats acceptable by CONTRACTOR.

**CITY OF FORT LAUDERDALE  
GENERAL CONDITIONS**

These instructions and conditions are standard for all contracts for commodities or services issued through the City of Fort Lauderdale Procurement Services Division. The City may delete, supersede, or modify any of these standard instructions for a particular contract by indicating such change in the Invitation to Bid (ITB) Special Conditions, Technical Specifications, Instructions, Proposal Pages, Addenda, and Legal Advertisement. In this general conditions document, Invitation to Bid (ITB), Request for Qualifications (RFQ), and Request for Proposal (RFP) are interchangeable.

**PART I BIDDER PROPOSAL PAGE(S) CONDITIONS:**

- 1.01 BIDDER ADDRESS:** The City maintains automated vendor address lists that have been generated for each specific Commodity Class item through our bid issuing service, BidSync. Notices of Invitations to Bid (ITB'S) are sent by e-mail to the selection of bidders who have fully registered with BidSync or faxed (if applicable) to every vendor on those lists, who may then view the bid documents online. Bidders who have been informed of a bid's availability in any other manner are responsible for registering with BidSync in order to view the bid documents. There is no fee for doing so. If you wish bid notifications be provided to another e-mail address or fax, please contact BidSync. If you wish purchase orders sent to a different address, please so indicate in your bid response. If you wish payments sent to a different address, please so indicate on your invoice.
- 1.02 DELIVERY:** Time will be of the essence for any orders placed as a result of this ITB. The City reserves the right to cancel any orders, or part thereof, without obligation if delivery is not made in accordance with the schedule specified by the Bidder and accepted by the City.
- 1.03 PACKING SLIPS:** It will be the responsibility of the awarded Contractor, to attach all packing slips to the OUTSIDE of each shipment. Packing slips must provide a detailed description of what is to be received and reference the City of Fort Lauderdale purchase order number that is associated with the shipment. Failure to provide a detailed packing slip attached to the outside of shipment may result in refusal of shipment at Contractor's expense.
- 1.04 PAYMENT TERMS AND CASH DISCOUNTS:** Payment terms, unless otherwise stated in this ITB, will be considered to be net 45 days after the date of satisfactory delivery at the place of acceptance and receipt of correct invoice at the office specified, whichever occurs last. Bidder may offer cash discounts for prompt payment but they will not be considered in determination of award. If a Bidder offers a discount, it is understood that the discount time will be computed from the date of satisfactory delivery, at the place of acceptance, and receipt of correct invoice, at the office specified, whichever occurs last.
- 1.05 TOTAL BID DISCOUNT:** If Bidder offers a discount for award of all items listed in the bid, such discount shall be deducted from the total of the firm net unit prices bid and shall be considered in tabulation and award of bid.
- 1.06 BIDS FIRM FOR ACCEPTANCE:** Bidder warrants, by virtue of bidding, that the bid and the prices quoted in the bid will be firm for acceptance by the City for a period of one hundred twenty (120) days from the date of bid opening unless otherwise stated in the ITB.
- 1.07 VARIANCES:** For purposes of bid evaluation, Bidder's must indicate any variances, no matter how slight, from ITB General Conditions, Special Conditions, Specifications or Addenda in the space provided in the ITB. No variations or exceptions by a Bidder will be considered or deemed a part of the bid submitted unless such variances or exceptions are listed in the bid and referenced in the space provided on the bidder proposal pages. If variances are not stated, or referenced as required, it will be assumed that the product or service fully complies with the City's terms, conditions, and specifications.

By receiving a bid, City does not necessarily accept any variances contained in the bid. All variances submitted are subject to review and approval by the City. If any bid contains material variances that, in the City's sole opinion, make that bid conditional in nature, the City reserves the right to reject the bid or part of the bid that is declared by the City as conditional.

- 1.08 NO BIDS:** If you do not intend to bid please indicate the reason, such as insufficient time to respond, do not offer product or service, unable to meet specifications, schedule would not permit, or any other reason, in the space provided in this ITB. Failure to bid or return no bid comments prior to the bid due and opening date and time, indicated in this ITB, may result in your firm being deleted from our Bidder's registration list for the Commodity Class Item requested in this ITB.

- 1.09 MINORITY AND WOMEN BUSINESS ENTERPRISE PARTICIPATION AND BUSINESS DEFINITIONS:** The City of Fort Lauderdale wants to increase the participation of Minority Business Enterprises (MBE), Women Business Enterprises (WBE), and Small Business Enterprises (SBE) in its procurement activities. If your firm qualifies in accordance with the below definitions please indicate in the space provided in this ITB.

Minority Business Enterprise (MBE) "A Minority Business" is a business enterprise that is owned or controlled by one or more socially or economically disadvantaged persons. Such disadvantage may arise from cultural, racial, chronic economic circumstances or background or other similar cause. Such persons include, but are not limited to: Blacks, Hispanics, Asian Americans, and Native Americans.

The term "Minority Business Enterprise" means a business at least 51 percent of which is owned by minority group members or, in the case of a publicly owned business, at least 51 percent of the stock of which is owned by minority group members. For the purpose of the preceding sentence, minority group members are citizens of the United States who include, but are not limited to: Blacks, Hispanics, Asian Americans, and Native Americans.

Women Business Enterprise (WBE) a "Women Owned or Controlled Business" is a business enterprise at least 51 percent of which is owned by females or, in the case of a publicly owned business, at least 51 percent of the stock of which is owned by females.

Small Business Enterprise (SBE) "Small Business" means a corporation, partnership, sole proprietorship, or other legal entity formed for the purpose of making a profit, which is independently owned and operated, has either fewer than 100 employees or less than \$1,000,000 in annual gross receipts.

BLACK, which includes persons having origins in any of the Black racial groups of Africa.  
WHITE, which includes persons whose origins are Anglo-Saxon and Europeans and persons of Indo-European decent including Pakistani and East Indian.  
HISPANIC, which includes persons of Mexican, Puerto Rican, Cuban, Central and South American, or other Spanish culture or origin, regardless of race.  
NATIVE AMERICAN, which includes persons whose origins are American Indians, Eskimos, Aleuts, or Native Hawaiians.  
ASIAN AMERICAN, which includes persons having origin in any of the original peoples of the Far East, Southeast Asia, the Indian subcontinent, or the Pacific Islands.

- 1.10 MINORITY-WOMEN BUSINESS ENTERPRISE PARTICIPATION**  
It is the desire of the City of Fort Lauderdale to increase the participation of minority (MBE) and women-owned (WBE) businesses in its contracting and

procurement programs. While the City does not have any preference or set aside programs in place, it is committed to a policy of equitable participation for these firms. Proposers are requested to include in their proposals a narrative describing their past accomplishments and intended actions in this area. If proposers are considering minority or women owned enterprise participation in their proposal, those firms, and their specific duties have to be identified in the proposal. If a proposer is considered for award, he or she will be asked to meet with City staff so that the intended MBE/WBE participation can be formalized and included in the subsequent contract.

**1.11 SCRUTINIZED COMPANIES**

As a condition precedent to the effectiveness of this Agreement, subject to *Odebrecht Construction, Inc., v. Prasad*, 876 F.Supp.2d 1305 (S.D. Fla. 2012), *affirmed*, *Odebrecht Construction, Inc., v. Secretary, Florida Department of Transportation*, 715 F.3d 1268 (11th Cir. 2013), with regard to the "Cuba Amendment," the Contractor certifies that it is not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, and that it does not have business operations in Cuba or Syria, as provided in section 287.135, Florida Statutes (2023), as may be amended or revised. As a condition precedent to any contract for goods or services of any amount and as a condition precedent to the renewal of any contract for goods or services of any amount, the Contractor certifies that it is not on the Scrutinized Companies that Boycott Israel List created pursuant to Section 215.4725, Florida Statutes (2023), and that it is not engaged in a boycott of Israel. The City may terminate this Agreement at the City's option if the Contractor is found to have submitted a false certification as provided under subsection (5) of section 287.135, Florida Statutes (2023), as may be amended or revised, or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List or the Scrutinized Companies that Boycott Israel List created pursuant to Section 215.4725, Florida Statutes (2023), as may be amended or revised, or is engaged in a boycott of Israel, or has been engaged in business operations in Cuba or Syria, as defined in Section 287.135, Florida Statutes (2023), as may be amended or revised.

**1.12 DEBARRED OR SUSPENDED BIDDERS OR PROPOSERS**

The bidder or proposer certifies, by submission of a response to this solicitation, that neither it nor its principals and subcontractors are presently debarred or suspended by any Federal department or agency.

**Part II DEFINITIONS/ORDER OF PRECEDENCE:**

**2.01 BIDDING DEFINITIONS** The City will use the following definitions in its general conditions, special conditions, technical specifications, instructions to bidders, addenda and any other document used in the bidding process:

INVITATION TO BID (ITB) The solicitation document used for soliciting competitive sealed bids for goods or services.

INVITATION TO NEGOTIATE (ITN) All solicitation documents, regardless of medium, whether attached to or incorporated by reference in solicitations for responses from firms that invite proposals from interested and qualified firms so the city may enter into negotiations with the firm(s) determined most capable of providing the required goods or services.

REQUEST FOR PROPOSALS (RFP) A solicitation method used for soliciting competitive sealed proposals to determine the best value among proposals for goods or services for which price may not be the prevailing factor in award of the contract, or the scope of work, specifications or contract terms and conditions may be difficult to define. Such solicitation will consider the qualifications of the proposers along with evaluation of each proposal using identified and generally weighted evaluation criteria. RFPs may include price criteria whenever feasible, at the discretion of the city.

REQUEST FOR QUALIFICATIONS (RFQ) A solicitation method used for requesting statements of qualifications in order to determine the most qualified proposer for professional services.

BID – a price and terms quote received in response to an ITB.

PROPOSAL – a proposal received in response to an RFP.

BIDDER – Person or firm submitting a Bid.

PROPOSER – Person or firm submitting a Proposal.

RESPONSIVE BIDDER – A firm who has submitted a bid, offer, quote, or response which conforms in all material respects to the competitive solicitation document and all of its requirements.

RESPONSIBLE BIDDER – A firm who is fully capable of meeting all requirements of the solicitation and subsequent contract. The respondent must possess the full capability, including financial and technical, ability, business judgment, experience, qualifications, facilities, equipment, integrity, capability, and reliability, in all respects to perform fully the contract requirements and assure good faith performance as determined by the city.

FIRST RANKED PROPOSER – That Proposer, responding to a City RFP, whose Proposal is deemed by the City, the most advantageous to the City after applying the evaluation criteria contained in the RFP.

SELLER – Successful Bidder or Proposer who is awarded a Purchase Order or Contract to provide goods or services to the City.

CONTRACTOR – Any firm having a contract with the city. Also referred to as a "Vendor".

CONTRACT – All types of agreements, including purchase orders, for procurement of supplies, services, and construction, regardless of what these agreements may be called.

CONSULTANT – A firm providing professional services for the city.

**2.02 SPECIAL CONDITIONS:** Any and all Special Conditions contained in this ITB that may be in variance or conflict with these General Conditions shall have precedence over these General Conditions. If no changes or deletions to General Conditions are made in the Special Conditions, then the General Conditions shall prevail in their entirety,

**PART III BIDDING AND AWARD PROCEDURES:**

**3.01 SUBMISSION AND RECEIPT OF BIDS:** To receive consideration, bids must be received prior to the bid opening date and time. Unless otherwise specified, Bidders should use the proposal forms provided by the City. These forms may be duplicated, but failure to use the forms may cause the bid to be rejected. Any erasures or corrections on the bid must be made in ink and initialed by Bidder in ink. All information submitted by the Bidder shall be printed, typewritten, or filled in with pen and ink. Bids shall be signed in ink. Separate bids must be submitted for each ITB issued by the City in separate sealed envelopes properly marked. When a particular ITB or RFP requires multiple copies of bids or proposals they may be included in a single envelope or package properly sealed and identified. Only send bids via facsimile transmission (FAX) if the ITB specifically states that bids sent via FAX will be considered. If such a statement is not included in the ITB, bids sent via FAX will be rejected. Bids will be publicly opened in the Procurement Office, or other designated area, in the presence of Bidders, the public, and City staff. Bidders and the public are invited and encouraged to attend bid openings. Bids will be tabulated and made available for review by Bidder's and the public in accordance with applicable regulations.

**3.02 MODEL NUMBER CORRECTIONS:** If the model number for the make specified in this ITB is incorrect, or no longer available and replaced with an updated model with new specifications, the Bidder shall enter the correct model number on the bidder proposal page. In the case of an updated model with new specifications, Bidder shall provide adequate information to allow the City to determine if the model bid meets the City's requirements.

- 3.03 PRICES QUOTED:** Deduct trade discounts and quote firm net prices. Give both unit price and extended total. In the case of a discrepancy in computing the amount of the bid, the unit price quoted will govern. All prices quoted shall be F.O.B. destination, freight prepaid (Bidder pays and bears freight charges, Bidder owns goods in transit and files any claims), unless otherwise stated in Special Conditions. Each item must be bid separately. No attempt shall be made to tie any item or items contained in the ITB with any other business with the City.
- 3.04 TAXES:** The City of Fort Lauderdale is exempt from Federal Excise and Florida Sales taxes on direct purchase of tangible property. Exemption number for EIN is 59-6000319, and State Sales tax exemption number is 85-8013875578C-1.
- 3.05 WARRANTIES OF USAGE:** Any quantities listed in this ITB as estimated or projected are provided for tabulation and information purposes only. No warranty or guarantee of quantities is given or implied. It is understood that the Contractor will furnish the City's needs as they arise.
- 3.06 APPROVED EQUAL:** When the technical specifications call for a brand name, manufacturer, make, model, or vendor catalog number with acceptance of APPROVED EQUAL, it shall be for the purpose of establishing a level of quality and features desired and acceptable to the City. In such cases, the City will be receptive to any unit that would be considered by qualified City personnel as an approved equal. In that the specified make and model represent a level of quality and features desired by the City, the Bidder must state clearly in the bid any variance from those specifications. It is the Bidder's responsibility to provide adequate information, in the bid, to enable the City to ensure that the bid meets the required criteria. If adequate information is not submitted with the bid, it may be rejected. The City will be the sole judge in determining if the item bid qualifies as an approved equal.
- 3.07 MINIMUM AND MANDATORY TECHNICAL SPECIFICATIONS:** The technical specifications may include items that are considered minimum, mandatory, or required. If any Bidder is unable to meet or exceed these items, and feels that the technical specifications are overly restrictive, the bidder must notify the Procurement Services Division immediately. Such notification must be received by the Procurement Services Division prior to the deadline contained in the ITB, for questions of a material nature, or prior to five (5) days before bid due and open date, whichever occurs first. If no such notification is received prior to that deadline, the City will consider the technical specifications to be acceptable to all bidders.
- 3.08 MISTAKES:** Bidders are cautioned to examine all terms, conditions, specifications, drawings, exhibits, addenda, delivery instructions and special conditions pertaining to the ITB. Failure of the Bidder to examine all pertinent documents shall not entitle the bidder to any relief from the conditions imposed in the contract.
- 3.09 SAMPLES AND DEMONSTRATIONS:** Samples or inspection of product may be requested to determine suitability. Unless otherwise specified in Special Conditions, samples shall be requested after the date of bid opening, and if requested should be received by the City within seven (7) working days of request. Samples, when requested, must be furnished free of expense to the City and if not used in testing or destroyed, will upon request of the Bidder, be returned within thirty (30) days of bid award at Bidder's expense. When required, the City may request full demonstrations of units prior to award. When such demonstrations are requested, the Bidder shall respond promptly and arrange a demonstration at a convenient location. Failure to provide samples or demonstrations as specified by the City may result in rejection of a bid.
- 3.10 LIFE CYCLE COSTING:** If so specified in the ITB, the City may elect to evaluate equipment proposed on the basis of total cost of ownership. In using Life Cycle Costing, factors such as the following may be considered: estimated useful life, maintenance costs, cost of supplies, labor intensity, energy usage, environmental impact, and residual value. The City reserves the right to use those or other applicable criteria, in its sole opinion that will most accurately estimate total cost of use and ownership.
- 3.11 BIDDING ITEMS WITH RECYCLED CONTENT:** In addressing environmental concerns, the City of Fort Lauderdale encourages Bidders to submit bids or alternate bids containing items with recycled content. When submitting bids containing items with recycled content, Bidder shall provide documentation adequate for the City to verify the recycled content. The City prefers packaging consisting of materials that are degradable or able to be recycled. When specifically stated in the ITB, the City may give preference to bids containing items manufactured with recycled material or packaging that is able to be recycled.
- 3.12 USE OF OTHER GOVERNMENTAL CONTRACTS:** The City reserves the right to reject any part or all of any bids received and utilize other available governmental contracts, if such action is in its best interest.
- 3.13 QUALIFICATIONS/INSPECTION:** Bids will only be considered from firms normally engaged in providing the types of commodities/services specified herein. The City reserves the right to inspect the Bidder's facilities, equipment, personnel, and organization at any time, or to take any other action necessary to determine Bidder's ability to perform. The Procurement Director reserves the right to reject bids where evidence or evaluation is determined to indicate inability to perform.
- 3.14 BID SURETY:** If Special Conditions require a bid security, it shall be submitted in the amount stated. A bid security can be in the form of a bid bond or cashier's check. Bid security will be returned to the unsuccessful bidders as soon as practicable after opening of bids. Bid security will be returned to the successful bidder after acceptance of the performance bond, if required; acceptance of insurance coverage, if required; and full execution of contract documents, if required; or conditions as stated in Special Conditions.
- 3.15 PUBLIC RECORDS/TRADE SECRETS/COPYRIGHT:** The Proposer's response to the RFP is a public record pursuant to Florida law, which is subject to disclosure by the City under the State of Florida Public Records Law, Florida Statutes Chapter 119.07 ("Public Records Law"). The City shall permit public access to all documents, papers, letters or other material submitted in connection with this RFP and the Contract to be executed for this RFP, subject to the provisions of Chapter 119.07 of the Florida Statutes.

Any language contained in the Proposer's response to the RFP purporting to require confidentiality of any portion of the Proposer's response to the RFP, except to the extent that certain information is in the City's opinion a Trade Secret pursuant to Florida law, shall be void. If a Proposer submits any documents or other information to the City which the Proposer claims is Trade Secret information and exempt from Florida Statutes Chapter 119.07 ("Public Records Laws"), the Proposer shall clearly designate that it is a Trade Secret and that it is asserting that the document or information is exempt. The Proposer must specifically identify the exemption being claimed under Florida Statutes 119.07. The City shall be the final arbiter of whether any information contained in the Proposer's response to the RFP constitutes a Trade Secret. The city's determination of whether an exemption applies shall be final, and the proposer agrees to defend, indemnify, and hold harmless the City and the City's officers, employees, and agents, against any loss or damages incurred by any person or entity as a result of the City's treatment of records as public records. In addition, the proposer agrees to defend, indemnify, and hold harmless the City and the City's officers, employees, and agents, against any loss or damages incurred by any person or entity as a result of the City's treatment of records as exempt from disclosure or confidential. Proposals bearing copyright symbols or otherwise purporting to be subject to copyright protection in full or in part may be rejected. The proposer authorizes the City to publish, copy, and reproduce any and all documents submitted to the City bearing copyright symbols or otherwise purporting to be subject to copyright protection.

EXCEPT FOR CLEARLY MARKED PORTIONS THAT ARE BONA FIDE TRADE SECRETS PURSUANT TO FLORIDA LAW, DO NOT MARK YOUR RESPONSE TO THE RFP AS PROPRIETARY OR CONFIDENTIAL. DO NOT MARK YOUR RESPONSE TO THE RFP OR ANY PART THEREOF AS COPYRIGHTED.

**3.16 PROHIBITION OF INTEREST:** No contract will be awarded to a bidding firm who has City elected officials, officers or employees affiliated with it, unless the bidding firm has fully complied with current Florida State Statutes and City Ordinances relating to this issue. Bidders must disclose any such affiliation. Failure to disclose any such affiliation will result in disqualification of the Bidder and removal of the Bidder from the City's bidder lists and prohibition from engaging in any business with the City.

**3.17 RESERVATIONS FOR AWARD AND REJECTION OF BIDS:** The City reserves the right to accept or reject any or all bids, part of bids, and to waive minor irregularities or variations to specifications contained in bids, and minor irregularities in the bidding process. The City also reserves the right to award the contract on a split order basis, lump sum basis, individual item basis, or such combination as shall best serve the interest of the City. The City reserves the right to make an award to the responsive and responsible bidder whose product or service meets the terms, conditions, and specifications of the ITB and whose bid is considered to best serve the City's interest. In determining the responsiveness of the offer and the responsibility of the Bidder, the following shall be considered when applicable: the ability, capacity and skill of the Bidder to perform as required; whether the Bidder can perform promptly, or within the time specified, without delay or interference; the character, integrity, reputation, judgment, experience and efficiency of the Bidder; the quality of past performance by the Bidder; the previous and existing compliance by the Bidder with related laws and ordinances; the sufficiency of the Bidder's financial resources; the availability, quality and adaptability of the Bidder's supplies or services to the required use; the ability of the Bidder to provide future maintenance, service or parts; the number and scope of conditions attached to the bid.

If the ITB provides for a contract trial period, the City reserves the right, in the event the selected bidder does not perform satisfactorily, to award a trial period to the next ranked bidder or to award a contract to the next ranked bidder, if that bidder has successfully provided services to the City in the past. This procedure to continue until a bidder is selected or the contract is re-bid, at the sole option of the City.

**3.18 LEGAL REQUIREMENTS:** Applicable provisions of all federal, state, county laws, and local ordinances, rules and regulations, shall govern development, submittal and evaluation of all bids received in response hereto and shall govern any and all claims and disputes which may arise between person(s) submitting a bid response hereto and the City by and through its officers, employees and authorized representatives, or any other person, natural or otherwise; and lack of knowledge by any bidder shall not constitute a cognizable defense against the legal effect thereof.

**3.19 BID PROTEST PROCEDURE:** Any proposer or bidder who is not recommended for award of a contract and who alleges a failure by the city to follow the city's procurement ordinance or any applicable law may protest to the chief procurement officer, by delivering a letter of protest to the director of finance within five (5) days after a notice of intent to award is posted on the city's web site at the following url: <https://www.fortlauderdale.gov/departments/finance/procurement-services/notices-of-intent-to-award>

The complete protest ordinance may be found on the city's web site at the following url:  
[https://library.municode.com/fl/fort\\_lauderdale/codes/code\\_of\\_ordinances?nodeid=coor\\_ch2ad\\_artvfi\\_div2pr\\_s2-182direpr](https://library.municode.com/fl/fort_lauderdale/codes/code_of_ordinances?nodeid=coor_ch2ad_artvfi_div2pr_s2-182direpr)

#### **PART IV BONDS AND INSURANCE**

**4.01 PERFORMANCE BOND:** If a performance bond is required in Special Conditions, the Contractor shall within fifteen (15) working days after notification of award, furnish to the City a Performance Bond, payable to the City of Fort Lauderdale, Florida, in the face amount specified in Special Conditions as surety for faithful performance under the terms and conditions of the contract. If the bond is on an annual coverage basis, renewal for each succeeding year shall be submitted to the City thirty (30) days prior to the termination date of the existing Performance Bond. The Performance Bond must be executed by a surety company of recognized standing, authorized to do business in the State of Florida and having a resident agent.

Acknowledgement and agreement is given by both parties that the amount herein set for the Performance Bond is not intended to be nor shall be deemed to be in the nature of liquidated damages nor is it intended to limit the liability of the Contractor to the City in the event of a material breach of this Agreement by the Contractor.

**4.02 INSURANCE:** The Contractor shall assume full responsibility and expense to obtain all necessary insurance as required by City or specified in Special Conditions.

The Contractor shall provide to the Procurement Services Division original certificates of coverage and receive notification of approval of those certificates by the City's Risk Manager prior to engaging in any activities under this contract. The Contractor's insurance is subject to the approval of the City's Risk Manager. The certificates must list the City as an ADDITIONAL INSURED for General Liability Insurance and shall have no less than thirty (30) days written notice of cancellation or material change. Further modification of the insurance requirements may be made at the sole discretion of the City's Risk Manager if circumstances change or adequate protection of the City is not presented. Bidder, by submitting the bid, agrees to abide by such modifications.

#### **PART V PURCHASE ORDER AND CONTRACT TERMS:**

**5.01 COMPLIANCE WITH SPECIFICATIONS, LATE DELIVERIES/PENALTIES:** Items offered may be tested for compliance with bid specifications. Items delivered which do not conform to bid specifications may be rejected and returned at Contractor's expense. Any violation resulting in contract termination for cause or delivery of items not conforming to specifications, or late delivery may also result in:

- Bidder's name being removed from the City's bidder's mailing list for a specified period and Bidder will not be recommended for any award during that period.
- All City Departments being advised to refrain from doing business with the Bidder.
- All other remedies in law or equity.

**5.02 ACCEPTANCE, CONDITION, AND PACKAGING:** The material delivered in response to ITB award shall remain the property of the Seller until a physical inspection is made and the material accepted to the satisfaction of the City. The material must comply fully with the terms of the ITB, be of the required quality, new, and the latest model. All containers shall be suitable for storage and shipment by common carrier, and all prices shall include standard commercial packaging. The City will not accept substitutes of any kind. Any substitutes or material not meeting specifications will be returned at the Bidder's expense. Payment will be made only after City receipt and acceptance of materials or services.

**5.03 SAFETY STANDARDS:** All manufactured items and fabricated assemblies shall comply with applicable requirements of the Occupation Safety and Health Act of 1970 as amended.

- 5.04 ASBESTOS STATEMENT:** All material supplied must be 100% asbestos free. Bidder, by virtue of bidding, certifies that if awarded any portion of the ITB the bidder will supply only material or equipment that is 100% asbestos free.
- 5.05 OTHER GOVERNMENTAL ENTITIES:** If the Bidder is awarded a contract as a result of this ITB, the bidder may, if the bidder has sufficient capacity or quantities available, provide to other governmental agencies, so requesting, the products or services awarded in accordance with the terms and conditions of the ITB and resulting contract. Prices shall be F.O.B. delivered to the requesting agency.
- 5.06 VERBAL INSTRUCTIONS PROCEDURE:** No negotiations, decisions, or actions shall be initiated or executed by the Contractor as a result of any discussions with any City employee. Only those communications which are in writing from an authorized City representative may be considered. Only written communications from Contractors, which are assigned by a person designated as authorized to bind the Contractor, will be recognized by the City as duly authorized expressions on behalf of Contractors.
- 5.07 INDEPENDENT CONTRACTOR:** The Contractor is an independent contractor under this Agreement. Personal services provided by the Proposer shall be by employees of the Contractor and subject to supervision by the Contractor, and not as officers, employees, or agents of the City. Personnel policies, tax responsibilities, social security, health insurance, employee benefits, procurement policies unless otherwise stated in this ITB, and other similar administrative procedures applicable to services rendered under this contract shall be those of the Contractor.
- 5.08 INDEMNITY/HOLD HARMLESS AGREEMENT:** Contractor shall protect and defend at Contractor's expense, counsel being subject to the City's approval, and indemnify and hold harmless the City and the City's officers, employees, volunteers, and agents from and against any and all losses, penalties, fines, damages, settlements, judgments, claims, costs, charges, expenses, or liabilities, including any award of attorney fees and any award of costs, in connection with or arising directly or indirectly out of any act or omission by the Contractor or by any officer, employee, agent, invitee, subcontractor, or sublicensee of the Contractor. Without limiting the foregoing, any and all such claims, suits, or other actions relating to personal injury, death, damage to property, defects in materials or workmanship, actual or alleged violations of any applicable statute, ordinance, administrative order, rule or regulation, or decree of any court shall be included in the indemnity hereunder.
- 5.09 TERMINATION FOR CAUSE:** If, through any cause, the Contractor shall fail to fulfill in a timely and proper manner its obligations under this Agreement, or if the Contractor shall violate any of the provisions of this Agreement, the City may upon written notice to the Contractor terminate the right of the Contractor to proceed under this Agreement, or with such part or parts of the Agreement as to which there has been default, and may hold the Contractor liable for any damages caused to the City by reason of such default and termination. In the event of such termination, any completed services performed by the Contractor under this Agreement shall, at the option of the City, become the City's property and the Contractor shall be entitled to receive equitable compensation for any work completed to the satisfaction of the City. The Contractor, however, shall not be relieved of liability to the City for damages sustained by the City by reason of any breach of the Agreement by the Contractor, and the City may withhold any payments to the Contractor for the purpose of setoff until such time as the amount of damages due to the City from the Contractor can be determined.
- 5.10 TERMINATION FOR CONVENIENCE:** The City reserves the right, in the City's best interest as determined by the City, to cancel any contract by giving written notice to the Contractor thirty (30) days prior to the effective date of such cancellation.
- 5.11 CANCELLATION FOR UNAPPROPRIATED FUNDS:** The obligation of the City for payment to a Contractor is limited to the availability of funds appropriated in a current fiscal period, and continuation of the contract into a subsequent fiscal period is subject to appropriation of funds, unless otherwise authorized by law.
- 5.12 RECORDS/AUDIT:** The Contractor shall maintain during the term of the contract all books of account, reports and records in accordance with generally accepted accounting practices and standards for records directly related to this contract. The Contractor agrees to make available to the City Auditor or the City Auditor's designee, during normal business hours and in Broward, Miami-Dade or Palm Beach Counties, all books of account, reports, and records relating to this contract. The Contractor shall retain all books of account, reports, and records relating to this contract for the duration of the contract and for three years after the final payment under this Agreement, until all pending audits, investigations or litigation matters relating to the contract are closed, or until expiration of the records retention period prescribed by Florida law or the records retention schedules adopted by the Division of Library and Information Services of the Florida Department of State, whichever is later.
- 5.13 PERMITS, TAXES, LICENSES:** The successful Contractor shall, at his/her/its own expense, obtain all necessary permits, pay all licenses, fees and taxes, required to comply with all local ordinances, state and federal laws, rules and regulations applicable to business to be carried out under this contract.
- 5.14 LAWS/ORDINANCES:** The Contractor shall observe and comply with all Federal, state, local and municipal laws, ordinances rules and regulations that would apply to this contract.
- NON-DISCRIMINATION:** The Contractor shall not, in any of its activities, including employment, discriminate against any individual on the basis of race, color, national origin, age, religion, creed, sex, disability, sexual orientation, gender, gender identity, gender expression, marital status, or any other protected classification as defined by applicable law.
1. The Contractor certifies and represents that the Contractor will comply with Section 2-187, Code of Ordinances of the City of Fort Lauderdale, Florida, (2019), as may be amended or revised, ("Section 2-187"), during the entire term of this Agreement.
  2. The failure of the Contractor to comply with Section 2-187 shall be deemed to be a material breach of this Agreement, entitling the City to pursue any remedy stated below or any remedy provided under applicable law.
  3. The City may terminate this Agreement if the Contractor fails to comply with Section 2-187.
  4. The City may retain all monies due or to become due until the Contractor complies with Section 2-187.
  5. The Contractor may be subject to debarment or suspension proceedings. Such proceedings will be consistent with the procedures in section 2-183 of the Code of Ordinances of the City of Fort Lauderdale, Florida.
- 5.15 UNUSUAL CIRCUMSTANCES:** If during a contract term where costs to the City are to remain firm or adjustments are restricted by a percentage or CPI cap, unusual circumstances that could not have been foreseen by either party of the contract occur, and those circumstances significantly affect the Contractor's cost in providing the required prior items or services, then the Contractor may request adjustments to the costs to the City to reflect the changed circumstances. The circumstances must be beyond the control of the Contractor, and the requested adjustments must be fully documented. The City may, after examination, refuse to accept the adjusted costs if they are not properly documented, increases are considered to be excessive, or decreases are considered to be insufficient. In the event the City does not wish to accept the adjusted costs and the matter cannot be resolved to the satisfaction of the City, the City will reserve the following options:

1. The contract can be canceled by the City upon giving thirty (30) days written notice to the Contractor with no penalty to the City or Contractor. The Contractor shall fill all City requirements submitted to the Contractor until the termination date contained in the notice.
2. The City requires the Contractor to continue to provide the items and services at the firm fixed (non-adjusted) cost until the termination of the contract term then in effect.
3. If the City, in its interest and in its sole opinion, determines that the Contractor in a capricious manner attempted to use this section of the contract to relieve Contractor of a legitimate obligation under the contract, and no unusual circumstances had occurred, the City reserves the right to take any and all action under law or equity. Such action shall include, but not be limited to, declaring the Contractor in default and disqualifying Contractor from receiving any business from the City for a stated period of time.

If the City does agree to adjusted costs, these adjusted costs shall not be invoiced to the City until the Contractor receives notice in writing signed by a person authorized to bind the City in such matters.

- 5.16 ELIGIBILITY:** If applicable, the Contractor must first register with the Florida Department of State in accordance with Florida Statutes, prior to entering into a contract with the City.
- 5.17 PATENTS AND ROYALTIES:** The Contractor, without exception, shall defend, indemnify, and hold harmless the City and the City's employees, officers, employees, volunteers, and agents from and against liability of any nature and kind, including cost and expenses for or on account of any copyrighted, patented or un-patented invention, process, or article manufactured or used in the performance of the contract, including their use by the City. If the Contractor uses any design, device, or materials covered by letters, patent or copyright, it is mutually agreed and understood without exception that the bid prices shall include any and all royalties or costs arising from the use of such design, device, or materials in any way involved in the work.
- 5.18 ASSIGNMENT:** Contractor shall not transfer or assign the performance required by this ITB without the prior written consent of the City. Any award issued pursuant to this ITB, and the monies, which may become due hereunder, are not assignable except with the prior written approval of the City Commission or the City Manager or City Manager's designee, depending on original award approval.
- 5.19 GOVERNING LAW; VENUE:** The Contract shall be governed by and construed in accordance with the laws of the State of Florida. Venue for any lawsuit by either party against the other party or otherwise arising out of the Contract, and for any other legal proceeding, shall be in the courts in and for Broward County, Florida, or in the event of federal jurisdiction, in the Southern District of Florida.
- 5.20 PUBLIC RECORDS:**

**IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT CITY CLERK'S OFFICE, ONE EAST BROWARD BOULEVARD, SUITE 444, FORT LAUDERDALE, FLORIDA 33301, 954-828-5002, [PRRCONTRACT@FORTLAUDERDALE.GOV](mailto:PRRCONTRACT@FORTLAUDERDALE.GOV).**

Contractor shall comply with public records laws, and Contractor shall:

1. Keep and maintain public records required by the City to perform the service.
2. Upon request from the City's custodian of public records, provide the City with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes (2019), as may be amended or revised, or as otherwise provided by law.
3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the Contractor does not transfer the records to the City.
4. Upon completion of the Contract, transfer, at no cost, to the City all public records in possession of the Contractor or keep and maintain public records required by the City to perform the service. If the Contractor transfers all public records to the City upon completion of the Contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the Contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the City, upon request from the City's custodian of public records, in a format that is compatible with the information technology systems of the City.

**NON-COLLUSION STATEMENT**

By signing this offer, the vendor/contractor certifies that this offer is made independently and *free* from collusion. Vendor shall disclose below any City of Fort Lauderdale, FL officer or employee, or any relative of any such officer or employee who is an officer or director of, or has a material interest in, the vendor's business, who is in a position to influence this procurement.

Any City of Fort Lauderdale, FL officer or employee who has any input into the writing of specifications or requirements, solicitation of offers, decision to award, evaluation of offers, or any other activity pertinent to this procurement is presumed, for purposes hereof, to be in a position to influence this procurement.

For purposes hereof, a person has a material interest if they directly or indirectly own more than 5 percent of the total assets or capital stock of any business entity, or if they otherwise stand to personally gain if the contract is awarded to this vendor.

In accordance with City of Fort Lauderdale, FL Policy and Standards Manual, 6.10.8.3,

3.3. City employees may not contract with the City through any corporation or business entity in which they or their immediate family members hold a controlling financial interest (e.g., ownership of five (5) percent or more).

3.4. Immediate family members (spouse, parents, and children) are also prohibited from contracting with the City subject to the same general rules.

**Failure of a vendor to disclose any relationship described herein shall be reason for debarment in accordance with the provisions of the City Procurement Code.**

**CONTRACTOR'S CERTIFICATE OF COMPLIANCE WITH  
NON-DISCRIMINATION PROVISIONS OF THE CONTRACT**

The completed and signed form should be returned with the Contractor's submittal. If not provided with submittal, the Contractor must submit within three business days of City's request. Contractor may be deemed non-responsive for failure to fully comply within stated timeframes.

Pursuant to City Ordinance Sec. 2-17(a)(i)(ii), bidders must certify compliance with the Non-Discrimination provision of the ordinance.

- A. Contractors doing business with the City shall not discriminate against their employees based on the employee's race, color, religion, gender (including identity or expression), marital status, sexual orientation, national origin, age, disability, or any other protected classification as defined by applicable law.

Contracts. Every Contract exceeding \$100,000, or otherwise exempt from this section shall contain language that obligates the Contractor to comply with the applicable provisions of this section.

The Contract shall include provisions for the following:

- (i) The Contractor certifies and represents that it will comply with this section during the entire term of the contract.
- (ii) The failure of the Contractor to comply with this section shall be deemed to be a material breach of the contract, entitling the City to pursue any remedy stated below or any remedy provided under applicable law.

**AFFIDAVIT OF COMPLIANCE WITH FOREIGN ENTITY LAWS  
(Florida Statute- §287.138, 692.201, 692.202, 692.203, and 692.204)**

The undersigned, on behalf of the entity listed below ("Entity"), hereby attests under penalty of perjury as follows:

1. Entity is not owned by the government of a foreign country of concern as defined in Section 287.138, Florida Statutes. (Source:§ 287.138(2)(a), Florida Statutes)
2. The government of a foreign country of concern does not have a controlling interest in Entity. (Source:§ 287.138(2)(b), Florida Statutes)
3. Entity is not organized under the laws of, and does not have a principal place of business in, a foreign country of concern. (Source: § 287.138(2)(c), Florida Statutes)
4. Entity is not owned or controlled by the government of a foreign country of concern, as defined in Section 692.201, Florida Statutes. (Source:§ 288.007(2), Florida Statutes)
5. Entity is not a partnership, association, corporation, organization, or other combination of persons organized under the laws of or having its principal place of business in a foreign country of concern, as defined in Section 692.201, Florida Statutes, or a subsidiary of such entity. (Source: § 288.007(2), Florida Statutes)
6. Entity is not a foreign principal, as defined in Section 692.201, Florida Statutes. (Source: § 692.202(5)(a)(I), Florida Statutes)
7. Entity is in compliance with all applicable requirements of Sections 692.202, 692.203, and 692.204, Florida Statutes.
8. **(Only applicable if purchasing real property)** Entity is not a foreign principal prohibited from purchasing the subject real property. Entity is either (a) not a person or entity described in Section 692.204(1)(a), Florida Statutes, or (b) authorized under Section 692.204(2), Florida Statutes, to purchase the subject property. Entity is in compliance with the requirements of Section 692.204, Florida Statutes. (Source:§§ 692.203(6)(a), 692.204(6)(a), Florida Statutes)
9. The undersigned is authorized to execute this affidavit on behalf of Entity.

**VARIANCES:** If you take exception or have variances to any term, condition, specification, scope of service, or requirement in this competitive solicitation you must specify such exception or variance in the space provided below or reference in the space provided below all variances contained on other pages within your response. Additional pages may be attached if necessary. No exceptions or variances will be deemed to be part of the response submitted unless such is listed and contained in the space provided below. The City does not, by virtue of submitting a variance, necessarily accept any variances. If no statement is contained in the below space, it is hereby implied that your response is in full compliance with this competitive solicitation. If you do not have variances, simply mark N/A.

The below signatory hereby agrees to furnish the following article(s) or services at the price(s) and terms stated subject to all instructions, conditions, specifications addenda, legal advertisement, and conditions contained in the bid/proposal. I have read all attachments including the specifications and fully understand what is required. By submitting this signed proposal, I will accept a contract if approved by the City and such acceptance covers all terms, conditions, and specifications of this bid/proposal. The below signatory also hereby agrees, by virtue of submitting or attempting to submit a response, that in no event shall the City's liability for respondent's direct, indirect, incidental, consequential, special or exemplary damages, expenses, or lost profits arising out of this competitive solicitation process, including but not limited to public advertisement, bid conferences, site visits, evaluations, oral presentations, or award proceedings exceed the amount of Five Hundred Dollars (\$500.00). This limitation shall not apply to claims arising under any provision of indemnification or the City's protest ordinance contained in this competitive solicitation.
