

**TO:** Honorable Mayor & Members of the  
Fort Lauderdale City Commission

**FROM:** Lee R. Feldman, ICMA-CM, City Manager

**DATE:** April 21, 2015

**TITLE:** Resolution Dedicating Portions of City-Owned Properties as Public Right-of-Way for Purposes of the Complete Streets Program

---

### **Recommendation**

It is recommended that the City Commission adopt a resolution (Exhibit 1) to dedicate portions of City-owned property as public right-of-way for purposes of the Complete Streets Program.

### **Background**

The Florida Department of Transportation (FDOT) is currently designing a “complete street” on Northwest 9<sup>th</sup> Avenue from Sistrunk Boulevard to Broward Boulevard, as a Local Agency Program (LAP) Project. As part of this project, FDOT is redesigning a portion of the roadway and sidewalk on Northwest 9<sup>th</sup> Avenue, which currently extends onto City-owned property.

Pursuant to FDOT requirements, in order to reconstruct or improve the roadway and sidewalks, re-dedication of the right-of-way will be required. The property is Lot 19 Block B, located at the northeast corner of Northwest 9<sup>th</sup> Avenue and Northwest 3<sup>rd</sup> Street. A detailed description and sketch of the property is provided in Exhibit 2. Additional properties affected by this program are being addressed separately under CAM #15-0510. The improved and re-platted property will continue to be City-owned.

### **Resource Impact**

There is no fiscal impact to the City.

### **Strategic Connection(s):**

This is a *Press Play Fort Lauderdale Strategic Plan 2018* initiative, included within the Infrastructure Cylinder of Excellence:

- **Goal 1:** Be a pedestrian friendly, multi-modal City.
- **Objective 2:** Integrate transportation land use and planning to create a walkable and bikeable community.

This item advances the *Fast Forward Fort Lauderdale 2035 Vision Plan: We are Connected*.
