

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#13-0331

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Lee Feldman, ICMA-CM, City Manager

DATE: June 18, 2013

TITLE: Motion to approve one-year extension to the City's Interlocal Agreement
with Broward County for Community Bus Services to September 30, 2014

Recommendation

It is recommended that the City Commission approve the second one-year extension of the City-Broward County Interlocal Agreement (ILA) for community bus services.

Background

The City of Fort Lauderdale and Broward County are entered into an Interlocal Agreement (ILA) that provides Broward County Gas Tax funds for City community bus services for the Downtown Fort Lauderdale Transportation Management Association (TMA) Sun Trolley. The base term of the agreement is for three years ending on September 30, 2012 with two, one-year extension options.

The Commission approved the first one-year extension at its June 5, 2012 meeting (Exhibit 1). This current request is for the implementation of the second one-year extension and would operate the service from October 1, 2013 to September 30, 2014.

The City has contracted with TMA to provide this service and at its May 22, 2013 meeting the TMA Board of Directors unanimously approved an extension of that agreement (Exhibit 2).

City staff has been in discussion with BCT staff regarding the August 28, 2012 letter (Exhibit 3) to the County Administrator, Bertha Henry, regarding the City's request to amend the ILA to increase the Community Bus fare ceiling above the 50% of the BCT full adult fixed route fare. Staff and BCT most recently met on June 12, 2013 and will come back to the Commission at a later date with an item for the amendment of the ILA to include the increased fare ceiling.

Resource Impact

There is no fiscal impact to the City at this time.
