Dear Mr. Buckley:

Please be advised that in accordance with Article 17- Suspension of Work and Termination of the Agreement pursuant to ITB No. 12748-933, Carbon Dioxide PH Control System for the Fiveash Water Treatment Plant between RF Environmental Services ("Contractor") and the City of Fort Lauderdale ("City"), this correspondence shall serve as the City's official notice of intent to terminate for convenience the above referenced Agreement.

Under Article 17, provision 17.5, of the Agreement states:

17.5 Termination for Convenience: This Agreement may be terminated for convenience in writing by City upon thirty (30) days' written notice to Contractor (delivered by certified mail, return receipt requested) of intent to terminate and the date on which such termination becomes effective. In such case, Contractor shall be paid for all work executed and expenses incurred prior to termination in addition to termination settlement costs reasonably incurred by Contractor relating to commitments which had become firm prior to the termination. Payment shall include reasonable profit for work/services satisfactorily performed. No payment shall be made for profit for work/services which have not been performed.

An agenda item is tentatively scheduled for November 21, 2023, for the City Commission to consider and take action on the recommendation to terminate this contract.
