Welcome Community Appearance Board members Marni Canavan and Eric Seidmon to help present

Lucy & Brandon Samuels bought their home at 1625 SE 14 St, in Lauderdale Harbors in February of 2000. They had a vision of what they wanted their home to be and set out to make it their own.

They transformed what was just a boxy, simple-looking house into a beautiful “Island Style Home”. They put on new metal roof, new siding, impact windows and doors and closed in the carport to create a 2 car garage. By removing the barrel tile roof and replacing with a metal roof, the entire look of the home changed. The exterior was also enhanced with plank style siding in a bright, vibrant yellow and the windows and doorways were updated in an architectural style. They transformed the entry with pavers, and a circular drive with native plants, tall palms and shrubs to create an inviting and friendly entry to their home.

When you drive by this “Island Retreat” you stop and say “WOW”. It is exactly what the owners envisioned with a cheerful and inviting facade to welcome friends and family to come and enjoy their true Florida Lifestyle.

The Fort Lauderdale City Commission and the Community Appearance Board proudly present the WOW Award for November 2012 to **Lucy and Brandon Samuels** and thank them for enhancing their neighborhood and the City of Fort Lauderdale.

We are pleased to present you both with a certificate of appreciation from the City Commission, a gift certificate from Kelly’s Landing and a beautiful orchid donated by Home Depot to celebrate the recognition.
