

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#24-1005

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Susan Grant, Acting City Manager

DATE: October 15, 2024

TITLE: Second Reading - Ordinance Amending Section 5 of Ordinance No. C-04-05 of the City of Fort Lauderdale Allowing Affiliated Agency Employees Who Were in the Employ of the Affiliated Agency as of January 21, 2004, to Purchase Prior Service Credit in the General Employees' Retirement System - (**Commission Districts 1, 2, 3 and 4**)

Recommendation

Staff recommends the City Commission adopt an ordinance amending Section 5 of Ordinance C-04-05 to extend the opportunity to employees of Affiliated Agencies, who were in the employ of an Affiliated Agency as of January 21, 2004, to purchase General Employees' Retirement System prior service credit.

Background

On July 15, 2003, the City Commission adopted Ordinance C-03-27 (Exhibit 1) amending the Code of Ordinances allowing employees of affiliated agencies the option to participate in the General Employees Retirement System (GERS). However, the agency employees were not given the ability to purchase prior service with the affiliated agency. Prior to July 15, 2023, affiliated agency employees received a contribution to a deferred compensation (DC) plan and if the employee opted to join the GERS plan the contributions to the DC plan stopped.

On January 21, 2004, the City Commission adopted Ordinance C-04-05 (Exhibit 2) to establish procedures for acquiring General Employees' Retirement System prior service credit for certain non-classified employees in the City's employ. However, Ordinance C-04-05 did not encompass employees of affiliated agencies. The ordinance change is intended to cure this by affording affiliated agency employees the ability to purchase service credit for all periods of continuous service with the affiliated agency.

A cost study (Exhibit 3) was conducted by Gabriel, Roeder, Smith & Company (GRS) for additional service credit for one active member. The analysis was prepared for GERS, which estimated the employee cost and employer cost of additional service credit for an affiliated agency employee.

With the passing of this ordinance, the affiliated agency employee will have the ability to purchase up to ten (10) years of prior service credit. Staff recommends that the City Commission adopt this ordinance to allow the affiliated agency employee to purchase prior service credit.

Resource Impact

There will be a fiscal impact to the City in the estimated amount of \$28,199.
