It is acknowledged and agreed by Contractor that this amount is the maximum payable and constitutes a limitation upon City's obligation to compensate Contractor for Contractor's services related to this Agreement. Except as otherwise provided in the solicitation, no amount shall be paid to Contractor to reimburse Contractor's expenses.

Contractor shall permit the representatives of CITY to inspect and observe the Work at all times.

The failure of the City to insist upon strict performance of any other terms of this Agreement or to exercise any rights conferred by this Agreement shall not be construed by Contractor as a waiver of the City's right to assert or rely on any such terms or rights on any future occasion or as a waiver of any other terms or rights.

N. Assignment and Performance

Neither this Agreement nor any right or interest herein shall be assigned, transferred, or encumbered without the written consent of the other party. In addition, Contractor shall not subcontract any portion of the work required by this Agreement, except as provided in the Schedule of Subcontractor Participation. In the event Contractor is permitted pursuant to this Agreement to utilize subcontractors to perform any services required by this Agreement, Contractor agrees to require such subcontractors, by written contract, to comply with the provisions of this section to the same extent as Contractor.

for *quid pro quo*, that each is substantial and important to the formation of this Agreement and that each is, therefore, a material term hereof.

City's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

R. Compliance With Laws

Contractor shall comply with all applicable federal, state, and local laws, codes, ordinances, rules, and regulations in performing Contractor's duties, responsibilities, and obligations pursuant to this Agreement.

Contractor hereby expresses its willingness to enter into this Agreement with Contractor's recovery from the City for any damage action for breach of contract or for any action or claim arising from this Agreement to be limited to a maximum amount of \$1,000 less the amount of all funds actually paid by the City to Contractor pursuant to this Agreement.

Accordingly, and notwithstanding any other term or condition of this Agreement, Contractor hereby agrees that the City shall not be liable to Contractor for damages in an amount in excess of \$1,000 which amount shall be reduced by the amount actually paid by the City to Contractor pursuant to this Agreement, for any action for breach of contract or for any action or claim arising out of this Agreement. Nothing contained in this paragraph or elsewhere in this Agreement is in any way intended to be a waiver of the limitation placed upon City's liability as set forth in Section 768.28, Florida Statutes (2021), as may be amended or revised.

U. Jurisdiction, Venue, Waiver, Waiver of Jury Trial

The Agreement shall be interpreted and construed in accordance with, and governed by, the laws of the state of Florida. The Parties agree that the exclusive venue for any lawsuit arising from, related to, or in connection with this Agreement

Question and Answers for Bid #12680-823 - Hauling and Disposal of Silts and Soils and Sale of Dewatering Containers

Overall Bid Questions

Question 1

2.36

270 days is too long of an extension to continue to hold pricing that is intended for 3 years a 3-year contract if not renewed. Please consider changing an extension to 90-120 days due to the cost of providing service continuing to rise at an extremely fast rate every month. **(Submitted: Jun 9, 2022 7:08:10 AM EDT)**

Answer

- The City anticipates the awarded vendor to perform services in accordance with the solicitation. If so, the City intends to renew the contract as per the agreement. Like this solicitation, it is common practice to go out for bid before a contract period ends. There are exceptions we renew month to month for 90 days or more if needed to finalize a new contract. Per the City's code we can extend up to 270 days if needed. **(Answered: Jun 9, 2022 12:22:38 PM EDT)**

Question 2

2.38

Please change fuel surcharges to monthly not quarterly. Diesel fuel has risen at a tremendous amount weekly per gallon to calculate only once every quarter.

Why is fuel capped at 6%? This is unfair to the contractor. We have no cap on Diesel fuel and it can continue to rise as the contractor provides service at a loss until each quarter. Please remove this language. **(Submitted: Jun 9, 2022 7:09:12 AM EDT)**

Answer

- This will remain quarterly and capped at 6%. **(Answered: Jun 9, 2022 12:22:38 PM EDT)**

Question 3

3.03

The material being disposed of in the 30yd containers may make our trucks overweight if loaded completely full. What is the process with the city if that happens? **(Submitted: Jun 9, 2022 7:09:42 AM EDT)**

Answer

- The City only loads halfway or to a load fill line, if marked by the Contractor on the Roll-off container. Should a box be deemed overweight by the driver, the City should be notified and staff will offload. **(Answered: Jun 9, 2022 12:22:38 PM EDT)**

Question 4

3.07

For the term of the last contract how many times were Special/Emergency provided? **(Submitted: Jun 9, 2022 7:09:54 AM EDT)**

Answer

- Zero (Answered: Jun 9, 2022 12:22:38 PM EDT)

Question 5

3.10

Does the city have an account that is charged for disposal at these locations or does the contractor have to negotiate a rate with the disposal sites? If the city does are, they billed directly? If a container is rejected at one of these location for unacceptable material how is that handled? (Submitted: Jun 9, 2022 7:10:41 AM EDT)

Answer

- Contractor is responsible for disposal costs as a direct pass through to the City. The Contractor is billed for disposal by the disposal site. If a container is rejected, the City will work with the Contractor to identify an appropriate facility for disposal and would likely be the Monarch Hill Landfill facility. (Answered: Jun 9, 2022 12:22:38 PM EDT)

Question 6

3.13

What if an issue that is out the contractors control happens that the driver cannot be to the location within 2 hours for Priority or emergency service? Accidents, weather, road closures, religious obligations to call a driver in on a Sunday? 3 hours seems more achievable even if an obstacle comes up to slow a driver down. (Submitted: Jun 9, 2022 7:11:14 AM EDT)

Answer

- The City recognizes that unanticipated circumstances occur from time to time. The Contract Coordinator has the ability to approve a variance when submitted by the Contractor in writing. (Answered: Jun 9, 2022 12:22:38 PM EDT)

Question 7

3.13

Just to clarify charges below if each dispatch is a billable charge to the city. Example is \$100 per dispatch.

Deliver container: \$100

Empty & Return container: \$100

Pick-up container: \$100 (Submitted: Jun 9, 2022 7:11:33 AM EDT)

Answer

- Each dispatch is chargeable for requests made for service requested on Sunday, night service or requests indicated as emergency of priority with a 2-hour service window. (Answered: Jun 9, 2022 12:22:38 PM EDT)

Question 8

3.15

Just to confirm. When bidding we add the franchise fee into the charges, not charge as a separate line item on the invoice like regular franchisee fees paid to the city? (Submitted: Jun 9, 2022 7:11:52 AM EDT)

Answer

- The bidder should include all franchise fee costs into their hauling fee. It shall not be charged as a separate line item on the invoice. (Answered: Jun 9, 2022 12:22:38 PM EDT)

Question 9

What is the current pricing for all size containers per haul? What is the current disposal charges for all materials? What is the current dead run charge? What is the current priority/emergency service charge? What is

the current fuel surcharge? (Submitted: Jun 9, 2022 7:12:38 AM EDT)

Answer

- See Addendum 1 for current contract pricing for all available line items. New line items have been added to this solicitation that were not included previously. (Answered: Jun 9, 2022 12:22:38 PM EDT)

Question 10

Who is the current contractor? (Submitted: Jun 9, 2022 7:12:50 AM EDT)

Answer

- MST Scrap Metal, Inc. (Answered: Jun 9, 2022 12:22:38 PM EDT)

Question 11

What was the start date of the current contract in place? (Submitted: Jun 9, 2022 7:13:00 AM EDT)

Answer

- October 9, 2018 (Answered: Jun 9, 2022 12:22:38 PM EDT)

Question 12

If franchise fees are to be included in the haul rates, please confirm there is no franchise fee to be paid on disposal, as it is an unknown due to weight. (Submitted: Jun 13, 2022 6:39:19 AM EDT)

Answer

- Correct (Answered: Jun 13, 2022 10:26:48 AM EDT)

Question 13

Please reconsider the response on the fuel surcharge, if it remains as is the City will be paying on expected increases during the term from day one as the Contractor must protect itself from the potential "futures" of fuel, which experts have publicly stated could reach close to \$10.00 per gallon if inflation continues. (Submitted: Jun 13, 2022 6:43:25 AM EDT)

Answer

- This is not a question. See response to Question 2 regarding request to change Section 2.38 - Fuel Surcharges. (Answered: Jun 13, 2022 10:26:48 AM EDT)

Question 14

Just to clarify, the response to question # 7 as an example is "\$100 per dispatch"
So if the the bid price line item is "\$100 per pull" that is for a "dump and return" of a container at a permanent location.

If the contractor is delivering containers to temp. site charges would be as follows:

Delivery (dispatch) \$100

MST Dumpsters has experience working with both cities and counties. We previously had the contract with Broward County to provide dumpsters for the Department of Traffic and Engineering Department. Pursuant to that contract, we also provided dumpsters at the Fort Lauderdale Hollywood International Airport and some Broward County Parks. The City of Hollywood also "piggy-backed" on the contract. The Contract was initially awarded as an interim contract beginning on January 23, 2014. The official contract was awarded as of April 1, 2014 through March 31, 2015. The contract was renewed for two additional one-year terms. The contact person was Larry Jennings. 954-847-2600.

MST Dumpsters also was awarded a contract with the City of Fort Lauderdale effective February 20, 2015 to provide dumpsters for the collection of scrap metal. The contact person was Melissa Doyle. 954-828-6111.

MST was awarded the Silts and Sediment Contract for the City of Fort Lauderdale (this bid is for that contract which is expiring). The contract was effective October 9, 2018 and ends on October 8, 2022, after the City exercised its one year option to extend. Pursuant to this contract, MST also provided dumpsters on an emergency basis for the Red Tide issue in 2018. The contact person is Melissa Doyle. 954-828-6111.

MST was also awarded the Roll-Off Dumpster Services contract in June 2019. Pursuant to that contract, MST has been providing roll-off services at parks, cemeteries and other City locations that need dumpster services, along with numerous special projects. That contract was up for its one-year renewal on June 30, 2022 and the City renewed the contract.

3.14.E Facilities

MST Dumpsters' main office is at 3310 SE 6th Ave, Fort Lauderdale, FL 33316. Our administrative functions are performed there. We also have storage space for our trucks and dumpsters. In the office, we have four people who answer the phones, place the orders, handle the invoicing and perform the other administrative duties.

If 24-hour service is needed, Nanci Landy (owner) is available. Nanci Landy's cell phone number is on the office voice mail for after hours calls and will also be provided to the City. On the weekends, the office phone is forwarded to the cell phone of Nanci. Nanci can log into the office system and dispatch orders when she is not in the office.

Scott Tobin, the Vice President, is the back up emergency driver if no other drivers are available. One truck is used as a back up truck when necessary. It is not assigned a permanent driver and is used if one of the other trucks is getting serviced.

MST has an independent contractor who handles the day-to-day maintenance of the trucks. More serious problems are handled by Nextran in Fort Lauderdale or Riviera Beach (for the Macks) and South Florida Kenworth across the street from the office (for the Kenworths). Central Tire has 24-hour tire service when our trucks have tire issues. Grady Marine Construction and GL Fabrication repair any damaged dumpsters.

MST has two additional storage yards. One at 1570 N Powerline Road, Pompano Beach and another at 1200 Skees Road, West Palm Beach. Those yards are for storage of dumpsters only.

Good afternoon-

I am rebidding the contract for Stormwater Silt and Sediment hauling and disposal (see link above) and adding cemetery soil hauling and disposal as I am now managing these volumes as well.

Can you provide the insurance requirements so that I may move forward with the draft ITB? Scope will largely be the same as above.

Happy to discuss if you have any questions or concerns.
