## SECTION I – INTRODUCTION AND INFORMATION

### 1.1 Purpose

The City of Fort Lauderdale, Florida (City) is seeking bids from qualified, experienced, and licensed firm(s), hereinafter referred to as the Contractor or Bidder, to provide Commercial diving services for the repair of underwater pipes and structures. In addition, the cleaning and inspection of potable water storage tanks, clearwells, recarbonation and aeration basins and flumes for the City, in accordance with the terms, conditions, and specifications contained in this Invitation to Bid (ITB).

### 1.2 Point of Contact

For information concerning [procedures for responding to this solicitation](#), contact Procurement Specialist, Stefan Mohammed at (954) 828- 5351 or email at [Smohammed@fortlauderdale.gov](mailto:Smohammed@fortlauderdale.gov). Such contact shall be for clarification purposes only.

For information concerning technical specifications, please utilize the question / answer feature provided by the [City's on-line strategic sourcing platform](#). Questions of a material nature must be received prior to the cut-off date specified in the ITB schedule. Material changes, if any, to the scope of services or bidding procedures will only be transmitted by written addendum. Bidders please note: No part of your bid can be submitted via FAX. No variation in price or conditions shall be permitted based upon a claim of ignorance. Submission of a bid will be considered evidence that the Bidder has familiarized themselves with the nature and extent of the work, and the equipment, materials, and labor required. The entire bid response must be submitted in accordance with all specifications contained in this solicitation. The questions and answers submitted in the [City's on-line strategic sourcing platform](#) shall become part of any contract that is created from this ITB.

### 1.3 Pre-bid Conference and/or Site Visit

There will not be a pre-bid conference or site visit for this ITB.

It will be the sole responsibility of the Bidder to become familiar with the scope of the City's requirements and systems prior to submitting a bid. No variation in price or conditions shall be permitted based upon a claim of ignorance. Submission of a bid will be considered evidence that the Bidder has familiarized themselves with the nature and extent of the work, equipment, materials, and labor required.

### 1.4 CITY'S ON-LINE STRATEGIC SOURCING PLATFORM

The City of Fort Lauderdale uses its own on-line strategic sourcing platform to administer the competitive solicitation process, including but not limited to soliciting bids, issuing addenda, posting results, and issuing notification of an intended decision. There is no charge to register and download the ITB from the City's on-line strategic sourcing platform. Bidders are strongly encouraged to read the supplier tutorials available in the [City's on-line strategic sourcing platform](#) well in advance of their intention of submitting a bid to ensure familiarity with the use of the City's on-line strategic sourcing platform. The City shall not be responsible for a Bidder's inability to submit a Bid by the end date and time for any reason, including issues arising from the use of the City's on-line strategic sourcing platform.

It is the sole responsibility of the Bidder to ensure that their bid is submitted electronically through the City's on-line strategic sourcing platform no later than the time and date specified in this solicitation. PAPER BID SUBMITTALS WILL NOT BE ACCEPTED. BIDS MUST BE SUBMITTED ELECTRONICALLY VIA the [City's on-line strategic sourcing platform](#).

**IN THE EVENT OF ANY CONFLICT OR DISCREPANCY BETWEEN BID/PROPOSAL PRICE(S) SUBMITTED BY BIDDER/PROPOSER ELECTRONICALLY INTO THE CITY'S ON-LINE STRATEGIC SOURCING PLATFORM UNIT PRICE FIELD(S), ANY OTHER FORMS OR ATTACHMENTS (WHETHER PART OF THE CITY'S SOLICITATION DOCUMENTS OR DOCUMENTS CREATED AND UPLOADED BY THE BIDDER/PROPOSER), OR ANOTHER SECTION/FIELD OF THE SYSTEM, THE ONLINE UNIT PRICE(S) INPUTTED ELECTRONICALLY INTO THE SYSTEM BY BIDDER/PROPOSER SHALL GOVERN.**

**1.5 Electronic Bid Openings**

Please be advised that effective immediately, and until further notice, all Invitation to Bids, Request for Proposals, Request for Qualifications, and other solicitations led by the City of Fort Lauderdale will be opened electronically via the [City's on-line strategic sourcing platform](#) at the date and time indicated on the solicitation. All openings will be held on the City's on-line strategic sourcing platform.

Anyone requesting assistance or having further inquiry in this matter must contact the Procurement Specialist indicated on the solicitation, via the Question-and-Answer forum on the City's on-line strategic sourcing platform before the Last Day for Questions indicated in the Solicitation.

*END OF SECTION*

## **SECTION II - SPECIAL TERMS AND CONDITIONS**

### **2.1 General Conditions**

ITB General Conditions (Form G-107, Rev. 09/22) are included and made a part of this ITB.

### **2.2 Addenda, Changes, and Interpretations**

It is the sole responsibility of each firm to notify the Procurement Specialist utilizing the question / answer feature provided by the [City's on-line strategic sourcing platform](#) and request modification or clarification of any ambiguity, conflict, discrepancy, omission, or other error discovered in this competitive solicitation. Requests for clarification, modification, interpretation, or changes must be received prior to the Question and Answer (Q & A) Deadline. Requests received after this date may not be addressed. Questions and requests for information that would not materially affect the scope of services to be performed or the solicitation process will be answered within the question / answer feature provided by the City's on-line strategic sourcing platform and shall be for clarification purposes only. Material changes, if any, to the scope of services or the solicitation process will only be transmitted by official written addendum issued by the City and uploaded to the City's on-line strategic sourcing platform as a separate addendum to the ITB. Under no circumstances shall an oral explanation given by any City official, officer, staff, or agent be binding upon the City and should be disregarded. All addenda are a part of the competitive solicitation documents, and each firm will be bound by such addenda. It is the responsibility of each to read and comprehend all addenda issued.

### **2.3 Changes and Alterations**

Bidder may change or withdraw a Bid at any time prior to Bid submission deadline; however, no oral modifications will be allowed. Modifications shall not be allowed following the Bid deadline.

### **2.4 Bidder's Costs**

The City shall not be liable for any costs incurred by Bidders in responding to this ITB.

### **2.5 Pricing/Delivery**

Delivery is required within 48 hours of notification from the city for scheduled projects, and within 2 hours for unscheduled service, 24 hours per day, 7 days per week. Failure to meet this delivery date may be deemed as non-responsive.

Contractor must quote a firm, fixed hourly price for all services stated in the ITB, which includes any travel associated with coming to the City of Fort Lauderdale.

Failure to provide costs as requested in this ITB may deem your bid non-responsive.

### **2.6 Price Validity**

Prices provided in this Invitation to bid (ITB) shall be valid for at least One-Hundred and Twenty (120) days from time of ITB opening unless otherwise extended and agreed upon by the City and Bidder. The City shall award contract within this time period or shall request to the recommended awarded vendor an extension to hold pricing, until products/services have been awarded.

### **2.7 Invoices/Payment**

Payment terms will be considered to be net 45 days after the date of satisfactory delivery at the place of acceptance and receipt of correct invoice at the office specified, whichever occurs last, in accordance with the Florida Local Government Prompt Payment Act. Bidder may offer cash discounts for prompt payment, but they will not be considered in determination of award.

## **2.8 Related Expenses/Travel Expenses**

All costs including travel are to be included in your bid. The City will not accept any additional costs.

## **2.9 Payment Method**

The City of Fort Lauderdale has implemented a Procurement Card (P-Card) program which changes how payments are remitted to its vendors. The City has transitioned from traditional paper checks to payment by credit card via MasterCard or Visa. This allows you as a vendor of the City of Fort Lauderdale to receive your payment fast and safely. No more waiting for checks to be printed and mailed. Payments will be made utilizing the City's P-Card (MasterCard or Visa). Accordingly, firms must presently have the ability to accept credit card payment or take whatever steps necessary to implement acceptance of a credit card before the commencement of a contract. See Contract Payment Method form attached.

## **2.10 Mistakes**

The Bidder shall examine this ITB carefully. The submission of a bid shall be prima facie evidence that the Bidder has full knowledge of the scope, nature, and quality of the work to be performed; the detailed requirements of the specifications; and the conditions under which the work is to be performed. Ignorance of the requirements will not relieve the Bidder from liability and obligations under the Contract.

## **2.11 Acceptance of Bids / Minor Irregularities**

**2.11.1** The City reserves the right to accept or reject any or all bids, part of bids, and to waive minor irregularities or variances to specifications contained in bids which do not make the bid conditional in nature and minor irregularities in the solicitation process. A minor irregularity shall be a variation from the solicitation that does not affect the price of the contract or does not give a bidder an advantage or benefit not enjoyed by other bidders, does not adversely impact the interests of other firms, or does not affect the fundamental fairness of the solicitation process. The City also reserves the right to reissue an ITB.

**2.11.2** The City reserves the right to disqualify Bidder during any phase of the competitive solicitation process and terminate for cause any resulting contract upon evidence of collusion with intent to defraud or other illegal practices on the part of the Bidder.

## **2.12 Modification of Services**

**2.12.1** While this contract is for services provided to the department referenced in this ITB, the City may require similar work for other City departments. Successful Bidder agrees to take on such work unless such work would not be considered reasonable or become an undue burden to the Successful Bidder.

**2.12.2** The City reserves the right to delete any portion of the work at any time without cause, and if such right is exercised by the City, the total fee shall be reduced in the same ratio as the estimated cost of the work deleted bears to the estimated cost of the work originally planned. If work has already been accomplished and approved by the City on any portion of a contract resulting from this ITB, the Successful Bidder shall be paid for the work completed on the basis of the estimated percentage of completion of such portion to the total project cost.

**2.12.3** The City may require additional items or services of a similar nature, but not specifically listed in the contract. The Successful Bidder agrees to provide such items or services and shall provide the City prices on such additional items or services. If the price(s) offered are not acceptable to the City, and the situation cannot be resolved to the

satisfaction of the City, the City reserves the right to procure those items or services from other vendors, or to cancel the contract upon giving the Successful Bidder thirty (30) days written notice.

**2.12.4** If the Successful Bidder and the City agree on modifications or revisions to the task elements, after the City has approved work to begin on a particular task or project, and a budget has been established for that task or project, the Successful Bidder will submit a revised budget to the City for approval prior to proceeding with the work.

**2.13 Non-Exclusive Contract**

Bidder agrees and understands that the contract shall not be construed as an exclusive arrangement and further agrees that the City may, at any time, secure similar or identical services from another vendor at the City's sole option.

**2.14 Sample Contract Agreement**

A sample of the formal agreement template, which may be required to be executed by the awarded vendor can be found at our website:

<https://www.fortlauderdale.gov/home/showdocument?id=1212>

**2.15 Responsiveness**

In order to be considered responsive to the solicitation, the firm's bid shall fully conform in all material respects to the solicitation and all of its requirements, including all form and substance.

**2.16 Responsibility**

In order to be considered as a responsible firm, firm shall be fully capable to meet all of the requirements of the solicitation and subsequent contract, must possess the full capability, including financial and technical, to perform as contractually required, and must be able to fully document the ability to provide good faith performance.

**2.17 Minimum Qualifications**

To be eligible for award of a contract in response to this solicitation, the Bidder must demonstrate that they have successfully completed services, as specified in the Technical Specifications / Scope of Services section of this solicitation, are normally and routinely engaged in performing such services, and are properly and legally licensed to perform such work. In addition, the Bidder must have no conflict of interest with regard to any other work performed by the Bidder for the City of Fort Lauderdale.

**2.17.1** Firm or principals shall have no record of judgments, pending lawsuits against the City or criminal activities involving moral turpitude and not have any conflicts of interest that have not been waived by the City Commission.

**2.17.2** Neither firm nor any principal, officer, or stockholder shall be in arrears or in default of any debt or contract involving the City, (as a party to a contract, or otherwise); nor have failed to perform faithfully on any previous contract with the City.

**2.18 Lobbying Activities**

ALL CONTRACTORS PLEASE NOTE: Any contractor submitting a response to this solicitation must comply, if applicable, with City of Fort Lauderdale Ordinance No. C-11-42 & Resolution No. 07-101, Lobbying Activities. Copies of Ordinance No. C-11-42 and Resolution No. 07-101 may be obtained from the City Clerk's Office on the 7th Floor of City Hall, 100 N. Andrews Avenue,

Fort Lauderdale, Florida. The ordinance may also be viewed on the City's website at <http://www.fortlauderdale.gov/home/showdocument?id=6036>.

## **2.19 Local Business Preference**

**2.19.1** Section 2-186, Code of Ordinances of the City of Fort Lauderdale, provides for a local business preference. In order to be considered for a local business preference, a Bidder must include the Local Business Preference Certification Statement of this ITB, as applicable to the local business preference class claimed at the time of Bid submittal:

**2.19.2** Upon formal request of the City, based on the application of a Local Business Preference the Bidder shall within ten (10) calendar days submit the following documentation to the Local Business Preference Class claimed:

- a. Copy of City of Fort Lauderdale current year business tax receipt, or Broward County current year business tax receipt, and
- b. ## **2.22 Public Entity Crimes**

Bidder, by submitting a bid, certifies that neither the Bidder nor any of the Bidder's principals has been placed on the convicted vendor list as defined in Section 287.133, Florida Statutes (2018), as may be amended or revised. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in s. 287.017 for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list.

## **2.23 Subcontractors**

**2.23.1** If the Contractor proposes to use subcontractors in the course of providing these services to the City, this information shall be a part of the bid/proposal response. Such information shall be subject to review, acceptance, and approval of the City, prior to any contract award. The City reserves the right to approve or disapprove of any subcontractor candidate in its best interest and to require Contractor to replace subcontractor with one that meets City approval.

**2.23.2** Contractor shall ensure that all of Contractor's subcontractors perform in accordance with the terms and conditions of this Contract. Contractor shall be fully responsible for all of Contractor's subcontractors' performance, and liable for any of Contractor's subcontractors' non-performance and all of Contractor's subcontractors' acts and omissions. Contractor shall defend, at Contractor's expense, counsel being subject to the City's approval or disapproval, and indemnify and hold harmless the City and the City's officers, employees, and agents from and against any claim, lawsuit, third-party action, or judgment, including any award of attorney fees and any award of costs, by or in favor of any Contractor's subcontractors for payment for work performed for the City.

**2.23.3** Contractor shall require all its subcontractors to provide the required insurance coverage as well as any other coverage that the contractor may consider necessary, and any deficiency in the coverage or policy limits of said subcontractors will be the sole responsibility of the contractor.

**2.24 Bid Security – N/A**

**2.25 Payment and Performance Bond – N/A**

## **2.26 Insurance Requirements**

**2.26.1** As a condition precedent to the effectiveness of this Agreement, during the term of this Agreement and during any renewal or extension term of this Agreement, the Contractor, at its sole expense, shall provide insurance of such types and with such terms and limits as noted below. Providing proof of and maintaining adequate insurance coverage are material obligations of the Contractor. The Contractor shall provide the City a certificate of insurance evidencing such coverage. The Contractor's insurance coverage shall be primary insurance for all applicable policies. The limits of coverage under each policy maintained by the Contractor shall not be interpreted as limiting the Contractor's liability and obligations under this Agreement. All insurance policies shall be through insurers authorized or eligible to write policies in the State of Florida and possess an A.M. Best rating of A-, VII or better, subject to approval by the City's Risk Manager.

**2.26.2** The coverages, limits, and endorsements required herein protect the interests of the City, and these coverages, limits, and/or endorsements shall in no way be relied upon by the Contractor for assessing the extent or determining appropriate types and limits of coverage to protect the Contractor against any loss exposures, whether as a result of this Agreement or otherwise. The requirements contained herein, as well as the City's review or acknowledgement, are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by the Contractor under this Agreement.

**2.26.3** The following insurance policies and coverages are required:

### **Commercial General Liability**

Coverage must be afforded under a Commercial General Liability policy with limits not less than:

- \$1,000,000 each occurrence and \$2,000,000 aggregate for Bodily Injury, Property Damage, and Personal and Advertising Injury
- \$1,000,000 each occurrence and \$2,000,000 aggregate for Products and Completed Operations

Policy must include coverage for contractual liability and independent contractors.

The City, a Florida municipal corporation, its officials, employees, and volunteers are to be covered as an additional insured with a CG 20 26 04 13 Additional Insured – Designated Person or Organization Endorsement or similar endorsement providing equal or broader Additional Insured Coverage with respect to liability arising out of activities performed by or on behalf of the Contractor. The coverage shall contain no special limitation on the scope of protection afforded to the City, its officials, employees, and volunteers.

### **Business Automobile Liability**

Proof of coverage must be provided for all Owned, Hired, Scheduled, and Non-Owned vehicles for Bodily Injury and Property Damage in an amount not less than the State of Florida required minimums unless a different amount is required by City Ordinance(s).

If Vendor does not own vehicles, Vendor shall maintain coverage for Hired and Non-Owned Auto Liability, which may be satisfied by way of endorsement to the Commercial General Liability policy or separate Business Auto Liability policy.

### **Workers' Compensation and Employer's Liability**

Coverage must be afforded per Chapter 440, Florida Statutes. Any person or entity performing work for or on behalf of the City must provide Workers' Compensation insurance. Exceptions and exemptions will be allowed by the City's Risk Manager, if they are in accordance with Florida Statute.

Vendor waives, and Vendor shall ensure that Vendor's insurance carrier waives, all subrogation rights against the City, its officials, employees, and volunteers for all losses or damages. The City requires the policy to be endorsed with WC 00 03 13 Waiver of our Right to Recover from Others or equivalent.

Vendor must be in compliance with all applicable State and federal workers' compensation laws, including the U.S. Longshore and Harbor Workers' Compensation Act and the Jones Act, if applicable.

#### **2.26.4 Insurance Certificate Requirements**

- a.** The Contractor shall provide the City with valid Certificates of Insurance (binders are unacceptable) no later than ten (10) days prior to the start of work contemplated in this Agreement.
- b.** The Contractor shall provide to the City a Certificate of Insurance having a thirty (30) day notice of cancellation; ten (10) days' notice if cancellation is for nonpayment of premium.
- c.** In the event that the insurer is unable to accommodate the cancellation notice requirement, it shall be the responsibility of the Contractor to provide the proper notice. Such notification will be in writing by registered mail, return receipt requested, and addressed to the certificate holder.
- d.** In the event the Agreement term or any surviving obligation of the Contractor following expiration or early termination of the Agreement goes beyond the expiration date of the insurance policy, the Contractor shall provide the City with an updated Certificate of Insurance no later than ten (10) days prior to the expiration of the insurance currently in effect. The City reserves the right to suspend the Agreement until this requirement is met.
- e.** The Certificate of Insurance shall indicate whether coverage is provided under a claims-made or occurrence form. If any coverage is provided on a claims-made form, the Certificate of Insurance must show a retroactive date, which shall be the effective date of the initial contract or prior.
- f.** The City shall be named as an Additional Insured on all liability policies, with the exception of Workers' Compensation.
- g.** The City shall be granted a Waiver of Subrogation on the Contractor's Workers' Compensation insurance policy.
- h.** The title of the Agreement, Bid/Proposal/Contract number, event dates, or other identifying reference must be listed on the Certificate of Insurance.

The Certificate Holder should read as follows:

City of Fort Lauderdale  
100 N. Andrews Avenue  
Fort Lauderdale, FL 33301

**2.26.5** The Contractor has the sole responsibility for all insurance premiums and shall be fully and solely responsible for any costs or expenses as a result of a coverage deductible, co-insurance penalty, or self-insured retention; including any loss not covered because of the operation of such deductible, co-insurance penalty, self-insured retention, or coverage

exclusion or limitation. Any costs for adding the City as an Additional Insured shall be at the Contractor's expense.

- 2.26.6** If the Contractor's primary insurance policy/policies do not meet the minimum requirements, as set forth in this Agreement, the Contractor may provide evidence of an Umbrella/Excess insurance policy to comply with this requirement.
- 2.26.7** The Contractor's insurance coverage shall be primary insurance as respects to the City, a Florida municipal corporation, its officials, employees, and volunteers. Any insurance or self-insurance maintained by the City, a Florida municipal corporation, its officials, employees, or volunteers shall be non-contributory.
- 2.26.8** Any exclusion or provision in any insurance policy maintained by the Contractor that excludes coverage required in this Agreement shall be deemed unacceptable and shall be considered breach of contract.
- 2.26.9** All required insurance policies must be maintained until the contract work has been accepted by the City, or until this Agreement is terminated, whichever is later. Any lapse in coverage shall be considered breach of contract. In addition, Contractor must provide to the City confirmation of coverage renewal via an updated certificate should any policies expire prior to the expiration of this Agreement. The City reserves the right to review, at any time, coverage forms and limits of Contractor's insurance policies.
- 2.26.10** The Contractor shall provide notice of any and all claims, accidents, and any other occurrences associated with this Agreement shall be provided to the Contractor's insurance company or companies and the City's Risk Management office as soon as practical.
- 2.26.11** It is the Contractor's responsibility to ensure that any and all of the Contractor's independent contractors and subcontractors comply with these insurance requirements. All coverages for independent contractors and subcontractors shall be subject to all of the applicable requirements stated herein. Any and all deficiencies are the responsibility of the Contractor.

## **2.27 Insurance – Sub-Contractors**

Contractor shall require all its Sub-Contractors to provide the aforementioned coverage as well as any other coverage that the Contractor may consider necessary, and any deficiency in the coverage or policy limits of said Sub-Contractors will be the sole responsibility of the Contractor.

## **2.28 Insurance for Collection of Credit Card Payments**

The successful Contractor will need to provide proof that they maintain insurance coverage in an amount of not less than \$1,000,000 specifically for cyber related crimes relating to the transmission of credit card information over their website that can include but are not limited to criminal activity involving the information technology infrastructure, including illegal access (unauthorized access), illegal interception (by technical means of non-public transmissions of computer data to, from or within a computer system), data interference (unauthorized damaging, deletion, deterioration, alteration or suppression of computer data), systems interference (interfering with the functioning of a computer system by inputting, transmitting, damaging, deleting, deteriorating, altering or suppressing computer data), misuse of devices, forgery (ID theft), and electronic fraud.

## **2.29 Award of Contract**

Contractor must bid on all items in either Group 1 (lines 1-17) or Group 2 (Lines 18-37) or all lines in both Group 1 and 2. Partial bids will not be considered.

The City also reserves the right to accept or reject any or all bids, part of bids, and to waive minor irregularities or variations to specifications contained in bids, and minor irregularities in the bidding process. The City also reserves the right to award the contract on a split order basis, lump sum basis, individual item basis, or such combination as shall best serve the interest of the City.

A Contract (the "Agreement") may be awarded by the City Commission. The City reserves the right to execute or not execute, as applicable, a contract with the Bidder(s) that is determined to be in the City's best interests. The City reserves the right to award a contract to more than one Bidder, at the sole and absolute discretion of the in the City.

**2.30 Damage to Public or Private Property**

Extreme care shall be taken to safeguard all existing facilities, site amenities, irrigation systems, vehicles, etc. on or around the job site. Damage to public and/or private property shall be the responsibility of the Contractor and shall be repaired and/or replaced at no additional cost to the City.

**2.31 Safety**

The Contractor(s) shall adhere to the Florida Department of Transportation's Uniform manual on Traffic Control for construction and maintenance work zones when working on or near a roadway. It will be the sole responsibility of the Contractor to make themselves and their employees fully aware of these provisions, especially those applicable to safety.

**2.32 Uncontrollable Circumstances ("Force Majeure")**

The City and Contractor will be excused from the performance of their respective obligations under this agreement when and to the extent that their performance is delayed or prevented by any circumstances beyond their control including, fire, flood, explosion, strikes or other labor disputes, act of God or public emergency, war, riot, civil commotion, malicious damage, act or omission of any governmental authority, delay or failure or shortage of any type of transportation, equipment, or service from a public utility needed for their performance, provided that:

**2.32.1** The non-performing party gives the other party prompt written notice describing the particulars of the Force Majeure including, but not limited to, the nature of the occurrence and its expected duration, and continues to furnish timely reports with respect thereto during the period of the Force Majeure;

**2.32.2** The excuse of performance is of no greater scope and of no longer duration than is required by the Force Majeure;

**2.32.3** No obligations of either party that arose before the Force Majeure causing the excuse of performance are excused as a result of the Force Majeure; and

**2.32.4** The non-performing party uses its best efforts to remedy its inability to perform. Notwithstanding the above, performance shall not be excused under this Section for a period in excess of two (2) months, provided that in extenuating circumstances, the City may excuse performance for a longer term. Economic hardship of the Contractor will not constitute Force Majeure. The term of the agreement shall be extended by a period equal to that during which either party's performance is suspended under this Section.

**2.33 Canadian Companies**

In the event Contractor is a corporation organized under the laws of any province of Canada or is a Canadian federal corporation, the City may enforce in the United States of America or in Canada or in both countries a judgment entered against the Contractor. The Contractor waives any and all defenses to the City's enforcement in Canada, of a judgment entered by a court in the United States of America. All monetary amounts set forth in this Contract are in United States dollars.

**2.34 News Releases/Publicity**

News releases, publicity releases, or advertisements relating to this contract, or the tasks or projects associated with the project shall not be made without prior City approval.

**2.35 Approved Equal or Alternative Product Bids – N/A**

**Manufacturer/Brand/Model Specific Request – N/A**

**2.36 Contract Period**

The initial term shall commence upon date of award by the City and shall expire one (1) year from that date. The City reserves the right to extend the contract for three, additional one-year year term, providing all terms conditions and specifications remain the same, both parties agree to the extension, and such extension is approved by the City.

In the event services are scheduled to end because of the expiration of this contract, the Contractor shall continue the service upon the request of the City as authorized by the awarding authority. The extension period shall not extend for more than 270 days beyond the expiration date of the existing contract. The Contractor shall be compensated for the service at the rate in effect when this extension clause is invoked by the City.

**2.37 COST ADJUSTMENTS (Fixed Price with Economic Price Adjustment: Escalator/De-escalator)-**

Prices offered shall be firm and fixed price for the initial contract term of \_\_\_\_ year(s). The City, at its sole discretion, may conduct industry or market research to determine whether economic/market conditions support an increase or decrease price adjustment during the renewal term of the contract. Such adjustment, as determined by the City, shall be based on the latest yearly percentage increase or decrease in the All-Urban Consumers Price Index (CPI-U) as published by the Bureau of Labor Statistics, U.S. Department of Labor, and shall not exceed five percent (5%). The yearly increase or decrease in the CPI shall be the latest Index published and available for the calendar year ending 12/31, prior to the end of the contract year then in effect, as compared to the index for the comparable month, one-year prior. The City's designated Senior Procurement Specialist/Procurement Specialist will fully document its economic/market analysis to support its recommendation to make a price adjustment upward or downward to the contract. The Chief Procurement Officer may, after reviewing the recommendation, refuse to accept the adjusted costs if they are excessive, or if decreases are considered insufficient.

The City's price adjustment determination will be communicated to the supplier at least ninety (90) days prior to the contract anniversary date of contract renewal. If said communication is not received by the supplier by the above stated timeframe, it shall be construed that no price adjustment will occur during the renewal period. Any approved cost adjustments shall become effective on the beginning date of the approved contract renewal period.

**2.38 Service Test Period**

If the Contractor has not previously performed the services to the city, the City reserves the right

to require a test period to determine if the Contractor can perform in accordance with the requirements of the contract, and to the City's satisfaction. Such test period can be from thirty to ninety days, and will be conducted under all specifications, terms and conditions contained in the contract. This trial period will then become part of the initial contract period.

A performance evaluation will be conducted prior to the end of the test period and that evaluation will be the basis for the City's decision to continue with the Contractor or to select another Contractor (if applicable).

**2.39 Contract Coordinator**

The City may designate a Contract Coordinator whose principal duties shall be:

- Liaison with Contractor.
- Coordinate and approve all work under the contract.
- Resolve any disputes.
- Assure consistency and quality of Contractor's performance.
- Schedule and conduct Contractor performance evaluations and document findings.
- Review and approve for payment all invoices for work performed or items delivered.

**2.40 Contractor Performance Reviews and Ratings**

The City Contract Coordinator may develop a Contractor performance evaluation report. This report shall be used to periodically review and rate the Contractor's performance under the contract with performance rating as follows:

Excellent	Far exceeds requirements.
Good	Exceeds requirements
Fair	Just meets requirements.
Poor	Does not meet all requirements and contractor is subject to penalty provisions under the contract.
Non-compliance	Either continued poor performance after notice or a performance level that does not meet a significant portion of the requirements. This rating makes the Contractor subject to the default or cancellation for cause provisions of the contract.

The report shall also list all discrepancies found during the review period. The Contractor shall be provided with a copy of the report and may respond in writing if he takes exception to the report or wishes to comment on the report. Contractor performance reviews and subsequent reports will be used in determining the suitability of contract extension.

**2.41 Substitution of Personnel**

It is the intention of the City that the Contractor's personnel proposed for the contract will be available for the contract term. In the event the Contractor wishes to substitute personnel, he shall propose personnel of equal or higher qualifications and all replacement personnel are subject to City approval. In the event substitute personnel are not satisfactory to the City and the matter cannot be resolved to the satisfaction of the City, the City reserves the right to cancel the Contract for cause. See Section 5.09 General Conditions.

**2.42 Ownership of Work**

The City shall have full ownership and the right to copyright, otherwise limit, reproduce, modify,

sell, or use all of the work or product produced under this contract without payment of any royalties or fees to the Contractor above the agreed hourly rates and related costs.

**2.43 Condition of Trade-In Equipment – N/A**

**2.44 Conditions of Trade-In Shipment and Purchase Payment – N/A**

**2.45 Verification of Employment Status**

Any Contractor/Consultant assigned to perform responsibilities under its contract with a State agency is required to utilize the US Department of Homeland Security's E-Verify system (per Executive Order Number 11-02) to verify the employment eligibility of: (a) all persons employed during the contract term by the Contractor to perform employment duties within Florida; and (b) all persons (including subcontractors) assigned by the Contractor to perform work pursuant to the contract with the State agency.

E-VERIFY Affirmation Statement must be completed and submitted with Bidder's response to this ITB.

**2.46 Service Organization Controls – N/A**

**2.47 Warranties of Usage**

Any estimated quantities listed are for information and tabulation purposes only. No warranty or guarantee of quantities needed is given or implied. It is understood that the Contractor will furnish the City's needs as they arise.

**2.48 Rules and Submittals of Bids**

The signer of the bid must declare that the only person(s), company or parties interested in the bid as principals are named therein; that the bid is made without collusion with any other person(s), company or parties submitting a bid; that it is in all respects fair and in good faith, without collusion or fraud; and that the signer of the bid has full authority to bind the principal bidder.

**2.49 Bid Tabulations/Intent to Award**

Notice of Intent to Award Contract/Bid, resulting from the City's Formal solicitation process may be found at: <https://www.fortlauderdale.gov/government/departments-a-h/finance/procurement-services/notices-of-intent-to-award>. Tabulations of receipt of those parties responding to a formal solicitation may be found at: <https://www.fortlauderdale.gov/government/departments-a-h/finance/procurement-services/bid-results>, or any interested party may call the Procurement Services Division at 954-828-5933.

**2.50 Public Records**

All bids will become the property of the City. The Bidder's response to the ITB is a public record pursuant to Florida law, which is subject to disclosure by the City under the State of Florida Public Records Law, Florida Statutes Chapter 119.07 ("Public Records Law"). The City shall permit public access to all documents, papers, letters, or other material submitted in connection with this ITB and any resulting Contract to be executed for this ITB, subject to the provisions of Chapter 119.07 of the Florida Statutes. Any language contained in the Bidder's response to the ITB purporting to require confidentiality of any portion of the Bidder's response to the ITB, except to the extent that certain information is in the City's opinion a Trade Secret pursuant to Florida law, shall be void. If a Bidder submits any documents or other information to the City which the Bidder claims is Trade Secret information and exempt from Florida Statutes Chapter 119.07 ("Public Records Laws"), the Bidder shall clearly designate that it is a Trade Secret and that it is asserting that the document or information is exempt. The Bidder must specifically identify the exemption

being claimed under Florida Statutes 119.07. The City shall be the final arbiter of whether any information contained in the Bidder's response to the ITB constitutes a Trade Secret. The city's determination of whether an exemption applies shall be final, and the Bidder agrees to defend, indemnify, and hold harmless the city and the city's officers, employees, and agent, against any loss or damages incurred by any person or entity as a result of the city's treatment of records as public records. In the event of Contract award, all documentation produced as part of the Contract shall become the exclusive property of the City.

**IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT [PRRCONTRACT@FORTLAUDERDALE.GOV](mailto:PRRCONTRACT@FORTLAUDERDALE.GOV), 954-828-5002, CITY CLERK'S OFFICE, 100 N. ANDREWS AVENUE, FORT LAUDERDALE, FLORIDA 33301.**

Contractor shall:

1. Keep and maintain public records required by the City in order to perform the service.
2. Upon request from the City's custodian of public records, provide the City with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes (2022), as may be amended or revised, or as otherwise provided by law.
3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of this contract if the Contractor does not transfer the records to the City.
4. Upon completion of the Contract, transfer, at no cost, to the City all public records in possession of the Contractor or keep and maintain public records required by the City to perform the service. If the Contractor transfers all public records to the City upon completion of this Contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of this Contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the City, upon request from the City's custodian of public records, in a format that is compatible with the information technology systems of the City.

## **2.51 PCI (Payment Card Industry) Compliance**

Contractor agrees to comply with all applicable state, federal and international laws, as well as industry best practices, governing the collection, access, use, disclosure, safeguarding and destruction of protected information.

Contractor and/or any subcontractor that handles credit card data must be, and remain, PCI compliant under the current standards and will provide documentation confirming compliance upon request by the City of Fort Lauderdale, failure to produce documentation could result in termination of the contract.

*END OF SECTION*

### **SECTION III - TECHNICAL SPECIFICATIONS/SCOPE OF SERVICES (Group 1 – Lines 1-17)**

The City of Fort Lauderdale is actively seeking bids from qualified bidders to perform underwater commercial diving services in navigable river and canal crossings including the Intracoastal Waterway. The diving services will be for inspection, repair, and installation of subaqueous water and sewer pressure pipes.

These services will be on an as-needed and on-call basis; services may be scheduled or unscheduled (as a result of an emergency).

With this solicitation, the City intends to award multiple qualified vendors to provide these services. The City may place orders with any of the winning vendors, selecting the vendor that the City wishes to use which will be based on pricing and/or availability.

#### **3.01 BACKGROUND:**

- The City has approximately 18,000 linear feet of subaqueous mains ranging in size from 1.5" to 48" in diameter.
- Dive depths may vary between 2 feet to 50 feet depending on the water body location.
- Diving will be in freshwater, process water, or marine water; using approved commercial diving practices, procedures, equipment, and trained and experienced diving personnel.
- Potential environmental hazards include confined space entry, contaminated sediments, contact with storm water and sanitary sewerage, and fast flowing water.

#### **3.02 SCOPE OF WORK:**

- The contractor will perform the following underwater activities:
  - Installation, Inspection, and repair of subaqueous water and sewer pressure pipes.
  - Inspections and Assessments: detection of leaks and cracks; dye tests (food grade dye only if required for potable water); material sampling; inspection, repositioning, and retrieval of instrumentation and equipment.
    - Maintenance and small-scale construction: adjustment, repair, and replacement of mechanical equipment (pumps, valves, gates, other); welding; inspection; repair of coatings and linings; installation, monitoring, and removal of pipe plugs;

installation and removal of stop logs; repair of pipes; installation, retrieval, and repositioning of anchors and rigging; bolting and unbolting of pipe flanges, fittings, and couplings, pipes, and reservoirs (including floors, column bases, columns, walls, sumps, inlet/outlet piping, and related appurtenances); underwater pressure grouting.

- Imaging (vendor supplied equipment): remotely operated imaging (CCTV, sonar, laser); diver operated videography or still photography with video feed capability.
- Underwater locating including Global Positioning System (GPS) mapping of subaqueous infrastructure.

### **3.03 EQUIPMENT:**

- Partial list of equipment required to complete the job includes but not limited to the following items:
  - Crane truck may be used for staging of equipment and lifting pipe and other parts and fittings.
  - Hydraulic power trailer with injecting dredge pump.
  - Hydraulic and jetting hoses (as applicable).
  - Air compressor and related equipment.
  - Diver operated lift tube.
  - Closed Circuit Video System (CCTV) and with thumb drive copy.
  - Diving equipment.
  - All appropriate personal protection equipment required for the workers performing the job.
  - Small barge (10x10) to be used for the divers to place their equipment and rest on it, also that can be pushed out will be sufficient.

### **3.04 RESPONSE TIME:**

- **Unscheduled (emergency) work** may be required on short notice due to equipment failure and/or imminent loss or further damage to equipment.
  - For emergency conditions, contractors should provide the City with a response time of 2 hours (diver on-site).
- **Scheduled projects**, the contractor must be able to meet a response time of 48 hours (diver on-site).

**3.05 ESTIMATED USAGE:**

The City estimates that its annual usage will be as follows:

**Scheduled Services** (At least 48 hours’ notice)

Day Rate: 7:00 am to 6:00 pm.	100 hours annually
Night (6:01 pm to 6:59 am) and Weekend (Saturday 6:59am to Monday 6:59 am) and Holiday Rate	100 hours annually

**Unscheduled Services** (At least 2 hours’ notice) 100 hours annually

This may be needed anytime, 24 hours/day, 7days/week, 365days/year

**Additional Equipment**

Hydraulic Rough Terrain Crane	40 hours annually
4” Hydraulic Pump with 400’ discharging hose	40 hours annually
6” Hydraulic Pump with 400’ discharging hose	40 hours annually
Vacuum Truck	40 hours annually
Floating construction platform with Bobcat E35i or equal	40 hours annually
Floating storage platform with minimum 4 CY capacity	40 hours annually
Long Stick Excavator, CAT 325 or equal	40 hours annually
Turbidity Barrier, FDOT 104-11	40 hours annually
Closed Circuit Video System with DVD copy	20 hours annually
Hydraulic Tools	40 hours annually
Push Boat	40 hours annually

The usage shown above is not indicative of future usage.

**3.06 REGULATIONS, LICENSING, AND EXPERIENCE – MINIMUM QUALIFICATIONS:**

- Underwater operations shall be conducted in accordance with all local, state, and federal regulations and industry standards:

○ **Industry Standards Include:**

- Occupational Safety and Health Administration (OSHA) Standards for Commercial Diving Operations (29 CFR Part 1910, Subpart T – 6/13/2011 – Directive # CPL 02-00151),
- Association of Diving Contractors International (ADCI) standards.
- ANSI/AWWA C600 - Installation of Ductile-Iron water and wastewater mains and their appurtenances (including subaqueous installations).
  
- AWWA C900-16 Polyvinyl Chloride (PVC) Pressure Pipe and Fabricated Fittings, 4 In. through 60 In. standard.
- AWWA C906-15 Polyethylene (PE) Pressure Pipe and Fittings, 4 In. through 65 In.

○ **Professional licenses, Training, and Experience:**

**The City reserves the right to request the information below:**

- The divers must be commercially trained to OSHA, USCG, & ADCI standards.
- Proof of commercial diving certifications, training, and safety data shall be provided upon request. **For example, ADCI commercial diver certification card indicating the training level.**
- The successful bidder will be required to have a minimum of 3 – years’ experience in underwater commercial diving services in navigable river and canal crossings.
- The Divers must have a minimum of 3 – years-experience in the repair of underwater pipes or structures.
- The Diver supervisor must have a minimum of 10 years years-experience in the repair of underwater pipes or structures.
- Diving operations must be supervised as required by the appropriate governing regulation.
- Each dive member has a valid CPR Certification document.
- Each dive team member has a physician letter no more than one old on file in the company offices.
- Minimum diving emergency equipment shall be available at the site of diving operations

## **PART IV -TECHNICAL SPECIFICATIONS/SCOPE OF SERVICES (Group 2 – Lines 18-37)**

### **4.01 OBJECTIVE**

The City of Fort Lauderdale Public Works Department is seeking bids to have seven (6) portable water storage tanks, 8 Clearwell, 3 recarbonation basins, two aeration basins and several flumes (located at 4 different locations) will be inspected and cleaned under this contract. Not all the previously mentioned areas will be cleaned concurrently. All tanks are above grade, cylindrical, and range in height from 31.5' to 157' above grade. Other areas are cubical form.

### **4.02 GENERAL INFORMATION**

1. The list of tanks, Clearwell, recovery basins and flumes' locations to be cleaned is located in **Section 4.08** of the Technical Specifications.
2. The City of Fort Lauderdale reserves the right to postpone inspection or cleaning of any or all water storage tanks, Clearwells, basins or flumes if weather conditions, fire hazard or operational needs dictate.
3. The City of Fort Lauderdale reserves the right to cancel the inspection or cleaning of any storage tank, Clearwells, basins or flumes if conditions warrant such action at that water storage site.
4. The water storage tanks, Clearwells, basins and flumes are to be cleaned and inspected by certified divers while they remain in service.
5. The contractor shall provide all travel, lodging, labor, equipment, and materials necessary to provide sediment sampling, vacuum cleaning, and inspections of the tanks. Any equipment used must only have been used in potable water facilities or be new. All must be NSF of food grade certified.
6. Upon completion of the cleaning and inspections, the contractor shall provide a written insured report documenting the findings during the inspection, and an album of digital photographs and video, both underwater and above the water surface, of each tank interior. The inspection report will signed and sealed by a Florida licensed professional engineer.
7. Report and photo albums shall be in both electronic and hard copied format as specified herein and not be supplemented or replaced with other means of documentation while all reports are to be comprehensive, written analysis of each structure having conclusions that include required maintenance and or upgrades.

8. Overall evaluation of the Water Storage Tanks, clearwells , basins and flumes condition shall be conducted and reported in accordance with AWWA Standard D101.

#### **4.03 PROJECT MANAGEMENT**

The City of Fort Lauderdale will have personnel on site during the cleaning, but the Contractor shall conduct all cleaning operations site management and dive operations. The entire cleaning operation and material disposal shall be the responsibility of the Contractor. Scheduling of work and obtaining approval from plant management staff is required prior to commencing or moving to a different tank or equivalent.

The Contractor shall have a minimum of 10 years' experience in potable water tank cleaning operations, understand water treatment operations and be affiliated with a certified water quality consulting firm therefore having considerable understanding of water production, supply and maintenance.

The Contractor shall be trained and certified in management of water quality testing and testing of sediment.

#### **4.04 SUBMITTALS**

After award and prior to the start of the work under this contract, the contractor shall prepare and submit the following documents for The City of Fort Lauderdale to review:

- OSHA compliant Safety Plan
- Evacuation Plan
- Sanitization Plan
- Dive Plan including logs
- Cleaning Plan
- Secretary of State Certification to do business in Florida (3 years minimum)
- Physician Letters for each diver/inspector stating the diver has been cleared to work in potable water (not older than 1 year)
- Certificate of Insurance (Workers Comp/Liability/Auto/Report Writing)
- Background Checks on all employees
- References – A list of 25 jobs completed in the State of Florida (of similar size and nature)
- Certified letter stating Diving Gear has never been in any environment other than in potable water and that the equipment is NSF or food grade

In particular, the Dive Plan and/or Safety Plan shall include a procedure for rescue of any diver who needs to be rescued from inside a water storage tank for two cases: a tank having a fixed access ladder inside the tank, and a tank with no inside access ladder in which the Contractor provides temporary diver access using a method such as a temporary

access ladder tied to the roof hatch of the tank. The Contractor shall prepare and forward to The City of Fort Lauderdale additional documents if required either by regulation or as part of standard company routine. The work shall not begin until the City of Fort Lauderdale has reviewed and accepted these initial documents.

#### **4.05 SPECIFICATIONS**

Florida Administrative Code 62-555.350(2) states that water tanks shall be inspected for structural and coating integrity at least once every five (5) years by personnel under the responsible charge of a Professional Engineer licensed in Florida. The PE will be provided by the Contractor as a requirement of the proposal. All work performed shall strictly comply with State of Florida regulation 62-555 requirements and shall comply with A.W.W.A. standard for disinfection of water storage facilities section 5: Disinfection Procedures When Conducting Underwater Inspection of Potable Water Storage Facilities shall be adhered to.

1. Contractor shall have had a Secretary of State Certification to do business in Florida (3 years minimum).
2. Diver services in finished water storage tanks shall be accomplished by divers experienced in potable water facilities.
3. All divers shall meet or exceed the most current ANSI/ACDE 01 training requirements, be OSHA certified in confined space entry and be inland diving certified. The inspector diver(s) shall also be NACE certified and have a minimum of 10 years' experience inspecting potable water storage tanks (provide resume's upon City's request within five (5) business days).
4. All diving equipment and clothing shall be dedicated for the sole purpose of inspection of potable water treatment or storage facilities. Dive equipment and clothing shall have only been used in potable water or shall be new. Certification history on all equipment shall be readily available and shall be furnished upon request of the City within five (5) business days and the items shall be available for inspection.
5. Capability to use external air supplied equipment is required. No oil driven equipment is to be used.
6. Diving clothing shall be of the dry suit type and be free from tears, scrapes, unrepaired areas, or other imperfections that may impair the integrity of the suit.
7. Divers must have the capability for full time voice communications between surface support and diver(s).
8. All equipment and clothing shall be disinfected with a 200-ppm chlorine solution immediately prior to entry into the tank. The diver and the clothing shall be disinfected after the diver is suited up. The dive suit shall completely encapsulate the diver with no bare skin exposed, including hands. There shall be no contact of the mouth or head with

the water during the inspection. The head shall be fully encapsulated by a helmet or dry suit hood with full-face mask. Between uses, all equipment and clothing dedicated for potable water, underwater inspection work shall be stored in a manner that prevents both chemical and bacteriological contamination.

9. All divers shall have a minimum of five (5) years diving experience in potable water tanks. Acceptable proof of diver qualifications are: current ANSI/ACDE 01 training requirement, be OSHA certified in confined space entry and have potable water tank inspection work experience and report writing experience. Commercial diving skills shall include extensive experience using surface-supplied air.
10. The inspector diver(s) shall have a minimum of ten (10) years' experience diving in potable water tanks and in underwater inspection (proof of 10 years' experience inspecting tanks/resume and proof of NACE certification is required within five (5) business days from request of the City).
11. All divers shall have knowledge of construction practices as related to the fabrication of pre-stressed concrete and welded steel tanks.
12. All personnel on the dive team shall be free of communicable diseases and shall not have been under a physician's care within the seven-day period prior to entering the facility.
13. No person who knowingly has an abnormal temperature or symptom of illness shall work in a potable water storage facility. The City of Fort Lauderdale will request a physician's assurance stating that personnel are free of water-transferable communicable diseases.
14. The Contractor shall complete insured written comprehensive reports for each tank, documenting the findings during the inspection and provide a conclusion with recommendations. The Contractor shall provide a photo album of digital photographs, both underwater and above the water surface of each tank interior and exterior. Report and photo albums shall be in electronic format and hard copy format. Bidder shall submit with its bid document, the above-mentioned documents and sample final report. Bids submitted without the aforementioned may be rendered nonresponsive.
15. The City of Fort Lauderdale shall not be responsible for nor make any payments for normal wear and tear or routine maintenance of Contractor equipment.

#### **4.06 CLEANING AND INSPECTION**

1. For each area (tank, clearwell, basin or flume) to be cleaned, the scope of work shall include the tasks described herein. Prior to the initiation of work, The City of Fort Lauderdale will select the tanks to be cleaned under this agreement.

2. For each area (tank, clearwell, basin or flume) to be cleaned, the Contractor shall begin with a pre-job site visit with The City of Fort Lauderdale designee. The purpose of this visit is to see the site location, street access to the site, space available at the site for the necessary equipment, access into the area that will be cleaned, the location of the nearest sanitary sewer manhole(s), and other details of the tank and its site.
3. The Contractor shall dispose of water in accordance with all applicable laws and regulations.
4. All cleaning shall commence after the Contractor mobilizes onto the site(s) and sets up its equipment for the cleaning work.
5. All cleaning shall be by a diver using surface supplied air and shall include vacuum removal of all sediment and removal by hand of any debris too large to be vacuumed up.
6. Sediment shall be measured and documented
7. Cleaning shall be performed using a vacuum that will not be less than 350 gpm. Divers are not permitted to wear fins during the cleaning operation.
8. No turbidity created by silt clouds will be permitted during the cleaning operation.
9. The Contractor shall provide a Lump Sum cost for the removal of sediment and debris and not include any provisions for additional costs i.e.: sediment removal. Sedimentation removal should not exceed 2 feet. In the unlikely case the sedimentation exceeds two feet the contractor will provide a quote for each additional foot of sediment removal.
10. The dive operation shall include an audio system to permit two-way communication to relay specific requests to the diver, and a camera shall allow those outside the tank to see what the diver is looking at on a screen in the dive vehicle or equipment trailer, yet video will not be allowed as a substitute for comprehensive reports or photos.
11. No smoking shall be allowed on any The City of Fort Lauderdale property.
12. Following or during cleaning, the Contractor shall conduct a comprehensive water storage tank inspection of exterior and interior features including as a minimum the inlet/outlet pipe, overflow pipe, other interior piping, ladder, personnel entrance hatches on walls and interior roof, columns, floor, wall, seams, roof structure, etc. The interior inspection shall be documented and photographed.
13. The Contractor shall provide an electronic album of numbered photos and a written report (insured) of the inspection results, with the report cross referenced to the photographs.

14. Each inspection report shall be furnished in Microsoft Word electronic format, latest revision, and shall contain a comprehensive discussion of the condition of the water storage tank, with particular attention to interior elements and interior surfaces.
15. All CD's, photograph albums, and reports shall become the property of the City of Fort Lauderdale. Each bidder should submit a sample water storage tank inspection report with its bid, however, must submit within five (5) business days from request of the City.

#### **4.07 OTHER PROJECT REQUIREMENTS**

1. The Contractor's personnel and equipment will be allowed reasonable access to the work site during normal business hours, and a sufficient area of working space. Unless otherwise agreed by both parties, normal business hours shall include an eight-hour workday during the interval of 07:30 AM to 03:30 PM, excluding The City of Fort Lauderdale holidays.
2. All work shall be done in accordance with OSHA, and all other applicable laws and regulations.
3. The Contractor shall be responsible for all site safety, spill containment precautions, decontamination of equipment and diver, and protection of water quality from tank cleaning activities.
4. The Contractor shall be responsible for the water quality in the working areas ( storage tank , clearwell , etc.) during cleaning and from diver and equipment contact with the water. At the request of The City of Fort Lauderdale, the Contractor must provide certified water health analysis and sediment analysis.
5. Silt clouds raised by cleaning operations shall not be permitted.
6. Equipment exposed to potable water, including diving equipment, shall be new or previously exposed only to potable water. All equipment to be taken into any storage tank shall be in good working condition and shall be properly cleaned and disinfected immediately prior to use inside any storage tank.
7. No dive suit that leaks shall be allowed into a drinking water storage tank. The Contractor shall provide a certified letter stating Diving Gear has never been in any environment other than in potable water.
8. The Contractor shall furnish all diver lift equipment required for tank roof access, and/or a portable (and disinfected) ladder for tank interior access.
9. For each storage tank to be cleaned, the Contractor shall obtain the necessary access information during a pre-job site visit with the City of Fort Lauderdale.

10. Contractor employees must be able to read and understand English since the safety signs and training to be provided (Risk Management Plan) is conducted in English.

Supplier	Question	Answer
Industrial Divers Corp.	Line items such as #7, 10, 11, & 13 tend to be specialty rental equipment or subcontracts. The unit of measure for these item is per hour but we need to rent them per day. Is there, or can we stipulate, a minimum invoice of 4 or 8 hours?	Quote it for 8-hour day, the line uom will be updated to reflect day
Industrial Divers Corp.	This contract is for 1 year with 3 one year renewals. Is there a COLA or % increase per year to cover inflation and/or the yearly increase in the Florida minimum wage? Or do we need to guesstimate or costs 4 years out in this uncertain economy?	Contract only allows for CPI increase not to exceed 5%. Which can be reviewed after the initial term and upon execution of the renewal each year with proper justification. Any other increases will need to be factored into the bid.
Industrial Divers Corp.	Line 14 "FDOT 104-11" is an item code for floating turbidity barrier per foot. The unit of measure listed is per hour, please provide an estimate of what type of barrier DOT I, II, or III is needed and how long, and length of skirt if any?	DOT II 100"
