Recommendation

Staff recommends the City Commission consider adopting a resolution approving the historic designation of the property known as “Castro Convertibles” located at 2860 N. Federal Highway, Fort Lauderdale, Florida (“the property”) as a Historic Landmark, in accordance with Section 47-24.11.C.7. of the Unified Land Development Regulations (ULDR).

Background

Prior Commission Action:

- On July 5, 2022, the City Commission made a motion to defer the item to the September 6, 2022, meeting to allow for additional time at the request of the property owner.
- On September 6, 2022, the City Commission made a motion to defer the item to the October 18, 2022, meeting to allow for additional time at the request of the property owner.

On November 1, 2022, the Historic Preservation Board (HPB) adopted a motion to initiate the application for the historic designation of the property as a historic landmark. In accordance with Section 47-27.7.A.1. of the ULDR, mail notice was sent to the owner of the property, located at 2860 N. Federal Highway, Fort Lauderdale, Florida. Minutes of the November 1, 2021 HPB meeting are provided as Exhibit 1.

Once a complete historic designation application was prepared, consideration of the historic landmark designation application was scheduled for an HPB meeting. In advance of the HPB meeting and in accordance with Section 47-27.7.A.2. of the ULDR, mail notice was sent again to the owner of the property located at 2860 N. Federal Highway, with information pertaining to the meeting and an outline of the interim protective measures

placed on the subject property.

On May 4, 2022, the HPB meeting took place. The HPB reviewed the historic designation application, considered the staff report (attached as Exhibit 2) prepared by Trisha Logan, Principal Urban Planner and HPB Liaison, and reviewed the historic designation report.

Additional information concerning the history and significance of the building may be found within the historic designation application, attached as Exhibit 3 and the historic designation report, attached as Exhibit 4.

The HPB concluded that the property met Sections 47-24.11.C.7.c., 47-24.11.C.7.d., and 47-24.11.C.7.f. of the ULDR. The HPB recommended, by a vote of 5-2, that the City Commission approve the request for historic landmark designation of the property. Staff has concluded that the Castro Convertibles application meets the criteria for historic designation as a historic landmark in subsections (c), (d), and (f) of Section 47-24.11.C.7 of the ULDR which state as follows:

- c. Its identification with a person or persons who significantly contributed to the development of the city, state, or nation; and
- d. Its identification as the work of a master builder, designer, or architect whose individual work has influenced the development of the city, state, or nation; and
- f. Its distinguishing characteristics of an architectural style valuable for the study of a period, method of construction, or use of indigenous materials.

Section 47-24.11.C.9. of the ULDR states that “unless otherwise specified by the approving body, each designation of a landmark shall automatically include the designation of the site upon which the landmark exists as a landmark site.”

Designation Process

In accordance with ULDR Section 47-24.11.C.7, the criteria for the designation of property as a landmark, landmark site, or historic district shall be based on one (1) or more of the criteria and evaluated in conjunction with guidance provided within the National Register Bulletin series published by the National Park Service.
