It is recommended that the City Commission approve the event agreements with Potential Church, Inc., Canine Companions for Independence, Inc., and Everytown for Gun Safety Action Fund, Inc. and authorize execution of the agreements by the City Manager.

**Background**

City staff has been working closely with the event organizers regarding event topics, such as logistics, maintenance, and security as detailed below. The Police Department recommends approval of the closing of the City streets where appropriate, and event parking has been satisfactorily arranged. When applicable, amplified music was discussed and event organizers were advised of the noise ordinance and possible concerns.

Event organizers will pay for all event costs and submit the required certificates of insurance. The event organizers will also secure all other necessary permits and licenses that are required from other agencies. Civic and merchant associations have been notified as appropriate regarding events in their areas. Specific event details are included in each event application as attached.
