Fort Lauderdale Community Redevelopment Agency

**DATE:** May 7, 2024

**TITLE:** Resolution Approving Budget Amendment – Return Central City Community Redevelopment Agency Fund Balance for Reallocation – **(Commission District 2)**

---

**Recommendation**

Staff recommends the Community Redevelopment Agency (CRA) Board of Commissioners approve the return of \$2,224,506 Fiscal Year-end estimated Central City CRA fund balance to the City of Fort Lauderdale for reallocation back to the Central City CRA for Fiscal Year 2024 expenditures.

**Background**

On January 9, 2024, the CRA Board partially approved CAM #24-0010 to reallocate \$93,359 of the \$2,334,359 year end estimated balance back to the Central City CRA for Fiscal Year 2024 Florida Power and Light expenditures. The updated rollover decreased from the original clean up presented on January 9, 2024, leaving a clean-up budget amendment remaining balance of \$2,224,506 for reallocation.

On February 22, 2024, the Central City CRA Advisory Board held a workshop to discuss the reallocation of the remaining fiscal year-end funds not approved on January 9, 2024. The Advisory Board recommended staff's request to move forward with the remaining reallocation as requested in January. Of the revised remaining balance, \$1,300,000 will be reallocated to the Streetscape improvement capital project for roadway lighting, underground utilities, sidewalks, and landscaping. The \$924,506 will be reallocated for FY2024 incentive projects.

The City of Fort Lauderdale is the sole taxing authority contributing Tax Increment Financing (TIF) to the Central City CRA. Subsection 163.387(7), Florida Statutes provides the following:

On the last day of the fiscal year of the Community Redevelopment Agency, any funds which remain in the trust fund after the payment of expenses shall be:

- (a) Returned to each taxing authority which paid the increment in the proportion that the amount of the payment of such taxing authority bears to the total

- amount paid into the trust fund by all taxing authorities for that year;
- (b) Used to reduce the amount of any indebtedness to which increment revenues are pledged;
- (c) Deposited into an escrow account for later reducing any indebtedness to which increment revenues are pledged; or
- (d) Appropriated to a specific redevelopment project pursuant to an approved community redevelopment plan. The funds appropriated for such project may not be changed unless the project is amended, redesigned, or delayed, in which case the funds must be re-appropriated pursuant to the next annual budget adopted by the Board of Commissioners of the Community Redevelopment Agency.

Since the City of Fort Lauderdale is the sole taxing authority contributing TIF to the Central City Area, the CRA recommends returning the unspent paid increment to the City for reallocation back to the Central City Area to be used to further goals and objectives of the Central City Redevelopment Plan.
