Mrs. Albertha Jenkins is a native Floridian and grew up in Gainesville. She moved to the City of Ft Lauderdale where she met and married Mr. Ernest Jenkins. The late Mr. Jenkins served 24 years in the United States Army while Mrs. Jenkins worked as an Administrator at Nova Southeastern University. The Jenkins raised all four wonderful children in the city and our proud residents.

The family has lived in their home located in the Golden Heights Homeowners Association for the past 35 years and made various improvements to the property over the years. The exterior upgrades include new roof, interior and kitchen expansion and renovation as well as new block fence and beautifully designed paved driveway.

Mrs. Jenkins is currently employed in the home health-aide field but she always makes time to oversee and assist in the grooming of her landscape. The landscaping consists of a variety of indigenous and non-indigenous plants and shrubbery, queen palms and black olives trees which are maintained by a hired landscaper at least twice a month. These photos show the extra effort and pride that she and her family employ to not only beautify the home but also the wonderfully sculpted and well-manicured landscapes.

The Jenkins lovely home enhances and adds great value to the neighboring properties.

The Fort Lauderdale City Commission and the Community Appearance Board proudly present the WOW Award for October 2013 to Albertha Jenkins and thank them for enhancing the neighborhood and the City of Fort Lauderdale.

We are pleased to present you with a certificate of appreciation from the City Commission, a gift certificate from Kelly's Landing and an orchid donated by Home Depot to celebrate the recognition.
