City Commission Agenda Memo
REGULAR MEETING**

#13-0357

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Lee Feldman, ICMA-CM, City Manager

DATE: March 19, 2013

TITLE: Motion to Approve Donation to the FBI National Academy Associates
Utilizing State Law Enforcement Trust Fund - \$5,000

Recommendation

It is recommended that the City Commission approve a donation to the FBI National Academy Associates in the amount of \$5,000 utilizing State Law Enforcement Trust Fund.

Background

The FBI National Academy Associates (FBINAA) is comprised of over 40,000 Law Enforcement professionals all of whom have graduated from the FBI National Academy. The National Academy is considered the premier law enforcement training program in the world and consists of three months of intensive classroom and physical training at the FBI Academy in Quantico, Virginia. The FBINAA conducts annual events to provide instruction on current law enforcement topics for its members. The graduates and others from the law enforcement community attending this event are the current and future leaders of law enforcement in Florida, the United States and worldwide. One of seven law enforcement agencies in the world is led by a graduate of the FBI National Academy.

The FBINAA does not receive funding from the FBI for annual events; therefore, they must solicit contributions to offset their expenses. Law Enforcement Trust Funds have assisted in the past to help defray the cost of their Florida training conferences. The FBINAA is designated a 501(c) 3 corporation.

This contribution will be used to defray the costs of the FBINAA National 2013 Training Conference hosted by the Florida FBINAA Chapter in Orlando Florida. Fort Lauderdale Police managers will attend this conference beginning July 27, 2013 through July 21, 2013.

Resource Impact

There is a fiscal impact to the City in the amount of \$5,000.
